Notwithstanding the foregoing or anything else contained herein which may be construed to the contrary, this Trust Deed shall not secure any Guaranty or any Environmental Indemnity (or any obligations thereunder). Any breach or default with respect to the obligations of the Trustor under the Loan Documents, subject to any applicable notice and cure period, shall also be deemed an Event of Default (as defined in Article 6 below) by the Trustor under this Trust Deed, and shall entitle Beneficiary, in addition to any and all rights and remedies to which Beneficiary may be otherwise entitled by law, or to which the Beneficiary under the Loan Documents would be entitled, to all rights and remedies set forth in this Trust Deed.

3. **Trustor's Covenants.** To protect the security of this Trust Deed, Trustor agrees as follows:

3.1 **Payment and Performance of Secured Obligations.** Trustor shall pay and perform all Secured Obligations in accordance with the respective terms of such Secured Obligations, whether evidenced by or arising under this Trust Deed, the Note, any of the other Loan Documents or otherwise.

3.2 **Maintenance of Trust Estate.** Unless Beneficiary or Bondowner Representative otherwise consents in writing, Trustor shall (a) keep the Property in good condition

and repair, and promptly and in a good and workmanlike manner (and with new materials of good quality) complete any Improvements to be constructed on the Land, repair or restore any part of the Real Property that may be injured, damaged or destroyed, and repair, restore or replace any Goods that may be injured, damaged, destroyed or lost or that may be or become obsolete, defective or worn out (except that Trustor shall not be required to repair, restore or replace any such Goods of insignificant value which are not reasonably necessary or appropriate to the efficient operation of the Real Property or the completion of the Project), and in each case pay when due all valid claims for labor, service, equipment and material and any other costs incurred in connection with any such action, (b) not remove, demolish or materially alter any Improvements, (c) not construct any Improvements on the Land or undertake any site development work unless contemplated by the Loan Documents or otherwise approved by Beneficiary or Bondowner Representative, (d) not commit or permit any waste of any part of the Property; provided, however, it shall not be considered waste if Trustor fails to repair or restore the Property after damage, destruction or partial condemnation but only to the extent that Beneficiary, Bond Trustee or Bondowner Representative retains insurance or other award proceeds, or the casualty was not covered by insurance, (e) not permit or consent to any restriction that would prevent or otherwise impair the use or development of the Real Property for the purposes contemplated by the Loan Agreement, (f) comply in all material respects with all Laws and Other Requirements, and not commit or permit any material violation of any Laws or Other Requirements, which affect any part of the Trust Estate or require any alterations or improvements to be made to any part of the Property, (g) take such action from time to time as may be reasonably necessary or appropriate, or as Beneficiary or Bondowner Representative may reasonably require, to protect the physical security of the Property, (h) except as otherwise permitted by the Loan Agreement or other Loan Documents, not part with possession of or abandon any part of the Trust Estate or cause or permit any interest in any part of the Trust Estate to be sold, transferred (transfers permitted under Section 4.5 of the Disbursement Agreement are not a violation of this Trust Deed), leased (leases that qualify as Approved Leases under the Disbursement Agreement are not violations under this Trust Deed), encumbered, released, relinquished, terminated or otherwise disposed of (whether voluntarily, by operation of law or otherwise), and (i) take all other action which may be reasonably necessary or appropriate to preserve, maintain and protect the Trust Estate, including the enforcement or performance of any rights or obligations of Trustor or any conditions with respect to any Rights.

Without limitation on any obligations of Trustor under the preceding paragraph, in the event that (i) all or a substantial or material portion of the Property is injured, damaged or destroyed by fire or other casualty, or (ii) any of the Property is damaged, destroyed or lost and any Damage Proceeds (as defined in Section 3.3 below) are payable as a result of such occurrence or the cost of the repair, restoration or replacement is reasonably expected to exceed \$250,000, or (iii) any part (but less than all) of the Property is condemned, seized or appropriated by any Governmental Agency (or conveyed, with the consent of the Beneficiary, in lieu of any such action), or the cost of the repair or replacement is reasonably expected to exceed \$250,000, all proceeds of such damage, destruction or condemnation shall be paid to Beneficiary for deposit into an insurance and condemnation proceeds account. Beneficiary shall apply such proceeds to repayment of the Secured Obligations, provided, however that Beneficiary shall disburse proceeds for the restoration of the Property if and to the extent that Beneficiary so approves. Beneficiary shall give such direction subject to satisfaction (or waiver, in Beneficiary's sole discretion) of the following conditions:

