Declarant and/or First Charter may from time to time expand the Property subject to this Declaration by the annexation of all or part of the real property comprising the Additional Land. (First Charter's right to annex property shall be restricted to the "Southwest Parcel" as set forth on Exhibit "A.") The annexation of any such real property shall become effective upon the recordation in the office of the Salt Lake County Recorder of a Plat for such real property and a supplemental declaration which (i) describes the real property to be annexed; (ii) declares that the annexed real property is to be held, sold, conveyed, encumbered, leased, occupied and improved as part of the Property and subject to this Declaration; and (iii) sets forth such additional limitations, restrictions, covenants and conditions as are imposed by the owner of and applicable to the annexed real property. b. Declarant and First Charter shall not effectuate any annexation of real property which would cause the total number of Living Units to exceed fifty when completed.

2.4 Annexation by Association. Notwithstanding the limitations of annexation set forth in Section 2.3, the Association may

annex real property other than Additional Land, by satisfying the filing requirements of Section 2.2 but only after obtaining approval of such annexation from (a) the owner or owners of the real property to be annexed, and (b) the affirmative vote of at least two-thirds (2/3) of all Class A membership votes, which Members present in person or represented by proxy are entitled to cast at a meeting duly called for such purpose and so long as the Class B membership exists, the written consent of the Declarant. Nothing herein shall preclude Declarant or First Charter from any annexation in accordance with the provisions of Section 2.2.

III. MEMBERSHIP AND VOTING RIGHTS

3.1. Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest, and shall not be separated from the Lot to which it appertains.

3.2. Voting Rights. The Association shall have the following described two classes of voting membership:

Class A. Class A Members shall be all Owners other than the Declarant until the Class B membership ceases. Class A Members shall be entitled to one vote for each Lot in which the interest required for membership in the Association is held. In no event, however, shall more than one Class A vote exist with respect to any Lot.

Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to three (3) votes for each Lot in which it holds the interest required for Membership in the Association. The Class B Membership shall automatically cease and be converted to a Class A membership on the first to occur of the following events:

(a) When the total number of votes held by all Class A Members equals the total number of votes held by the Class B Member; or

(b) The expiration of ten (10) years after the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah.

The Class B Membership shall be revived in the event that Additional Land is annexed as part of the Development and such annexation results in the addition of sufficient lots to give the Developer more votes, such Developer receiving three votes for each Lot, than the Class A Members who are to receive one vote for each Lot.

3.3. Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, the vote relating to such

Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

3.4. Record of Ownership. Every Owner shall promptly cause to be duly filed of record the conveyance document (or in the case of contract buyer, a copy of the sales contract) to him of his Lot. Each Owner shall file a copy of such conveyance document (or contract) with the secretary of the Association with a transfer fee of \$25.00, who shall maintain a record of ownership of the Lots. Any Owner who mortgages his Lot or any interest therein by a mortgage which has priority over the lien of any assessment provided herein shall notify the secretary of the Association of the name and address of the Mortgagee and also of the release of such Mortgage; and the secretary of the Association shall maintain all such information in the records of ownership. Any cost incurred by the Association in obtaining the information about an Owner as specified herein which is not furnished by such Owner shall nevertheless be at the expense of such Owner and shall be reimbursed to the Association as a "Reimbursement Assessment" in accordance with the provisions of Section 5.5.

IV. PROPERTY RIGHTS IN COMMON AREAS

4.1. Easement of Enjoyment. Each Member shall have a right and easement of use and enjoyment in and to the Common Areas and the Private Streets. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may delegate the right and easement of use and enjoyment described herein to any family member, tenant, lessee or contract purchaser who resides on such Member's Lot.

4.2. Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

Lot No. _____, contained within the Federal Pointe Subdivision as the same is identified in the Plat recorded in Book _____, at Page _____, and in the "Declaration of Covenants, Conditions and Restrictions of the Federal Pointe Subdivision" recorded in Book _____ at Page _____, of the official records of the Salt Lake County Recorder; TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas and Private Streets described and provided for in said

Declaration of Covenants, Conditions and Restrictions and in the Record of Survey Map in the official record of the Salt Lake County Recorder.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

4.3. Transfer of Title. Declarant agrees to convey to the Association title to the various Common Areas free and clear of all liens (other than the lien of current general taxes and the lien of any assessments, charges, or taxes imposed by governmental or quasi-governmental authorities), as each such Common Area is substantially completed.

4.4. Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas and Private Streets shall be subject to the following:

(a) The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

(b) The right of the Architectural Control Committee to approve and designate the point of access from a Lot to the Private Streets in accordance with the requirements of Article VIII;

(c) The right of Salt Lake City and any other governmental or quasi-governmental body having jurisdiction over the Property, and as to the bike path easements, members of the public in general, to access and rights of ingress and egress over and across any street, bike path easement, parking area, walkway, or open area contained within the Property for purposes of providing police and fire protection, transporting school children, and providing any other governmental or municipal service; and

(d) The right of the Association to dedicate or transfer all or any part of the Common Areas, the Private Streets, and any sewer, water and storm drain trunk lines to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by (i) all holders of first Mortgages secured by Lots and (ii) by two-thirds (2/3) of the vote of each class of membership, which Members, present in person or by proxy, are entitled to cast at a meeting duly called for that purpose after written or printed notice setting forth the purpose of the meeting and the action proposed shall be sent to all Members at least ten

(10) but not more than thirty (30) days prior to the meeting date.

