**THIRD AMENDMENT TO DEVELOPMENT AGREEMENT
FOR THE PROMONTORY SPECIALLY PLANNED AREA
EASTERN SUMMIT COUNTY, UTAH**

THIS THIRD AMENDMENT TO DEVELOPMENT AGREEMENT FOR THE PROMONTORY SPECIALLY PLANNED AREA EASTERN SUMMIT COUNTY, UTAH (the "Third Amendment") is made and entered into as of this 24th day of May, 2016, by and between **PROMONTORY DEVELOPMENT, LLC**, an Arizona limited liability company, (the "Developer") and **SUMMIT COUNTY**, a political subdivision of the State of Utah, by and through its Community Development Director (the "County"), with reference to the following facts.

RECITALS

A. Developer is the developer of certain real property commonly known as Promontory and located between the Park City Resort area and the rural lands of Eastern Summit County, Utah, as legally described in Exhibit "A" attached hereto and made a part hereof, and consisting of approximately 6,500 acres of land and certain improvements constructed thereon (the "Property").

B. The County and Pivotal Promontory Development, L.L.C. as developer of the Property entered into that certain Development Agreement for the Promontory Specially Planned Area Eastern Summit County, Utah, dated as of January 2, 2001 (the "Initial Development Agreement") providing the terms and conditions for the development of the Property.

C. The Initial Development Agreement was amended by the terms of that certain First Amendment to the Development Agreement for the Promontory Specially Planned Area dated December 31, 2004, between Summit County and Pivotal Promontory Development, L.L.C., as the developer of the Property (the "First Amendment"), recorded on January 6, 2005 as Entry No. 00722231 in Book 01671 at Pages 876-880 in the Official Records of Summit County, Utah.

D. The Initial Development Agreement and the First Amendment were further amended by the terms of that certain Second Amendment to the Development Agreement for the Promontory Specially Planned Area dated November 26, 2007, between Summit County and Pivotal Promontory Development, L.L.C. as the developer of the Property (the "2007 Second Amendment"), recorded on December 12, 2007 as Entry No. 00832477 in Book 1904 at Page 0100 in the Official Records of Summit County, Utah.

E. The Initial Development Agreement, the First Amendment and the 2007 Second Amendment were further amended by the terms of that certain Second Amendment to the Development Agreement for the Promontory Specially Planned Area dated February 25, 2015, between Summit County and Developer (the "2015 Second Amendment", and together with the First Amendment and the 2007 Second Amendment, the "Prior Amendments"), recorded on March 3, 2015 as Entry No. 1013800 in Book 2281 at Page 1567 in the Official Records of Summit County, Utah. The Initial Development Agreement as amended by the Prior Amendments is referred to as (the "Amended Development Agreement").

F. Developer has proposed that the County implement the Promontory SPA by separating a portion of the Property consisting of approximately 800 acres known as South Point and more particularly described in Exhibit "B" attached hereto (the "South Point Property") for regulation under a separate development agreement approved as an administrative amendment to the Amended Development Agreement (the "South Point Development Agreement") and approve the South Point Development Agreement administrative amendment contemporaneously with this Third Amendment so that the South Point Property and its development can be separately capitalized, regulated separately by the South Point Development Agreement and separately developed without compromising commitments in the Amended Promontory Development Agreement. The remaining balance of the Promontory SPA consisting of approximately 5,755 acres and more particularly described in Exhibit "C" (the "Promontory Property") will continue to be governed by the Amended Development Agreement as further amended by this Third Amendment.

G. Developer and the County have agreed to amend the Amended Development Agreement in certain respects provided in this Third Amendment to allow South Point Property and its development to be separately capitalized, regulated by the South Point Development Agreement and developed. The Amended Development Agreement as further amended by the terms of this Third Amendment is referred to herein as (the "Development Agreement"). Unless otherwise covered by a specific defined term in this Third Amendment, all capitalized terms in this Third Amendment shall have the meaning set forth in the Development Agreement

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and in the Development Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Approval.** The County, acting pursuant to Section 6.9.2 of the Amended Development Agreement, has found that the amendments to the Amended Development Agreement contained in this Third Amendment are not Substantial Amendments as defined in the Amended Development Agreement, may be made by the Community Development Director without public hearing or recommendation of the Planning Commission, and has approved the terms of this Third Amendment.

