NON-DISTURBANCE AND ATTORNMENT AGREEMENT

This Non-Disturbance and Attornment Agreement (the "**Agreement**") is dated the ____ day of July, 2009 for reference purposes only, and entered into by and between NIMBUS PROPERTIES, L.C., a Utah limited liability company ("**Ground Lessor**"), and IN-N-OUT BURGERS, a California corporation ("**Sublessee**"), and is made with reference to the following facts:

RECITALS:

A. DW ASSOCIATES, LLC, a Utah limited liability corporation ("**Sublessor**"), and Sublessee have entered into a certain Ground Lease dated May 8, 2009 as amended by that certain First Amendment to Ground Lease dated July 21, 2009 (as amended, the "**Sublease**"), with respect to certain premises consisting of approximately forty eight thousand one hundred twelve (48,112) square feet (the "**Premises**") of that certain real property located at 651 W. Main Street in the American Fork, Utah and commonly known as the Crossroads Center (the "**Center**"), as more particularly described on Exhibit A hereto.

B. Ground Lessor and Sublessor's predecessor-in-interest DJ SMITH INVESTMENTS L.C. have entered into that certain Ground Lease dated January 12, 2007 (the "**Ground Lease**"). The Ground Lease relates to the Center and includes the Premises.

C. Sublessee desires to be assured of continued occupancy of the Premises under the terms of the Sublease in the event the Ground Lease is terminated during the term of the Sublease.

AGREEMENT:

Now therefore, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. The Sublease is and shall be subject and subordinate to the Ground Lease insofar as it affects the Premises, and to all renewals, modifications, consolidations, replacements and extensions thereof, provided Sublessee shall not be required to perform any of Sublessor's obligations under the Ground Lease.

2. In the event it should become necessary to terminate the Ground Lease pursuant to the terms of the Ground Lease or if the term of the Ground Lease shall expire before the Sublease term expires or the Sublease is otherwise terminated, Ground Lessor will not seek a termination of the Sublease, or claim, allege or assert that such occurred, so long as Sublessee is not in default under any

of the terms, covenants, or conditions of the Sublease beyond any applicable notice or opportunity to cure period. In such circumstances, Ground Lessor will recognize and accept Sublessee as its "Tenant" under the Sublease, whereupon, the Sublease shall continue in full force and effect as a direct lease between the Ground Lessor and Sublessee for the full term thereof, together with all extensions and renewals thereof. Ground Lessor shall thereafter assume and perform all of Sublessor's obligations, as the landlord under the Sublease with the same force and effect as if the Ground Lessor was originally named therein as the "Landlord". Sublessee agrees to attorn to and recognize Ground Lessor or any other party that succeeds to Sublessor's interest under the Sublease (pursuant to a termination or otherwise) as the new "Landlord" under the Sublease, and Sublessee shall continue to be bound by the Sublease. Nothing in the covenants of this Paragraph 2 or any other provision of this Agreement shall be construed as an agreement by Ground Lessor to subordinate the Ground Lease to any lender of Sublessor or Sublessee. Further, in no event shall the Ground Lease be subordinate to the Sublease pursuant to the terms of this Agreement.

3. In the event it should become necessary to terminate the Ground Lease pursuant to the terms of the Ground Lease or if the term of the Ground Lease shall expire before the Sublease term expires or the Ground Lease is otherwise terminated, Ground Lessor and Sublessee hereby agree that at the request of either party, the parties will enter into a new direct lease agreement with Ground Lessor as Landlord and Sublessee as Tenant on the same terms as the Sublease and for the term then-remaining including any extension options contained therein.

4. In the event that Ground Lessor shall, in accordance with the foregoing, succeed to the interest of Sublessor under the Sublease, Ground Lessor agrees to be bound to Sublessee under all of the terms, covenants and conditions of the Sublease, and Sublessee shall from and after such event for the remainder of the Sublease have the same remedies against Ground Lessor for the breach of an agreement contained in the Sublease that Sublessee might have had under the Sublease against Sublessor if Ground Lessor had not succeeded to the interest of Sublessor.