V. ASSESSMENTS

5.1. Personal Obligation and Lien. Each Owner shall, by acquiring or in any way becoming vested with his interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and special assessments described in this Article, together with the hereinafter provided for interest and costs of collection. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (b) the personal obligation of the person who is the Owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all such unpaid assessments, late payment fees, interest and costs of collection, including reasonable attorneys fees, which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

5.2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety, and welfare of residents of the Property, including but not limited to the appearance and aesthetics of the Development. The use made by the Association of funds obtained from assessments may include, but is not limited to, payment of the cost of taxes and insurance on the Common Areas; maintenance, repair and improvement of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; maintenance, repair and improvements of the Landscape Easement to the extent undertaken by the Association; and any expenses necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under this Declaration or its Articles of Incorporation.

5.3. Maximum Monthly Assessment. As of the date set under Section 5.7, each Lot shall be subject to a monthly assessment of not more than Fifty Dollars (\$50.00). From and after January 1, 1994, the maximum monthly assessment may be increased or decreased so long as the change is assented to by not less than a majority of the Members other than the Declarant (or if the two class voting structure is still in effect as provided herein, a majority of the votes of each Class of Members), present in person or represented by proxy at a meeting duly called for such purposes. Written notice setting forth the purpose of the meeting shall be sent to all Members at least Ten (10) but not more than Thirty (30) days prior to the meeting date. tion may from time to time and in its discretion set the amount of the monthly assessment at any sum not in excess of the then applicable maximum amount.

Any such special assessments must be assented to by not less than a majority of the Members other than the Declarant (or if the two class voting structure is still in effect as provided herein, a majority of the votes of each Class of Members), present in person or represented by proxy are entitled to cast at a meeting duly called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least Ten (10) but not more than Thirty (30) days prior to the meeting date.

5.5. Reimbursement Assessment on Specific Lot. In addition to the monthly assessment and any special assessment authorized pursuant to Sections 5.3 and 5.4 above, the Board may levy at any time Special Assessments (a) on each Lot specifically benefited by any improvement to adjacent roads, sidewalks, planting areas or other portions of the Common Areas made on the written request of the Owner of the Lot to be charged; (b) on each Lot the Owner or occupant of which shall cause any damage to the Common Areas necessitating repairs; and (c) on each Lot as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to Section 3.4, Section 6.1(c), Section 6.2(a) or other provisions of this Declaration (all or part of the foregoing being sometimes referred to as "Reimbursement Assessment"). The aggregate amount of any such Special Assessments shall be determined by the cost of such improvements, repairs, maintenance or enforcement action, including all overhead and administrative costs and attorney's fees, and shall be allocated among the affected Lots according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be, and such assessment may be made in advance of the performance of work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to a Reimbursement Assessment against the Lots benefited.

5.6. Uniform Rate of Assessment. Except as provided in Section 5.5 above, monthly and special assessments shall be fixed at a uniform rate for all Lots, excluding, however lots I, II, III, IV and V as designated on the Plat, which shall not be subject to any assessment whatsoever, but including those Lots, whether or not annexed by First Charter pursuant to Section 2.2, contained in whole or in part within the "Southwest Parcel" as designated upon

Exhibit "A." Declarant, for each unsold Lot owned by it in the development, shall pay monthly assessments as herein provided for all Lot Owners; provided that until such date as Declarant closes and conveys a Lot to an Owner (other than Declarant), the monthly assessment attributable to such Lot shall be one-half (1/2) the regular monthly assessment.

5.7. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence as to all Lots on the date a deed is delivered to the purchaser of a Lot, or if the sale is by way of a contract of sale, on the date the contract is executed by the parties thereto, or the date of occupancy agreement, or the date the Owner actually takes possession of a Lot, whichever first occurs. The first monthly assessment shall be adjusted according to the number of days remaining in the month of conveyance, contract or occupancy as the case may be. At least fifteen (15) days prior to the effective date of any change in the amount of the monthly assessment, the Association shall give each Owner written notice of the amount and the first due date of the assessment concerned.

5.8. Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Lot the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

5.9. Effect of Non-Payment; Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection be, constitute and remain a continuing lien on the affected Lot; provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments became due. If the assessment is not paid within sixty (60) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum and the Association may bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. Any judgment obtained by the Association shall include reasonable attorneys' fees, court costs, and each and every expense incurred by the Association in enforcing its rights.

5.10. Tax Collection by County Authorized. It is recognized that under the Declaration the Association will own the Common Areas and that it will be obligated to pay property taxes to Salt Lake County. It is further recognized that each Owner of a Lot as a Member of the Association will be required to reimburse the Association for his pro rata share of such taxes paid. Notwithstanding anything to the contrary contained in the Declaration, Salt Lake County shall be authorized to collect such pro rata share of taxes

directly from each Owner by inclusion of said share with the tax levied on each Lot.

