#### Recent Tax History

**Important Clarifications**

1. If the amounts for prior years show \$0.00 paid this may be an error. Please contact the Davis County Treasurer at (801) 451-3243 to verify unpaid amounts.
2. The amounts shown paid are taxes only, unless the taxes were paid late. If the taxes were paid late the amount includes taxes and penalty, but does not include interest, if interest was paid.
3. The statutory due date for property taxes in Utah is November 30. Taxes are paid with one single annual installment.
4. As a service, values from the Assessor roll may be listed prior to the distribution of Tax Notices. These values may be subject to future correction.
5. The taxes for the current year show \$0.00 until the tax rates are proposed for the current year. At the time the taxes show an amount the taxes are proposed until the tax rates are finalized and approved. The tax rates should be finalized and approved sometime in September of the current year. The current year taxes may be subject to change through appeals or corrections.