2. **Findings.** The Community Development Director has made all findings of fact and conclusions of law as are necessary to approve this Third Amendment as an administrative amendment to the Amended Development Agreement. Without limiting the generality of the

foregoing, the Director finds that the Amended Development Agreement, with such modifications as are approved by this Third Amendment and the South Point Development Agreement, are generally consistent with the efficient development and preservation of the entire specially planned area plan and do not affect in a substantially adverse manner either the enjoyment of land abutting upon or in the general vicinity of the property in question, and that the public health, safety, and general welfare are not adversely impaired by the modifications. For all purposes, the references in the Development Agreement to the Promontory Plan shall be deemed to refer to the content of the Exhibits attached to the Initial Development Agreement and any of the Prior Amendments, as further modified by the text of this Third Amendment to make the Amended Development Agreement applicable to the Promontory Property without reference to the South Point Property contemporaneously with the approval of the South Point Development Agreement. Where there is a direct conflict between the terms of this Third Amendment and the Amended Development Agreement (including its exhibits), this Third Amendment shall take precedence. Where there is a direct conflict between the Development Agreement and the Code or General Plan or other land use laws, the Development Agreement shall take precedence.

3. Intent and Effectiveness of Third Amendment.

3.1. Intent of Third Amendment. This Third Amendment is intended to continue the existing entitlements, obligations, regulatory standards and vested rights under Ordinance 298-A, the Promontory SPA, as amended, and the Amended Development Agreement that are applicable to the Promontory Property without constituting a "Substantial Amendment" under the provisions of the Amended Development Agreement. The Development Agreement is further intended to fully incorporate the entitlements, obligations, regulatory standards and vested rights applicable to the Promontory Property without reference to the South Point Property so as to entitle and regulate the development of the Promontory Property under the terms of the Development Agreement on substantially the same terms as such Property was entitled and has been regulated under the Amended Development Agreement. Similarly, the South Point Development Agreement is intended to make such changes to the Amended Promontory Development Agreement so that the South Point Development Agreement will entitle and regulate the South Point Property without reference to the Promontory Property on substantially the same terms as the South Point Property was entitled and has been regulated under the Amended Development Agreement. Consistent with the foregoing intent, the Development Agreement and the South Point Development Agreement, considered together, shall be interpreted to create the same entitlements, obligations, regulatory standards and vested rights with respect to the development of the Promontory Property and the South Point Property, considered together, as exist under the Amended Development Agreement prior to the approval of this Third Amendment and the South Point Development Agreement. In furtherance of this intent (and notwithstanding the failure to make an appropriate amendment), all references to Promontory, the Promontory SPA, the resort, property, neighborhoods, the community, exhibits to the Initial Development Agreement and other similar terms in the Development Agreement shall be interpreted without reference to any portion of the South Point Property.

3.2. Effectiveness of Third Amendment. Consistent with the purposes and intent reflected in the preceding paragraphs and consistent with the intent that the South Point Development Agreement and the Third Amendment shall not constitute "Substantial

Amendments,” such amendments shall be approved and shall become effective at the same time, subject to all applicable appeals periods with respect to such final approval having expired without an appeal having been filed. The intent of the preceding conditions to effectiveness is to assure that the South Point Property shall be included within and entitled by either the Amended Development Agreement or the South Point Development Agreement without any gap in time from the original point of establishing vested rights under the Initial Promontory Development Agreement.

4. Base Density. The provisions of Section 1.3 of the Development Agreement are hereby amended and restated as follows:

1.3 **Base Density** means 735 Estate Lots on the Promontory Property consisting of at least 1 acre (or less if specially approved by the Summit County Manager in a subdivision approval process) and providing for the construction of a single family residence of not less than 3,500 square feet of Floor Area.