VI. DUTIES AND POWERS OF THE ASSOCIATION

6.1. Duties of the Association. Without limiting any other duties which may be imposed upon the Association by its Articles of Incorporation or this Declaration; the Association shall have the obligation and duty to do and perform each and every one of the following for the benefit of the Owners and the maintenance and improvement of the Property:

a. The Association shall accept all Owners as members of the Association.

b. The Association shall accept title to all Common Areas conveyed to it by Declarant.

c. The Association shall maintain, repair, and replace all landscaping and improvements in the Common Areas, including but not limited to the maintenance of all exterior trees, shrubs, grass, Private Streets and other Common Area improvements. Association shall have no obligation to perform any exterior maintenance and/or repair of any part of a Living Unit or any other landscaping installed by an Owner without the Association's express agreement to maintain such landscaping.

The Association shall have the right, but shall not be obligated, to install, maintain and replace landscaping within the Landscape Easement. Each Owner of a Lot shall nevertheless have an obligation to provide adequate water to sustain all landscaping installed upon such Owner's Lot by the Association.

As provided in Section 7.13, each Owner shall have the obligation to provide exterior maintenance of his Living Unit including but not limited to painting, repair, replacement and care of roofs, gutters, downspouts, exterior building surfaces, and landscaping installed by an Owner or his predecessor in title. Each Owner shall paint, repair, and otherwise maintain the exterior and interior of his Living Unit and shall maintain all mechanical devices, including but not limited to, appurtenant electrical, plumbing and heating, ventilating and air conditioning systems.

In the event that the need for maintenance or repair of Common Areas or the Landscape Easement as specified herein is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the family, guests or invitees of an Owner, the Board may cause such repairs to be made by the Association and the cost of such maintenance or repair (and administrative expenses equal to ten (10%) percent of such costs)

shall be added to and become part of the Reimbursement Assessment (as set forth in Section 5.5) to which such Lot is subject.

d. To the extent not assessed to or paid by the Owners directly, the Association shall pay all real property taxes and assessments levied upon any portion of the Common Areas, provided that the Association shall have the right to contest or compromise any such taxes or assessments.

e. The Association shall obtain and maintain in force the policies of insurance required by the provisions of this Declaration.

f. The Association may employ a responsible corporation, partnership, firm, person or other entity as the Managing Agent to manage and control the Common Areas, subject at all times to direction by the Board, with such administrative functions and powers as shall be delegated to the Managing Agent by the Board. The compensation of the Managing Agent shall be such as shall be specified by the Board. Any agreement appointing a Managing Agent shall be terminable by either party, with or without cause and without payment of any termination fee, upon thirty (30) days written notice thereof; and the term of any such agreement may not exceed one year, renewable by agreement of the parties for successive one-year periods. Any Managing Agent may be an independent contractor and not an agent or employee of the Association.

6.2. Powers and Authority of the Association. The Association shall have all the powers set forth in its Articles of Incorporation and its Bylaws, together with its general powers as a non-profit corporation, and the power to do any and all things which may be authorized, required or permitted to be done by the Association under and by virtue of this Declaration, including the power to levy and collect assessments as hereinafter provided. Without in any way limiting the generality of the foregoing, the Association shall have the following powers:

a. The Association shall have the power and authority at any time and from time to time and without liability to any Owner for trespass, damage or otherwise, to enter upon any Lot for the purpose of maintaining and repairing such Lot or any improvement thereon if for any reason the Owner fails to maintain and repair such Lot or improvement, or for the purpose of removing any improvement constructed, reconstructed, refinished, altered or maintained upon such Lot in violation of Article VII of this Declaration. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or in the name and behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration or any rules and regulations promulgated by the Board, or to enforce by mandatory

injunction or otherwise all of the provisions of this Declaration and such rules and regulations.

b. In fulfilling any of its duties under this Declaration, including its duties for the maintenance, repair, operation or administration of the Common Areas (and exterior repairs of Living Units to the extent necessitated by the failure of the Owners of such Lots) or in exercising any of its rights to construct, maintain and repair improvements or other work upon any of the Common Areas, and provided that any contract for goods or services having a term of more than one (1) year shall state that it may be terminated by either party at the end of the first year or at any time thereafter upon no less than ninety (90) days written notice, the Association shall have the power and authority (i) to pay and discharge any and all liens placed upon any Common Areas on account of any work done or performed by the Association in the fulfillment of any of its obligations and duties of maintenance, repair, operation or administration and (ii) to obtain, contract and pay for, or to otherwise provide for:

i. Construction, maintenance, repair and landscaping of the Common Areas and Landscape Easements (and exterior repairs of Living Units upon Lots to the extent necessitated by the failure of Owners of such Lots) on such terms and conditions as the Board shall deem appropriate.

ii. Such insurance policies or bonds as the Board may deem appropriate for the protection or benefit of Declarant, the Association, the members of the Board and the Owners;

iii. Such utility services, including (without limitation) water, sewer, trash removal, snow removal, electrical, telephone and gas services, as the Board may from time to time deem desirable;

iv. The services of architects, engineers, attorneys and certified public accountants and such other professional or nonprofessional services as the Board may deem desirable;

v. Fire, police and such other protection services as the Board may deem desirable for the benefit of the Owners or any of the Property; and

vi. Such materials, supplies, furniture, equipment, services and labor as the Board may deem necessary.

c. The Board may delegate by resolution or contract to the Managing Agent any of its powers under this Declaration; provided, however, that the Board cannot delegate to such Managing Agent the power to execute any contract binding on the Association

for a sum in excess of One Thousand Dollars (\$1,000.00), nor the power to sell, convey, mortgage, or encumber any Common Areas.

