Manager shall expend only such funds as are reasonably necessary for the operation and maintenance of the Common Areas, including paying all taxes and assessment on the Detention Parcel, all Facilities Costs and all other amounts designated herein as Common Area Maintenance Costs ("**Common Area Maintenance Costs**") and for the performance of other obligations imposed on Manager pursuant to this Agreement, and shall promptly pay all such costs when incurred. In connection with performing its obligations under this Agreement, Manager may hire or subcontract with third Persons, provided, if such Persons are affiliated with Manager such contracts must be on terms similar to those obtained on an arm's length basis.

(d) Each Owner agrees to pay its proportionate share of Common Area Maintenance Costs actually incurred during each calendar year, plus a management fee payable to Manager in the amount equal to five percent (5%) of all of the Common Area

Maintenance Costs (the “**Management Fee**”). The Management Fee shall be included in the Common Area Maintenance Costs. The portion of the Common Area Maintenance Costs which each Owner is obligated to pay shall be calculated by multiplying the Common Area Maintenance Costs by such Owner’s Property Ratio. Each Owner shall pay to Manager in equal monthly payments, in advance, on the first day of each calendar month, such Owner’s share of Common Area Maintenance Costs (as calculated pursuant to this subsection) based upon the amount set forth in the approved Budget, or the Budget from the prior calendar year plus a five percent (5%) increase if the Budget for the current calendar year has not been approved in accordance with Section 6(f) below.

(e) Common Area Maintenance Costs shall not include: (i) any late charges or fees or any cost, fee, fine, penalty or similar charge arising out of or resulting from any violation by Manager or anyone else relating to the Parcels; (ii) any costs to clean up or repair the Common Areas required to be performed by another Owner pursuant to the provisions hereof; (iii) any costs resulting from or arising out of the repair or replacement of items covered by warranties or guaranties (iv) Manager's profit, administrative and overhead costs (other than the Management Fee); and (l) any fee or charge relating to the management and/or supervision of the operation of the Common Areas paid to a third party, commercial management company or similar provider.

(f) No later than sixty (60) days prior to the commencement of a calendar year, Manager shall provide each of the Owners an estimated budget for the next succeeding calendar year (the “**Budget**”). If Owners holding an aggregate of sixty percent (60%) or more of the Owner’s Voting Percentage believe the charge for a particular line item in the Budget is excessive, such Owners shall notify Manager of such belief, and thereupon Manager shall obtain no fewer than two (2) competitive bids for such function. Unless the existing provider’s cost is lower, the lowest acceptable bidder shall be utilized as soon as the contract with the existing provider can be terminated without penalty. Notwithstanding the foregoing, Manager shall not be required to accept a low bid pursuant to this subsection if Manager has a commercially reasonable basis for not accepting it. The Budget shall reasonably identify each of the categories of Common Area Maintenance Costs to be incurred by Manager.

(g) If Owners holding an aggregate of sixty percent (60%) or more of the Owner’s Voting Percentage disapprove of the proposed Budget, such Owners shall give written notice to Manager within thirty (30) days of Manager’s delivery of such Budget (the “**Budget Objection Notice**”), which Budget Objection Notice shall include a reasonably detailed description of what changes, if made, would result in the such Owners approving the proposed Budget. If a Budget Objection Notice is not delivered to Manager within such thirty (30) day period, the Budget shall be deemed approved. If a Budget Objection Notice is delivered to Manager within such thirty (30) day period, Manager shall revise the Budget and resubmit the Budget to the Owners for their approval in accordance with the procedure set forth above. If a Budget for the next calendar year is not approved by December 15th of a calendar year, until the approval of the Budget for such next calendar year the Budget from the prior calendar year shall be used, plus an increase of five percent (5%) for each line item.

