- (6) To use the loan evidenced by the note solely for purposes authorized by the Government.

Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.

(10) To comply with all laws, ordinances, and regulations affecting the property.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default) including but not limited to costs of evidence of title to survey of the property, costs of recording this and other instruments, attorneys' fees, trustee's fees, court costs, and expenses of advertising, selling, and conveying the property.

(12) Except as otherwise provided by the Government regulations, neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as beneficiary hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(14) The Government may (a) adjust the interest rate, payment, terms or balance due on the loan, (b) increase the mortgage by an amount equal to deferred interest on the outstanding principal balance, (c) extend or defer the maturity of, and renew and reschedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument, (d) release any party who is liable under the note or for the debt from liability to the Government, (e) release portions of the property and subordinate its lien, and (f) waive any other of its rights under this instrument. Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower's or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government says otherwise in writing. HOWEVER, any forbearance by the Government whether once or often in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(15) If at any time it shall appear to the Government that the Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate, or personal property or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent or make an assignment for the benefit of creditors, the Government, at its option with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, and (d) authorize and request Trustee to foreclose this instrument and sell the property as provided by law, (e) bring an action to foreclose this instrument, obtain a deficiency judgment, or enforce any other remedy provided by law.

(18) At the request of the Government, Trustee may foreclose this instrument by advertisement and sale of the property as provided by law, for cash or secured credit at the option of the Government, personal notice of which sale need not be served on Borrower; and at such sale the Government and its agents may bid and purchase as a stranger; Trustee at Trustee's option may conduct such sale without being personally present, through Trustee's delegate authorized by Trustee for such purpose orally or in writing; and Trustee's execution of a conveyance of the property or any part thereof to any purchase at foreclosure sale shall be conclusive evidence that the sale was conducted by Trustee personally or through Trustee's delegate duly authorized in accordance herewith.

(19) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secure hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to the Government, and (f) any balance to Borrower. In case the Government is the successful bidder at foreclosure or other sale of all or any part of the property, the Government, may pay its share of the purchase price by crediting such amount on any debts of Borrower owing to the Government, in the order prescribed above.

(20) All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise: and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

(21) Borrower agrees that the Government will not be bound by any present or future State laws, (a) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action may be brought, (b) prescribing any other statute of limitations, or (c) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer to the property to a new Borrower.

(22) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will, after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex, national origin, disability, familial status or age, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex, national origin, disability, familial status or age.

(23) If Borrower has a permit or approved application for the appropriation of water for use on or for the benefit of the property hereinabove described, Borrower will perform and complete all the action and fulfill all the conditions necessary to perfect such water right; and in the event of Borrower's failure to do so, the Government shall have the right to complete such action and to advance such sums as may be necessary for such purpose, such advances to be secured by this instrument.

(24) If the property, or any part thereof, is a lease or a purchaser's interest in a contract of sale, Borrower will pay when due all rents, contract payments and any and all other charges required by said lease or contract, will comply with all other requirements of said lease or contract, and will not surrender or relinquish, without the Government's written consent, any of Borrower's right, title and interest in or to the property or the lease or contract while this instrument remains in effect.

(25) Borrower has assigned or waived or will immediately, on request of the Government, assign or waive in favor of the Government all grazing privileges, permits, licenses, or leases appurtenant to or used in connection with said land, and Borrower further covenants and agrees to produce renewals thereof prior to their expiration, to pay all fees and charges and to perform all acts and to do all things necessary to keep and preserve all said grazing rights and renewals thereof, and in the event of the failure of Borrower to do any of these things the Government may do so on behalf of Borrower, including advancing such sums as may be necessary for this purpose, and such funds advanced shall be secured by this instrument.

(26) Borrower further agrees that the loans secured by this instrument will be in default should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land, or the conversion of wetlands to produce an agricultural commodity, as prohibited by 7 C.F.R. part 1940, subpart G.

(27) This instrument shall be subject to the present regulations of the Government, and to its future regulations not inconsistent with the express provisions hereof.

(28) Notices, including any Notice of Default and Notice of Sale, shall be sent by certified mail, unless otherwise required by law, and addressed, unless and until some other address is designated in a notice so given, in the case of both Trustee and the Government to the address stated above and in the case of Borrower at the post office address shown above.

(29) Upon full and final payment of all indebtedness hereby secured and the performance and discharge of each and every condition, agreement and obligation, contingent, or otherwise, contained herein or secured hereby, the Government shall request Trustee to execute and deliver to Borrower at Borrower's address a full reconveyance of the property within 60 days after written demand by Borrower, and Borrower hereby waives the benefits of all laws requiring earlier execution or delivery of such reconveyance.

(30) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provisions or application, and to that end the provisions hereof are declared to be severable.

(31) This instrument also secures the obligations and covenants of Borrower set forth in Borrower's Loan Resolution Security Agreement dated \_\_\_\_\_.