(A) within 30 days (or such longer period as Beneficiary may approve in writing) after the date of such injury, damage, destruction, loss or other event, Trustor shall deliver to Beneficiary, in form and substance reasonably satisfactory to Beneficiary: (1) a written plan for the repair, restoration or replacement of the Real Property (any such repair, restoration or replacement being referred to as a "**Restoration**"), including the estimated cost of the Restoration and time of completion, (2) if requested by Beneficiary, a copy of the plans and specifications for the Restoration, and (3) such other Documents and information relating to the Restoration as Beneficiary may reasonably request;

(B) if and to the extent required by Beneficiary, any contracts entered into by Trustor with architects, contractors, subcontractors or suppliers in connection with the Restoration shall be in form and substance and with a Person reasonably satisfactory to Beneficiary, the rights of Trustor under such contracts shall have been assigned by Trustor to Beneficiary or Bondowner Representative, and the contracting parties shall have consented in writing to such assignment;

(C) Beneficiary shall have determined that, following the Restoration, the Real Property will have a value at least equal to its value immediately before the damage, destruction or condemnation;

(D) the Restoration shall be conducted in accordance with the requirements of the Loan Agreement and Disbursement Agreement for construction and rehabilitation of Improvements and such other procedures and requirements as Beneficiary may reasonably specify, and shall be in substantial conformity with the applicable plans and specifications and the plan referred to in paragraph (A) above and in compliance in all material respects with all applicable Laws and Other Requirements;

(E) if Beneficiary reasonably determines at any time that any available Damage Proceeds that Beneficiary may be required to release to Trustor for the Restoration pursuant to this Section 3.2 are or may be insufficient to pay for all costs of completing the Restoration, then Trustor shall deposit with Beneficiary, on demand, an amount deemed reasonably necessary by Beneficiary to cover such insufficiency (any such amount to be held and disbursed by Beneficiary, in accordance with paragraph (F) below); and

(F) any Damage Proceeds (as defined below) that are disbursed by Beneficiary to Trustor for the Restoration pursuant to this Section 3.2, together with any amounts deposited by Trustor with Beneficiary pursuant to paragraph (E) above, shall be held by Bond Trustee pursuant to the Trust Indenture, shall be used solely to pay the cost of the Restoration and shall be disbursed in accordance with the terms, conditions and procedures set forth in the Loan Agreement and Disbursement Agreement for Disbursements of the proceeds of the Loan and/or such other terms, conditions and procedures as Beneficiary may reasonably require (including compliance by Trustor with the provisions of paragraphs (A) through (E) above), provided that (1) Beneficiary shall have no obligation to disburse any such amounts

if an Event of Default has occurred and is continuing, and (2) if the amount of any such Damage Proceeds received by Beneficiary exceeds the cost of completing the Restoration, the excess shall be applied by Beneficiary as provided in the Loan Agreement.

Any application or release of Damage Proceeds or additional amounts deposited with Beneficiary pursuant to paragraph (E) above (whether under this Section 3.2 or Section 3.3) shall not cure or waive any Event of Default or notice of default or invalidate any act done pursuant to such notice. Trustor hereby specifically, unconditionally and irrevocably waives all rights of a property owner granted under Utah law, which provides for allocation of condemnation proceeds between a property owner and a lienholder, and any other law or successor statute of similar import, and agrees that the provisions of the Loan Agreement and Disbursement Agreement shall govern the disposition of such proceeds. Any Damage Proceeds that Trustor is permitted to retain pursuant to the terms of this Section 3.2 shall be applied to the restoration of the Property.

3.3 Insurance, Condemnation and Damage Claims. Trustor shall maintain fire and other insurance on the Property to the extent required by the Disbursement Agreement. All proceeds of any claim, demand, award, settlement or other payment arising or resulting from or otherwise relating to any such insurance or any loss or destruction of, injury or damage to, trespass on or taking, condemnation (or conveyance in lieu of condemnation) or public use of any of the Property (a "**Damage Claim**") are assigned and shall be payable and delivered to Beneficiary (any such proceeds of any Damage Claim being referred to in this Trust Deed as "**Damage Proceeds**"). Trustor shall take all action reasonably necessary or required by Beneficiary in order to protect Trustor's and Beneficiary's rights and interests with respect to any Damage Claim, including the commencement of, appearance in and prosecution of any appropriate action or other proceeding, and Beneficiary may in its discretion participate in any such action or proceeding at the expense of Trustor.

