(d) Notwithstanding anything to the contrary contained in paragraphs 3.02(b) and 3.02(c) above or elsewhere in this Declaration:

(i) nothing shall prevent or limit Declarant's exercise or enjoyment of any Special Declarant Right;

(ii) an Owner may grant its rights to use any General Common Element or any Limited Common Element appurtenant to the Owner's Unit to the Owner's Guests; and

(iii) the Owner of a Commercial Unit may construct partitions within its Commercial Unit if otherwise permitted by the Act or applicable law.

3.03 Interests in General Common Elements.

(a) The Interests in General Common Elements shall be allocated among the Units as set forth in this Section 3.03. The Interest in Common Elements appurtenant to a Unit shall be equal to the ratio between the Area of such Unit and the aggregate Area of all Units included in the Condominium Project. In determining the Interests in General Common Elements, Declarant may have made minor adjustments in some or all of the Interests in General Common Elements which result from a strict application of the formula described in the immediately foregoing sentence for the purpose of assuring that the total Interests in General Common Elements equals 100.00%. The Interests in General Common Elements which are appurtenant to the Units and which are set forth on Exhibit D have been computed in the aforesaid manner.

(b) The Interest in General Common Elements appurtenant to each of the Units of the Condominium Project are set forth on Exhibit D attached hereto and made a part hereof.

(c) The Interest in General Common Elements shall have a permanent character and shall not be altered without the express consent of all Owners expressed in an amendment to this Declaration adopted as provided in Section 15.07 or Section 18.03 hereof. If any Units are added to or withdrawn from the Condominium Project, or if the Area of one or more Units is increased or decreased, the Interest in General Common Elements for all Units within the Condominium Project after such addition or withdrawal, increase or decrease shall be recalculated in accordance with the formula set forth in paragraph 3.03(a) above.

(d) Except as expressly provided to the contrary elsewhere in this Declaration and subject further to any limitation set forth in the Canyons Master Association Documents, an Interest in General Common Elements may not be partitioned from the Unit to which it is appurtenant, and any purported conveyance, encumbrance or transfer of an Interest in General Common Elements made without the Unit to which the Interest in General Common Elements is appurtenant shall be void. The immediately foregoing sentence shall not prejudice or otherwise affect the rights set forth in Articles XIII and XIV of this Declaration in the event of casualty or condemnation. There shall not be any restriction upon on Owner's right of ingress to and egress from such Owner's Unit.

3.04 Limited Common Elements.

Except as expressly provided to the contrary in this Declaration, the allocation of the Limited Common Elements to the Units as shown on the Plat may not be altered without the consent of all Owners whose Units would be affected by such reallocation.

3.05 Separate Taxation of Condominium Units.

Pursuant to the Act, each Condominium Unit constitutes a separate parcel of real estate and will be separately assessed and taxed.

3.06 Description of Condominium Units.

Any deed, lease, mortgage, deed of trust, or other instrument conveying, encumbering or otherwise affecting a Condominium Unit shall describe the interest or estate substantially as follows:

Residential Unit [ ]/Commercial Unit [ ], contained within Lift Condominiums as the same is identified in the Record of Survey Plat recorded in Summit County, Utah, on \_\_\_\_\_, 2017 as Entry No. \_\_\_\_\_ (as said Record of Survey Plat shall have heretofore been amended or supplemented) and in the Declaration of Condominium for Lift Condominiums, recorded in Summit County, Utah on \_\_\_\_\_, 2017 as Entry No. \_\_\_\_\_, in Book No. \_\_\_\_\_ at Page \_\_\_\_\_ (as said Declaration may have heretofore been amended or supplemented). **TOGETHER WITH** the undivided ownership interest in said Project's Common Elements that is appurtenant to said Unit as more particularly described in said Declaration.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Condominium Unit. Neither the Interest in General Common Elements, nor the right of exclusive use of the Limited Common Elements, shall be separated from the Unit to which it appertains; and, even though not specifically mentioned in the instrument of transfer, such Interest in the General Common Elements and such right of exclusive use shall automatically accompany the transfer of the Unit to which they relate.

3.07 Interpretation. In interpreting this Declaration, the Plat or any deed or other instrument affecting the Building or a Unit, the boundaries of the Building or Unit constructed or reconstructed in substantial accordance with the Plat shall be conclusively presumed to be the actual boundaries rather than the description expressed in the Plat, regardless of settling or lateral movement of the Building and regardless of minor variance between boundaries shown on the Plat and those of the Building or Unit.

**ARTICLE IV: THE ASSOCIATION**

4.01 Formation of the Association.

On or before the date on which Declarant conveys the first Unit to a Purchaser, Declarant shall form the Association.

The Association may charge a reasonable fee for copying such materials.

#### 5.01 Voting.

(a) At any meeting of the Association, the Interest in General Common Elements appurtenant to a Unit may be voted in connection with issues presented to the Owners for vote.

(b) The votes allocated to the Units of the Condominium Project are equal to the Interests in General Common Elements set forth on Exhibit D attached hereto and made a part hereof.

(c) If any Units are added to or withdrawn from the Condominium Project, or the Area of one or more Commercial Units is increased or decreased, the total number of votes allocated to all Memberships and the allocation thereof after such addition, withdrawal, increase or decrease shall be adjusted so that such votes at all times remain equal to the Interest in General Common Elements appurtenant to such Unit.

(d) Each Unit shall be entitled to the number of votes allocated to it in accordance with paragraphs 5.01(a), (b) and (c) above, regardless of the number of Owners of the Unit. If the Owners of a Unit cannot agree among themselves as to how to cast their votes on a particular matter, they shall lose their right to vote on such matter. If any Owner casts a vote representing a particular Unit, it will thereafter be presumed for all purposes that the Owner was acting with the authority and consent of all other Owners with whom such Owner shares the Unit, unless objection thereto is made by an Owner of that Unit to the Person presiding over the meeting at the time the vote is cast. If more than the number of allocated votes are cast for any particular Unit, none of such votes shall be counted and all of such votes shall be deemed null and void other than to determine whether a quorum exists.

(e) In any case in which the Act or this Declaration requires the vote of a stated percentage of the Owners or approval of an act or transaction, such requirement shall be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold at least the stated percentage of required votes. Such written consents shall be subject to the following conditions:

(i) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Owner.

(ii) Any change in ownership of a Condominium Unit which occurs after consent has been obtained by the Owner having an interest therein shall not be considered or taken into account for any purpose.

(iii) Unless consent of all Owners having an interest in the same Condominium Unit is secured, the consent of none of such Owners shall be effective.

#### **ARTICLE VI: MANAGEMENT COMMITTEE**

##### **6.01 Number and Election of Directors.**

The Management Committee shall consist of at least three (3) but not more than five (5) Directors. The initial number of Directors shall be three (3) and shall hold office until the election or appointment of their successors at the first annual meeting. Thereafter, subject to the terms and conditions of Sections 6.03 and 6.04 below, each Director will hold office for a term of one (1) year and the Owners shall elect the Directors at the annual meetings.