5. Each party to this Agreement warrants and represents to the other parties to this Agreement that:

5.1 the execution, delivery and performance of this Agreement, constitutes the legal, valid and binding obligation of such party and is enforceable against such party in accordance with its terms; and

5.2 such party, and each individual executing this Agreement on behalf of such party, is duly authorized, and has all power and authority necessary to make any such execution, delivery and performance of this Agreement without the consent or approval of any other person, entity, or regulatory authority or governmental body, and such execution, delivery and performance does not conflict with, result in a violation of, or constitute a default under any provision of any articles of incorporation or organization, or bylaws, or any agreement or other instrument binding on such party, or any law, governmental regulation, court decree or order applicable to such party.

6. Ground Lessor represents and warrants to Sublessee as follows as of the date of this Agreement:

6.1 The Ground Lease is in full force and effect in accordance with, and subject to, all of the terms, covenants, conditions and agreements contained therein;

6.2 The Ground Lease has not been modified, amended or supplemented, except for that certain Agreement to Extend Rent Commencement Date dated May 15, 2007, a second Agreement to Extend Rent Commencement Date dated June 15, 2007; and that certain Extension and Acknowledgement of Rent Commencement Date and Modifications to Ground Lease dated November 9, 2007, Addendum 1 to Ground Lease dated August 30, 2008, and a true correct copy the Ground Lease (except for those portions which have been redacted) as amended is attached hereto as **Exhibit B**;

6.3 Ground Lessor, except for two (2) payments of rent and the 2008 real property taxes that were paid under protest by Sublessor, has not received any notice of any default by Sublessor under the Ground Lease, which default remains uncured and Ground Lessor is not in default under the Ground Lease and no event has occurred which, with notice or the passage of time or both, would constitute a default under the Ground Lease by Ground Lessor;

6.4 Ground Lessor is the fee owner of the Premises and the same is not subject to any mortgages, deeds of trust, and monetary liens of any other type (except for any liens for unpaid and nondelinquent real property taxes and assessments), except for Brighton Bank, whose interest is the subject of a Collateral Assignment of Ground Lease and Landlord's Consent dated December 10, 2008 (the "Existing Lender"), and to the extent an Existing Lender exists, Ground Lessor shall use good faith and diligent efforts to obtain and deliver to Sublessee a Non-Disturbance Agreement from the Existing Lender, providing certain commercially reasonable assurances including, among other things, that so long as Sublessee is not in default under the Sublease beyond the period of notice and opportunity to cure provided therein, that Existing Lender shall not disturb Sublessee's use and possession of the Premises upon the default by Ground Lessor under the terms of the applicable mortgage and/or deed of trust or for any other reason, so long as Sublessee agrees to attorn to said Existing Lender.

6.5 To Ground Lessor's actual knowledge, Sublessor is not in default under the Ground Lease and no event has occurred which, with notice or the passage of time or both, would constitute a default under the Ground Lease by Sublessor;

6.6 To Ground Lessor's actual knowledge, the Premises are not presently used and have not been used in the past for the generation, storage, disposal, treatment or use of any Hazardous Substances (as such term is defined in the Sublease), no Hazardous Substances are presently located on, under or about the Premises and the Premises are currently in compliance with all applicable environmental laws; and

6.7 There are no actions, suits, or proceedings pending, or, to the actual knowledge of Ground Lessor threatened, against Ground Lessor, or the Premises, or involving the validity or enforceability of the Ground Lease, including, but not limited to, petitions relating to bankruptcy, insolvency, reorganization, composition, readjustment, liquidation, dissolution, winding up or other proceedings or other petitions for reorganization or for debtor relief or for the appointment of a receiver.

7. Ground Lessor hereby agrees, pursuant to Section 25.8 of the Ground Lease, to copy Sublessee on any notices sent to Sublessor, including a notice of default by Sublessor under the Ground Lease, together with a reasonable opportunity to cure such default. The Sublease shall be deemed an Approved Sublease (as defined in the Ground Lease).

8. This Agreement, and all of its provisions, shall bind and inure to the benefit of the respective heirs, personal representatives, successors, and assigns of the parties hereto.

9. This Agreement shall be governed by and construed under the laws of the State of Utah. Any action brought to enforce or interpret this Agreement shall be brought in the court of appropriate jurisdiction in the county where the Premises is located.