Trustor shall not settle, compromise or adjust any Damage Claim without the prior written consent of Beneficiary (which shall not be unreasonably withheld). Upon the occurrence and during the continuance of any Event of Default, Beneficiary shall have the sole right to settle, compromise or adjust any Damage Claim in such manner as Beneficiary may determine, and for this purpose Beneficiary may, in its own name or in the name of Trustor, take such action as Beneficiary deems appropriate to realize on any such Damage Claim. In either case, all Damage Proceeds payable in connection with any such Damage Claim shall be delivered directly to Beneficiary as provided in the preceding paragraph.

3.4 Liens and Taxes. Subject to the right of Trustor to contest any such payments in accordance with the terms of the Disbursement Agreement, (a) Trustor shall pay, prior to delinquency, all Taxes (as defined in the Disbursement Agreement) which are or may become a Lien affecting any part of the Trust Estate (including assessments on appurtenant water stock), and (b) Trustor shall pay and perform when due all other obligations secured by or constituting a Lien affecting any part of the Trust Estate.

3.5 Environmental Covenants. Trustor has provided representations, warranties and covenants regarding environmental matters set forth in the Indemnity Agreement and Trustor will comply with the aforesaid covenants regarding environmental matters and such representations,

warranties and covenants are herein incorporated by reference. Notwithstanding anything in this Trust Deed to the contrary, the term "Secured Obligations" does not include any obligations or liabilities under the Indemnity Agreement (as defined in the Loan Agreement) and the obligations and liabilities under the Indemnity Agreement are not secured by this Trust Deed.

3.6 Actions. Trustor shall appear in and defend any claim or any action or other proceeding purporting to affect title or other interests relating to any part of the Trust Estate, the security of this Trust Deed or the rights or powers of Beneficiary or Trustee, and give Beneficiary prompt written notice of any such claim, action or proceeding. Beneficiary and Trustee may, at the expense of Trustor, appear in and defend any such claim, action or proceeding and any claim, action or other proceeding asserted or brought against Beneficiary or Trustee in connection with or relating to any part of the Trust Estate or this Trust Deed.

3.7 Action By Beneficiary or Trustee. If Trustor fails to perform any of its obligations under this Trust Deed, Beneficiary, Bond Trustee, or Trustee may, but without any obligation to do so and without notice to or demand upon Trustor and without releasing Trustor from any obligations under this Trust Deed, and at the expense of Trustor: (a) perform such obligations in such manner and to such extent and make such payments and take such other action as either may deem necessary in order to protect the security of this Trust Deed, Beneficiary, Bondowner Representative, Bond Trustee or Trustee being authorized to enter upon the Real Property for such purposes, (b) appear in and defend any claim or any action or other proceeding purporting to affect title or other interests relating to any part of the Trust Estate, the security of this Trust Deed or the rights or powers of Beneficiary, Bondowner Representative, Bond Trustee or Trustee, and (c) pay, purchase, contest or compromise any Lien or Right of Others which in the reasonable judgment of any of them is or appears to be or may for any reason become prior or superior to this Trust Deed. If Beneficiary, Bondowner Representative, Bond Trustee or Trustee shall elect to pay any such Lien or Right of Others or any Taxes which are or may become a Lien affecting any part of the Trust Estate or make any other payments to protect the security of this Trust Deed, Beneficiary, Bondowner Representative, Bond Trustee or Trustee may do so without inquiring into the validity or enforceability of any apparent or threatened Lien, Right of Others or Taxes, and may pay any such Taxes in reliance on information from the appropriate taxing authority or public office without further inquiry.

3.8 Obligations With Respect to Trust Estate. Neither Beneficiary nor Bondowner Representative nor Trustee shall be under any obligation to preserve, maintain or protect the Trust Estate or any of Trustor's rights or interests in the Trust Estate, or make or give any presentments, demands for performance, protests, notices of nonperformance, protest or dishonor or other notices of any kind in connection with any Right of Others (as defined in the Disbursement Agreement), or take any other action with respect to any other matters relating to the Trust Estate. Neither Beneficiary nor Bondowner Representative nor Trustee assume, shall have liability for, or shall be obligated to perform, any of Trustor's obligations with respect to any Rights or any other matters relating to the Trust Estate, and nothing contained in this Trust Deed shall release Trustor from any such obligations.