- (v) determine the qualifications, powers and duties, or terms of office, of Directors.

##### **6.03 Declarant Control Period.**

(a) Subject to the terms and conditions of paragraphs 6.03(b) and (c) below, but notwithstanding anything else to the contrary contained in this Declaration or in any other Association Document,

Declarant shall have the exclusive right to appoint and remove all Directors and Officers during the Declarant Control Period. The phrase "Declarant Control Period" means the period commencing on the date on which this Declaration is Recorded, and ending on the first to occur of the following:

- (ii) the date upon which Units representing seventy-five percent (75%) of the total Interests in the General Common Elements have been conveyed to Purchasers.

(b) Declarant may voluntarily surrender its right to appoint and remove Officers and Directors prior to the expiration of the Declarant Control Period, but, in that event, Declarant may require, for the remainder of the Declarant Control Period, that specific actions of the Association or the Management Committee, as described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective.

(c) During the thirty (30)-day period immediately preceding the date on which the Declarant Control Period expires, the Owners shall elect the Directors of the Management Committee as set forth in Section 6.01 above, at least a majority of whom must be Owners other than Declarant or designated representatives of Owners other than Declarant. Such Directors shall take office upon election.

(d) No management contract, lease of recreational areas or facilities, or any other contract or lease designed to benefit the Declarant which was executed by or on behalf of the Association or the Unit Owners as a group shall be binding after the expiration of the Declarant Control Period unless renewed or ratified by the consent of a Majority of the votes allocated to the Units as provided in Section 5.01(b).

6.04 Removal of Directors.

- Declarant.
- (a) Directors appointed by Declarant may be removed, with or without cause, solely by

- (b) A vacancy on the Management Committee created by the removal, resignation or death of a Director appointed or elected by the Owners shall be filled by a Director elected by the Owners.
- (c) Any Director elected or appointed pursuant to this Section 6.05 shall hold office for the remainder of the unexpired term of the Director that Director replaced.

6.06 Management Committee Liability.

No Director shall be liable to the Owners for any mistake in judgment, for negligence, or on other grounds, except for such Director's own individual and willful misconduct or bad faith. The Owners and Association shall indemnify and hold harmless each Director from and against all liability to third parties arising out of any contract made by the Management Committee on behalf of the Association or Owners, unless such contract was made in bad faith or contrary to the provisions of the Act or this Declaration. The liability of an Owner arising out of the foregoing indemnification shall be limited to the total liability concerned multiplied by such Owner's Interest in General Common Elements.

**ARTICLE VII: ASSESSMENTS, COMMON EXPENSES, BUDGETS AND LIENS**

**7.01 Obligations for Assessments:**

(a) Each Owner, by accepting a deed to a Unit (regardless of whether it shall be expressly stated in such deed), shall be deemed to have covenanted and agreed, to pay to the Association all:

- (i) General Assessments;
- (ii) Special Assessments;
- (iii) Default Assessments; and
- (iv) other charges,

that the Association is required or permitted to levy or impose on such Owner or such Owner's Unit pursuant to this Declaration or any other Association Document.

(b) Notwithstanding the definition of the term "Owner":

(i) a Person who acquires a Unit in a foreclosure sale shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Owner of that Unit on or after the date of the foreclosure sale; and

(ii) a Person who acquires a Unit by deed-in-lieu of foreclosure shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Owner of that Unit on or after the date on which the Owner of the Unit executes the deed-in-lieu of foreclosure.

(c) No Owner shall be exempt from liability for any Assessment or other charges by waiving the use or enjoyment of any Common Element or by abandoning a Unit against which such Assessments or other charges are made.

(d) Each Owner shall be personally liable for all Assessments and other charges levied on such Owner or such Owner's Unit during the period of such Owner's ownership of the Unit. If there is more than one Owner of a Unit, each Owner shall be jointly and severally liable with the other Owners of the Unit for all Assessments and other charges levied on the Unit or any Owner of the Unit. In a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor without prejudice to the grantee's rights to recover from the grantor the amount of the Assessment paid by the grantee.

(e) Each Assessment or other charge, together with interest and penalties thereon and all costs and expenses incurred by the Association to collect such Assessment or other amount, including all fees and disbursements of attorneys, accountants, appraisers, receivers and other professionals engaged by the Association in connection therewith, may be recovered by a suit for a money judgment by the Association without foreclosing or waiving any Assessment Lien securing the same.

**7.02 Shares of Common Expenses.**

(a) Except as otherwise set forth in this Declaration, the Association's Common Expenses shall be allocated among the Units in accordance with the Interest in General Common Elements appurtenant to such Units (the "Shares of Common Expenses").

- (b) Until the Association levies an Assessment, Declarant shall pay all Common Expenses.

7.03 Budgets.

(a) Prior to the first levy of a General Assessment, and thereafter on or before the date occurring sixty (60) days before the commencement of the next Fiscal Year, the Management Committee shall adopt a proposed annual budget for the Association for the next Fiscal Year that sets forth:

(i) the Management Committee's estimates of Common Expenses for the next calendar year, taking into account any default or surplus realized for the current calendar year and any amounts as may be necessary to fund the reserve provided for in Section 7.11 of this Declaration;

(ii) the amount of funds for such Common Expenses that the Management Committee proposes to raise through General Assessments; and

(iii) the amount of funds for such Common Expenses that the Management Committee proposes to raise through Special Assessments.

(b) Within thirty (30) days after adopting a proposed annual budget, the Management Committee shall deliver a summary of the proposed annual budget to the Owners and set a date for a meeting of the Owners to consider ratification of the proposed annual budget. The date of such meeting shall not be less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed annual budget to the Owners. Unless at that meeting a Majority of the Owners present at such meeting, whether or not a quorum is present, rejects the proposed annual budget, the proposed annual budget shall be deemed ratified. If the proposed annual budget is rejected, the annual budget last ratified by the Owners shall be deemed renewed for the next calendar year and shall remain in full force and effect until such time as the Owners ratify a subsequent annual budget proposed by the Management Committee.

(c) If the Management Committee deems it necessary or advisable to amend an annual budget that has been ratified by the Owners under paragraph 7.03(b) above, the Management Committee may adopt a proposed amendment to the annual budget, deliver a summary of the proposed amendment to all Owners and set a date for a meeting of the Owners to consider ratification of the proposed amendment. The date of such meeting shall not be less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed amendment. Unless at that meeting a Majority of the Owners present at such meeting, whether or not a quorum is present, rejects the proposed amendment, the proposed amendment shall be deemed ratified.

7.04 General Assessments.

(a) After the Management Committee has adopted an annual budget pursuant to paragraph 7.03(b) above, the Association shall levy an assessment for Common Expenses (a "General Assessment") on each Unit. The amount of the General Assessment levied against a Unit shall equal the product obtained by multiplying:

(i) the amount set forth in the annual budget adopted by the Management Committee as the amount of Common Expenses to be raised by General Assessments, by

(ii) that Unit's Interest in General Common Elements.

