RESOLUTION NO. R2015-50

A RESOLUTION OF THE CITY COUNCIL (THE "CITY COUNCIL") OF THE CITY OF SOUTH JORDAN, UTAH (THE "CITY"), DESIGNATING AN ASSESSMENT AREA FOR THE PURPOSE OF (i) LEVYING ASSESSMENTS AGAINST PROPERTIES WITHIN THE ASSESSMENT AREA TO FINANCE THE ACQUISITION, CONSTRUCTION AND INSTALLATION OF ROAD, STORM WATER, SEWER, CULINARY WATER, STREET LIGHTING, LANDSCAPING AND RELATED IMPROVEMENTS, (ii) ESTIMATING THE AMOUNT OF THE ASSESSMENTS TO BE LEVIED AND THE METHOD OR METHODS OF ASSESSMENTS AND (iii) GENERALLY DESCRIBING THE PERIOD OVER WHICH THE ASSESSMENTS ARE TO BE PAID AND THE MANNER IN WHICH THE CITY INTENDS TO FINANCE SAID IMPROVEMENTS; AND RELATED MATTERS.

BE IT RESOLVED by the City Council (the "City Council") of the City of South Jordan, Utah (the "City"), as follows:

Section 1. The City Council hereby determines that it will be in the best interest of the City to designate an area to finance the costs of acquiring, constructing and installing road, storm water, sewer, culinary water, street lighting, landscaping and related improvements, and to complete said improvements in a proper and workmanlike manner (collectively, the "Improvements"). The road, storm water, sewer, street lighting, landscaping and related improvements shall be referred to herein as the "Road Improvements" and the culinary water, landscaping and related improvements shall be referred to herein as the "Water Improvements." The City Council hereby determines that it is in the best interest of the City to levy assessments against properties benefited by the Improvements to finance the costs of said Improvements.

Section 2. Pursuant to the Assessment Area Act, Title 11, Chapter 42, Utah Code Annotated 1953, as amended (the "Act"), the owner (the "Owner") of all properties to be assessed within the designated assessment area has voluntarily waived, among other things, all notice and hearing requirements, the right to contest or protest, and the right to have a board of equalization appointed as set forth in the Act, and has consented to (a) the levy of an assessment against its property for the benefits to be received from the Improvements, (b) the designation of the assessment area as herein described, (c) the financing of the Improvements by the City through the issuance of assessment bonds, (d) the acquisition and/or construction of the Improvements, and (e) the method and estimated amount of assessment as set forth herein in accordance with the Acknowledgment, Waiver, and Consent attached hereto as Exhibit B. The properties to be assessed are identified by legal description and tax identification number in Exhibit C attached hereto; however, the officials of the City may, if necessary, make technical corrections to such legal description up until the time the Assessment Ordinance is recorded.

Section 3. As required by Section 11-42-205 of the Act, the City has obtained an appraisal of the property proposed to be assessed from an appraiser who is a member of the Appraisal Institute, addressed to the City and verifying that the market value of the property to be assessed, after completion of the proposed improvements, is at least three (3) times the amount of the assessment proposed to be levied against the property. The City hereby opts under Section 11-42-205 of the Act to allow the principal amount of the Owner's construction loan or other equivalent availability of funds (in the principal amount of \$6,000,000) to be included in the market value of the property to be assessed. See Exhibit H attached hereto.

Section 4. The City hereby designates an Assessment Area which shall be known as the "Daybreak Assessment Area No. 1" (the "Assessment Area"). A description of the Assessment Area and its boundaries are more particularly described in Exhibit D attached hereto. Technical changes may be made by officials of the City to such description of the boundaries of the Assessment Area up until the time of the recording of the Assessment Ordinance, so long as such changes do not change the boundaries from those shown on the map attached hereto as Exhibit E.

Section 5. A map showing the location of the Improvements and areas anticipated to be assessed for Improvements acquired and/or constructed is set forth in Exhibit E. The Improvements anticipated to be constructed are shown on the map and schedules attached hereto as Exhibit E, and are more particularly described as follows:

Road Improvements Zone 1:

1. South Jordan Parkway Village 5 widening
2. South Jordan Parkway – East
3. South Jordan Parkway – Right of way acquisition
4. Grandville – from existing to Lake Avenue
5. Lake Run – Duckhorn to Lake Avenue
6. Lake Avenue – from Kestrel Rise to MVC
7. DB Parkway West – Village 7 and 8 portion
8. Lake Run – Lake Avenue to South Jordan Parkway

Road Improvements Zone 2:

1. Lake Avenue – from MVC to Village 7
2. Village 7 and 8 East Road
3. Village 7 West Road
4. DB Parkway West – Village 7 and 8 portion

Water Improvements Zone 3:

1. Water Tank/Transmission Lines

As further engineering, costs, efficiencies, or any other issues present themselves, the City hereby reserves the right to approve reasonable changes to the location and

specifications of the Improvements without obtaining the consent of the property owners within the Assessment Area.