3.9 Assignment of Rents. Trustor irrevocably, absolutely, presently and unconditionally grants, transfers and assigns to Beneficiary all of Trustor's right, title and interest in and to the Rents. Notwithstanding such assignment, so long as no Event of Default has occurred and

is continuing, Trustor shall have the right to collect, receive, hold and dispose of the Rents as the same become due and payable, provided that unless Beneficiary otherwise consents in writing: (a) any such Rents paid more than 30 days in advance of the date when due shall be delivered to Beneficiary and held by Beneficiary in a cash collateral account pledged to Beneficiary as collateral security for the performance of the Secured Obligations, to be released and applied on the date when due (or, if an Event of Default has occurred and is continuing, at such other time or times and in such manner as Beneficiary may determine), and (b) if an Event of Default has occurred and is continuing, Trustor's right to collect and receive the Rents shall cease and Beneficiary shall have the sole right, acting on instructions from Bondowner Representative, with or without taking possession of the Real Property, to collect all Rents, including those past due and unpaid. Any such collection of Rents by Beneficiary shall not cure or waive any Event of Default or notice of default or invalidate any act done pursuant to such notice. Failure or discontinuance of Beneficiary at any time, or from time to time, to collect the Rents shall not in any manner affect the subsequent enforcement by Beneficiary of the right to collect the same. Nothing contained in this Trust Deed, nor the exercise of the right by Beneficiary to collect the Rents, shall be deemed to make Beneficiary a "mortgagee in possession" or shall be, or be construed to be, an affirmation by Beneficiary of, or an assumption of liability by Beneficiary under, or a subordination of the Lien of this Trust Deed to, any tenancy, lease or option. The assignment of Rents in this Section 3.9 is intended to be an absolute assignment from Trustor to Beneficiary and not merely the passing of a security interest. This Section 3.9 is subject to the Utah Uniform Assignment of Rents Act, *Utah Code* § 57-26-101 et seq. (the "Act"), and in the event of any conflict or inconsistency between the provisions of this Section 1.2 and the provisions of the Act, the provisions of the Act will control.

3.10 Payment for Labor and Materials.

(a) Trustor will promptly pay all bills for labor and materials incurred in connection with the Real Property and prevent the fixing of any lien against any part of the Real Property, even if it is inferior to this Trust Deed, for any such bill which may be legally due and payable. Trustor will timely comply with all requirements of Title 38 Chapter 1a of *Utah Code* with regard to filings and notices. Trustor will cause Beneficiary to be named as a person interested in receiving electronic notices of all filings with respect to the Real Property in the State Construction Registry in accordance with *Utah Code* § 38-1a-201. Trustor will also provide to Beneficiary copies of all preliminary notices or other notices filed by any contractor, subcontractor or supplier with respect to the Real Property that are included in the State Construction Registry and/or received by Trustor.

(b) Trustor represents and warrants to Beneficiary that it has inspected the records of the State Construction Registry and that such inspection reveals no current filings of a preliminary notice or notice of retention filed by any lien claimant (whether a pre-construction lien or a construction lien). If Beneficiary or its title insurer determines that a preliminary notice has been filed in the State Construction Registry prior to the time of the recording of this Trust Deed, Trustor will provide to Beneficiary written evidence acceptable to Beneficiary and its title insurer that the lien claimant has accepted payment in full for construction services that the claimant furnished pursuant to *Utah Code* § 38-1a-503(2)(b) such that the priority for any pre-construction services lien or a construction services lien dates immediately after the recording of this Trust Deed. Trustor will cooperate with Beneficiary and any title insurer to facilitate the filing of a Notice of Construction Loan, as contemplated by *Utah Code* § 38-1a-601 in the State Construction Registry with respect to the financing secured hereby.

(c) Trustor will pay and promptly discharge, at Trustor's cost and expense, all liens, encumbrances and charges upon the Real Property (other than the Permitted Exceptions), or any part thereof or interest therein whether inferior or superior to this Trust Deed and keep and maintain the same free from the claim of all persons supplying labor, services or materials that will be used in connection with or enter into the construction of any and all buildings now being erected or that hereafter may be erected on the Real Property, provided, however, that Trustor will have the right to contest any such claim or lien so long as Trustor previously records a notice of release of lien and substitution of alternate security as contemplated by *Utah Code* § 38-1a-804 and otherwise complies with the requirements of *Utah Code* § 38-1a-804 to release the Real Property from such lien or claim.