(b) The Owners shall pay the General Assessments levied against their respective Units in such periodic installments as may be required by the Association.

(c) If the Management Committee adopts an amendment to the General Assessment portion of an annual budget pursuant to paragraph 7.03(c) above, the amount of the General Assessment levied against each Unit shall be adjusted accordingly, as shall the amount of each Owner's periodic installments.

(d) If the Management Committee fails to adopt an annual budget for any Fiscal Year prior to the commencement of that Fiscal Year, the Owners shall continue to pay periodic installments of the General

Assessment to the Association at the rate payable during the prior Fiscal Year until such time as the Management Committee adopts a new annual budget for the then current Fiscal Year. Once the Management Committee adopts a new annual budget, the Association shall levy against each Unit the General Assessment for the then current Fiscal Year and each Owner's periodic installments shall be adjusted as necessary to pay the new General Assessment in equal periodic installments over the remainder of such Fiscal Year, giving the Owners credit, in such manner as the Management Committee deems necessary or appropriate, for any installments that the Owners have previously paid to the Association during such Fiscal Year.

(e) The failure of the Association to levy a General Assessment for any Fiscal Year shall not be deemed a waiver, modification or release of an Owner's liability for the Share of Common Expenses allocated to such Owner's Unit.

7.05 Special Assessments.

(a) The Assessments that the Association may levy pursuant to this Section 7.05 are referred to in this Declaration as "Special Assessments."

(b) Notwithstanding anything to the contrary contained in Section 7.04 above, if the Association determines that an Assessment is required to immediately fund any Common Expense attributable to the Common Elements, the Association may levy an Assessment for such Common Expense against the Units in proportion to the Interests of General Common Elements.

(c) The Association shall levy an Assessment and shall collect from each Owner the Annual Member Assessment (as defined in the Canyons Master Association Declaration) assessed against such Owner's Condominium Unit pursuant to the Canyons Master Association Declaration and shall remit all Annual Member Assessments so collected to the Canyons Master Association. Annual Member Assessments assessed against each Owner's Condominium Unit pursuant to the Canyons Master Association Declaration shall in all events remain a personal liability of the applicable Condominium Unit Owner.

(d) Each Special Assessment levied against any Unit shall be shown on an annual budget, or an amendment to an annual budget, adopted by the Management Committee pursuant to Section 7.03 above and shall be paid as and when required by the Association.

7.06 Default Assessments.

(a) Notwithstanding anything to the contrary contained herein, if any Common Expense is caused by:

(i) the negligence or misconduct of an Owner or an Owner's Guest; or

(ii) a violation of any covenant or condition of an Association Document by an Owner or an Owner's Guest, the Association may levy an Assessment for such Common Expense against such Owner's Unit. Any such Assessment levied by the Association and each fine, penalty, fee or other charge imposed upon an Owner for the Owner's violation of any covenant or condition of any Association Document are each referred to herein as a "Default Assessment."

(b) Default Assessments need not be shown on an annual budget, or on an amendment to an annual budget, adopted by the Management Committee pursuant to Section 7.03 above.

(c) With respect to any Default Assessment, or portion thereof, levied other than as a late charge, the Owner of the Unit against which the Association seeks to levy the Default Assessment shall be provided notice and an opportunity to be heard as provided by the Act. Owners of Units against which Default Assessments have been levied shall pay such Default Assessments as and when required by the Association subject to any limitations imposed by the Act.

7.07 Assignment of Assessments.

The Association shall have the unrestricted right to assign its right to receive Assessments and other future income, either as security for obligations of the Association or otherwise, on the condition that any such assignment is approved by a Majority of the votes allocated to Units represented at a meeting at which a quorum is present.

7.08 Assessment Lien.

(a) The Association shall have a lien on each Unit for any Assessment levied against that Unit and for any fines, late charges, penalties, interest and attorneys' fees, disbursements and costs of collection imposed against the Owner of such Unit under any Association Document (the "Assessment Lien"). The Assessment Lien shall secure all of the foregoing obligations of an Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien shall secure each installment from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations.

(b) An Assessment Lien shall constitute a lien upon the Owner's Unit, and, upon the Recording of a notice of lien by the Management Committee or manager, if any, it is a lien prior to all other liens and encumbrances on a Unit, recorded and unrecorded except:

(i) encumbrances on the interest of an Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances; and

(ii) liens for real estate taxes and special assessment liens on the Unit in favor of any governmental assessing unit or special improvement district; and

(c) Notwithstanding the terms and conditions of subparagraph 7.08(b) above, an Assessment Lien is prior to a First Mortgage recorded before the date on which the Assessment sought to be enforced became delinquent to the extent permitted by the Act.

(d) An Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within six (6) years after the full amount of the Assessment secured thereby becomes due. Suit to recover a money judgment for unpaid Assessments is maintainable without foreclosing or waiving the lien securing it.

(e) This Section 7.08 does not prohibit actions or suits to recover sums secured by an Assessment Lien or the Association from taking a deed in lieu of foreclosure.

(f) In any action by the Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver of the Owner to collect all sums alleged to be owed by the Owner prior to or during the pendency of the action, including, but not limited to, all costs and expenses of such proceedings, reasonable attorneys' fees, and a reasonable rental for the Unit. A court may order the receiver to pay any sums held by the receiver to the Association during the pending of the action to the extent of the Association's Assessments.

(g) An Assessment Lien may be foreclosed in like manner as a deed of trust or mortgage on real estate or in any other manner permitted by law. Periodic Assessments shall be payable during the period of foreclosure of an Assessment Lien.

(h) Declarant, the Association and each Owner hereby appoint [First American Title Insurance Company ("Trustee")] as trustee for the purpose of exercising the power of sale in connection with any non-judicial foreclosures as provided in the Condominium Act; provided, however, the Association reserves the right to substitute and appoint a successor trustee as provided for in the Condominium Act. Declarant hereby conveys and warrants pursuant to U.C.A. Sections 57-1-20 and 57-8-45 to Trustee, with power of sale, the Units and all improvements to the Units for the purpose of securing payment of assessments under the terms of the Declaration. Further, each Owner hereby conveys all of its right, title and interest in its Unit to Trustee, in trust,

with a power of sale, for the sole purpose of securing each Owner's obligations under the Declaration, including but not limited to the obligation to pay all assessments.

7.09 Waiver of Homestead Exemptions.

To the fullest extent permitted by law, by acceptance of the deed or other instrument of conveyance of a Unit, an Owner irrevocably waives the homestead exemption provided by the Utah Exemptions Act, Utah Code Ann. [§78-23-1 through §78-23-15] as amended from time to time, as the same may apply to the Assessment Lien.

7.10 Estoppel Certificates: Notices to Mortgagees.

(a) The Association shall furnish to an Owner or such Owner's designee or to a Mortgagee or its designee upon written request, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the Association's registered agent, and payment of a reasonable fee not to exceed the amount provided for in the Act, a statement setting forth the amount of unpaid Assessments currently levied against such Owner's Unit. The statement shall be furnished within ten (10) calendar days after receipt of the request and is binding on the Association, the Management Committee and every Owner in favor of all Persons who rely upon such statement in good faith. If no statement is furnished to the Owner, the Mortgagee or their designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert the priority of its Assessment Lien upon the Unit for unpaid Assessments which were due as of the date of the request.

