CERTIFICATION: READ CERTIFICATE AND SIGN

I certify (1) the agricultural land covered by this application constitutes no less than five contiguous acres exclusive of the homesite and other non-agricultural acreage. (see Utah Code Ann 59-2-503 for waiver.); (2) the legally described eligible land is currently devoted to agricultural use and has been so devoted for two successive years immediately preceding the tax year for which valuation under this act is requested; (3) meets annual (per acre) production requirements. (must produce in excess of 50% of the average agricultural production per acre for the given type of land and the given county or area.) (4) I am fully aware of the five year rollback provision which becomes effective upon a change in the use of all or part of the above described eligible land. I understand the provision of the rollback tax which requires notice to the County Assessor of any change in use of the land to other than agriculture, and that a penalty of the computed rollback tax due will be imposed on failure to notify the Assessor within 120 days after change in land use.