3.11 Default. Upon the occurrence of any Event of Default (as defined in the Disbursement Agreement): (a) Trustor shall be in default under this Trust Deed, and upon acceleration of the maturity of any Secured Obligations in accordance with the terms of the Loan Agreement, all Secured Obligations shall immediately become due and payable without further notice to Trustor; (b) upon demand by Beneficiary, Trustor shall pay to Beneficiary, in addition to all other payments specifically required under the Loan Documents, in monthly installments, at the times and in the amounts required by Beneficiary from time to time, sums which when cumulated will be sufficient to pay one month prior to the time the same become delinquent, all Taxes which are or may become a Lien affecting the Trust Estate and the premiums for any policies of insurance to be obtained under the Disbursement Agreement (all such payments to be held in a cash collateral account pledged to Beneficiary as additional security for the performance of the Secured Obligations); and (c) Beneficiary may, without notice to or demand upon Trustor, which are expressly waived by Trustor (except for notices or demands otherwise required by applicable Laws to the extent not effectively waived by Trustor and any notices or demands specified below), and without releasing Trustor from any of its Obligations, exercise any one or more of the following Remedies as directed by Bondowner Representative or the Taxable Loan Beneficiary:

(i) Beneficiary may, either directly or through an agent or court-appointed receiver, and without regard to the adequacy of any security for the Secured Obligations:

(A) enter, take possession of, manage, operate, protect, preserve and maintain, and exercise any other rights of an owner of, the Trust Estate, and use any other properties or facilities of Trustor relating to the Trust Estate, all without payment of rent or other compensation to Trustor;

(B) enter into such contracts and take such other action as Bondowner Representative deems appropriate to complete all or any part of the Project or any other construction or rehabilitation on the Land, subject to such modifications and other changes in the Project or the plan of development as Bondowner Representative may deem appropriate;

(C) make, cancel, enforce or modify leases, obtain and evict tenants, fix or modify rents and, in its own name or in the name of Trustor, otherwise conduct any business of Trustor in relation to the Trust Estate and deal with Trustor's creditors, debtors, tenants, agents and employees and any other Persons having any

relationship with Trustor in relation to the Trust Estate, and amend any contracts between them, in any manner Beneficiary may determine;

(D) either with or without taking possession of the Trust Estate, notify obligors on any Rights that all payments and other performance are to be made and rendered directly and exclusively to Beneficiary, and in its own name supplement, modify, amend, renew, extend, accelerate, accept partial payments or performance on, make allowances and adjustments and issue credits with respect to, give approvals, waivers and consents under, release, settle, compromise, compound, sue for, collect or otherwise liquidate, enforce or deal with any Rights, including collection of amounts past due and unpaid (Trustor agreeing not to take any such action after the occurrence of an Event of Default without prior written authorization from Beneficiary);

(E) endorse, in the name of Trustor, all checks, drafts and other evidences of payment relating to the Trust Estate, and receive, open and dispose of all mail addressed to Trustor and notify the postal authorities to change the address for delivery of such mail to such address as Beneficiary may designate; and

(F) take such other action as Beneficiary deems appropriate to protect the security of this Trust Deed.

(ii) Beneficiary may execute and deliver to Trustee written declaration of default and demand for sale and written notice of default and of election to cause all or any part of the Trust Estate to be sold, which notice Trustee shall cause to be filed for record; and after the lapse of such time as may then be required by law following the recordation of such notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell such property at the time and place fixed by it in such notice of sale, either as a whole or in separate parcels and in such order as Beneficiary may direct (Trustor waiving any right to direct the order of sale), at public auction to the highest bidder for cash in lawful money of the United States (or cash equivalents acceptable to Trustee to the extent permitted by applicable law), payable at the time of sale. Trustee may postpone the sale of all or any part of the Trust Estate by public announcement at such time and place of sale, and from time to time after any such postponement may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to the purchaser at such sale its deed conveying the property so sold, but without any covenant or warranty, express or implied, and the recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustee, Bondowner Representative or Beneficiary, may purchase at such sale, and any bid by Beneficiary may be, in whole or in part, in the form of cancellation of all or any part of the Secured Obligations. Any such sale shall be free and clear of any interest of Trustor and any lease, encumbrance or other matter affecting the property so sold which is subject or subordinate to this Trust Deed, except that any such sale shall not result in the termination of any such lease (A) if and to the extent otherwise provided in any estoppel or other agreement executed by the tenant and Beneficiary (or executed by the tenant in favor of, and accepted by, Beneficiary), or (B) if the purchaser at such sale gives written notice to the tenant, within 30 days after date of sale, that the lease will continue in effect.