6.3. Association Rules. The Board from time to time and subject to the provisions of this Declaration, may adopt, amend, repeal and enforce rules and regulations governing, among other things: (a) the use of the Common Areas; (b) the use of any roads or utility facilities owned by the Association; (c) the collection and disposal of refuse; (d) the maintenance of animals on the Property; (e) the use of Living Units for business or rental purposes; and (f) other matters concerning the use and enjoyment of the Property and the conduct of residents. The Board may also adopt additional Architectural Guidelines for the construction of Living Units. Rules and Regulations and/or Architectural Guidelines adopted by the Board may be enforced in accordance with the provisions of Section 7.18.

6.4. Limitation of Liability. No member of the Board acting in good faith shall be personally liable to any Owner, guest, lessee or any other person for any error or omission of the Association, its representatives and employees, the Board, any committee or the Managing Agent.

6.5. Insurance. The Association shall secure and at all times maintain the following insurance coverage:

(b) A policy or policies insuring the Owners, the Association, and its directors, officers, agents, and employees against any liability incident to the ownership, use or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property or of the Owners. Limits of liability under such insurance shall be not less than \$250,000 for any one person injured; \$1,000,000 for all persons injured in any one accident; and \$100,000 for property damage resulting from one occurrence. Such policies shall be issued on a comprehensive liability basis and shall provide a cross-liability endorsement pursuant to which the rights of the named insured as between themselves are not prejudiced.

The following additional provisions shall apply with respect to insurance:

(1) In addition to the insurance described above, the Association shall secure and all times maintain insurance

against such risks as are or hereafter may be customarily insured against in connection with developments similar to the Property in construction, nature and use.

(2) All policies shall be written by a company holding a rating of "AA" or better from Best's Insurance Reports.

(3) The Association shall have the authority to adjust losses.

(4) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their mortgagees.

(5) Each policy of insurance obtained by the Association shall, if reasonably possible, provide: a waiver of the insurer's subrogation rights with respect to the Association, the Owner, and their respective directors, officers, agents, employees, invitees, and tenants; that it cannot be cancelled, suspended or invalidated due to the conduct of any particular Owner or Owners; that it cannot be cancelled, suspended or invalidated due to the conduct of the Association or of any director, officer, agent or employee of the Association without a prior written demand that the defect be cured; without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by Owners.

6.6. Quorum Requirements. The quorum required for any action by the Members hereunder, unless otherwise specifically set forth in this Declaration, shall be as follows: At the first meeting called the presence of Members or of proxies entitled to cast sixty percent (60%) of all outstanding votes shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called at which a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

No Lot or Living Unit shall be used, occupied, or altered in violation of law, so as to jeopardize the support of any other Living Unit,

7.3. Building Features and Materials.

(a) Building Location. Each building shall be located such that:

(i) No building shall be located on any Lot: (a) nearer than 40 feet to the front curb line, except the front set back for Lots 4, 5, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 26, 32, 33, 34, and 35 may be set by the Architectural Committee, but no closer than 20 feet to the front curb line; or (b) nearer than 20 feet to any interior Lot line; or (c) nearer than 40 feet to any rear Lot line; except as may be consented to by the Architectural Control Committee in writing in accordance with the provisions of Article VIII.

By approving plans, the Architectural Control Committee takes no responsibility for plan conformity to any other criteria other than the requirements of this Declaration and any Architectural Guidelines. Each Owner shall comply with all applicable City and County ordinances, rules and regulations.

7.4. Landscaping and Landscape Easement. Each Owner of a Lot shall be responsible for the installation and maintenance of landscaping in accordance with the provisions of this Section 7.4 and the other provisions of this Declaration.

(d) The addition to, modification of, or removal of trees and other vegetation (excluding annuals), without the prior approval of the Architectural Control Committee shall be deemed a violation of the requirements of an Owner to maintain such Lot and the Architectural Control Committee shall have the right to require Owner to restore such Lot to its prior approved condition at the sole cost of Owner. In the event Owner fails to restore such area as required herein, the Association shall have the right to restore the same and the cost of such restoration together with administrative expenses equal to ten percent (10%) of such costs, shall be added to and become part of the Reimbursement Assessment (as set forth in Section 5.5) to which such Lot is subject.

7.8. Chevron Oil Pipe Line Easement. Certain lots and areas within the Federal Pointe Subdivision are crossed by a 33 foot wide pipeline right-of-way owned by the Chevron Pipe Line Company ("CPL") which has two high pressure pipelines containing crude oil products. The specific location of the pipeline right-of-way is shown on the recorded Plat of the Subdivision. In order to ensure the safety of residents of the Subdivision, the continued safe and uninterrupted operation of the pipeline, and to allow CPL the right to exercise its rights under the right-of-way with minimum interference or problem, Owners of Lots that are adjacent to or crossed by the outer boundary of the pipeline right-of-way are subject to and shall comply with the following requirements:

(a) No building, building overhang, foundation or other structure or physical improvement of any type which, in CPL's opinion, unreasonably impedes or hampers CPL's access to the pipeline may be located or constructed at any time within the pipeline right-of-way;

(b) The construction of any structure or improvement on any lot or common area burdened by a right-of-way shall be diligently completed by the Owner with due care and in accordance with sound design, engineering and construction practices, and in a manner which will not unreasonably interfere with CPL's rights in the right-of-way;