Section 6. Pursuant to the Act, the City Council has determined to levy assessments to pay the cost of the Improvements. The assessments are assessed against properties in a manner that reflects an equitable portion of the benefit of the Improvements as required by the Act (and in any event the Owner has consented to such manner without reservation), and shall be payable either before a building permit is issued, or in not more than twenty (20) annual installments with interest on the unpaid balance until due and paid, as further set forth herein and in the Assessment Ordinance. The City has determined that the reasonable useful life of the Improvements is at least twenty (20) years and that it is in the City and the Owner’s best interest for certain property owner installments to be paid for up to twenty (20) years.

Section 7. The total acquisition and/or construction cost of Improvements including estimated overhead costs and a portion of the interest costs during construction, is estimated at \$34,700,128, all of which is anticipated to be paid by assessments to be levied against the properties within the Assessment Area to be benefited by such Improvements, which benefits need not actually increase the fair market value of the properties to be assessed. The City may finance the cost of the Improvements by issuing assessment bonds (the “Bonds”). If the City issues Bonds, in lieu of utilizing a guaranty fund, the City Council intends to create a special reserve fund to secure payment of the Bonds. It is anticipated that the reserve fund will be initially funded with proceeds of the Bonds. The City intends to covenant in the ordinance making the assessment or the proceedings for the Bonds to replenish the reserve fund as provided in Subsection 11-42-702(4) of the Act. In order to reflect the benefits to be received from the Improvements, the assessments shall be levied by separate classifications for Road Improvements and Water Improvements, and against all of the area in each of the classifications of the Assessment Area. The estimated cost of Improvements to be assessed against the benefited properties within the Assessment Area under an equivalent residential unit (“ERU”) method of assessment, by classification, are as follows:

<u>Zone</u>	<u>Improvements</u>	<u>Estimated Assessment</u>	<u>Method of Assessment</u>
1	Road Improvements	\$17,080,479	Per ERU
2	Road Improvements	9,264,706	Per ERU
3	Water Improvements	8,354,943	Per ERU

Section 8. The City Council intends to levy assessments as provided in the Act on all parcels and lots of real property within the Assessment Area to be benefited by the Improvements, and the Owner of which has executed the Acknowledgment, Waiver, and Consent described in Section 2 herein. The purpose of the assessment and levy is to finance the cost of the Improvements, which the City will not assume or pay.

As shall be further described in the Assessment Ordinance, any succeeding property owner to the Owner (whether by sale, foreclosure, or any other property transfer of title) of property for a single-family residential dwelling, must prepay the applicable

assessment at the time of request for a building permit (if such assessment has not already been paid). Any succeeding property owner to the Owner (whether by sale, foreclosure, or any other property transfer of title) of property for a multi-unit building or requesting a multi-unit building permit may, if not already paid, prepay an assessment at such time or with the consent of the City may pay the assessment in twenty (20) annual principal installments with interest on the unpaid balance at a rate or rates fixed by the City Council, as further described in the Assessment Ordinance. For purposes of this Resolution, a “single-family residential dwelling” shall mean any dwelling, building, or portion thereof capable of being owned by a single owner as a living residence, as determined by the City in its sole discretion. For purposes of this Resolution, a “multi-unit building” shall mean any dwelling, building, or portion thereof that is a commercial property or multi-unit dwelling and is not a single-family residential dwelling, as determined by the City in its sole discretion. Nevertheless, the existing planning and zoning conditions of the City shall govern the development in the Assessment Area.

The Owner has waived the right to prepay the assessment without interest within twenty-five (25) days after the ordinance levying the assessments becomes effective. A property owner may prepay the assessment as provided in the Assessment Ordinance. The assessments shall be levied according to the benefits to be derived by each property within the Assessment Area and in any case, the Owner has consented to such methodology as provided in Section 11-42-409(5). Other payment provisions and enforcement remedies shall be in accordance with the Act.

A map of the Assessment Area and the location of the Improvements and other related information are on file in the office of the City Recorder who will make such information available to all interested persons.