(h) Manager shall use its commercially reasonable efforts to operate and maintain the Common Areas in accordance with the then current Budget. Notwithstanding the foregoing, Manager shall have the right to make emergency repairs to the Common Areas to prevent injury or damage to Persons or property, it being understood that Manager shall nevertheless advise the Owners of such emergency condition as soon as reasonably possible, including the corrective measures taken and the cost thereof. If the cost of the emergency action exceeds \$10,000.00 (which amount shall be adjusted on each Adjustment Date calculated by multiplying the then applicable amount by a fraction, the numerator of which will be the Index for the month which is three months before the subject Adjustment Date and the denominator of which will be the Index for the month which is 63 months before such Adjustment Date), then Manager shall submit a supplemental billing to each Owner, together with evidence supporting such cost, and each Owner shall pay its share thereof (calculated in accordance with this Section 6) within thirty (30) days after receipt of such billing. If the cost limitation set forth above is not exceeded then such costs shall be included as part of Common Area Maintenance Costs for that year.

(i) Within one hundred twenty (120) days after each calendar year, Manager shall furnish each Owner with a written reconciliation statement comparing the actual Common Area Maintenance Costs paid by Manager during the previous calendar year against the amounts paid by such Owner during the previous calendar year. If the annual reconciliation statement indicates that Common Area Maintenance Costs paid by an Owner for any year exceeded the actual Common Area Maintenance Costs owing by an Owner during such year, Manager shall promptly pay the amount of such excess to each applicable Owner. If the annual reconciliation statement indicates that Common Area Maintenance Costs paid by an Owner for any year is less than the actual Common Area Maintenance Costs owing by such Owner for such calendar year, each such Owner shall pay to Manager any such deficiency within thirty (30) days of such Owner's receipt of such reconciliation statement.

(j) For a period of two (2) years after the date of receipt of a reconciliation statement, each Owner shall have the right to audit Manager's books and records pertaining to the operation and maintenance of the Common Areas for the calendar year covered by such reconciliation statement. An Owner shall notify Manager of such Owner's intent to audit at least fifteen (15) days prior to the designated audit date. If such audit shall disclose any error in the determination of Common Area Maintenance Costs, or any allocation thereof to a particular Owner, the auditing Owner shall provide Manager with a copy of the audit, and an appropriate adjustment shall be made forthwith. The cost of any audit shall be assumed by the auditing Owner unless such Owner shall be entitled to a refund in excess of five percent (5%) of the amount calculated by Manager as such Owner's share for the applicable calendar year, in which case Manager shall pay the cost of such audit. If Manager disputes such audit, Manager and the auditing Owner shall work in good faith to resolve such dispute. If such dispute shall not have been settled by agreement, the parties to the dispute shall submit the dispute to arbitration within ninety (90) days after the delivery of the results of the audit. Pending the determination of such dispute by agreement or arbitration as aforesaid, each Owner shall continue to pay Common Area Maintenance Costs in accordance with Manager's statement, and such payment shall

be without prejudice to such Owner position. If the dispute shall be determined in an Owner's favor, Manager shall, within thirty (30) days of the dispute, refund to the Owner(s) the amount of any overpayment. Manager agrees to grant each Owner reasonable access to Manager's books and records for the purpose of verifying the Common Area Maintenance Costs.

(k) Notwithstanding the foregoing, in the event any of the Parcels are subdivided into residential parcels, such residential parcels shall be first agree to create an Owner's association who will be responsible for the collection and payment and remittance to the Owner of all of amounts payable from such residential Parcels and such owners association shall pay all such amounts to the Manager, on behalf of the owners of the residential Parcels, at the times required herein. Additionally, all rights of approval of the Owner's under this Section 6 shall be delegated to such association who shall exercise the rights of each of the Owners of such residential parcel under this Section 6.

(l) The provisions of this Section 6 are for the benefit of the Owner's only, and no other Person shall be entitled to enforce the provisions of this Section 6 against the Owners.

7. Casualty. Upon any damage or destruction to the Common Area the Manager will promptly after the occurrence of the event of damage or destruction, restore, repair or rebuild such damaged or destroyed Common Areas and all costs and expenses incurred by the Manager shall be Common Area Maintenance Expenses.