(c) Except as otherwise agreed in writing by CPL, no buried utility lines shall be installed across the pipeline right-of-way and no asphalt, concrete, or other hard surface, driveway, or road, or any other major modification of the surface of the pipeline right-of-way shall be constructed without prior consultation and written agreement with CPL (the southerly Public Utility Easements designated on the Plat for Lots 7 through 13 are subject to the prior rights of CPL as set forth herein);

(d) Landscaping on the pipeline right-of-way shall be limited to grass, sod, and shrubbery having root lengths extending less than eighteen (18) inches beneath the surface at all times;

(e) CPL shall have the right to mark the location of its pipeline at any time for any reason with markers presently or routinely used by CPL in residential areas;

(f) No excavation, digging, grading, or use of heavy machinery may take place on CPL's right-of-way without adequate prior notice to CPL, and at a minimum without prior notice in accordance with the provisions of Section 54-8a, Utah Code, unannotated and other applicable provisions of Utah law, as the same may be amended;

(g) CPL shall have the right, if exercised, to access its right-of-way across Lots subject to the right-of-way, and Owners shall not restrict CPL's access to the pipeline right-of-way, and any fences crossing the pipeline right-of-way shall contain gates sufficiently wide to allow CPL vehicles and equipment to move along the right-of-way. Fences installed parallel to the pipeline shall not be closer than 8.25 feet to the centerline of the pipeline. Owners shall take proper care when digging post holes near the pipeline by hand excavating within the easement boundaries;

(h) Owners shall not remove or disturb signs or markers installed by CPL to mark the location of the pipeline right-of-way without the express written consent of CPL; and

(i) Owners will at all times give due regard to the need for the continued safe and uninterrupted operation of CPL's pipeline thereon, and will indemnify and hold CPL harmless from all loss, cost, and expense, including attorney fees, arising from the failure to Owners to abide by the terms of this covenant and restriction.

As an additional precaution to the foregoing and in furtherance of ensuring the safety of the residents of the Subdivision and the continued safe and uninterrupted operation of the pipeline, Owners of any Lot within ten (10) feet of the outer boundary of the existing pipeline right-of-way, are recommended to contact CPL and request comments and suggestions prior to the construction or erection of any building, foundation, structure, physical improvement or landscaping within ten (10) feet of the boundary of the pipeline right-of-way, and to submit plans and specifications showing the property, structure or improvement in advance for comment by CPL.

As used herein, Owner shall mean the original Owner of a Lot or Lots and all successors and assigns thereof.

7.9. Mountain Fuel Easement. Certain lots and areas within the Federal Pointe Subdivision are crossed by a 33 foot wide pipeline right-of-way owned by Mountain Fuel Company ("Mt. Fuel") which has one high pressure natural gas pipeline. The specific location of the pipeline right-of-way is shown on the recorded Plat of the

Subdivision. Such easement and right-of-way precludes the construction of any building or improvement over or across the right of way. Specific reference to the terms of the easement should be made.

7.10. Easterly Access Easement. As set forth on the Plat, Declarant has reserved to itself a twenty-five foot wide public access and utility easement which traverses the common boundary of Lots 15 and 26. Such easement is reserved for pedestrian and vehicular access to and from and/or the development of the Additional Land located to the east of the Subdivision. Such access and easement may be developed into a driveway or street as determined by Declarant at a later date.

7.11. Vegetation Easement. Lot I (not a "Lot" as defined in Section 1.10) as set forth on the Plat, is subject to a prior Vegetation Easement which restricts the improvements and uses of such property. Reference should be made to such Vegetation Easement as recorded in the offices of the Salt Lake County Recorder.

7.12. Insurance. No use shall be made of any Living Unit which shall cause the improvements within the Development or any part thereof to be uninsurable against loss by fire or other peril included in insurance contracts, or cause such insurance to be cancelled or suspended, or cause any company issuing such insurance to refuse renewal thereof. Each Owner shall be responsible for securing insurance presently known as homeowners special form coverage (Form 3, or better).

7.13. Machinery and Equipment. No machinery or equipment of any kind shall be placed, used, operated or maintained in or adjacent to any Lot except such machinery or equipment as is usual and customary in connection with the use, maintenance or construction of a Living Unit or appurtenant structures.

7.14. Maintenance and Repair. No Living Unit, building, structure (including interiors thereof), or landscaping upon any Lot shall be permitted to fall into disrepair and, subject to the requirements herein as to approval by the Architectural Control Committee, each such building, structure, or landscaping at all times shall be kept in good condition and as appropriate, adequately painted or otherwise finished by its Owner. Such obligation shall extend, but shall not be limited to, the painting, repair, replacement and care of roofs, gutters, downspouts, and exterior building surfaces.

7.15. Nuisances. No rubbish or debris of any kind shall be placed or permitted by an Owner upon or adjacent to any Lots, so as to render such Lot or portion thereof unsanitary, unsightly, offensive, or detrimental to other Owners. No Living Unit or Lot shall be used in such manner as to obstruct or interfere with the

enjoyment of occupants of other Living Units or Lots. Without any of the foregoing, no exterior speakers, bright lights, horns, whistles, bells or other sound devices (except security devices used exclusively for security purposes) shall be located or placed on Lots or in Living Units.