5. Developer. The provisions of Section 1.12 of the Development Agreement are hereby amended and restated as follows:

1.12 **Developer** means Promontory Development, LLC, or a successor person, partnership, limited liability company or corporation

6. Neighborhood. The provisions of Section 1.35 of the Development Agreement are hereby amended to remove the reference to the South Point Property and restated as follows:

1.35 **Neighborhood** means a major area of Development Parcels and Projects. The Neighborhoods shown on the Master Plan are named Resort Village, Resort Highlands, Middle Valley, and Mountain View.

7. Property. The provisions of Section 1.41 of the Development Agreement are hereby amended and restated as follows:

1.41 **Property** means the Promontory Property, consisting of approximately 5,755 acres of land and appurtenant real property rights located in Summit County, Utah, the legal description of which land is shown in the Exhibit “C” to this Third Amendment, and which excludes the South Point Property.

8. Promontory SPA Plan Book of Exhibits. The provisions of Section 1.44 of the Development Agreement are hereby amended to remove application to the South Point Property and restated as follows:

1.44 **Promontory SPA Plan Book of Exhibits** means that portion of the Promontory SPA Plan which shall contain concept plans, guidelines, and standards that shall be used to guide all development in the Promontory SPA and all other specific development parameters and regulations, and developer obligations, commitments, and contributions for carrying out the development in accordance with the Promontory SPA Plan except

with respect to the South Point Property. The Promontory SPA Plan Book of Exhibits shall be deemed a part of this Development Agreement as fully as if set forth herein at length and shall be binding upon all parties hereto except to the extent that the South Point Property is referred to therein.

9. **Resort Unit.** The provisions of Section 1.48 of the Development Agreement are hereby amended and restated as follows:

1.48 **Resort Unit**, consistent with the First Amendment, shall have the meaning set forth in Section 4.4.1, as amended and restated by this Third Amendment. Resort Units do not count as Incentive Density units.

10. **Description of the Community.** The provisions of Section 4.1 of the Development Agreement are hereby amended and restated as follows:

4.1 **Description of the Community.** The land covered by this Development Agreement consists of approximately 5,755 acres of land located east of Highway 40, predominately east and southeast of I-80, north of Highway 248 and west of Brown's Canyon Road, which excludes approximately 800 acres of land in the vicinity of Brown's Canyon Road. Developer intends to construct a master planned resort community, generally described in the Promontory SPA and this Development Agreement. The Community will be concentrated within four neighborhoods generally shown on the Promontory Master Plan excluding the South Point neighborhood also shown on such Plans. The Community will be developed in phases and, within phases and neighborhoods, on a project-by-project basis.

11. **Legal Description of Property.** The provisions of Section 4.2 of the Development Agreement are hereby amended and restated as follows:

4.2 **Legal Description of Property.** The legal description of the Promontory Property is set forth as Exhibit C to the Third Amendment. No property may be added to the legal description of the Promontory Property for purposes of this Development Agreement, except by written amendment. Unless expressly set forth in this Agreement, the Development Agreement shall not affect any land other than the Promontory Property

12. **Resort Units.** Consistent with the Prior Amendments but as further amended to reflect the separation of South Point Property, the provisions of Section 4.4.1 of the Development Agreement are hereby amended and restated as follows:

4.4.1 **Resort Units.** 200 Resort Units on the Promontory Property, tightly clustered and either single family attached, detached, zero lot line or condominium setup on lots less than or equal to one half acre. The Summit County Manager may, in the Manager's sole discretion, allow Resort Unit lots that are larger than one half acre if approved in a subdivision approval process. Resort Units shall have a maximum Floor Area of 2,500 square feet. A plat note shall be required stating the maximum Floor Area.

4.4.1.1 Maximum Dwelling Unit Size Restriction. 2,500 square feet is the maximum Floor Area for a Resort Unit. A lot owner shall not be allowed to purchase an adjoining lot and combine two lots under the rules, to be established in the Supplemental Master Declaration, for the purpose of increasing the maximum Floor Area. A plat note shall be required setting forth this restriction.

4.4.1.2 Preservation and Ridgeline Prohibition. No Resort Unit or related structure shall be situated in any Preserve Area or Ridgeline Area designated in the SPA Plan.

