EASEMENT

For the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned Grantor hereby grants, conveys, sells, and sets over unto FARMINGTON CITY, a Utah municipal corporation, hereinafter referred to as "Grantee," its successors and assigns, a perpetual right-of-way and easement to lay, construct, maintain, operate, repair, inspect, protect, install, remove and replace storm drainage pipelines, boxes, detention basins, and other structures and related facilities, and other public improvements, hereinafter altogether called "Facilities," said right-of-way and easement, being situated in Davis County, State of Utah, over and through a parcel of the Grantor's land, more particularly described in:

Exhibit "A"

TO HAVE AND HOLD the same unto the Grantee, its successors and assigns with the right of ingress and egress in the Grantee, its officers, employees, agents and assigns to enter upon the above-described property with such equipment as is necessary to install, maintain, operate, repair, inspect, protect, remove and replace the Facilities. During construction periods, Grantee and its contractors may use such portion of the property along and adjacent to the right-of-way and easement as may be reasonably necessary in connection with the construction, maintenance, inspection, installation, removal or repair of the Facilities. The contractor performing the work shall restore all property through which the work traverses to as near its original condition as is reasonably possible. Grantors shall have the right to use the above-described premises except for the purpose for which this right-of-way and easement is granted to the Grantee, provided such use shall not interfere with the Facilities or with the discharge and/or conveyance of water or storm water through the Facilities, or any other rights granted to the Grantee hereunder.

Grantors shall not build or construct or permit to be built or constructed any building or other improvement over or across this right-of-way and easement nor change the contour or alter the grade thereof without the written consent of Grantee. This right-of-way and easement grant shall be binding upon and inure to the benefit of the successors and assigns of the Grantors and the successors and assigns of the Grantee, and may be assigned in whole or in part by Grantee.

IN WITNESS WHEREOF, the Grantor has executed this right-of-way and Easement this 21 day of DECEMBER, 2006.