7.16. Right of Entry. During reasonable hours, any member of the Architectural Control Committee or any member of the Board, or any officer or authorized representative of any of them, shall have the right to enter upon and inspect any building site or Lot, and the improvements thereof, to ascertain whether or not the provisions of this Declaration and the rules and regulations of the Board or of the Association have been or are being complied with.

7.17. Signs. No signs whatsoever (including, without limitation, political signs) shall be erected or maintained on any Lot, except:

- a. Such signs as may be required be legal proceedings.
- b. Construction identification signs of a combined total face area of two thousand three hundred four (2,304) square inches or less for each Living Unit.
- c. A "For Sale" or "For Rent" sign, to the extent permitted by the Board.

7.18. Trash Containers and Collection. All garbage and trash shall be placed and kept in covered containers of a type and style which shall be approved by the Architectural Control Committee. Insofar as possible, such containers shall be maintained as not to be visible from neighboring Lots except to make them available for collection and then only for the shortest time necessary to effect such collection. Each Owner must at all times and at this expense provide garbage cans and plastic liners therefor.

7.19. Enforcement of Land Use Restrictions. The following persons shall have the right to exercise or seek any remedy at law or in equity to enforce strict compliance with this Declaration:

- a. Declarant, so long as it has any interest in any of the Property;
- b. Any Owner; or
- c. The Association.

The prevailing party in an action for the enforcement of any provisions of this Declaration shall be entitled to collect court costs and reasonable attorney's fees.

7.20. Exception for Declarant. Notwithstanding the re-
s t e F 1 c -
tions contained in this Article VI, for the ten (10) years follow-
ing the date on which this Declaration is filed for record in the
office of the County Recorder of Salt Lake County, Utah, Declarant
shall have the right to use any Lot or Living Unit owned by it, and
any part of the Common Areas reasonably necessary or appropriate,
in furtherance of any construction, marketing, sales, management,
promotional, or other activities designed to accomplish or facili-
tate improvement of the Common Areas or improvement and/or sale of
all Lots owned by the Declarant.

VIII. ARCHITECTURAL CONTROL

8.1. Architectural Control Committee. The Declarant shall
initially appoint a three-member Committee, the function of which
shall be to insure that all improvements and landscaping within the
property harmonize with existing surroundings and structures. The
Committee need not be composed of Owners. If such a Committee is
not appointed the Board itself shall perform the duties required
of the Committee.

8.2. Submission to Committee. No Living Unit, accessory
building or structure or addition to a Living Unit and no landscape
additions and changes shall be constructed or maintained, and no
alteration, repainting, or refurbishing of the exterior of any
Living Unit, nor of any court enclosure, except as herein otherwise
mentioned, shall be performed, unless two (2) sets of complete
plans and specifications therefor have first been submitted to and
approved by the Committee. All such plans and specifications shall
be consistent with Architectural Guidelines which shall be from
time to time adopted by the Committee, and shall include, among
other matters, (i) a plot plan showing contour lines, drainage and
grading plan; (ii) drawings and specifications showing floor
plans, elevations, and a sample of exterior materials and colors;
(iii) working drawings; and (iv) construction specifications.

8.3. Standard. In deciding whether to approve or disapprove
plans and specifications submitted to it, the Committee shall use
its best judgment to insure that all improvements, construction,
landscaping and alterations on Lots within the Property are in
compliance with the requirements of this Declaration and conform
to and harmonize with existing surroundings and structures and that
such proposed improvements enhance the value and aesthetics of the
Project. The color of each residence will be carefully reviewed
and is subject to the approval of the Committee.

8.4. Approval Procedure. Any plans and specifications sub-
mitted to the Committee shall be submitted on a form provided by
the Committee and in duplicate. A preliminary review of design
drawings is recommended with a final review to be made of working

drawings. Upon completion of each review, one set of plans will be retained by the Committee and the remaining set of plans will be returned to the Owner.

The following architectural review fees (made payable to the Association) are required with the submittal of plans and specifications: \$250.00 for architectural, landscaping, fencing and lighting drawings.

All plans and specifications shall be approved or disapproved by the Committee in writing within twenty-one (21) days after submission. In the event the Committee fails to take any action within such period it shall be deemed to have approved the material submitted.

8.5. Bond/Security Deposit. The Architectural Control Committee will require that an Owner post a bond, cash security deposit or irrevocable letter of credit in a form satisfactory to the Architectural Review Committee, in an amount not to exceed \$3,000.00, in favor of the Association, as a condition to approving any proposed work or improvement. No person shall commence any work or improvement until any and all such bonds, security deposits and letters of credit have been properly posted with the Association.

The deposit is intended to assure the proper clean-up of dirt and debris and the repair of any damage to the landscaping, streets or other property within the Subdivision, caused by Owner or his agents in the construction of improvements.

8.6. Address for Submittal. Plans and specifications for the construction and installation of any and all improvements within Federal Pointe shall be submitted and approved by the Architectural Control Committee (prior to submittal to any required governmental agency) at the following address:

Federal Pointe Home Owners' Association
& Watts Group
5200 South Highland Drive, Suite 103
Salt Lake City, Utah 84117

The Architectural Committee has the authority to change the address for the submittal of plans and specifications.

8.7. Construction. (a) Once begun, any improvements, construction, landscaping, or alterations approved by the Committee shall be diligently prosecuted to completion:

(1) The exterior construction of all structures on any Lot shall be completed within a period of one (1) year following commencement of construction.