(iii) With respect to any Personal Property, Beneficiary shall have in any jurisdiction where enforcement of this Trust Deed is sought all Remedies of a secured party under the UCC and may require Trustor, on demand, to assemble all Personal Property and make it available to Beneficiary at places that Beneficiary may select that are reasonably convenient for both parties, whether at the premises of Trustor or elsewhere.

(iv) Beneficiary may proceed to protect, exercise and enforce any and all other Remedies provided under the Loan Documents or by applicable Laws.

(v) Beneficiary may commence an action to foreclose the lien of this Trust Deed as a mortgage in accordance with Beneficiary's rights under *Utah Code* § 57-1-23, or other applicable Law, or specifically enforce any of the covenants hereof.

(vi) Beneficiary may exercise the power of sale herein contained and deliver to Trustee a written statement of default or breach and cause Trustee to execute and record a notice of default and election to cause Trustor's interest in the Property to be sold in accordance with *Utah Code* § 57-1-24 or other applicable Law.

All proceeds of collection, sale or other liquidation of the Trust Estate shall be applied first to all costs, fees, expenses and other amounts (including interest) payable by Trustor under Section 3.12 of this Trust Deed and to all other Secured Obligations not otherwise repaid in such order and manner as Beneficiary may determine, and the remainder, if any, to the person or persons legally entitled thereto. Trustor agrees to pay any deficiency arising from any cause, to which Beneficiary may be entitled after applications of the proceeds of any sale, any Beneficiary may commence suit to collect such deficiency in accordance with *Utah Code* § 57-1-32 or other applicable Law.

Notwithstanding anything in the foregoing paragraph or elsewhere herein to the contrary, all proceeds of collection, sale or other liquidation of the Trust Estate shall be distributed to each of the Taxable Loan Beneficiary and the Bond Loan Beneficiary prorated based upon the respective percentage that the Taxable Loan and the Bond Loan, respectively, bears to the aggregate outstanding debt under the Loan as of the date of the occurrence of that Event of Default pursuant to which such distribution of the Trust Estate results.

In the event the Taxable Loan Beneficiary or the Bond Loan Beneficiary shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of setoff or otherwise) on account of its interest in the Loan in excess of its prorated interest in the Loan, such excess shall be shared among the applicable Beneficiary in accordance with their respective prorated interests. However, if all or any portion of such excess payment is thereafter recovered by the Trustor, as borrower under the Loan, or other party entitled thereto through legal action or otherwise, the applicable Beneficiary shall reimburse the party required to refund such payment to the Trustor or other party entitled thereto in an amount equal to each Beneficiary's prorated interest in the amount of the excess required to be refunded. Within three (3) Business Days of obtaining any such payment, each Beneficiary agrees to notify the other Beneficiary of such excess payment.

Each of the Remedies provided in this Trust Deed is cumulative and not exclusive of, and shall not prejudice, any other Remedy provided in this Trust Deed or by applicable Laws or

under any other Loan Document. Each Remedy may be exercised from time to time as often as deemed necessary by Trustee, Bondowner Representative and Beneficiary, and in such order and manner as Bondowner Representative may determine. This Trust Deed is independent of any other security for the Secured Obligations, and upon the occurrence of an Event of Default, Trustee or Beneficiary may, upon direction to do so by Bondowner Representative, proceed in the enforcement of this Trust Deed independently of any other Remedy that Trustee or Beneficiary may at any time hold with respect to the Trust Estate or the Secured Obligations or any other security. Trustor, for itself and for any other person claiming by or through Trustor, waives, to the fullest extent permitted by applicable Laws, all rights to require a marshaling of assets by Trustee or Beneficiary or to require Trustee or Beneficiary to first resort to any particular portion of the Trust Estate or any other security (whether such portion shall have been retained or conveyed by Trustor) before resorting to any other portion, and all rights of redemption, stay and appraisal.