Section 9. The City Council will collect the Assessment by directly billing the property owner rather than inclusion on a property tax notice issued in accordance with Section 59-2-1317, Utah Code Annotated, as amended.

Section 10. The City Engineer has prepared a “Certificate of Project Engineer” which, among other things, identifies the Improvements to be constructed and installed attached hereto as Exhibit G. The findings and determinations set forth in this resolution are based, in part, upon said Certificate of Project Engineer.

Section 11. The City Council reasonably expects and intends to reimburse the City from proceeds of the Bonds for all expenditures paid by the City with respect to the Improvements in advance of the issuance of tax-exempt bonds. The maximum principal amount of debt expected to be issued to acquire the Improvements is \$38,000,000. This declaration of official intent is consistent with the City’s budgetary and financial circumstances. No funds from sources other than the Bonds are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside by the City Council or by any member of the same controlled group pursuant to their budget or financial policies with respect to the expenditures to be reimbursed.

Section 12. The provisions of the Assessment Ordinance shall govern the levy, payment and applicable provisions regarding the assessments notwithstanding anything

contained herein to the contrary. As required by Section 11-42-206(3) of the Act, within 15 days of the adoption of this Resolution, the City Recorder shall (i) record an original or certified copy of this designation resolution in the office of the County Recorder; and (ii) file with the County Recorder a notice of proposed assessment that:

- (A) states that the City has designated the Assessment Area; and
- (B) lists, by legal description and tax identification number, the property proposed to be assessed (technical changes may be made to such descriptions up until the time of the recording of the Assessment Ordinance).

Evidence of the recordation of this designation resolution shall be attached hereto as Exhibit F upon availability.

After the conduct of other business not pertinent to the above, the meeting was, on motion duly made and seconded, adjourned.

Furthermore, before acquiring any of the Improvements, the City Engineer or other appropriate officials of the City shall do an inspection and will provide a certification that such Improvements are satisfactory and meet all City requirements.

NOW, THEREFORE, in consideration of the premises stated herein, the designation of Assessment Area, the acquisition, construction and installation of the Improvements and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto hereby agree as follows:

Section 1. Representations and Warranties of the City. The City hereby represents and warrants that:

(b) there is no action, suit, proceeding, inquiry, or investigation at law or in equity by or before any court or public board or body and to which the City is a party, or threatened against the City wherein an unfavorable decision, ruling, or finding would adversely affect the validity or enforceability or the execution and delivery by the City of this Agreement.

(a) the Owner is the sole owner of the Subject Property identified as such in Exhibit A attached hereto;

(b) the Owner has taken all action necessary to execute and deliver this Agreement;

(c) the execution and delivery of this Agreement by the Owner does not conflict with, violate, or constitute on the part of the Owner a breach or violation of any of the terms and provisions of, or constitute a default under (i) any existing constitution, law, or administrative rule or regulation, decree, order, or judgment; (ii) any corporate restriction or any bond, debenture, note, mortgage, indenture, agreement, or other instrument to which the Owner is a party or by which the Owner is or may be bound or to which any of the property or assets of the owner is or may be subject; or (iii) the creation and governing instruments of the Owner, if applicable;

(e) the Owner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Owner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee;

(f) the Owner is not in default under any resolution, agreement or indenture, mortgage, lease, deed of trust, note or other instrument to which the Owner is subject, or by which it or its properties are or may be bound, which would have a material adverse effect on the development of the Subject Property;

(j) the undersigned is authorized to execute and deliver this Agreement for and on behalf of the Owner.

Section 3. Acknowledgment by Owner. The Owner, on behalf of itself, its successors in title and assigns, hereby acknowledges and certifies:

(a) that the undersigned, on behalf of the Owner, is a duly qualified representative of the Owner with the power and authority to execute this Agreement for and on behalf of the Owner and has heretofore consulted its own counsel prior to the execution and delivery of this Agreement;

(b) that the Owner has received a copy of the Designation Resolution wherein the City intends to designate the Assessment Area and the Assessment Ordinance;

(c) that the consents set forth in Section 4 herein will benefit the Owner by providing for the financing of the Improvements and by expediting the assessment process and the requirements for the issuance of assessment bonds;

(d) that the Assessments constitute a legal, valid and binding lien on the Subject Property;

(e) the Assessment Ordinance and the rights of the City thereunder with respect to the enforcement of the lien of the Assessments and all other conditions therein;

(f) that the Owner has provided the pertinent information supporting the estimate of the cost of the Improvements, the classifications described in the Assessment Ordinance, the allocation of equivalent residential units ("ERUs") in the Assessment Area, the property description and tax parcel identifications of the Assessment Area, the assessment list attached to the Assessment Ordinance, and has directly participated in the information and assumptions underlying the appraisal related to the Assessment Area, and the City is relying on this Agreement in order to issue its assessment bonds related to the Improvements;

(g) that the levy of the Assessments on the lands in the Assessment Area will not conflict with or constitute a breach of or default under any agreement, mortgage, lien or other instrument to which the Owner is a party or to which its property or assets are subject; .