(ii) The front yard of each Lot shall be landscaped within a period of one (1) year following completion or occupancy of the Living Unit.

(iii) Side and rear yards shall be landscaped within a period of two (2) years following completion or occupancy of each dwelling.

If reasonably necessary to enable such improvement, construction, landscaping or alteration, the person or persons carrying out the same shall be entitled to temporary use and occupancy of unimproved portions of the Common Areas in the vicinity of the activity.

(b) Owners and builders shall clean up all trash and debris on the construction site at the end of each week and deposit the same in dumpsters provided by Owners and builders for such purposes. Such dumpsters shall be emptied to an approved dumping location off-site of the development as periodically required. Lightweight material, packaging and other items shall be covered or weighted down to prevent wind from blowing such materials off the construction site. Owners are prohibited from dumping, burying or burning trash anywhere on the lot. During the construction period, each construction site shall be kept neat; building materials shall not be stored on public or private roads and/or open spaces.

Each property Owner shall be responsible for providing adequate sanitary facilities for his construction personnel.

8.8. Liability for Damages. The Committee shall not be held liable for damages by reason of any action, inaction, approval, or disapproval by it with respect to any request made pursuant to this Article VIII.

8.9. Exception for Declarant. The foregoing provisions of this Article VIII shall not apply to any improvement, construction, landscaping, or alteration which is carried out by Declarant on any Lot or on any part of the Common Areas and which occurs at any time during the seven (7) year period following the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah.

8.10. Declarant's Obligation. Declarant hereby covenants in favor of each Owner that all Living Units erected by it and all improvements of the Common Areas accomplished by it in the Development (i) shall be architecturally compatible with respect to one another; and (ii) that on or before seven (7) years from the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah, there shall be substantially completed and usable all Common Areas of the Subdivision, all approximately in the locations shown on the Plat.

IX. RIGHTS OF FIRST MORTGAGEE

Notwithstanding anything to the contrary contained herein, the following provisions shall apply:

9.1. Notice of Default. In the event an Owner neglects for a period of thirty (30) days or more to cure any failure on his part to perform his obligations under this Declaration, the Association shall give written notice of such fact to the holder of any first mortgage covering such Owner's Lot.

9.2. Abandonment, Termination, Etc. Unless all of the holders of first mortgages on the individual Lots have given their prior written approval, neither the Association nor the Owners acting as a group shall be entitled by act, omission or otherwise:

(a) To abandon or terminate the project or to abandon or terminate the arrangement which was established by the Declarant and the Plat of the Project;

(b) To partition or subdivide any Lot or the Common Areas;

(c) To abandon, partition, subdivide, encumber, sell, hypothecate, transfer or otherwise encumber all or any part of the Common Areas except for the creating of easements and similar purposes consistent with the intended use of the Common Areas; or

(d) To use hazard insurance proceeds resulting from damage to any part of the development for any purposes other than the repair, replacement, or reconstruction of such improvements.

9.3. Notice of Substantial Damage or Destruction. The Association shall notify all institutional holders of any first mortgage lien or equivalent security interest on a Lot in writing in the event that there occurs any substantial damage to or destruction of any Living Unit or any part of the Common Areas involving an amount in excess of, or reasonably estimated to be in excess of \$15,000. Said notice shall be given within ten (10) days after the Association learns of such damage or destruction.

9.4. Condemnation or Eminent Domain Proceedings. The Association shall give written notice to all institutional holders of any first mortgage lien or equivalent security interest of any condemnation proceedings or proposed acquisition of a Living Unit or of any portion of the Common Areas within ten (10) days after the Association learns of the same.

9.5. Hazard Policy to Include Standard Mortgagee Clause. Each hazard policy of the insurance shall include the standard mortgagee clause which either shall be endorsed to provide that any

proceeds shall be paid to the Association for the use and benefit of mortgagees as their interests may appear, or shall be otherwise endorsed to fully protect the interest of mortgagees. In addition, the mortgagee clause shall provide that the insurance carrier shall notify each mortgagee at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

9.6. Rights Upon Foreclosure of Mortgage. The lien of the assessments provided in Section 1, Article V shall be subordinate to the lien of any First Mortgage upon such Lot; and the holder of a first mortgage (or deed of trust) on a Lot who comes into possession of the Lot by virtue of foreclosure of such first Mortgage, or in lieu of foreclosure obtains possession by deed or assignment, or any purchaser at a foreclosure sale, will take the Lot free of any claims for unpaid assessments and charges against the Lot which accrue prior to the time such holder comes into possession of the Lot, except for claims for a share of such assessments or charges resulting from a reallocation of such assessments or charges to all Lots including the mortgage Lot.

9.7. Mortgagees' Rights Concerning Amendments. No material amendment to this Declaration, the By-Laws or the Articles of Incorporation of the Association shall be accomplished or effective unless at least two-thirds (2/3) of the mortgagees (based on one vote for each mortgagee) of the individual Lots have given their prior written approval to such amendment.

X. MISCELLANEOUS

10.1. Notices. Any notice required or permitted to be given to any Owner or Member under the provisions of this Declaration shall be deemed to have been properly furnished if mailed, postage prepaid, to the person who appears as a Member or Owner, at the latest address for such person appearing in the records of the Association at the time of mailing.