8. Condemnation. In the event of condemnation (or sale under threat of condemnation) by any duly constituted authority for a public or quasi-public use of all or any part of the Detention Parcel, all Owners shall share in the costs of restoration in accordance with their respective Property Ratio.

9. Dedication. Each of the parties to this Agreement hereby (i) irrevocably consents to the grant, conveyance and/or dedication of the Road and Detention Facilities (if the Owner of such Parcel elects to dedicated the same) to Salt Lake County, the Utah Department of Transportation, or the municipality in which such areas are located, as applicable, for public use, together with any underground public or private utilities located therein (the "Dedication"); and (ii) agrees to cooperate fully with the other party and to take all actions necessary to accomplish the Dedication, including without limitation the execution and recordation of a dedication plat effectuating such Dedication, if necessary. Nothing herein shall require an Owner to dedicate any portion of its property for public use.

10. No Interference. Except to the extent necessary (on a temporary basis) for reasonable construction, for repair and maintenance, for traffic regulation and control or to prevent a public dedication or the accrual of any rights to the public, no fence, gate, wall, barricade or other obstruction, whether temporary or permanent in nature, which limits or impairs the free and unimpeded use of the rights-of-way and easements granted in this Agreement shall be constructed or erected, nor shall any Owner in any other manner obstruct or interfere with the use of such rights-of-way and easements. Nothing herein shall, however,

restrict the ability of an Owner from developing a Parcel with a Building or Related Improvements and to take all actions reasonably necessary in connection therewith.

11. Title and Mortgage Protection.

(a) No amendment to this Agreement shall in any way affect the rights of any Mortgagee pursuant to a Mortgage that is recorded at the time of the recordation of the amendment, or the rights of any successor in interest or title to such Mortgagee, either before or after such Mortgagee or its successor enters into possession or acquires title pursuant to foreclosure, trustee's sale or any arrangement or proceeding in lieu thereof, unless such Mortgagee has consented in writing to such amendment.

(b) A breach of any of the covenants, provisions, or requirements of this Agreement shall not result in any forfeiture or reversion of title or of any other interest in a Parcel. A breach of any of the covenants, provisions, or requirements of this Agreement shall not defeat, impair or render invalid the lien of or other rights under any Mortgage. Unless and until it enters into possession or acquires title pursuant to foreclosure, trustee's sale or any arrangement or proceeding in lieu thereof, a Mortgagee shall have no obligation to take any action to comply with, and may not be compelled to take any action to comply with, any of the covenants, provisions, or requirements of this Agreement.

12. Estoppel. Each Owner shall, within fifteen (15) days after request from the other Owner, execute and deliver to the other Owner a written declaration certifying that such Owner is not in default under this Agreement or, to such Owner's knowledge, are there any defaults by the other Owner under this Agreement and that all costs and expenses due under this Agreement have been paid. Each Owner's Mortgagee and prospective purchasers shall be entitled to rely on such certification.

13. Amendment or Termination; Duration of Agreement. This Agreement may be amended or terminated, but only by an instrument filed for record in the Recorder's Office, which is executed by all of the Owners of the Parcels.

14. Covenants to Run with Land. This Agreement and the easements and covenants created by this Agreement are intended by Ivory and Boyer to be and shall constitute covenants running with the land as to each of the Parcels, and shall be binding upon and shall inure to the benefit of each Owner and any Person who acquires or comes to have any interest in any Parcel, and their respective grantees, transferees, lessees, heirs, devisees, personal representatives, successors, and assigns. This Agreement and all of the easements, covenants, provisions, and requirements hereof shall also inure to the benefit of each and each Person owning any interest in or occupying any portion of a Parcel. Each Owner shall comply with, and all interests in all Parcels shall be subject to, the terms of this Agreement. By acquiring, in any way coming to have an interest in, or occupying a Parcel, the Person so acquiring, coming to have such interest in, or occupying a Parcel, shall be deemed to have consented to, and shall be bound by, each and every provision of this Agreement.