3.12 Costs, Fees and Expenses. Trustor shall pay, on demand, all costs, fees, expenses, advances, charges, losses and liabilities of Trustee, Bondowner Representative and Beneficiary under or in connection with this Trust Deed or the enforcement of, or the exercise of any Remedy or any other action taken by Trustee, Bondowner Representative or Beneficiary under, this Trust Deed or the collection of the Secured Obligations, in each case including (a) reconveyance and foreclosure fees of Trustee, (b) costs and expenses of Beneficiary, Bondowner Representative or Trustee or any receiver appointed under this Trust Deed in connection with the operation, maintenance, management, protection, preservation, collection, sale or other liquidation of the Trust Estate or foreclosure of this Trust Deed, (c) advances made by Beneficiary or Bondowner Representative to complete or partially construct all or any part of the Project or any other construction or rehabilitation on the Land or otherwise to protect the security of this Trust Deed, (d) cost of evidence of title, and (e) the reasonable fees and disbursements of Trustee's, Bondowner Representative's and Beneficiary's legal counsel and other out-of-pocket expenses, and the reasonable charges of Beneficiary's and Bondowner Representative's internal legal counsel; together with interest on all such amounts until paid at the Alternate Rate (as defined in the Note).

3.13 Late Payments. By accepting payment of any part of the Secured Obligations after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other Secured Obligations or to declare a default for failure to so pay.

3.14 Action by Trustee. At any time and from time to time upon written request of Beneficiary and presentation of this Trust Deed for endorsement, and without affecting the personal liability of any Person for payment of the Secured Obligations or the security of this Trust Deed for the full amount of the Secured Obligations on all property remaining subject to this Trust Deed, Trustee may, with the prior written consent of Beneficiary, without notice and without liability for such action, and notwithstanding the absence of any payment on the Secured Obligations or any other consideration: (a) reconvey all or any part of the Trust Estate, (b) consent to the making and recording, or either, of any map or plat of the Land, (c) join in granting any easement affecting the Land, or (d) join in or consent to any extension agreement or any agreement subordinating the Lien of this Trust Deed.

3.15 Reconveyance. Upon written request of Beneficiary (with the prior written consent of Bondowner Representative) and surrender of this Trust Deed and the Note to Trustee for cancellation or endorsement, and upon payment of its fees and charges, Trustee shall reconvey,

without warranty, all or any part of the property then subject to this Trust Deed. Any reconveyance, whether full or partial, may be made in terms to "the person or persons legally entitled thereto," and the recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. Except as otherwise provided in the Loan Agreement (which may require partial releases under certain circumstances), Beneficiary shall not be required to cause any property to be released from this Trust Deed until final payment and performance in full of all Secured Obligations and termination of all obligations of Beneficiary under or in connection with the Loan Agreement.

3.16 Substitution of Trustee. Beneficiary may from time to time, with the prior written consent of Bondowner Representative, by instrument in writing, substitute a successor or successors to any Trustee named in or acting under this Trust Deed, which instrument, when executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where the Land is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees who shall, without conveyance from the predecessor Trustee, succeed to all of its title, estate, rights, powers and duties. Such instrument must contain the name of the original Trustor, Trustee and Beneficiary, the book and page where this Trust Deed is recorded (or the date of recording and instrument number) and the name and address of the new Trustee.

3.17 Attorney-in-Fact. Trustor appoints Beneficiary as Trustor's attorney-in-fact, with full authority in the place of Trustor and in the name of Trustor or Beneficiary, to take such action and execute such Documents as Beneficiary may reasonably deem necessary or advisable in connection with the exercise of any Remedies or any other action taken by Beneficiary or Trustee under this Trust Deed.

3.18 Successors and Assigns. This Trust Deed applies to and shall be binding on and inure to the benefit of all parties to this Trust Deed and their respective successors and assigns.

3.19 Acceptance. Notice of acceptance of this Trust Deed by Beneficiary or Trustee is waived by Trustor. Trustee accepts this Trust Deed when this Trust Deed, duly executed and acknowledged, is made a public record as provided by law.

3.22 Fixture Filing. This Trust Deed covers certain Goods which are or are to become fixtures related to the Land and constitutes a "fixture filing" with respect to such Goods executed by Trustor (as "debtor") in favor of Beneficiary (as "secured party").

