1. That for a period of twenty (20) years from the date of this deed the above described property herein conveyed shall be utilized continuously for educational purposes in accordance with the proposed program and plan as set forth in the application of the said GRANTEE, dated June 11, 1958, and for no other purpose. Provided, however, that any mortgage, deed of trust or other lien created to secure any loan or financing in respect to the housing facilities to be constructed under such proposed program and plan shall be subordinate to all the rights of the Grantor reserved herein.
2. That during the aforesaid period of twenty (20) years, the said GRANTEE will resell, lease, mortgage, or encumber, or otherwise dispose of the above described property or any part thereof or interest therein only as the Secretary or his successor in function, in accordance with the applicable regulations, may authorize in writing.
3. In the event of a breach of any of the conditions set forth above whether caused by the legal or other inability of said GRANTEE, its successors or assigns, to perform any of the obligations herein set forth, and the failure or refusal of the said GRANTEE to remedy such breach or to comply with the said conditions within 90 days after receipt of written notice from the Secretary, or his successor in function, of such default or non-compliance, then, and in such event, all right, title and interest in and to the above described property shall, at its option, revert to and become the property of the UNITED

STATES OF AMERICA, which in addition to all other remedies for such breach, shall have an immediate right of entry thereon, and the said GRANTEE, its successors or assigns, shall forfeit all right, title, and interest in and to the above described property and in any and all of the tenements, hereditaments, and appurtenances thereunto belonging; PROVIDED, HOWEVER, That the failure of the Secretary, or his successor in function, to insist in any one or more instances upon complete performance of any of the said conditions shall not be construed as a waiver or a relinquishment of the future performance of any such conditions, but the obligations of the said GRANTEE, its successors and assigns, with respect to such future performance shall continue in full force and effect; PROVIDED FURTHER, That in the event the UNITED STATES OF AMERICA fails to exercise its option to re-enter the premises for any such breach of said conditions within twenty-one (21) years from the date of this conveyance, the conditions set forth above together with all rights of the UNITED STATES OF AMERICA to re-enter as in this paragraph provided, shall, as of that date, terminate and be extinguished.

In the event title to the above described premises is reverted to the UNITED STATES OF AMERICA for non-compliance or voluntarily reconveyed in lieu of reverter, the said GRANTEE, its successors and assigns, at the option of the Secretary, or his successor in function, shall be responsible and shall be required to reimburse the UNITED STATES OF AMERICA for the decreased value of the above described property not due to reasonable wear and tear, acts of God, and alterations and conversions made by the said GRANTEE to adapt the property to the educational use for which the property was acquired. The UNITED STATES OF AMERICA shall, in addition thereto, be reimbursed for such damages including such costs as may be incurred in recovering title to or possession of the above described property, as it may sustain as a result of the non-compliance.

The said GRANTEE may secure abrogation of the conditions number 1, 2 and 3 herein by:

- a. Obtaining the consent of the Secretary or his successor in function; and
- b. Payment to the UNITED STATES OF AMERICA of the public benefit allowance granted to the said GRANTEE of one hundred (100) per cent from the current market value of Two Hundred Ninety-Six Thousand Five Hundred and no/100 (\$296,500.00) Dollars, less a credit at the rate of five (5) per cent of said public benefit allowance for each twelve (12) months during which the property has been utilized in accordance with the purposes specified in the above identified application.

The GRANTEE, by the acceptance of this deed, covenants and agrees for itself, its successors or assigns, that at all times during the period that title to said property is vested in the GRANTEE subject to conditions 1, 2 or 3 hereinbefore set forth (except for any period during which the GRANTOR exercises the right to repossess, control and use the same as provided in the next succeeding paragraph hereof) the GRANTEE shall at its own sole cost and expense keep and maintain the improvements, including all buildings, structures and equipment, at any time situate upon said property, in good order, condition and repair, free from any waste; and in the event any of the same shall need repair, or shall become lost, damaged or destroyed by any cause other than ordinary wear and tear, acts of God or alterations or conversions made by the GRANTEE to adapt the property to the use for which it was acquired, the GRANTEE will promptly repair such improvements and restore the same to their former condition. Should the GRANTEE, its successors or assigns, fail to repair or replace any improvements which need repair or which have been lost, damaged or destroyed as aforesaid, within ninety (90) days after written notice so to do, given to the GRANTEE by the Secretary, or his successor in function, the GRANTOR shall be authorized, as the agent of the GRANTEE,