(h) that the City cannot guaranty or predict the interest rates of the assessment bonds related to the Assessment Area which will have a direct impact on the amount of the Assessments and, if the Assessments are not sufficient in amount to complete the Improvements, the Owner shall be solely responsible to pay the remaining amount in order to complete the Improvements. The Owner further acknowledges and agrees that if for any reason the Owner does not pay such remaining amount to complete the Improvements, the City will not guaranty or pay any such remaining amounts. Therefore, any and all property owners within the Assessment Area may be responsible for paying any pro-rata share of additional costs required to complete the Improvements, including, but not limited to, an additional assessment on their property without any ability to contest such assessment; and

(i) that each parcel of property (including subdivided parcels) within the Assessment Area shall have an allocated number of ERUs for each applicable classification. However, to the extent permitted by law, property owners (including the Owner) in the Assessment Area may be subject to additional development impact costs related to the services provided by the Improvements based upon the requested development of their property if such impact costs exceed the capacity of the allocated ERUs to the related property.

Section 4. Consent by Owner. The Owner, on behalf of itself, and its successors in title and assigns, hereby consents to:

(a) the City designating the Assessment Area for the Subject Property, for the purpose of financing the cost of the Improvements with assessments to be levied against properties within said Assessment Area, including the Subject Property all as generally described in the Designation Resolution, the estimated

costs of the Improvements, the method of assessment, and the Assessment Ordinance;

(b) the City financing the acquisition, construction and installation of the Improvements through the issuance of assessment bonds as provided in the Act; and

(c) not suing or enjoining the levy, collection, or enforcement of the assessment levied pursuant to the assessment ordinance or in any manner attacking or questioning the legality of said assessment levied within the Assessment Area, pursuant to the Assessment Ordinance.

Section 5. Waiver. The Owner, on behalf of itself, its successors in title and assigns, hereby waives:

(a) any and all notice and hearing requirements set forth in the Act;

(b) its rights for contesting, protesting, or challenging the legality or validity of the equitability or fairness of the Assessments, or the creation and establishing of the Assessment Area, the adopting of the Assessment Ordinance or the levy and collection of Assessments pursuant to the Assessment Ordinance, whether by notice to the District or by judicial proceedings, or by any other means;

(c) the right to have appointed by the City Council a board of equalization and review which would hear aggrieved property owners and recommend adjustments in assessments, if deemed appropriate, the right to a hearing before a board of equalization and review and the right to appeal from any determination of a board of equalization and review as provided in the Act;

(d) the right to pay cash for its assessment during a cash prepayment period which would otherwise extend for twenty-five (25) days after the adoption and publication of the Assessment Ordinance as provided in the Act;

(e) any right to contest its assessment, including but not limited to the 60-day contestability period provided in Section 11-42-106 of the Act; and

(f) any other procedures that the City may be required to follow in order to designate an assessment area or to levy an assessment as described in the Designation Resolution and the Assessment Ordinance.

Section 6. Amendment. The City and the Owner hereby acknowledge that bond counsel will rely on the representations, warranties, acknowledgments, consents, and agreements herein contained in issuing opinions relating to the levy of the assessments and the issuance of assessment bonds and consequently hereby agree that this Agreement may not be amended, modified, or changed without the prior written consent of the City and such bond counsel.

Section 7. Severability. The invalidity or un-enforceability in particular circumstances of any provision of this Agreement shall not extend beyond such provision or circumstances and no other provision hereof shall be affected by such invalidity or un-enforceability.

Section 10. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Utah.

Section 11. Counterparts. This Agreement may be executed in several counterparts, all or any of which may be treated for all purposes as an original and shall constitute and be one and the same instrument.

Section 12. Defined Terms. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Assessment Ordinance.

IN WITNESS WHEREOF, the Mayor of the City has hereunto set his hand and has caused the official seal of the City to be hereunto affixed, and the City Recorder of the City has attested the same, and the undersigned, on behalf of the Owner have hereunto executed this Agreement all as on the date first hereinabove set forth.