(b) If a First Mortgagee delivers to the Association a written request for notice of unpaid Assessments levied against a Unit subject to a First Mortgage held by that First Mortgagee, the Association shall report to the First Mortgagee any unpaid Assessments levied against such Unit that remain unpaid for more than sixty (60) days after the same shall have become due. The First Mortgagee may pay any such unpaid Assessment, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such First Mortgagee shall have a lien on the Unit for the amounts paid with the same priority as a lien of the First Mortgage held by such First Mortgagee.

7.11 Reserve Fund.

(a) The Association shall have the right to maintain a reserve fund for Common Expenses. The reserve fund shall include such amounts as the Management Committee may deem proper for general working capital, for a general operating reserve, and for a reserve fund for replacements and major maintenance or capital replacement, and will be funded as follows. At the closing of the sale of a Unit by Declarant to a Purchaser, the Purchaser shall pay to the Association an amount equal to the Association's estimate of three (3) months of Common Expenses for the Fiscal Year in which the sale of the Unit occurs. Thereafter, the Association may increase the reserve fund or replace funds withdrawn from the reserve fund with funds collected through Assessments.

(b) Payments by Purchasers to the Association at closings under paragraph 7.11(a) above shall not be credited against, or relieve Purchasers from, their obligation to pay other Assessments levied against Units by the Association.

(c) Upon the sale of a Unit from one Owner to another, the Association shall not be obligated to return to the transferor any funds held in reserve, but the transferor shall be entitled to an appropriate credit from its transferee.

7.12 Reserve for Replacement of Improvements.

In addition to any reserve fund established pursuant to Section 7.11, each Annual Assessment shall include a portion for reserves in such amount as the Board of Directors, in its discretion and in accordance with Section 57-8-7.5 of the Act, considers appropriate to meet the cost of the future repair, maintenance, restoration, and replacement of improvements to those portions of the General Common Areas and Limited Common Areas that the Association is required to maintain. Such reserves shall be maintained out of the Annual Assessments. At least once

every six years, the Board of Directors will cause a reserve analysis to be conducted in accordance with Section 57-8-7.5 of the Act. At least once every three years, in accordance with Section 57-8-7.5 of the Act, the Board of Directors shall cause a review and, if necessary, update a previously conducted reserve analysis. The Board of Directors shall also review this analysis annually and shall consider and implement necessary adjustments to the Board of Directors' analysis of the reserve account requirements for the Project as a result of that review. Such reserve analysis shall include:

- (a) Identification of those portions of the General Common Areas and Limited Common Areas that the Association is required to maintain that have a remaining useful life of less than thirty (30) years;
- (b) Identification of the probable remaining useful life of those portions of the General Common Areas and Limited Common Areas identified pursuant to Section 9.03(a) above;
- (c) An estimate of the cost of repair, replacement, restoration, or maintenance of each portion of the General Common Areas and Limited Common Areas identified in Section 7.12(a) above during and at the end of its useful life;
- (d) An estimate of the total annual contribution necessary to defray the cost to repair, replace, restore, or maintain each portion of the General Common Areas and Limited Common Areas identified in Section 7.12(a) above during and at the end of its useful life; and
- (e) A reserve funding plan that recommends how the Association may fund the annual contribution described in (d) above.

#### **ARTICLE VIII: UTILITY AND OTHER SERVICES**

##### **8.01 Water, Sewer, Natural Gas, Electric and Trash Removal Services.**

- (a) The Association shall be responsible for obtaining water, sewer, natural gas, electric and trash removal services for all Residential Units and the Commercial Unit and the Limited Common Elements appurtenant to such Units.
- (b) All water, sewer, natural gas and electric services furnished to the Condominium Project which are separately metered and billed to an individual Unit by the utility company or other party furnishing such services shall be paid for by the Owner of the Unit to which such utility is metered. All other water, sewer, natural gas and electric services shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Owners in accordance with their Shares of Common Expenses.
- (c) Each Owner shall ensure that its Unit is sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project.

##### **8.02 Cable/Satellite Television.**

- (a) The Association shall be responsible for obtaining cable or satellite television services for the Units and the Limited Common Elements appurtenant thereto.
- (b) All cable or satellite television services furnished to the Condominium Project which are separately metered and billed to an individual Unit by the cable/satellite company or other party furnishing such services shall be paid for by the Owner of the Unit to which such services are metered. All other cable or satellite television services shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Owners in accordance with their Shares of Common Expenses.

8.03 Telephone.

(a) Each Owner shall be responsible for obtaining telephone services for its Unit and the Limited Common Elements designed to serve only its Unit and shall pay all costs, expenses, fees, rates and other charges incurred in connection therewith, including, without limitation, any connection fees, directly to the provider of such services.

(b) The Association shall determine what, if any, telephone services are necessary for the Limited Common Elements that serve all of the Residential Units and shall be responsible for obtaining those services. The Common Expenses incurred by the Association for those services shall be allocated among the Units in accordance with their proportionate Shares of Common Expenses.

8.04 Other Utilities.

If the Association incurs Common Expenses for any utility service not described above, or if the manner of providing or metering any utility service described above changes from the manner in which such service is provided or metered as of the date of this Declaration, the Association may allocate the Common Expenses incurred for such new utility service or changed utility service in any reasonable and equitable manner consistent with the Act.

**ARTICLE IX: MAINTENANCE OF COMMON ELEMENTS AND UNITS**

9.01 Maintenance of Common Elements.

Except as otherwise provided in this Declaration, the Association, or its duly designated agent, shall maintain the Common Elements and the other Association property in good order and condition and shall otherwise manage and operate the Common Elements as it deems necessary or appropriate. The Management Committee shall have the irrevocable right to have access to each Unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of the Common Elements or for making emergency repairs necessary to prevent damage to the Common Elements or to another Unit or Units. In addition, the Association shall ensure that all interior Common Elements (including without limitation, the below-grade parking level) are sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project. Without the limiting the foregoing, the Association may:

- (a) construct, modify, add to, repair, replace or renovate any improvements that are located on or constitute a part of any Common Element;
- (b) plant and replace trees, shrubs and other vegetation on any Common Element;
- (c) place, maintain and replace signs upon any Common Element;
- (d) adopt and enforce Rules and Regulations regulating the use of Common Elements; and

9.02 Maintenance of Units.

Each Owner, at such Owner's sole cost and expense, shall maintain in good order and repair its Unit and all utility facilities, lines, ducts, and other such apparatus (including all fixtures located therein) serving solely such Unit. Each Owner shall keep the Limited Common Elements serving solely its Unit, if any, in a clean and orderly condition. The Association shall have no obligation regarding maintenance or care which is required to be accomplished by any Owner.