10. This Agreement may be executed in any number of duplicate counterparts, each of which shall be deemed to be an original of this Agreement for all purposes. This Agreement shall be deemed executed when each of the parties has executed at least one counterpart.

IN WITNESS WHEREOF, the undersigned parties have executed this Agreement effective as of the dates set forth below.

Landlord shall indemnify, defend (by counsel reasonably acceptable to Tenant), protect, and hold harmless Tenant, Tenant's Affiliates and their respective partners, members, shareholders, trustees, beneficiaries, officers, directors, employees, attorneys, agents, heirs, representatives, successors and assigns ("Tenant Indemnified Parties"), from any and all claims, liabilities, penalties, fines, judgments, forfeitures, losses, costs, or expenses (including reasonable attorney, consultant and expert fees) (collectively, "Claims") arising from, related to, or in connection with the death of or injury to any person or damage to any property whatsoever, arising from or caused in whole or in part, directly or indirectly, by the presence in, on, under or about the Land, or any discharge or release in or from the Land of any Hazardous Substance, to the extent that any such presence, discharge or release is caused by Landlord's activities or the activities of any of Landlord's employees, agents, contractors or invitees.

6.3.2. Tenant. Tenant shall indemnify, defend (by counsel reasonably acceptable to Landlord), protect, and hold harmless Landlord, Landlord's Affiliates and their respective commissioners, directors, trustees, beneficiaries, officers, directors, employees, attorneys, agents, successors and assigns ("Landlord Indemnified Parties") from and against any and all Claims arising from, related to or in connection with the death of or injury to any person or damage to any property whatsoever, arising after the Effective Date from or caused in whole or in part, directly or indirectly, by (i) the presence in, on, under, or about the Premises or any discharge or release in or from the Premises of any Hazardous Substance, to the extent that any such presence,

discharge or release is caused by Tenant's activities, or the activities of any of Tenant's Subtenants, employees, agents, contractors or invitees, or (ii) Tenant's failure to comply with its covenants under this paragraph.

6.3.3. Cost Included: Survival. The indemnity obligations created hereunder shall include, without limitation, whether foreseeable or unforeseeable, any and all costs incurred in connection with any site investigation, and any and all costs for repair, cleanup, detoxification or decontamination, or other remedial action of the Premises. The obligations of the parties hereunder shall survive the expiration or earlier termination of this lease.

7. Construction of Improvements. Tenant and its Subtenants shall have the right during the Initial Term of this Lease, or any extensions thereof, to construct any Improvements or alterations and additions to such Improvements to the Property, including, but not limited to, the installation of any underground utilities necessary to service the Property. Any alterations, additions or Improvements to the Property, excepting Tenant's or Tenant's Subtenants' trade fixtures, shall be surrendered with the Property and become Landlord's Property upon the expiration of the Lease term and any extensions. All alterations, additions or Improvements to the Property by Tenant (or a Subtenant), shall be made by Tenant (or Subtenant) at Tenant's (or Subtenant's) sole cost and expense. All Improvements, additions or alterations shall be in conformity with all applicable laws and ordinances. Landlord shall provide such written consents or approvals from the Landlord as may be reasonably necessary to permit Tenant (or Subtenant) to exercise its rights under this section 7. Landlord agrees to cooperate with Tenant and its Subtenants in subjecting the Property to all easements necessary in order to provide utility

services to the Property, such easements to be defined by a metes and bounds description. Tenant and its Subtenants may construct whatever Improvements they desire, including buildings and structures of any size or type, and they may do so without formal or informal approval of Landlord. Ownership of the Improvements in fee shall be exclusively held by Tenant during the term of the Lease and any extensions thereunder, with said Improvements reverting to Landlord at the conclusion of said time period.

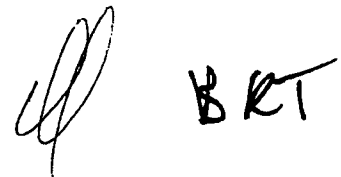

8. Maintenance and Repair. Tenant shall, at Tenants sole cost and expense, keep the Property and all Improvements, additions or alterations constructed thereon, in good condition and repair, ordinary wear and tear excepted.

