Said meetings may be held in any location in Salt Lake County, Utah.

Section 8.2. APPROVAL PROCEDURE. Any plans and specifications, or any other matter required by this Declaration to be, submitted to the Committee shall be approved or disapproved by it in writing no later than thirty (30) days after submission. A Majority vote of the Committee shall be required to approve or disapprove any plans or specifications or other matter submitted to the Committee. If the Committee fails to respond to a properly submitted application for approval of plans and specifications within sixty (60) days of the proper submission of such application, such application shall be deemed approved.

Section 8.3. STANDARDS. In deciding whether to approve or disapprove plans and specifications submitted to it, the Committee shall use its best judgment to insure that all Improvements within the Property conform to and harmonize with the requirements and restrictions of this Declaration.

Section 8.4. DEVELOPMENT GUIDELINES. Such Development Guidelines may amplify but may not be less restrictive than the regulations and restrictions stated in this Declaration, and shall be binding upon all Owners and Occupants. Such Development Guidelines may state more specifically the rules and regulations of the Committee with respect to the submission of plans and specifications for approval, the time or times within

Any use of such easement shall be performed in such a reasonable manner as to minimize the impact of such construction, maintenance, or use, upon the Property. Section 9.5. EXCEPTION FOR GRANTOR. Notwithstanding any restrictions or provisions contained in this Declaration to the contrary, until the expiration of Grantor's right to appoint the members of the Committee as described in Article IX above, Grantor shall have the right to use any Building Site owned by Grantor in furtherance of any marketing or sales effort, or to facilitate construction or improvement of any Building or of the Property.
