from which this plat has been made, under my direction
have been examined and approved, and are on file in this office,
and I hereby certify that they furnish such an accurate description
of said Mining Claim, as will, if incorporated into a plat, preserve
fully to identify the premises, and that such reference is made
therein to natural objects or permanent monuments, as will perpetuate
and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor
has been expended, or improvements made upon, said Mining
Claim, by claimant *Matthew T. Gisborn* or his grantors, and
said improvements consist of *two incline shafts, and five
drifts* or described in the field notes.

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or
improvements has been included in the estimate of expenses
upon any other claim.

And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes
survey thereof, and the same is hereby approved.

U.S. Surveyor General's Office. *Edmund H. Caudill*
Salt Lake City, Utah U.S. Surveyor General for