9. Liens. Tenant shall keep the Property free from any liens arising out of any work performed or materials furnished by or on behalf of Tenant and Tenant agrees to indemnify and hold Landlord harmless from and against any and all costs resulting from Tenant's actions under this Lease which may give rise to any such material or labor liens.

10. Assignment, Subletting, and Permitted Mortgages. Tenant and its Subtenants shall have the right during the term of this Lease and any extensions thereof to assign, transfer, mortgage, pledge, hypothecate or encumber this Lease or the Improvements or any interest therein or sublet the Premises or any part thereof, or any right or privilege appurtenant thereto. No assignment or subletting shall in any way relieve Tenant of any of its obligations under this Lease unless Landlord shall evidence such release in writing to Tenant, such release not to be unreasonably withheld; provided, however, that if Tenant elects to request a release, and Tenant's proposed assignee has a net worth equal to or exceeding Tenant's (as demonstrated by competent evidence), has a business reputation reasonably acceptable to Landlord, and provided

that such assignee has experience (in terms of project size and number of years in the business) commensurate with Tenant's in building, operating and managing projects like Tenant's Project, then Landlord shall immediately release Tenant from all obligations hereunder upon such assignment and assignee's assumption of Tenant's obligations hereunder. Tenant and its Subtenants shall be free to enter into Subleases with Subtenants without Landlord's consent. Any Permitted Mortgage or encumbrance of Tenant's Estate, or part thereof, shall be and remain subordinate and subject to Landlord's title to the Land upon the reversion of the Premises to Landlord. Notwithstanding the foregoing, Landlord agrees to reasonably cooperate with efforts on the part of the Tenant to secure and maintain Permitted Mortgages. By way of example, Landlord agrees to provide reasonable assurances to a potential lender of Tenant upon its request. Such assurances may include the following: (1) The Lease is in effect, was properly executed and is not in default, and no modifications to the Lease have occurred except as may be noted; (2) The subject loan and any encumbrance within the concept of a Permitted Mortgage will not be in violation of the Lease; (3) The Landlord will provide written notice to the lender of notices to the Tenant including any notice of default by Tenant under the Lease, together with a reasonable opportunity to cure such default; (4) The covenants made by Landlord relating to these assurances shall inure to the benefit of Landlord, the Subtenant and their respective legal representatives, successors and assigns. In the event that Tenant or a Subtenant seeks to enter a Sublease or assignment for any portion of the Premises for a period of time that extends beyond the term of this Lease, Tenant shall have the right, consistent with the terms of this Lease, to extend its term to coincide with the term of the Subtenant. In the event that Tenant or a Subtenant seeks to enter a Sublease or an assignment for any portion of the Premises for a period

of time that extends beyond the term of this Lease and all permitted extensions thereof, Tenant or a Subtenant may first seek to obtain approval of the Sublease or assignment from Landlord. Upon approval, the Sublease or assignment shall be binding on Landlord upon termination of this Lease. In the event that Tenant or a Subtenant presents to Landlord a Sublease or assignment for its approval, Landlord agrees to promptly review the Sublease or applicable agreement and, within ~~five~~ ^{seven} days of receipt, to respond to the request for approval. Under any circumstances, Landlord shall not unreasonably withhold its approval of any Sublease or assignment presented to Landlord under the provisions of this paragraph.

11. Insurance Indemnification.

11.1. Tenant's Obligations. Tenant agrees to defend Landlord, its agents, servants, employees, officers and directors against any claim, demand, assertion of liability, or action arising out of any negligent act or omission of Tenant in connection with its construction, operation and maintenance of the Property and any Improvements placed thereon and from any business or activity or work or things done or permitted by Tenant to be done in or about the Property and hold Landlord, its agents, servants, employees, officers and directors harmless from and against any such loss, damages, liability, expenses or other sums which Landlord may reasonably pay on account of such demand, claim, assertion of liability or action including reasonable attorneys' fees.

11.2. Landlord's Obligations. Landlord shall defend, indemnify and hold harmless Tenant, its agents, servants, employees, officers and directors against any claim, demand, assertion of liability, or action arising out of any negligent act or omission of Landlord in connection with its construction, operation and maintenance of the Property and

 BET

any Improvements placed thereon and from any business or activity or work or things done or permitted by Landlord to be done in or about the Property and hold Tenant, its agents, servants, employees, officers and directors harmless from and against any such loss, damages, liability, expenses or other sums which Tenant may reasonably pay on account of such demand, claim, assertion of liability or action including reasonable attorneys' fees.

11.3. Tenant's Insurance. Tenant, at its sole cost and expense, shall, upon substantial completion of any Improvement and throughout the entire Initial Term, and any extensions, keep the Improvements insured against loss or damage by fire, windstorm, tornado, hail, water damage, lightening, vandalism and malicious mischief and against any loss or damage by such other further and additional risk as now or hereafter may be embraced by the standard "all risk" forms or endorsements, and any coverage available under the so-called "installation floater" in each case in the full amount of the replacement value of the Improvements. For purposes of this paragraph, any building or structure and the Premises related thereto or contained therein shall be deemed to be substantially completed when such building or structure and its related Improvements, taken as a whole, are substantially completed. In addition, Tenant shall maintain, at its sole cost and expense, throughout the entire term of this lease, the following:

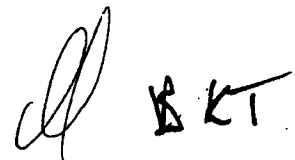

11.3.1. Workers Compensation. Workers compensation insurance in statutory limits of the workers compensation laws of the State of Utah if and as required by law.

11.3.2. General Liability Insurance. Liability insurance against claims for bodily injury, death or property damage occurring upon or in or about the

Premises, including the public areas adjacent thereto, including, in a form no less than a commercial general liability policy, including explosion, collapse and underground coverage; the insurance shall afford immediate protection at the Effective Date for not less than \$2,000,000.00 per occurrence aggregate and \$2,000,000.00 complete operations per occurrence aggregate. Such insurance shall, among other things, provide broad form contractual liability coverage (including, without limitation, indemnification or hold harmless obligations of Tenant under this lease) and personal injury (including, without limitation, coverage for assault and battery committed by or at the direction of the insured). Such insurance for the Premises shall also provide so-called "cross liability" coverage for all of the insureds in respect of the employees of each insured. The liability limits, including aggregate limits under this paragraph, may be increased, but not more than once every five years upon Landlord's showing by an opinion analysis of its insurance broker that the current limits are insufficient as reflected by insurance industry standards for the type of property and Improvements insured.

11.3.3. Certificate of Insurance. Tenant, upon written request from the Landlord, shall deliver to the Landlord an original certificate of insurance evidencing that the insurance required to be maintained pursuant to this paragraph is being carried and maintained by Tenant. Each certificate shall further provide that such insurance shall not be cancelled or materially amended unless thirty (30) days prior written notice is given to the respective certificate holder. Within thirty (30) days of any such notification that a policy of insurance has lapsed due to nonpayment by Tenant, Landlord shall be entitled to pay such amount for the Tenant, unless Tenant has

already cured, and make claim to the Tenant for immediate reimbursement of the cost thereof, including any interest on the amount expended at the prime rate of interest publicly quoted by Zions First National Bank, N.A., plus two percent (2%) per annum.

12. Net Lease. This Lease shall be a true net lease to Landlord, with Tenant or its Subtenants paying all water, gas, heat, light, power, sewer charges, telephone service, and any and all other services and utilities supplied to the Property. Tenant or its Subtenants shall also pay all taxes and assessments levied or assessed or which become payable during the term hereof upon the Property, including all taxes and assessments levied or assessed or which become payable during the term hereof upon the Improvements, equipment, furniture, fixtures, and personal property located on the Premises. Tenant shall also pay all taxes or assessments for the Land. Landlord agrees to provide Tenant with all tax notices and bills not less than sixty (60) days prior to their due date, and Tenant shall pay such taxes directly to the taxing authority. Tenant shall have the right to appeal any and all taxes. Upon request by Tenant, Landlord shall diligently cooperate with Tenant in order to prosecute any appeal deemed appropriate or necessary by Tenant. Tenant agrees to pay for the cost of such appeal.

