SPECIAL WARRANTY DEED

The Board of Education of Canyons School District, a body corporate and politic of the State of Utah, 9150 South 500 West, Sandy UT 84070 and the Board of Education of Jordan School District a body corporate and politic of the State of Utah, 7387 S. Campus View Drive, West Jordan, UT 84084 make the following conveyance of real property.

1. Background. In November 2007, the voters in Salt Lake Valley on the East side of the former Jordan School District voted to form a new school district and withdraw from the former Jordan School District effective July 1, 2009. The new school district was given the name Canyons School District. A transition ensued in which the parties worked unsuccessfully to divide the assets and liabilities of the former Jordan School District leading to a decision to commit the partition of the assets of the school district to a binding arbitration. The arbitration panel made a decision March 17, 2009 allocating the real property of the schools of the District including elementary, middle, high schools and administration buildings based on geographic location. The arbitration panel also ordered the other real property assets including water rights of the former Jordan School District to be divided according to their geographic location, that is, the panel awarded the real property within the boundaries of Canyons School District to Canyons School District and the real property within the surviving Jordan School District to the surviving Jordan School District. The purpose of this deed is to implement the order of the arbitration panel as to real property assets acquired by Canyons School District.

2. The geographic boundaries of Canyons School District are described by a plat that was attached to a certificate issued December 19, 2007, by Gary R. Herbert, the Lieutenant Governor of the State of Utah and that carried the following narrative and description by a licensed surveyor of the boundary of the Canyons School District:

Surveyor's Narrative:

This plat has been prepared for the Interlocal Agreement Participants (the cities of Cottonwood Heights, Draper, Midvale, and Sandy) as specified in Utah Code Annotated 53A-2-118 and 118A for the purpose of creating a new school district from portions of the existing Jordan and Granite School Districts. The information shown hereon is based upon information currently of public record obtained from Sandy City, the Salt Lake County Recorder, and the State of Utah's

Automated Geographic Reference Center (AGRC).

This plat does not purport to represent an actual survey on the ground nor does it purport to create or establish property ownership lines, but is intended solely for the purpose of accurately defining the areas to be included in the proposed new school district. No monuments were found; and no monuments were set. The effective Survey Date is December 17, 2007.

Surveyor's Description of the proposed boundary of a new school district to be created from the existing Jordan School District situate in Salt Lake County Utah, December 15, 2007.

Hathcock, a Professional Land Surveyor as prescribed by the laws of the State of Utah, holding license no. 166346, do hereby certify that this plat, which has been prepared under my direct supervision, is an accurate representation of the area proposed to be segregated from the Jordan School District, as said district exists as of December 18, 2007, and organized into a new school district. My business address is Sandy City Public Works, 8775 South 700 W. Sandy, UT 84070.

3. Now therefore, for good and valuable consideration, Board of Education of Jordan School District, a body corporate and politic of the state of Utah, Grantor, hereby conveys and warrants against all claiming by, through or under it, to Board of Education of Canyons School District, a body corporate and politic of the state of Utah, Grantee, the following described real property in Salt Lake County, State of Utah, to wit,--
