FOR GOOD AND VALUABLE CONSIDERATION, the receipt and consideration of which are hereby acknowledged, the Parties agree as follows:

1. Grant of Easement. Grantor hereby grants to Grantee, its successors and assigns, a perpetual, nonexclusive fifty (50) foot wide easement ("Easement") on, under, over, across, and through that portion of the Grantor Property (the "Easement Property") more particularly described in Exhibit C attached hereto and incorporated herein by this reference, for ingress and egress to and from the Grantee Property, and to facilitate any testing, remediation, staging, clean-up, monitoring and/or sampling that Grantee deems reasonably necessary or convenient on the Easement Property.

Notwithstanding the foregoing, should Grantor increase its use of the Easement Property over and above that which has been historically used by Grantor (or its predecessor) for the benefit of the Grantor Property, then Grantor and Grantee will share the costs of maintaining and repairing the Easement Property, with each Party's share of the maintenance costs to be calculated based on the percentage of that Party's use of the Easement Property when compared to the other Party.

5. Mechanics' Liens. Grantee shall at all times keep the Grantor Property free from mechanics' liens or similar liens arising on account of or resulting from any act by or on behalf of Grantee. 7. Insurance. At all times while this Agreement is in effect, Grantee shall maintain a policy of general liability insurance with respect to the Easement Property and Grantee's activities thereon, written on an occurrence basis and including contractual liability coverage to cover Grantor's indemnity obligations hereunder. Such policy shall have a limit of liability of \$2,000,000.00 combined single limit per occurrence; provided, however, that, at Grantor's request, the insurance limit shall be adjusted no more frequently than every five (5) years to reflect changes in the value of the dollar. Within 10 days after request by Grantor, Grantee shall provide to Grantor evidence of insurance meeting the requirements of this Section. In the event Grantee fails to obtain and maintain insurance, or to provide evidence thereof, as required herein, Grantor shall have the right, but not the obligation, to purchase such insurance in its own name or in the name of Grantee, and Grantee shall reimburse Grantor for the cost of such insurance on demand. The insurance referenced in this Section 7 may be provided under (a) a blanket policy or policies which include other liabilities, properties, and locations of Grantee; so long as the amount and coverage of insurance required to be carried hereunder is not diminished, (b) a plan of self-insurance, or (c) a combination of any of the foregoing insurance programs.

8. Covenants Run with the Land. The Easement, and the rights and obligations granted or created hereby are appurtenances to the Grantee Property and all such easements, rights or obligations may be transferred and assigned by Grantee without the consent of the Grantor.
