WHITE CITY WATER IMPROVEMENT DISTRICT**

WHEREAS, this District provides wholesale supplemental treated water to its member cities, Salt Lake City and Sandy City; and

WHEREAS, this District provides surplus wholesale water, when available, to the Jordan Valley Water Conservancy District; and

WHEREAS, this District provides no water to the White City Water Improvement District ("WCWID") directly; and

WHEREAS, in 2000 this District and WCWID entered into an agreement that calls for the refund of tax revenue received by this District from those portions of this District that receive retail water service from WCWID; and

WHEREAS, since the 2000 agreement between this District and WCWID was entered, this District, with the assistance of Sandy City, has been refunding tax revenue received by this District from those portions of this District that receive retail water service from WCWID; and

WHEREAS, on or about September, 2004, Sandy City and WCWID entered into an agreement regarding boundary adjustments and water service areas; and

WHEREAS, pursuant to the agreement between Sandy City and WCWID, the WCWID boundaries were adjusted to exclude from WCWID those portions of Sandy City that will receive retail water service from Sandy City (with the exception of three Sandy City owned parks that will continue to be served by Sandy City only so long as Sandy City owns those properties); and

WHEREAS, WCWID has requested that this District consider a withdrawal from this District of those portions of this District that are within the WCWID boundaries; and

WHEREAS, Sandy City has requested that this District consider a withdrawal from this District of those portions of this District that are within the WCWID boundaries; and

WHEREAS, it appears that those portions of this District that will be served by WCWID do not and will not require the service of this District; and

WHEREAS, it appears that the proposed withdrawal of those portions of this District that are within the WCWID boundaries can be accomplished without impact to the obligations and agreements of this District; and

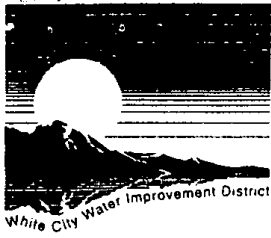

WHEREAS, it appears appropriate and in the best interests of this District, Sandy City and the public that this District give appropriate public notice, conduct a public hearing, receive oral and written public comment and information, and consider the withdrawal from this District of those portions of this District that are within the WCWID boundaries, as more particularly depicted on Exhibit A attached, all in a manner consistent with applicable law.

This hearing will occur on April 18, 2005, at the MWDSLS office on 3430 East Danish Road, Sandy, Utah 84093. This change, if approved, by the MWDSLS board will reduce the taxes of all Sandy City residents within the District boundaries. Water Information

The Water Cycle at Work

Water never stops moving. Snow and rain fall to the earth from clouds. The rain and melted snow run downhill into rivers and lakes, sometimes crashing over waterfalls. Eventually the water flows into the ocean.

During evaporation, the water turns from liquid into gas, and moves from oceans and lakes into the atmosphere where it forms clouds. Then the cycle begins all over again.

Agenda for Public Hearing (6:00 p.m.):

- 1) Call to Order
- 2) Public Hearing regarding Metropolitan Water District of Salt Lake & Sandy's Proposed
Withdrawal of Areas Served by White City Water Improvement District
- 3) Discuss post-public hearing procedural issues related to the withdrawal
- 4) Adjourn

Call to Order

At 6:10 p.m. Mr. Moreton welcomed guests to the public hearing for the Metropolitan Water District of Salt Lake & Sandy's (MWDSLS) proposed withdrawal of areas served by White City Water Improvement District.

Public Hearing

Mr. Draney gave an overview of the White City Water Improvement District service areas and the process of the withdrawal from MWDSLS. He said that the public was allowed to ask questions, address the Board and make comments. The Board is required to have a resolution approving or rejecting the withdrawal, and it should be adopted at the next board meeting.

Ms. Paulina Flint expressed her appreciation to the Board members for taking the time to go through the process of withdrawal.

Mr. Gary Trude said he lives within the service area and was also speaking on behalf of other residents who were unable to attend the meeting. He stated that they don't receive a direct benefit from the District and would rather not pay the tax. They appreciate the rebate, but there is an administrative cost associated with it. The withdrawal will help them, and they are appreciative that the Board members have responded by taking this action.

Ms. Trisha Beck stated her appreciation for the District in working with White City Water Improvement District.

Mr. Kirkham said that this doesn't solve all the issues and questioned if this withdrawal precludes possible spot water sales in the future. Mr. Draney responded by saying that spot water is a separate issue, and explained the statute. He confirmed that the District fits the criteria and it is incumbent upon the District to take this action.

At 6:20 p.m. Mr. Newton moved to close the public hearing and go back into the regular board meeting; Mr. Richardson seconded the motion and the motion carried unanimously.

Mr. Myers moved to instruct staff to prepare a resolution approving the withdrawal of White City Water Improvement District from the MWDSLS service area

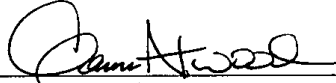

to include the legal opinion and legal description of the property, and other such actions needed to complete the agreement; Mr. Kirkham seconded the motion and the motion passed unanimously.