15. Enforcement. In the event of a breach of any of the terms, covenants, conditions or restrictions hereof by any Owner of any portion of any Parcel, and if such breach continues for a period of thirty (30) days after the defaulting Owner's receipt of a notice of such breach, or such longer period as may be reasonably required to cure such breach provided the defaulting Owner has commenced the cure of such breach with such thirty (30) day period and is diligently prosecuting the cure of such breach, any one or all of the Owners of the other Parcel shall be entitled forthwith and after written notice to such breaching party to perform any of the breaching party's obligations hereunder or to make any payment required hereunder, as the breaching party's attorney-in-fact, and by reason of so doing, the Owner taking such action shall not be liable or responsible for any loss or damage thereby sustained by the breaching party. All actual out of pocket, reasonable costs and expenses incurred by any Owner in performing any of the breaching Owner's obligations or in making any such payment shall be assessed against the defaulting Owner and, upon filing a notice of such assessment in the Salt Lake County Recorder's Office, shall constitute a lien against the real property or the interest therein for which such payment or performance was made, but any such lien shall be and is hereby made subordinate to the lien of any first Mortgage covering any portion of the Parcels. The Owner of a Parcel or any portion of a Parcel shall also have the right to enforce, through any permitted proceeding at law or in equity, the terms, provisions, restrictions and requirements of this Agreement. Any failure to insist upon the strict performance of or compliance with any of the terms, provisions, covenants and requirements of this Agreement shall not result in or be construed to be an abandonment or termination of this Agreement or any waiver of the right to insist upon such performance or compliance with the terms of this Agreement in the future. If any action or proceeding is brought because of a default under, or to enforce or interpret any of the covenants, provisions, or requirements of, this Agreement the party prevailing in such action or arbitration shall be entitled to recover from the unsuccessful party reasonable attorneys' fees (including those incurred in connection with any appeal), the amount of which shall be fixed by the court or the arbitrator and made a part of any judgment rendered. In addition to the foregoing, if a defaulting Owner shall fail to pay another Owner amounts due by such defaulting Owner within thirty (30) days after delivery of written demand on the defaulting Owner, then: (i) a five percent (5%) late payment fee shall be added to the amount due on the thirty-first (31st) day; and (ii) the unpaid balance shall thereafter accrue interest at the rate of ten percent (10%) per annum.

16. Effective Date. This Agreement, any amendment or termination hereof, and any supplement hereto shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.

17. Titles, Captions and References. All Section titles or captions in this Agreement are for convenience only, shall not be deemed part of this Agreement and in no way define, limit, extend or describe the scope or intent of any provisions of this Agreement. When this Agreement refers to a Section by number or other designation, such reference shall be deemed to be to the correspondingly numbered Section of this Agreement unless the context refers to another agreement, document or instrument.

18. Pronouns and Plurals. Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa.

19. Applicable Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Utah, without reference to its choice of law rules.

20. Counterparts. This Agreement may be executed in any number of counterparts. Each such counterpart of this Agreement shall be deemed to be an original instrument, and all such counterparts together shall constitute but one agreement.

21. Exhibits. All exhibits annexed to this Agreement are expressly made a part of and incorporated in this Agreement as fully as though completely set forth in this Agreement.

22. Time of Essence. Time is of the essence of this Agreement.

23. Notices. Any notice, demand, request or other communication required or permitted to be given by an Owner to another Owner hereunder will be in writing, signed by the party giving the notice, and will be given by delivering the same in person, by a recognized overnight courier service which maintains delivery records (such as Federal Express) or by depositing the same in the United States mail, registered or certified, return receipt requested, first class postage, and postage prepaid. All notices shall be sent to such address as such Owner shall designate in writing to the other Owners, or at such Owner's address on a Parcel if such Owner shall fail to designate in writing another address to the other Owners.

24. No Public Dedication. Nothing herein contained shall be deemed to be gift or dedication of any portion of the Property or of any tract or portion thereof to the general public, or for the general public or for any public use or purpose whatsoever; it being the intention and understanding of the parties hereto that this Agreement shall be strictly limited to and for the purposes herein expressed solely for the benefit of the parties hereto.
