B. NATURE OF RESTRICTION

- (1) All Olene Walker Housing Loan Fund monies must be used to assist families whose annual incomes do not exceed 80 percent of the median family income for the area as determined by HUD, with

adjustments based on family size. In addition, at least 90 percent of Olene Walker Housing Loan Fund monies used for rental housing must be used to assist families whose annual incomes do not exceed 60 percent of the median family income for the area as determined by HUD.

- (2) Rental housing will qualify as affordable only if the project:
  - (a) has at least 20 percent of the Olene Walker Housing Loan Fund assisted rental units occupied by families who have annual incomes that are 50 percent or less of median income as defined by HUD. These units must sustain the Low rents as described in the following section.
  - (b) has at least 70 percent of the Olene Walker Housing Loan Fund assisted rental units occupied by families who have annual incomes that are 60 percent or less of median income as defined by HUD. These units must sustain the High rents as described in the following section.
  - (c) has the remainder of the Olene Walker Housing Loan Fund assisted rental units occupied by families who have annual incomes that are 80 percent or less of median income as defined by HUD. These units also must sustain the High rents as described in the following section.
- (3) Every Olene Walker Housing Trust Fund assisted unit is subject to rent limitations designed to ensure that rents are affordable to low and very low income people. These maximum rents are to be referred to as HOME rents. There are four HOME rents established for projects: High HOME rents and Low HOME rents:
  - (a) High HOME rents: 80% of HOME assisted rental units must have rents that are the lesser of: The Section 8 Fair Market Rents (FMR'S) or area-wide exception rents for existing housing minus tenant paid utilities OR rents which are 30% of adjusted income for households at 65% of median income minus tenant paid utilities;
  - (b) Low HOME rents: 20% of HOME assisted units must have rents which equal 30% of annual income for households at 50% of median income minus tenant paid utilities.
- (4) In projects where Low Income Housing Tax Credits are part of the financing, two sets of rent rules apply:
  - (a) Qualified tax credit units must not exceed tax credit rent limits, while HOME-assisted units must meet HOME rent requirements. If a unit is being counted under both programs, the stricter rent limit applies.
    - (1) Low HOME rent units are subject to the lower of the Low HOME rent and the tax credit rent (usually the tax credit rent).
    - (2) High HOME rent units are subject to the lower of the High HOME rent and the tax credit rent (usually the tax credit rent).
  - (b) When tenants receive additional subsidy through rental assistance programs such as Section 8, additional requirements apply.
    - (1) Under tax credit rules, if the rental assistance program rent limit exceeds the tax credit rent, the unit rent may be raised to the higher limit as long as tenants pay no more than 30 percent of their adjusted monthly income for housing costs.
    - (2) HOME allows the rent to be raised to the rental assistance program limit only if the tenant pays no more than 30 percent of adjusted income, the subsidy is project-based (not tenant-based), and tenant's income is less than 50 percent of the area median income.
    - (3) In a joint tax credit/HOME-assisted unit, the stricter HOME requirements would apply.

#### C. ADDITIONAL RESTRICTIONS

Project will have a total of 8 HOME-assisted units on a floating basis, which will consist of 8 studio units.

#### D. NONCOMPLIANCE WITH DEED RESTRICTION

If Borrower or Owner are found to be out of compliance with this Deed Restriction, the STATE has the option to call the Note due and payable in full.

E. TERM

This restriction shall run with the title to the Property and shall be binding upon the successors, assigns, and beneficiaries of the parties. The term of the restriction shall run from the date of execution hereof and remain in effect during the period of affordability under Section 92.252 or Section 92.254 of 24 CFR Part 92 (HOME Investment Partnership Program) as amended from time to time, as applicable, or until the Trust Deed Note of like date is paid in full, whichever is later (the "Affordability Period"). Upon such occurrence, this restriction shall automatically terminate without need for any other documentation, notice or recorded material. Nevertheless, Borrower and the State shall promptly cooperate together and take the actions and sign the documents that either of them deems necessary to terminate the Restriction and remove all record thereof from the title of the Property.
