ASSIGNMENT OF OVERRIDING ROYALTY INTEREST

For TEN DOLLARS and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, THE ANSCHUTZ CORPORATION, 2400 Anaconda Tower, 555 Seventeenth Street, Denver, Colorado, (Anschutz), hereby sells, assigns, transfers and sets over unto CONTINENTAL ILLINOIS ENERGY DEVELOPMENT CORPORATION, 231 South La Salle Street, Chicago, Illinois 60693, (the Grantee), an overriding royalty interest of one-fourth of one percent of all oil, gas and other hydrocarbons produced, saved and sold from those certain leases described in Exhibit A attached hereto and made a part hereof, insofar as they cover the land described in Exhibit A (the Leases).

This Agreement is subject to the following terms and conditions:

A. The overriding royalty interest conveyed herein is subject to the terms and provisions of the Leases and any amendments or modifications thereto.

B. Said overriding royalty interest shall be free and clear of all drilling, developing, and operating costs and expenses except such costs attributable to Grantee's interest, if any, incurred in dehydrating, treating, transporting, boosting, compressing or otherwise processing such hydrocarbons in order to make them marketable. The hydrocarbons covered by this interest shall be calculated after deducting any oil and gas used for operations on the Leases, and Anschutz may elect to deduct the proportionate part of fuel used in any central plant serving any of the Leases or wells or to use other fuel than the identical oil and gas produced from operations on the premises, without limiting Anschutz' right to deduct Grantee's proportionate share of any hydrocarbons so used, but Grantee shall bear and pay all taxes of every nature whatever, which may now or hereafter be applicable to or in any manner connected with or a lien upon the overriding royalty interest conveyed herein or the production attributable thereto, including without limitation all production, severance, gathering, transportation or similar taxes attributable to Grantee's interest, and such other costs and charges as would be applicable to and similarly borne by lessors' royalties under the

BOOK 1857 PAGE 538

terms of the Leases. If gas produced under the Leases or from land pooled therewith is reinjected into injection wells situated on land covered by the Leases or land pooled therewith in connection with any recycling or pressure maintenance program, the quantity of gas produced under the Leases or from land pooled therewith which is thus reinjected into said injection wells shall be deducted before the overriding royalties herein assigned are computed. No overriding royalties shall be payable upon gas and casinghead gas used for recycling or repressuring operations benefiting such lands. If the Leases provide that shut-in gas payments shall be made as royalties rather than rentals, Grantee shall not be entitled to any payment with respect to said overriding royalty in connection with such payments. Except as may be otherwise provided in this assignment, the overriding royalty herein assigned shall be treated, computed, paid and delivered to Grantee in the same manner and under the same terms and conditions as are provided in each of the Leases for the payment or delivery of royalties to the lessor therein.

C. Anschutz reserves the right to pool and unitize the overriding royalty in the same manner and under the same and identical terms, conditions and provisions as each of the lessor's royalties may be pooled and unitized under the terms of each of the Leases. If requested, Grantee agrees to consent to and join any unit operation.

D. The overriding royalty herein assigned is based upon the assumption that each of the Leases cover the entire oil and gas mineral estate in the lands described in each of the Leases. If the lessor, in any particular lease, owns less than the entire and undivided fee, then as to said lease or leases said overriding royalty shall be payable to Grantee in the proportion which the interest of the lessor in said land bears to the entire and undivided fee.

E. Nothing contained in this Assignment shall be deemed or construed to require Anschutz to keep, drill upon, produce from or operate the Leases. Anschutz reserves the right to act or omit to act in such manner that the Leases or any of them terminate or expire for any reason whatsoever.

F. Anschutz shall grant a substitute overriding royalty interest for any renewal or extension of any of the Leases or any new lease covering the same

lands as any of the Leases which are taken or acquired by Anschutz, its successors and assigns, within a period of six months from date of termination of any of the Leases as to the land and minerals covered and affected by the new lease. Such renewal or extension shall include acquisitions made by participating partners of Anschutz; provided however, that Anschutz actually acquires an interest under such renewal or extension.

G. It is agreed that with respect to U. S. government leases only, the obligation to pay any overriding royalties or payments out of production of oil created herein, which, when added to overriding royalties or payments out of production previously created and to the royalty payable to the United States, aggregate in excess of 17½ percent, shall be suspended when the average production of oil per well per day averaged on the monthly basis is 15 barrels or less. Anschutz represents that the total of such burdens on federal leases covered hereby does not exceed 17½ percent.

This Assignment is executed this 16th day of July, 1980, without warranties of title, whether express or implied. Rights and obligations under this Assignment shall be binding upon and inure to the benefit of Anschutz, Grantee and their respective personal representatives, heirs, successors and assigns.