3.23 Governing Law. This Trust Deed shall be governed by, and construed and enforced in accordance with, the Laws of Utah.

3.24 Request for Notice. Trustor requests that a copy of any notice of default and a copy of any notice of sale be mailed to Trustor at Trustor's address set forth above. Bond Loan Beneficiary at its address set forth above. Taxable Loan Beneficiary at its address set forth above.

3.25 TO THE FULLEST EXTENT PERMITTED BY LAW, TRUSTOR AND BENEFICIARY HEREBY WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION RELATING TO THE LOAN AND/OR THE LOAN DOCUMENTS. TRUSTOR, TO THE FULLEST EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, (A) SUBMITS TO PERSONAL JURISDICTION IN THE STATE OF UTAH OVER ANY SUIT, ACTION OR PROCEEDING BY ANY PERSON ARISING FROM OR RELATING TO THIS SECURITY INSTRUMENT, (B) AGREES THAT ANY SUCH ACTION, SUIT OR PROCEEDING MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE OF UTAH (C) SUBMITS TO THE JURISDICTION AND VENUE OF SUCH COURTS AND WAIVES ANY ARGUMENT THAT VENUE IN SUCH FORUMS IS NOT CONVENIENT, AND (D) AGREES THAT IT WILL NOT BRING ANY ACTION, SUIT OR PROCEEDING IN ANY OTHER FORUM (BUT NOTHING HEREIN WILL AFFECT THE RIGHT OF BENEFICIARY TO BRING ANY ACTION, SUIT OR PROCEEDING IN ANY OTHER FORUM). TRUSTOR FURTHER CONSENTS AND AGREES TO SERVICE OF ANY SUMMONS, COMPLAINT OR OTHER LEGAL PROCESS IN ANY SUCH SUIT, ACTION OR PROCEEDING BY REGISTERED OR CERTIFIED U.S. MAIL, POSTAGE PREPAID, TO TRUSTOR AT THE ADDRESSES FOR NOTICES DESCRIBED IN THIS TRUST DEED, AND CONSENTS AND AGREES THAT SUCH SERVICE WILL CONSTITUTE IN EVERY RESPECT VALID AND EFFECTIVE SERVICE (BUT NOTHING HEREIN WILL AFFECT THE VALIDITY OR EFFECTIVENESS OF PROCESS SERVED IN ANY OTHER MANNER PERMITTED BY LAW).

3.26 LURA. This Trust Deed shall be subject and subordinate to the terms of that certain extended low-income housing commitment agreement executed by the Trustor in connection with the Trustor's allocation of low-income housing tax credits under Section 42 of the Code (the "LURA"). If Beneficiary or its successors or assigns (collectively, the "Subsequent Owner") acquires the Property by foreclosure (or instrument in lieu of foreclosure), then the "extended use period" (as defined in Section 42(h)(6)(D) of the Internal Revenue Code) shall terminate, except for the obligation of the Subsequent Owner to comply with the limitations on evictions, termination of tenancy and increase in rents for the three year period following the Subsequent Owner's acquisition of the Property, as set forth in Section 42(h)(6)(E)(ii) of the Internal Revenue Code.

3.27 Covenant re Illegal Substances. Notwithstanding any other provision herein or in any other Loan Document to the contrary relating to the leasing, occupancy and/or use of all or any portion of the Real Property, at any time that any obligations under the Loan are outstanding which are secured by the lien granted in favor of Issuer under this Deed of Trust and the other Loan Documents, Trustor shall not knowingly enter into any lease, license, sublease, occupancy agreement or other agreement with any Person involving or relating to the use or occupancy of the Real Property (or any portion thereof) which would be a violation of any state and/or federal laws relating to the use, sale, possession, cultivation and/or distribution of any controlled substances, including without limitation any Person engaged or intending to engage in activities (whether for commercial or personal purposes) regulated under any Utah law relating to the medicinal use and/or

Trustor shall keep Bondowner Representative and Beneficiary advised of each action it takes or plans to take in compliance with the requirements of this Section 3.27.

Compliance with the covenants in this Section 3.27 is a material consideration and inducement to Beneficiary and to Bondowner Representative in its agreement to make purchases of the Bonds to fund the Loan to Trustor, and any failure of Trustor to comply with the foregoing requirements shall constitute an Event of Default hereunder.
