### COMMERCIAL SEWER CONNECTION AGREEMENT

THIS AGREEMENT is made and entered into as of the 27 day of August, 2018 and between **CAMELOT SOUTH HILLS LLC** whose address is ~~595 S~~ Riverwoods Parkway Suite 400, Logan, UT 84321, hereinafter referred to as the “Owner,” and the **SOUTH VALLEY SEWER DISTRICT**, a political subdivision of the State of Utah, whose address is 1253 W Jordan Basin Ln, Bluffdale, UT 84065, hereinafter referred to as the “District.”

#### WITNESSETH:

**WHEREAS**, the Owner proposes to install a sewer line or sewer lines, laterals, manholes and related structures and facilities (hereinafter, “Sewer Improvements”), as a part of the Camelot Apartments – Clubhouse & Pool, which Sewer Improvements will be connected to the District’s sewer system in order to provide for collection, transmission, treatment, and disposal of sewage from Owner’s land; and

**WHEREAS**, the proposed Sewer Improvements are to be located on Owner’s land at approximately 15102 South 3200 West, Herriman, UT 84096; and

**WHEREAS**, the District, in accordance with its rules and regulations, will not allow connection of the Sewer Improvements to the District’s sewer system or otherwise approve or accept any work by the Owner unless an agreement is made to assure completion of the Sewer Improvements according to the District’s Design Standards and Construction Specifications, and the plans and profile drawings approved by the District; and

**WHEREAS**, the parties hereto desire to reduce their respective understandings and agreement to writing.

**NOW, THEREFORE**, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Installation of Improvements.**

a. **Plans and Specifications.** The Owner shall provide a set of plans and profile drawings of the Sewer Improvements and sewer system design for review and acceptance by the District. This design shall also provide for additional capacity for tributary areas if the District so directs. The District engineer will thereafter approve or reject the Owner's plans and drawings.

b. **Installation.** After compliance with all District requirements, including payment of all connection, review and inspection fees and costs, a preconstruction conference may be held with the Owner and the District's engineer and/or inspectors. Upon satisfactory compliance with all of the foregoing requirements, the Owner shall proceed to install in a workman-like manner at Owner's sole cost and expense, the Sewer Improvements as shown on the plans and profile drawings approved by the District and in accordance with the District's Design Standards and Construction Specifications. If the Sewer Improvements are not commenced within one (1) year from date of this Agreement, Owner shall resubmit plans for review and approval by the District engineer. All work shall be subject to District testing, inspection and approval before the same is covered or interconnected with the main outfall lines constructed by the District. If the work is covered before such testing, inspection and acceptance, the District may require the line to be uncovered for testing and inspection and may disconnect the Owner's system from the District's sewer system. The actual interconnection of Owner's sewer system with the District's main outfall line or lines shall be done at a time and in a manner approved by the District at the Owner's expense. Owner, at the time of the initial installation, shall install appropriate wyes in the sewer main line for each connection to be serviced, and extend lateral sewer lines to a point inside of any curb, gutter, and sidewalk within the property line of each connection or lot.

c. **Connection to District Lines.** Owner's Sewer Improvements shall not be connected to the District lines until Owner has fully performed Owner's obligations set forth in this Agreement.

2. **Rules and Regulations.** The Owner hereby agrees at all times to abide by the established rules and regulations of the District, including but not limited to, the payment of fees and charges hereafter as the same shall become due, construction of the Sewer Improvements in accordance with the District's Design Standards and Construction Specifications and complying with any applicable pretreatment requirements of the District.

3. **Owner's Representations and Agreement.** Owner hereby represents and agrees that:

a. Owner is the owner of the real property for which this Agreement is made;

b. Owner hereby grants the District and its designees the full right to enter upon all property within Owner's development to inspect the Sewer Improvements at any time.

c. Owner understands that Owner's facility or facilities will be served by the Sewer Improvements and that the impact fees calculated and charged by the District will be based on 600 apartment units and a clubhouse and pool (1 ERU equivalent).

d. Where required, Owner will design and install a separate interceptor pipe, interceptor and sampling manhole, hereinafter collectively referred to as the "Interceptor." The Interceptor shall be sized and designed to meet the pretreatment requirements of the District and comply with any required Discharge Permit(s). Owner further agrees to maintain and repair such interceptor line at owner's sole expense. Owner hereby agrees to indemnify and hold the District harmless, its officers, employees, engineers, agents and representatives from any liability, expense, claims or damages of any nature which may arise from the operation and maintenance of the Interceptor herein.

e. As a swimming pool, hot tub and/or other similar facility will be connected to the sewer, Owner agrees:

1. To limit the discharge rate from the pool(s) to not more than 50 gallons per minute, by the use of a flow restricting device.
2. To allow discharge from the pool(s) only during non-peak hours (i.e. 10 p.m. to 6 a.m.).
3. If and when the pool needs to be drained, the District must be notified at least 24 hours in advance and approve the discharge.
4. To pay all applicable fees.

4. **Costs and Fees.** The Owner hereby agrees to bear the total costs of constructing all Sewer Improvements required for the servicing of Owner's development (including extensions from existing District sewer mains to the development, the sewer collection system within the development, and laterals to each lot, parcel, building or connection within the development). No lot or parcel of real property or building shall be connected to any portion of the District's existing sewer system until the then applicable impact fee therefor has been paid to the District. The applicable impact fees shall be those impact fees established by the District's Board of Trustees with respect to Owner's facilities to be served by the District's sewer system. Owner's initial impact fee shall be paid to the District by Owner based upon the District's fee schedule established for Owner's initial designated facility or facilities. The District may charge and Owner shall pay additional impact fees if a change of use occurs in Owner's facilities served by the Sewer Improvements at those rates which are in effect on the date when the additional impact fees are actually paid to the District.

5. **Binding Effect.** This Agreement shall inure to the benefit of, and be binding upon, the parties hereto and their respective heirs, representatives, agents, officers, employees, members, successors and assigns. 10. **Waiver.** No waiver of any of the provisions of this Agreement shall operate as a waiver of any other provision, regardless of any similarity that may exist between such provisions, nor shall a waiver in one instance operate as a waiver in any future event. No waiver shall be binding unless executed in writing by the waiving party.

11. **Bonds.** This Agreement does not alter any obligation of Owner to provide bonds under applicable ordinances of any city or county having jurisdiction over Owner's development.

12. **Time of Essence.** The parties agree that time is of the essence in the performance of all duties herein.

13. **Captions.** The captions preceding the paragraphs of this Agreement are for convenience only and shall not affect the interpretation of any provision herein.