10.2. Amendment. Subject to the provisions of Section 2 of Article VIII of this Declaration any amendment hereto shall require (i) the affirmative vote of at least two-thirds (2/3) of all Class A membership votes, which Members present in person or represent by proxy are entitled to cast at a meeting duly called for such purpose; and so long as the Class B membership exists, (ii) the written consent of the Declarant. Written notice setting forth the purpose of the meeting and the substance of the amendment proposed shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date. The quorum required for any such meeting shall be as follows: At the first meeting called the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of the Class A Membership shall constitute a quorum. If the quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject

to the notice requirement set forth in the foregoing portion of this Section 3), at which a quorum shall be one-half (1/2) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the President or Vice President of the Association, and by the Declarant if the Class B Membership then exists, and shall also be approved by the Salt Lake County Attorney. In such instrument the President or Vice President of the Association shall certify that the vote required by this Section for amendment has occurred.

10.3. Consent in Lieu of Voting. In any case in which this Declaration requires for authorization or approval of a transaction the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast at least the stated percentage of all membership votes outstanding in connection with the Class of membership considered. The following additional provisions shall govern any application of this Section 10.3:

(a) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Member.

(b) The total number of votes required for authorization or approval under this Section 3 shall be determined as of the date on which the last consent is signed.

(c) Except as provided in the following sentence, any change in ownership of a Lot which occurs after consent has been obtained from the Owner thereof shall not be considered or taken into account for any purpose. A change in ownership which would otherwise result in an increase in the total number of Class A votes outstanding shall, however, be effective in that regard and shall entitle the new Owner to give or withhold his consent.

(d) Unless the consent of all Members whose memberships are appurtenant to the same Lot are secured, the consent of none of such Members shall be effective.

10.4. Lease Provision. Any Owner may lease his Lot and such buildings as are situated thereon; provided, however, that any lease agreement between a Lot Owner and a Lessee must be in writing, and must provide, inter alia, that:

(a) The terms of the lease shall in all respects be subject to the provisions of the Declaration, Articles of Incorporation of the Association and the By-Laws; and

(b) Any failure by the Lessee to comply with the terms of such documents shall constitute a default under the lease.

10.5. Declarant's Rights Assignable. All or any portion of the rights of Declarant under this Declaration or in any way relating to the property may be assigned.

10.6. Dissolution. Subject to the restrictions set forth in Article IX of this Declaration pertaining to mortgagee protection, the Association may be dissolved by the affirmative assent in writing of two-thirds (2/3) of the votes of each class membership. Upon dissolution of the Association all of its assets (including the Common Areas) may be dedicated or transferred to an appropriate public agency or authority to be used for purposes similar to those provided for in the By-laws, the Articles of Incorporation or this Declaration. In the event such dedication or transfer is not made or is not accepted, the Association's assets shall be transferred to a non profit corporation, trust, or other entity to be used for such similar purposes, and each Owner shall continue to be obligated to make assessment payments for the maintenance and upkeep of the Common Areas, common access roadways, curbs, gutters and sidewalks on a pro rata basis which conforms substantially with the assessment procedure, terms and conditions set forth in Article V of this Declaration.

10.7. Declarant's Covenant to Construct Common Areas. Declarant hereby covenants to construct and complete all Common Areas improvements and amenities indicated on the Plat within two (2) years of the filing of this Declaration in the office of the County Recorder of Salt Lake County, Utah.

10.8. Enforcement by Salt Lake City. If the Association fails to maintain the Common Areas, the common access roadways, along with the curbs, gutters and sidewalk, in good order and condition, Salt Lake City shall have the right, but not the obligation, upon giving the Association thirty (30) days notice in writing, to step in and do the necessary maintenance and management with the same right to lien the Lots and collect the costs thereof against the Owners as the Association has under this Declaration shall not affect the validity or enforceability of the remainder hereof.

10.9. Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any party thereof, and any gender shall include the other gender. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

10.10. Reservation of Right to Buy. In the event that construction of a Living Unit is not commenced within five (5) years from the date of closing of a sale of a Lot by Declarant to an Owner and notwithstanding that such Lot may be owned by an Owner who did not purchase the Lot directly from Declarant, Declarant shall have the right to repurchase such Lot at the appraised value of the Lot as determined by Owner and Declarant in conjunction with a qualified appraisal. In the event that Declarant elects to repurchase a Lot pursuant to the provisions of this Section 10.10, Declarant shall give written notice of its election to the then Owner of such Lot and such repurchase shall be closed within sixty (60) days after the date of such notice at a location acceptable to Declarant. Declarant's right to repurchase any Lot within the Development shall automatically terminate ten (10) years from the date of recording of this Declaration, provided that Declarant shall have the right to close the repurchase of any Lot for which notice of repurchase has been given to the Owner prior to the expiration of ten (10) years from recording.

10.11. Property Part of Development. The Property shall comprise the Federal Pointe P.U.D. Subdivision.

10.12. Covenants to Run With Land. This Declaration and all provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant, and all parties who hereafter acquire any interest in a Lot or in the Common areas shall be subject to the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration; and failure to comply with any of the foregoing shall be grounds for an action by the Association or an aggrieved Owner for the recovery of damages, or for injunctive relief, or both. By acquiring any interest in a Lot or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

10.13. Effective Date. This Declaration and any amendment hereof shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.