4.4.1.3 Retention Area Restrictions. All structures which are built within a Retention Area viewshed, as defined herein, shall comply with the Design Guidelines and Supplemental Design Guidelines for retention areas contained in the SPA Plan.

4.4.1.4 Exterior Change to Unit and Landscaping Restriction. Exterior changes to Resort Units will be prohibited by the Promontory Supplemental Design Guidelines. In addition, the Promontory Supplemental Design Guidelines will impose a uniform landscaping scheme and require common landscaping maintenance in all resort areas.

4.4.1.4 Owner Lock-off Area. Owners of Resort Units will be provided a permanent storage facility, either central to the resort cluster or within the premises of each Resort Unit, in which to store their personal possessions while the dwelling is being rented.

4.4.1.5 Covenant to Allow Nightly and Short-Term Rentals. The Supplemental Master Declaration for each resort cluster shall allow overnight and short-term rentals.

4.4.1.6 Limited Occupancy. Resort Units shall be used for short-term occupancy not to exceed six (6) months by any resident in a single calendar year period. Resort Unit owners are ineligible to qualify for permanent resident status based upon the Resort Unit ownership. A plat note shall be required setting forth this restriction. The Supplemental Declaration of CC&Rs for each cluster of Resort Units will contain a prohibition against owner-occupancy of more than six (6) months in any calendar year.

4.4.1.7 Club Membership. A golf membership will be offered for purchase with each Resort Unit.

4.4.1.8 Location. Resort Units shall be allowed in the following locations:

- a. **Resort Village/Resort Highlands.** Up to 100 Resort Units in the Resort Village/Resort Highlands phase of Promontory. PODs 63, 64 and 76 is designated as meeting the location criteria. The development of Resort Units in POD 93 will be subject to the adjacency criteria outlined below.

- b. **Jack Nicklaus Valley (Middle Valley).** Up to 100 Resort Units in the Jack Nicklaus Valley Phase of Promontory. PODs 48, 47, 45, 40, 39, 38, 35, 34, 33, and 27 are designated as meeting the location criteria.
- c. **West View.** Any Resort Units not previously approved for construction in the above-listed phases of Promontory pursuant to this section 4.4.1.8 (but no more than 75 Resort Units) may be constructed in the West View phase of Promontory. PODs 123, 124, 125, 126 and 127 are designated as meeting the location criteria subject to the adjacency criteria outlined below. Other appropriate PODs for resort development may be administratively approved by the Planning Director based on the adjacency criteria stated below.

4.4.1.9 Administrative Designation for Future Phases. In future phases of Promontory, PODs eligible for construction of Resort Units (in addition to those specifically enumerated in Section 4.4.1.8 above) may be designated administratively by the Planning Director based on the adjacency criteria outlined below.

4.4.1.10 Adjacency Criteria. Resort Units not located in the aforementioned qualified locations will be adjacent to or across the street from a club or resort amenity such as a clubhouse, spa, swimming pool, tennis court, equestrian center or golf course fairway. Resort Units will be sited in such a way as to orient toward the adjacent amenity or receive resort services from a nearby Promontory Club facility or other amenity. Other criteria for appropriate location of Resort Units may include walking distance to an adjacent or nearby amenity, line of sight to the amenity or ability to reach the amenity by short golf cart ride.

4.4.1.11 Check-In. All Resort Units will have centralized check-in within an adjacent Promontory Club facility or other adjacent amenity facility or shall have a separate Hospitality Center facility within a resort cluster specifically built for the Resort Units.

4.4.1.12 Standardized Furnishings/Décor. Resort Units will be offered with a standardized furnishings and décor package to facilitate centralized maintenance and housekeeping.

4.4.1.13 Centralized Rental Management Available. A standard agreement for nightly short term rental and management services (including housekeeping) will be offered through Promontory Club or an adjacent boutique hotel or destination spa facility in conjunction with Promontory Realty, L.L.C. or another licensed real estate brokerage. This rental arrangement will not be mandatory.