9.03 Mechanic's Liens and Indemnification.

No labor performed or materials furnished and incorporated into a Unit with the consent or at the request of an Owner or an agent, contractor or subcontractor of an Owner shall be the basis either for filing a lien against the Unit of any other Owner not expressly requesting or consenting to the same, or against the Common Elements. Notwithstanding the foregoing, labor performed or materials furnished for the Common Elements, if authorized by the Owners, the manager or the Management Committee in accordance with this Declaration, the Bylaws, the Rules and Regulations, or the Act, shall be deemed to be performed or furnished with the express consent of each Owner and shall be the basis for filing a lien pursuant to applicable law. Payment for any such lien shall be made as provided in the Act. Each Owner shall indemnify and hold harmless each of the other Owners and any Mortgagee from and against all liability arising from any claim or lien against the Unit of any other Owner or against the Common Elements for construction performed or for labor, materials, services or supplies incorporated in the Owner's Unit at the Owner's request.

9.04 Canyons Master Association.

The rights and obligations of the Association and the Owners under this Article IX are subject to the rights of the Canyons Master Association and the Design Review Committee. The Canyons Master Association Documents grant certain easement and other rights that benefit the Project. The Canyons Master Association also imposes certain assessments and fees on the ownership, use, and transfer of the Condominium Units. Each Owner by accepting a deed or conveyance to a Condominium Unit agrees to be bound by all of the terms and provisions of the Canyons Master Association Documents and agrees to pay, as and when due, its applicable assessments, costs and fees arising under the Canyons Master Association Documents. The Canyons Master Association Assessments for membership in the Canyons Master Association for each Condominium Unit shall be assessed to the Owner of each Condominium Unit as a Special Assessment and upon payment thereof from such Owner shall be paid by the Association to the Canyon's Master Association on the Owners' behalf. Each Owner acknowledges that certain Canyon Master Association Assessments under the Canyons Master Association Documents, including but not limited to the Retail Assessment, Transient Occupancy Assessment and the Real Estate Transfer Assessment assessed by the Canyon Master Association, shall not constitute Common Expenses or be passed through by the Association as a Special Assessment, and the Canyons Master Association will assess each Owner individually for all such assessments. Each Owner is deemed to covenant and agrees to directly pay to the Canyons Master Association, as applicable, all such other assessments levied against such Owner or such Owner's Unit under the Canyons Master Association Declaration.

**ARTICLE X: COVENANTS, CONDITIONS AND RESTRICTIONS**

10.01 Applicability of Covenants, Conditions and Restrictions.

Except as otherwise provided in this Declaration, the covenants, conditions and restrictions set forth in this Article X shall apply to all Units and Common Elements.

10.03 Canyons Master Association Documents; Restrictive Covenant.

Each Owner shall strictly comply with, and shall require its Guests to comply with, all provisions of the Canyons Master Association Documents and the Restrictive Covenant that apply to such Owner or such Owner's Unit. The Association shall strictly comply with all provisions of the Canyons Master Association Documents and the Restrictive Covenant that apply to the Association.

10.04 Notice of Conveyance, Assignment or Encumbrance.

(a) Promptly after a conveyance of a fee simple interest in a Unit or portion thereof, the grantee shall furnish a copy of the conveyance deed to the Association.

(b) Promptly after an encumbrance of a fee simple interest in a Unit or portion thereof, the Owner shall furnish the Association with a copy of the Mortgage creating the encumbrance.

10.05 Use of Residential Units.

(a) Except as otherwise expressly permitted by this Declaration, an Owner of a Residential Unit may use such Residential Unit only as a vacation multi-family residence (as "family" is defined from time to time in the zoning ordinances of Summit County, Utah) for itself and its Guests, including, without limitation, use as a Hotel/Lodging Unit, including the rental for such purpose of any portion of a Residential Unit that can be separately "locked off" and rented separately from the balance of the Residential Unit as a separate Hotel/Lodging Unit. No Owner of a Residential Unit shall conduct any business, profession, occupation or trade from its Unit, including, without limitation, the operation of a so-called "bed and breakfast" or "chalet"; provided that this Declaration does not prohibit an Owner from leasing or renting such Owner's Unit to others as a Hotel/Lodging Unit so long as the use of such Unit complies with the provisions of this Declaration, the Canyon Master Association Documents, the Act and other applicable laws and ordinances. No Residential Unit shall be used for conducting the business of the rental of other Units. Any lease of a Unit shall be in writing and shall be subject to this Declaration and the Bylaws.

(b) Notwithstanding the restrictions set forth in paragraph 10.05(a) above, the Association and, during the Declarant Control Period, Declarant may use one Residential Unit owned or leased by it as a management or sales office, or a combined management and sales office and residence for a resident manager, for the Condominium Project.

10.06 Use of Common Elements.

All Owners and their Guests may use the General Common Elements and the Limited Common Elements designed to serve their Units for the purposes for which such Common Elements are intended. Notwithstanding the preceding sentence, neither an Owner nor a Guest may use any Common Element in any manner that unreasonably interferes with, hinders or encroaches upon the rights of other Owners in and to the Common Elements. Without limiting the generality of the foregoing, no Owner shall cause, or permit its Guests to cause, waste to any Common Element.

10.07 Alterations.

(a) Except as otherwise expressly provided in this Declaration, an Owner of a Unit may not make (i) any improvement or alteration to a Common Element, or (ii) any improvement or alteration to its Unit that affects any Common Element or any other Unit, without the prior written consent of the Association. No Owner shall do any work or make any alterations or changes that would jeopardize the soundness or safety of the Condominium Project, reduce its value or impair any easement or hereditament, without in every case first obtaining the unanimous written consent of all Owners.

(b) No new Improvement shall be constructed on the Land and no construction, alteration, installation or other work affecting the exterior surface of any existing Improvement shall be made, except as required or approved by the Design Review Committee, and then only in strict accordance with the terms and conditions of the Canyons Master Association Documents.

(c) Without limiting the generality of paragraphs 10.07(a) through (c) above, an Owner of a Unit may not, without the prior written consent of the Association, install or erect any improvement, mechanical system or fixture that either:

- (i) protrudes beyond the boundaries of the Owner's Unit; or

(ii) is located wholly outside the Owner's Unit (even if located within a Limited Common Element that is assigned to solely the Owner's Unit).

(d) The Association shall perform or make, or cause to be performed or made, any Improvement, construction, alteration, installation or other work on, to or affecting the exterior of any Improvement on the Land which the Canyons Master Association requires, in writing, be performed or made.

(e) Notwithstanding paragraph 10.07(a) above, an Owner who owns adjoining Residential Units may remove or alter any intervening partition, even if the partition in whole or in part is a Common Element, with the prior approval of the Management Committee, if those acts do not jeopardize the soundness or safety of the Condominium Project, reduce its value or impair any easement or hereditament, or impair the structural integrity, electrical systems, or mechanical systems or lessen the support of any portion of the Condominium Project and otherwise comply with the Act, this Declaration, the Canyons Master Association Documents and all applicable laws, codes and regulations.

