EXHIBIT "B"**Petitioners' Report of Tax Consequences for the Property**

The Property proposed for annexation is located in Tooele County, State of Utah. Several governmental entities impose taxes upon the Property. The present total tax rate imposed against the Property is 0.013758. The specific entities and their current tax rates are as follows:

Tooele County	.001407
Multicounty Assessing & Collecting Levy	.000009
County Assessing & Collecting Levy	.000439
Tooele County School District (Basic Levy)	.001661
Tooele County School District (Local Levy)	.007782
Charter School Levy	.000122
Tooele Valley Mosquito Abatement District	.000317
North Tooele County Fire Protection Service District	.000734
Municipal Type Service Fund	.001105
Deseret Peak S.S.D.	0
Deseret Peak E.D.P.	0
Tooele County Health Department	.000182
TOTAL TAX RATE:	0.013758

If the proposed annexation is approved, the only change to the property taxes for the private real property located in the area proposed for annexation would be (i) the removal of the North Tooele County Fire Protection Service District tax rate; (ii) the removal of the Municipal Type Service Fund tax rate; and (iii) the imposition of Grantsville City's tax rate. Grantsville City's present tax rate is 0.002167. This would result in an overall increase to the tax rate by 0.000328 for a total tax rate of 0.014086 to be imposed against the Property. Thus, if the Property is annexed into Grantsville City, it would have very minimal tax changes for the real property initially.
