DEFAULT

In this action Defendants ~~HomeSmith Builders, LLC~~, Now Construction Services, LLC,

GYF, Inc., and Millcreek Cove Apartments, LLC, having been regularly served with Summons and Complaint and having failed to appear and answer Plaintiff's Complaint through counsel, the Court having entered its Order Granting Plaintiff's Motion to Strike the [pro se] Answer of Defendants ~~Homesmith Builders, LLC~~, GYF, Inc., Now Construction, LLC and Millcreek Cove Apartments, LLC on October 12, 2018, and Defendants GYF, Inc., Now Construction, LLC and Millcreek Cove Apartments, LLC having failed to file an answer through counsel by the deadline imposed by the Court, Default Certificates for said Defendants were entered by the Court on November 13, 2018.

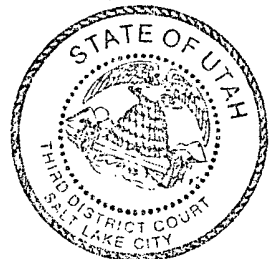

SUMMARY JUDGMENT ORDER

The Court entered, on November 28, 2018, an Order Granting Plaintiff's Motion for Partial Summary Judgment against Defendants Smith Ballstaedt and Homesmith Builders, LLC for the amounts requested in Plaintiff's Complaint.

JUDGMENT

IT IS HEREBY ORDERED that Plaintiff Modern Damp-Proofing, Inc. dba Rocky Mountain Waterproofing, be awarded judgment against Defendants Smith Ballstaedt, Homesmith Builders, LLC, Now Construction Services, LLC, GYF, Inc., and Millcreek Cove Apartments, LLC, jointly and severally, in the following amounts:

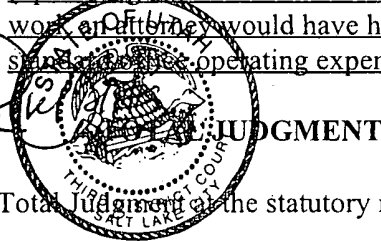

\$30,290.00	Principal;
\$ 3,634.80	Pre-judgment interest at the statutory rate of twelve percent (12%) <i>per annum</i> pursuant to Utah Code Ann. § 58-55-603;
\$ 564.00	Pre-judgment costs; and

~~\$ 7,579.00-7.033~~

Pre-judgment attorney fees pursuant to Utah Code Ann. § 58-55-603. Although Defendants have not objected to the Affidavit of Attorney Fees, the Court is obligated to independently evaluate the reasonableness of requested fees, even if no objection or opposition had been filed. Foote v. Clark, 962 P.2d 52, 55 (Utah 1998). The Court reviewed the fees affidavit and finds the work was actually performed, at reasonable rates and was reasonable, except the Court excluded those entries performed by support staff that was clerical and not tasks that an attorney would have had to perform, such as e-filing, creating or organizing files, printing documents, printing to PDF, scanning, mailing, calls to court clerk. See e.g. Baldwin v. Burton, 850 P.2d 1188, 1200 01 (Utah 1993) (upholding trial court's inclusion of paralegal fees because it was work an attorney would have had to perform and not part of support staff's operating expenses).

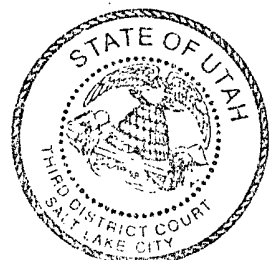

~~\$42,067.80-35,034.80~~
\$41,521.80

with interest accruing on the Total Judgment of the statutory rate of twelve percent (12%) pursuant to Utah Code Ann § 58-55-603 until paid in full.

IT IS FURTHER ORDERED that this judgment may be augmented in the amount of reasonable costs and attorney's fees expended in collecting this judgment. Said augmented judgment may be awarded based upon affidavit of Plaintiff's counsel and without further notice to Defendants.