its successors and assigns, to enter upon the premises and to cause such repairs or replacements to be made on behalf and at the expense of the GRANTEE, its successors and assigns, and any amounts expended by the GRANTOR in connection therewith shall forthwith become a debt due and owing by the GRANTEE, its successors or assigns, to the GRANTOR. If the GRANTEE, its successors or assigns, shall cause any of said improvements to be insured against loss, damage or destruction and any such loss, damage or destruction shall occur during the period GRANTEE holds title to said property subject to said conditions 1, 2 and 3, said insurance and all moneys payable to the GRANTEE, its successors or assigns, thereunder shall be held in trust by the GRANTEE, its successors or assigns, and shall be promptly used by the GRANTEE for the purpose of repairing such improvements and restoring the same to their former condition, or, if not so used, shall be paid over to the Treasurer of the United States in an amount not exceeding the unamortized public benefit allowance.

The said GRANTEE by the acceptance of this deed, further covenants and agrees, for itself, its successors and assigns, that in the event the property conveyed hereby is sold, leased, mortgaged, encumbered, or otherwise disposed of, or is used for purposes other than those set forth in said conditions numbered 1, 2 and 3 without the consent of the Secretary, all revenues or the reasonable value, as determined by the Secretary, of benefits to the GRANTEE deriving directly or indirectly from such sale, lease, mortgage, encumbrance, disposal, or use shall be considered to have been received and held in trust by the GRANTEE for the GRANTOR and shall be subject to the direction and control of the Secretary.

The said GRANTEE by the acceptance of this deed, further covenants and agrees, for itself, its successors and assigns, that the UNITED STATES OF AMERICA shall have the right during any period of emergency declared by the President of the United States or by the Congress of the United States to the full

unrestricted possession, control and use of the property hereby conveyed, or of any portion thereof, including any additions or improvements thereto made subsequent to this conveyance. Prior to the expiration or termination of the period of restricted use by the GRANTEE, such use may be either exclusive or nonexclusive and shall not impose any obligation upon the Government to pay rent or any other fees or charges during the period of emergency, except that the Government shall (i) bear the entire cost of maintenance of such portion of the property used by it exclusively or over which it may have exclusive possession or control, (ii) pay the fair share, commensurate with the use, of the cost of maintenance of such of the property as it may use nonexclusively or over which it may have non-exclusive possession or control, (iii) pay a fair rental for the use of improvements or additions to the premises made by the said GRANTEE without Government aid (Federal loans from HOUSING & HOME FINANCE AGENCY not deemed Government aid), and (iv) be responsible for any damage to the property caused by its use, reasonable wear and tear, and acts of God and the common enemy excepted.

In witness whereof, the parties hereto have caused this instrument to be executed as of the day and year first above written.

The United States of America,

To all to whom these presents shall come, Greeting:

WHEREAS, a Certificate of the Land Office at Salt Lake City, Utah, is now deposited in the Bureau of Land Management, whereby it appears that, according to the provisions of the Act of Congress of June 14, 1926 (44 Stat. 741) as amended and supplemented (43 U.S.C. 869, 869-1 to 869-4), the University of Utah is entitled to a patent for the following described land:

The area described contains 9.43 acres, according to the Official Plat of the Survey of the said land, on file in the Bureau of Land Management:

NOW KNOW YE, That the UNITED STATES OF AMERICA, in consideration of the premises, and in conformity with the said Acts of Congress, HAS GIVEN AND GRANTED, and by these presents DOES GIVE AND GRANT unto the said University of Utah, the tract above described, for the purpose of University student housing only; TO HAVE AND TO HOLD the same, together with all the rights, privileges, immunities, and appurtenances, of whatsoever nature, thereunto belonging, unto the said University of Utah, and to its successors forever, subject, however, to the following reservations, conditions and limitations:
