

DEED of EASEMENT

W2862098

**AND COVENANT AND RESTRICTION
FOR ALTERNATIVE ONSITE WASTEWATER
TREATMENT SYSTEMS**

EH 2862098 PG 1 OF 3
LEANN H KILTS, WEBER COUNTY RECORDER
09-JUN-17 4:31 PM FEE \$14.00 DEP DC
REC FOR: TIM CHARLWOOD

TIM CHARLWOOD,

NAME OF OWNER[S] Grantor[s]

of the herein described property do hereby covenant and/or agree to the terms and conditions as contained herein. The Grantor[s] further quit claims an easement over, under, and across the property as described herein, as an access easement to the **Weber-Morgan Health Department, Grantee**, their employee's, assigns, contractors and/or designees, for the purpose of inspection, emergency repairs or maintenance of the sanitary system.

Notice is hereby given by the Weber-Morgan Health Department that an Alternative Wastewater Treatment System known as a

- Packed-Bed Media System, At-Grade system,
- Mound System, Other as noted herein,

is required on the following property as the method of treatment and disposal of all wastewater generated on the property until such time as sanitary sewer becomes available. All of the provisions of this deed covenant and restriction shall run with the land.

Tax Parcel Serial Number: # 21-126-0002
The Description of the Property is as follows:

ALL OF LOT 2, SANCTUARY, WEBER COUNTY, UTAH

The Grantor[s] as owner(s) of the above described property hereby covenants and agree as follows:

- (1) Representatives from the Weber-Morgan Health Department shall be allowed to enter upon this property for the purpose of inspection of the individual wastewater treatment system.

- (2) The Owner(s) are responsible for all system maintenance and to immediately correct, repair, add to or replace a portion of or the entire system if needed upon malfunction of the system; or, at the direction of the Weber-Morgan Health Department.
- (3) The Owner(s) of Packed-Bed or Mound systems, as noted above, are required to have a current Renewable Operating Permit. Permits are to be renewed on an annual basis. Permit renewal fees and late fees are determined by the Weber-Morgan Board of Health. All samples, inspections and maintenance requirements for Packed-Bed Media Systems and Mound Systems required in Utah State and Weber-Morgan Health Department regulations will be completed before permits will be renewed.
- (4) The Owner(s) of Packed-Bed or Mound systems are required to maintain a Service Contract with a Certified Service Contract Provider for all sampling and inspections required by Utah State and Weber-Morgan Health Department regulations.
- (5) The Owner(s) shall immediately notify the Weber-Morgan Health Department upon malfunction of the wastewater treatment system. The notification shall be given to:

Weber-Morgan Health Department
477 E. 23rd Street
Ogden, Utah 84401
Phone: (801) 399-7160