4.4.1.14 Conversion Fee. In the event that a court or similar official government decision body determines that Section 4.4.1.6 herein is not enforceable and after such determination an owner of a Resort Unit is violating said Section by using such

unit for permanent occupancy, an impact fee in the amount of \$10,000 will be payable to the County by the Resort Unit Owner. Such Conversion Fee shall be payable regardless of whether the Occupancy Limitation in Section 4.4.1.6 is held to be legal unenforceable by a court of competent jurisdiction. A plat note shall be required setting forth this requirement.

4.4.1.15 Subdivision Plat Submittals. Since Resort Unit plats are more dense, smaller and theoretically less valuable than second-home units, and can be located in critical Viewsheds as designated in Exhibit E of the Development Agreement and the Eastern Summit County Development Code, additional application materials shall be required in subdivision plat submittals for Resort Units. Landscape plans, architectural elevations, site plans that include unit placements and site contours, and such other materials reasonably deemed to be necessary to evaluate Resort Unit Final Subdivision Plats for consistency with the Promontory Global Principles shall be submitted.

13. Golf Courses, Club and Community Facilities and Related Uses. The provisions of Section 4.4.2 of the Development Agreement are hereby amended and restated as follows:

4.4.2 Golf Courses, Club and Community Facilities and Related Uses. Up to three (3), appropriately sized and sensitively located 18-hole, private golf courses (all golf courses must be environmentally sensitive, and minimize the use of pesticides, fertilizers, and irrigation water), equestrian and other Promontory golf club facilities including restaurants, retail and commercial uses, private clubs and other similar uses; and community gate houses, temporary and permanent sales facilities, maintenance facilities and other similar uses related to the operation, maintenance, marketing, and sales of Promontory shall be permitted. A fourth golf course will be permitted if the developer can demonstrate to the County Council as required in Section 4.4.2.1.4. The above provisions do not reflect the available right to construct a golf course on the South Point Property, which is covered by a South Point development agreement approved by administrative amendment to this Agreement.

14. Section 4.4.2.1.1. The provisions of Section 4.4.2.1.1 of the Development Agreement, a part of the golf course requirements, are hereby amended to remove reference to the South Point Property and restated as follows:

4.4.2.1.1 The design of each golf course shall permit wildlife habitat continuum around and through each golf course that is constructed within the community, particularly in the Resort Village/Resort Highlands area where deer/elk and sage grouse populations and migration are of particular concern.

15. Section 4.4.2.1.4. The provisions of Section 4.4.2.1.4 of the Development Agreement, a part of the golf course requirements, are hereby amended and restated as follows:

4.4.2.1.4 Prior to construction of the fourth golf course the Developer must demonstrate to the satisfaction of the County Council that the course can reasonably be accommodated within the Community, that it can be designed to comply with all of the

requirements stated herein related to the construction of golf courses, and that the course will not cause adverse environmental impacts.

16. Base Residential Density. The provisions of Section 4.4.4 of the Development Agreement are hereby amended to reflect the allocation of density to the South Point Property by separate development agreement and restated as follows:

4.4.4 Base Residential Density. 735 high end, second home, estate-type single family detached dwelling units, which have a minimum Floor Area of 3,500 square feet of Floor Area, and sit on lots at least one acre in size. The Summit County Manager may, at the Manager's discretion, allow estate lots that are smaller than one acre in a subdivision plat review process. There shall be a maximum dwelling unit size of 10,000 square feet of Floor Area. A plat note shall be required to set forth these minimum and maximum building requirements. All structures which are built within the retention and ridgeline viewsheds, defined in Section 1.52 and as designated on Exhibit E, shall comply with the Design Guidelines and the Supplemental Design Guidelines for Retention and Ridgeline Areas in Exhibit C. Additionally, all base residential units located within Ridgeline Areas shown on Exhibit E must comply with the ridgeline requirements of Section 4.8.6.1.6.

17. Development Configuration of Promontory. The provisions of Section 4.5 of the Development Agreement are hereby amended to add the following sentence at the end of the Section: "Notwithstanding any inconsistent provision, the description of the development configuration of Promontory in Section 4.5 of the Development Agreement shall be deemed to exclude the South Point Property and shall also be amended to exclude the provisions of Sections 4.5.1 through 4.5.3, which were added by 2007 Second Amendment."