#### 10.08 Nuisances, Hazardous Activities and Unsightliness.

- (a) No Person shall conduct any activity on the Land which creates a nuisance.
- (b) No Person shall conduct any activity on the Land which is or might be hazardous to any Person or property.
- (c) No unsightliness shall be permitted at the Land.
- (d) Normal construction activities shall not be considered to violate the terms and conditions of this Section 10.08. By accepting a deed to a Unit, an Owner acknowledges that the Condominium Project is a part of the Resort Village and that noises, lights and odors common to recreational and commercial activities, as well as construction activities, may exist on or near the Land, at any time and from time to time.

#### 10.09 Signs.

- (a) No signs whatsoever shall be erected or maintained on the Land, except signs required by legal proceedings and those permitted or approved by the Canyons Master Association.
- (b) Without limiting the generality of paragraph 10.09(a) above, no "For Sale" or "For Rent" signs shall be displayed on the exterior or interior of a Unit.

#### 10.10 Compliance with Laws.

Nothing shall be done or kept at the Land in violation of any law, ordinance, rule, regulation or other requirement of any governmental or quasi-governmental authority.

#### 10.11 Compliance with Insurance.

Except as may be approved in writing by the Association, nothing shall be done or kept at the Land that may result in the cancellation of any insurance maintained by the Association or may result in an increase in the rates of any such insurance. Activities incident to or necessary for the conduct of commercial operations shall not violate the terms of this Section 10.11 even if such activities result in an increase in rates of insurance. Any such increase in the rates of insurance shall be charged to the Owners of the Commercial Units whose uses create such increases as Special Assessments.

#### 10.12 Subdivision, Rezoning and Timesharing.

- (a) No Unit may be subdivided, unless the subdivision has been approved by 100 percent of the votes allocated to all Units at a duly convened meeting of the Association and has received all applicable governmental and quasi-government approvals.

(b) No application for rezoning any portion of the Land, and no applications for variances or use permits, shall be filed with any governmental or quasi-governmental authority, unless the proposed rezoning, variance or use has been approved by 100 percent of the votes allocated to all Units at a duly convened meeting of the Association and the uses that would be permitted under the rezoning comply with this Declaration and the other Association Documents.

(c) No Owner shall offer or sell any interest in any Unit under a "timesharing" or "interval ownership" plan or similar plan.

(d) The covenants, conditions and restrictions set forth in paragraphs 10.12(a) and (b) above shall not apply to Declarant's development of the Land or to Declarant's exercise of any Special Declarant Right.

#### 10.13 Vehicles and Parking.

(a) No motor vehicle classed by manufacturer rating as exceeding three-quarter ton and no mobile home, trailer, detached camper or camper shell, boat, snowmobile, all-terrain vehicle or other similar equipment or vehicle may be kept or parked at the Condominium Project.

(b) No motor vehicle shall be constructed, repaired or serviced at the Condominium Project.

(c) Subject to paragraph 10.13(f), each Owner of a Residential Unit or its Guests may use one parking space in the Condominium Project's parking facility during any period during which the Owner or one or more of its Guests are staying in the Owner's Unit. At no time may an Owner of a Residential Unit or its Guests use more than one parking space in the Condominium Project's parking facility, and an Owner or its Guests may not park a car in the Condominium Project's parking facility except during such periods as the Owner or Guest is occupying such Owner's Unit.

(d) Owners of the Residential Units shall have no right to use, and shall not permit their lessees and other Guests to use, any parking space located in the Condominium Project's parking facility designated as Limited Common Element to a Commercial Unit. Owners of the Commercial Units shall have no right to use, and shall not permit their lessees and other Guests to use, any parking space located in the Condominium Project's parking facility designated as Limited Common Residential; provided that an Owner of a Commercial Unit shall have the right of ingress and egress through the parking facility to the extent necessary for access to Limited Common Elements appurtenant to such Commercial Units, and shall have the right to use in common with all other Owners any parking spaces designated as a General Common Element on the Plat.

(e) An Owner shall not sell, lease or otherwise convey all or any part of the parking rights it has by virtue of its ownership of a Unit (other than in connection with the sale, lease or other conveyance of such Owner's Unit).

(f) Any of the parking spaces in the Condominium Project's parking facility designated as General Common Element may be used by the Owners of Residential Units as set forth in paragraph 10.13(c).

#### 10.14 Deliveries, Trash Removal and Other Services.

(a) By acceptance of a deed to a Unit, an Owner agrees that all deliveries and all trash removal services, and other such services to that Owner or its Unit shall be effected at a location or locations designated by the Association and/or the Canyons Master Association from time to time for such purposes. Unless otherwise directed by the Association, Owners of all Units and their Guests shall place all trash and other waste from the Units in receptacles which are located in the Condominium Project's underground parking facility and designated for that purpose.

(b) Owners shall not, and shall not permit their Guests to litter. No burning of trash, garbage or other waste materials will be permitted at the Land.

10.15 Exterior Storage.

No Owner shall store any materials or items on or in any Common Element, other than those Common Elements designed for that purpose, such as ski lockers, and then only in strict accordance with the terms and conditions of the Association Documents.

10.16 Animals.

No animals of any kind shall be raised, bred or kept on the Land or within any Unit, except as expressly provided in the Rules and Regulations.

10.17 Solid-Fuel Burning Devices.

No solid-fuel burning devices, such as charcoal grills and wood burning stoves or fireplaces shall be used, kept or stored on the Land.

10.18 Commercial Unit.

(a) The Commercial Unit may be used and occupied for commercial purposes only, which commercial purposes shall include, without limitation, the operation of overnight rentals, reservation services and such other services as are consistent with the operation of one or more Residential Units as a Hotel/Lodging Unit. Any Owner may lease all or any portion of its Commercial Unit for such purpose.

(b) Except in connection with the operation of overnight rentals, Owners of Commercial Units shall not use, and shall not permit their Guests to use, any waiting area, library, stairway, elevator, patio, walkway, hallway, spa, storage area, restroom or other portion of the Condominium Project which is designated on the Plat as Limited Common Elements for exclusive use by Owners of Residential Units, including, without limitation, the parking spaces in the Condominium Project's parking facility.

(c) Notwithstanding anything to the contrary contained in this Declaration, an Owner of a Commercial Unit may make improvements or alterations to its Commercial Unit or the Limited Common Elements designed to serve only its Commercial Unit, including without limitation, the erection of partitions as permitted under subparagraph 3.02(d)(iii) above, without the consent of any Owner or the Association, on the conditions that:

(i) the improvement or alteration does not impair or cause damage to any other Unit or any Limited Common Element designed to serve any Residential Unit;

(ii) the Owner of the Commercial Unit promptly repairs any damage to any General Common Element caused thereby at its cost and expense;

(iii) the improvement or alteration complies with all applicable requirements of the Canyons Master Association Documents, the Act and all laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction.

If any such improvement or alteration will impair any other Unit or any Limited Common Element assigned to serve any other Unit, the Owner of the Commercial Unit shall not make the improvement or alteration without the prior written consent of the Majority of the Owners of the Units, or the Owners of the Units served by the Limited Common Elements that will be impaired thereby, as the case may be.

(d) Notwithstanding anything to the contrary contained in this Declaration, and in addition to the rights of an Owner of a Commercial Unit under paragraph 10.18(d) above:

(i) the Owner of a Commercial Unit shall have the right to install, operate, maintain, repair and replace machinery, equipment, utility lines, wires, circuits, cables and conduits serving such Commercial Unit, along, across and through any and all General Common Elements, Limited Common Residential and through the parking facility within the Condominium Project without the consent of any Owner or the

Association, on the conditions that (A) the Owner of the Commercial Unit, at its sole cost and expense, shall repair, replace and restore any damage to the Common Elements and the parking facility, and (B) such installation, maintenance, repair or replacement does not interfere with the use of such area and complies with all applicable requirements of the Canyons Master Association Documents, the Act and all laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction; and

(ii) the Owner of a Commercial Unit shall have the right to alter that portion of the Condominium Project's building facade that serves as the boundary of that Commercial Unit and other General Common Elements located immediately adjacent to that Commercial Unit (including, without limitation, the creation, removal and relocation of entrances, exits, windows, window boxes, signage and other architectural features), without the consent of any Owner or the Association, on the conditions that (A) the Owner of the Commercial Unit repairs any damage to any General Common Element caused thereby at its expense, and (B) such alteration complies with all applicable requirements of the Canyons Master Association Documents and all applicable laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction.

(e) Notwithstanding anything to the contrary in this Article X, the Owner of a Commercial Unit may:

(i) perform such activities within its Commercial Unit as are lawfully permitted and are common to or necessary for the conduct of commercial operations, including, without limitation, restaurant, nightclub, lounge and retail operations, and any lights, sounds and odors which result from such activities shall not violate the terms of this Article X;

(ii) erect and attach signs, banners, window boxes, decorations and other similar items on the exterior of the Condominium Project or projections from the exterior of the Condominium Project on the condition that such signs, banners, window boxes, decorations and other similar items and their locations are approved by the Design Review Committee or such other approving body as is designated pursuant to the Canyons Master Association Documents;

(iii) apply for and obtain special use permits and licenses (e.g., liquor licenses) which are necessary or appropriate for the conduct of commercial activities in its Unit in accordance with this Declaration and the other Association Documents, without obtaining the approval otherwise required under Section 10.12(b) above, on the condition that such permits and licenses are consistent with the existing zoning and actual uses of the Commercial Unit at the time the permit or license is applied for.

10.19 Declarant's Exemption.

Nothing contained in this Declaration or in any other Association Document shall be construed to prevent:

(a) Declarant's exercise and enjoyment of any Special Declarant Right or any other rights of Declarant under this Declaration or any other Association Document; or

(b) the conduct by Declarant or its employees or agents of any activity, including, without limitation, the erection or maintenance of temporary structures, improvements or signs, necessary or convenient to the development, construction, marketing or sale of property within or adjacent to the Condominium.

**ARTICLE XI: EASEMENTS AND RESERVATIONS**

11.01 Declarant's Easements Over Common Elements.

(a) In accordance with the Act, Declarant hereby reserves for itself, its successors and assigns a general, transferable easement over, across, through and under the Common Elements to:

(i) discharge Declarant's obligations under this Declaration;

(ii) exercise any of Declarant's rights under this Declaration; and  
(iii) make improvements on the Land or any other real estate owned by Declarant, for the purpose of doing all things reasonably necessary and proper in connection with the foregoing.

(b) Declarant hereby reserves for itself, its successors and assigns, the right to:

(i) establish from time to time utility and other easements, permits or licenses over, across, through and under the Common Elements for the benefit of the Condominium Project, any property owned by Declarant or any other real property within Resort Village; and

(ii) create other reservations, exceptions and exclusions for the best interest of the Declarant and other Persons, on the conditions that (A) the parties benefitted by the easement, license, permit, reservation, exception or exclusion must use reasonable efforts to locate any such easement, license, permit, reservation, exception or exclusion to minimize interference with the use of the Land by the Owners to the extent practicable; and (B) if the parties benefitted by the easement, license, permit, reservation, exception or exclusion construct or install any improvements on the Land pursuant to the same, the benefitted parties shall promptly repair any damage caused to the Land thereby at their sole cost and expense.

11.02 Utility Easement.

(a) Subject to the terms and conditions of this Declaration and all other Association Documents, Declarant hereby creates a general easement over, across, through and under the Land for ingress to, egress from, and installation, replacement, repair and maintenance of, all utility and service lines and systems, including, without limitation, water, sewer, natural gas, telephone, electricity and cable communication that service the Land or any portion thereof as well as any such lines and systems which service property owned by the Canyons Master Association. The Association may, but is not obligated to, authorize the release of portions of the general easement created pursuant to this Section 11.02 upon the request of any Owner showing good cause therefor.

(b) Pursuant to this easement, a utility or service company may install and maintain facilities and equipment on the Land and affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of Improvements to provide service to the Units or the Common Elements. Notwithstanding anything to the contrary contained in this Section 11.02, no sewer lines, electrical lines, water lines or other utilities or service lines may be installed or relocated on any portion of the Land, except in accordance with terms and conditions of Sections 10.07 and 10.18 above. Any utility or service company using this general easement shall use its best efforts to install, repair, replace and maintain its lines and systems without disturbing the uses of Owners, the Association, Declarant and other utility and service companies.

(c) If any utility or service company furnishing utilities or services to the Land or any portion thereof or property of the Canyons Master Association as permitted under Section 11.02(a) above requests a specific easement by separate recordable document, the Association shall have the right and authority, but not the obligation, to grant such easement over, across, through and under any portion of the Land.

11.03 Association's Easement.

(a) The Association shall have a general easement over, across, through and under each Unit and each Common Element to:

(i) exercise any right held by the Association under this Declaration or any other Association Document; and

(ii) perform any obligation imposed upon the Association by this Declaration or any other Association Document.

(b) Notwithstanding the foregoing, the Association shall not enter any Unit without reasonable prior notice to the Owner thereof, except in cases of emergency.

11.04 Easements to Commercial Owners.

The Commercial Unit Owners shall have those rights of easement as set forth in Section 10.18(e)(i) above.

11.05 Easements for Encroachments.

In the event that any portion of the General Common Elements, a Limited Common Element, Unit and/or a Building (whether constructed by Declarant or reconstructed so as to substantially duplicate a Unit or Building originally constructed by Declarant) encroaches or comes to encroach on the General Common Elements, a Limited Common Element, another Unit and/or another Building, as a result of construction, reconstruction, repair, shifting, settlement, or movement of any portion of the foregoing, an easement is created hereby and shall exist so long as such encroachment exists, but such easement shall not relieve an Owner of liability in the case of willful misconduct.