18. School Sites. The school site requirements of the Amended Development Agreement have been complied with prior to the date of this Third Amendment and no additional school site requirements are imposed by this Development Agreement..

19. Golf Access. The provisions of Section 4.7.10 of the Development Agreement are hereby amended to add the following sentence at the end of the existing language of that Section:

Upon completion of any resort golf course on the South Point Property of championship quality, the Developer and the developer of the South Point Property may provide the County with written notice of their agreement to allow for public access only on the South Point course as authorized by Section 4.7.10 and to increase the daily minimum available rounds on such course to 60.

20. 4.7.12 Employee Housing. The provisions of Section 4.7.12 of the Development Agreement are hereby amended and restated as follows:

4.7.12 Employee Housing. The Developer shall provide for thirty-seven (37) employee households consisting of 82 bedroom suites of employee housing. Approval of such

employee housing units shall be subject to the final site plan approval process in this Agreement. This obligation may be transferred, in whole or in part, to the South Point Property by written agreement of the Developer and developer of the South Point Property after giving written notice to the County.

21. South Point Phase. The provisions of the first appearing Section 4.8.2.1.4 of the Development Agreement describing the South Point Phase are hereby deleted.

22. Section 4.8.4.1.1. The provisions of Section 4.8.4.1.1 of the Development Agreement, addressing employee housing, are hereby amended and restated as follows:

4.8.4.1.1. The Developer shall provide for thirty-seven (37) employee households consisting of 82 bedroom suites of employee housing sited within the Resort, not outside of the Community gates. The employee housing shall be clustered together in such a way as to create a high quality sense of community. This employee housing community shall be integrated into the fabric of the Resort Community and shall be located within either the Resort Village, Resort Highlands, or Middle Valley development areas at a location to be determined by Developer; provided however, that Developer may transfer, in whole or in part, the employee housing obligation to the developer of the South Point Property under the provisions of Section 4.7.12. In all instances, employee housing should have easy access (walking, bicycling, and internal resort transit) to Resort employment generators and provide for reasonable access to South Summit School District bus stops at the Community gates (i.e., shuttle transit bus). All employee housing shall be approved pursuant to the site plan review and approval process herein.

23. Section 4.8.6.1.1. Section 4.8.6.1.1 of the Development Agreement, relating to open space preservation, are hereby amended and restated as follows:

4.8.6.1.1. The Promontory Property and the South Point Property, together, will contain no less than 60 percent passive open space (approximately 3,900 acres). Developer shall comply with the Open Space standards in Section 4.8.6.1. to the extent applicable to the Promontory Property. Additional open space may be required to protect key viewsheds and other environmentally sensitive areas should the minimum requirement be inadequate. Parking lots and related landscaping shall not be counted as open space. Additionally, small common areas within development neighborhoods in which scenic view and open space value is minimal shall not be counted as part of the 60% open space requirement. Golf courses and areas previously covered by conservation easements shall be allowed as open space.

24. Section 4.8.6.1.5. The provisions of Section 4.8.6.1.5 of the Development Agreement, relating to viewshed protection, are hereby amended and restated as follows:

4.8.6.1.5. Two critical viewsheds, namely, the west side Hillside Viewshed and the Meadow Viewshed, as more specifically identified in Exhibit E have been preserved through conservation easements prior to the date of this Third Amendment. Consistent with Exhibit E and existing conservation easements, no development of structures,

intended for occupancy of equestrian facilities is permitted in Preservation Areas. Development is allowed in Retention Areas so long as it complies with the Development Policy in Section 1.52 of this Agreement and the Supplemental Design Guidelines in Exhibit C. With the viewshed areas preserved as shown on Exhibit E, the objectives of this standard have been fulfilled.

25. Section 4.8.7.1.3. The provisions of Section 4.8.7.1.3 of the Development Agreement, addressing construction traffic impacts on Brown's Canyon Road, are hereby deleted.

26. No Other Amendments. Except as set forth in this Third Amendment, the Initial Development Agreement, as previously amended by the Prior Amendments, shall remain in full force and effect and unamended.

IN WITNESS WHEREOF the parties have caused this Third Amendment to be executed as of the Effective Date.