11.06 Emergency Access Easement.

Declarant hereby grants a general easement to all police, sheriff, fire protection, ambulance and all other similar emergency agencies or Persons to enter upon the Land in the proper performance of their duties.

11.07 Pedestrian Access Easements.

Declarant hereby creates a nonexclusive access easement for the benefit of the general public over and across any and all roads, streets, plazas, courtyards, paths, pathways, sidewalks and boardwalks located outside of the Building and on the Land, but specifically excluding therefrom any portion of the fenced amenity area located at the rear of the Building, which amenity area shall be for the exclusive use of the Owners and their Guests. Use of the foregoing access easement shall in all instances be subject to the Rules and Regulations.

## ARTICLE XII: INSURANCE

12.01 General Liability Insurance.

The Association shall obtain and maintain one or more policies of commercial general liability insurance insuring the Owners, the Association, the Management Committee, the manager engaged by the Association, if any, and their respective agents against general liability and claims arising in connection with the ownership, existence, use or management of the Common Elements, in an aggregate amount that is not less than \$5,000,000, or such greater amount as the Management Committee deems appropriate. Such insurance shall cover claims of one or more insured parties against other insured parties.

12.02 Property Insurance.

The Association shall obtain and maintain a master or blanket policy of property insurance coverage for no less than the full insurable replacement cost of all of the Common Elements and Units and any fixture, improvement or betterment installed by a Unit Owner to a Unit (including a floor covering, cabinet, light fixture, electrical fixture, heating or plumbing fixture, paint, wall covering, window and any other item permanently part of or affixed to the applicable Unit or Limited Common Element), subject to reasonable deductibles and exclusive of land, excavations, foundations and similar items normally excluded from property insurance policies. The policy shall contain each of the following features, to the extent that such features are, in the reasonable discretion of the Management Committee, available at reasonable cost:

- (a) an agreed-amount endorsement or its equivalent;
- (b) an increased-cost-of-construction endorsement or a contingent-liability-from-operation-of building-laws endorsement or their equivalent;

- (c) an extended-coverage endorsement;
- (d) vandalism and malicious mischief coverage;
- (e) a special-form endorsement; and
- (f) a determinable-cash-adjustment clause or a similar clause to permit cash settlement covering full value of the Common Elements in case of partial destruction and a decision not to rebuild.

12.03 Additional Provisions to be Contained in Insurance Policies.

Any insurance policies obtained and maintained by the Association pursuant to Sections 12.01 and 12.02 above shall name as insureds the Association and the Owners (including Declarant, so long as Declarant is the Owner of any Unit) and provide that:

- (a) the insurer waives its right of subrogation under the policy against any Owner or member of the Owner's household;
- (b) no act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and
- (c) if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

12.04 Trustee.

Any loss covered by the property insurance policy described in Section 12.02 above must be adjusted with the Association, and the insurance proceeds for that loss shall be payable to the Association or any insurance trustee designated for that purpose, and not to any Owners or Mortgagees. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 13.02 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Owners and Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Condominium Project has been repaired or restored or the Condominium Project is terminated.

12.05 Individual Property Insurance.

(a) Each Commercial and Residential Unit Owner, at his own expense, shall procure and maintain at all times fire and extended coverage insurance covering personal property of such Owner against loss by fire and other casualties, including without limitation vandalism and malicious mischief. All policies providing such casualty insurance shall provide that they do not diminish the insurance carrier's coverage for liability arising under insurance policies obtained by the Association pursuant to this Article XII.

(b) Notwithstanding the provisions of this Section 12.05, each Owner may obtain insurance at his own expense providing such other coverage upon such Owner's Condominium, such Owner's personal property, such Owner's personal liability, and covering such other risks as such Owner may deem appropriate provided that each such policy shall provide that it does not diminish the insurance carrier's coverage for liability arising under insurance policies obtained by the Association pursuant to this Article XII. If obtainable under industry practice without an unreasonable additional charge for such waiver, all such insurance shall contain a waiver of the insurance company's right of subrogation against the Association, the Declarant, and the other Owners, and their respective servants, agents and guests.

12.06 Management Committee's Authority to Revise Insurance Coverage.

(a) Subject to any restrictions imposed by the Act, the Management Committee shall have the power and right to deviate from the insurance requirements contained in this Article XII in any manner that the Management Committee, in its discretion, considers to be in the best interests of the Association. If the Management Committee elects to materially reduce the coverage from the coverage required in this Article XII, the Management Committee shall make all reasonable efforts to notify the Owners of the reduction in coverage and the reasons therefor at least thirty (30) days before the effective date of the reduction.

(b) The Association and its Directors and Officers shall have no liability to any Owner or Mortgagee if, after a good faith effort, (i) the Association is unable to obtain any insurance required hereunder because the insurance is no longer available; or (ii) if available, the insurance can be obtained only at a cost that the Management Committee, in its sole discretion, determines is unreasonable under the circumstances.

(c) The Management Committee is authorized to negotiate and agree on the value and extent of any loss under any policy carried by the Association, including, but not limited to, the right and authority to compromise and settle any claim or enforce any claim by legal action or otherwise and to execute releases in favor of any insurer.

(d) Each Owner, by acceptance of a deed to a Unit irrevocably appoints the Association as that Owner's attorney in fact for purposes of procuring, negotiating, accepting, compromising, releasing, settling, distributing, and taking other related actions in connection with any insurance policy maintained by the Association and any losses or claims related thereto and agrees to be bound by the actions so taken as if the Owner had personally taken the action.

12.07 Periodic Insurance Review.

The Management Committee periodically (and not less than once every three (3) years) shall review the Association's insurance policies and make such adjustments to the policies' terms and conditions as the Management Committee considers to be in the best interests of the Association. The review shall include an appraisal by a qualified appraiser of the current replacement costs of all covered property under the Association's policy unless the Management Committee is satisfied that the current dollar limit of the property policy, coupled with the amount of actual reserves on hand, is equal to or greater than the current replacement costs.

(d) The Association shall set aside an amount equal to the Insurance Deductible Amount. At the closing of the sale of a Unit by Declarant to a Purchaser, the Purchaser shall pay to the Association an amount equal to the Insurance Deductible Amount multiplied by the applicable Unit's Interest in General Common Elements. At the end of the Declarant Control Period, the Declarant shall pay to the Association an amount equal to the Insurance Deductible Amount multiplied by the Interest in General Common Elements owned by Declarant at the end of the Declarant Control Period.

17.05 Nonwaiver.

Failure by Declarant, the Association or any Owner to enforce any covenant, condition, restriction, reservation, easement, assessment, charge, lien or other provision of this Declaration or any other Association Document shall in no way be deemed to be a waiver of the right to do so thereafter.

Upon recordation of the termination agreement in the Summit County Records, the Condominium Project shall be terminated, this Declaration shall have no further force or effect, and the Association shall be dissolved. Notwithstanding the foregoing, the Owners may not terminate the Condominium Project during the Declarant Control Period without Declarant's prior written consent, which consent Declarant may withhold in its sole discretion.