13. Holding Over. If Tenant remains in possession of the Property after the expiration of the term hereof without the express written consent of Landlord, such occupancy shall be a tenancy from month to month upon all of the other terms hereof, insofar as the same are applicable to a month-to-month tenancy.

14. Entry by Landlord. Upon forty-eight (48) hours advance written notice, Landlord shall have the right to enter onto the Property during normal business hours to inspect the same and to

exhibit the Property to prospective purchasers, lenders or tenants so long as such entry does not interfere with the normal business operations of Tenant.

15. Tenant's Default. In the event that Tenant shall either fail to make any payment of Rent within ten (10) days after such payment falls due where such failure shall continue for a period of fifteen (15) days after notice from Landlord that said payment is due and payable or Tenant fails to observe and perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant, where such failure shall continue for a period of thirty (30) days after written notice thereof by Landlord to Tenant, then Tenant shall be considered to be in default; provided, however, that if the nature of Tenant's failure is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be in default if Tenant promptly commences such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion.

16. Remedies for Tenant's Default. In the event Tenant is in default as provided in Section 15 above, Landlord may at any time thereafter and as long as the default is not cured, terminate Tenant's rights under this Lease by written notice or by any lawful means, or reenter and take possession of the Property, or itself pay or perform the obligation as to which Tenant is in default (in which event Landlord's cost of so doing shall be immediately reimbursed to it by Tenant). Tenant agrees to reimburse Landlord for the cost of recovering possession of the Property, including attorney's fees and court costs whether or not suit is brought. Any Rent or other charges under this Lease which are not paid when due by Tenant shall bear interest from the due date thereof at the rate of twelve percent (12%) per annum.

17. Damage and Destruction.

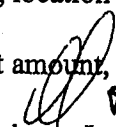

Handwritten signature and initials. The signature is a cursive scribble, and the initials "BKT" are written in a bold, blocky font to the right of the signature.

17.1. Events of Termination. Tenant shall have the right to terminate this Lease in the event: (i) any Improvements erected on the Property by Tenant are damaged or destroyed to the extent that twenty-five percent (25%) or more of the cost of original construction of the Improvements would be required to be expended to replace the Improvements in their entirety and the destruction or damage involved is not covered by insurance maintained by Tenant or Insurance Proceeds payable to Tenant as a result of destruction, or (ii) any part of any Improvements placed on the Property are damaged or destroyed at any time during the last five years of the term of this Lease or during any extended or renewal term. Any such termination must be accomplished through written notice given within sixty (60) days following the date of destruction or damage. In the event of such termination, there shall be a proration of the Rent called for herein and Landlord shall refund any excess theretofore paid by Tenant. Termination shall be effective, and Rent shall be prorated, as of the date on which written notice of termination is given. Tenant shall upon termination as a result of damage or destruction, if requested by Landlord, raze the existing Improvements on the Land and clean the Land of debris and rubble within 360 days after Landlord's request.

17.2. Duty to Rebuild Improvements. If Tenant does not terminate this Lease as permitted by Section 17.1, Tenant shall proceed with the repair and restoration of any damages to Premises within ninety (90) days following any insured loss against damage or destruction, or such later date as the Insurance Proceeds are available therefor, and once commenced, such restoration shall be diligently prosecuted to completion. Except as herein set forth, Landlord shall have no

B RT

liability to Tenant, and Tenant shall not be entitled to terminate this Lease for an insured loss against damage or destruction, nor shall Tenant have the right to terminate this Lease by virtue of any delays in completion of repairs and restoration, except to the extent caused by Landlord. Notwithstanding any provision of this Lease to the contrary, as long as Tenant is current on its payment of Rent hereunder and provided that Tenant's Project is not materially adversely affected in any way or diminished in value thereby, Tenant shall have no obligation to rebuild any Improvement if in Tenant's good faith business judgment, Tenant determines the same to be uneconomical, imprudent or burdensome in light of the circumstances existing at the time of damage to such Improvement, whether or not insurance proceeds are available therefor.

18. Eminent Domain. If part of the Property shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, and if as a result thereof the remainder of the Property cannot reasonably be used for the purposes contemplated by this Lease as determined solely by Tenant, then Tenant shall have the right, at its option, within sixty (60) days after said taking, to terminate this Lease by written notice to Landlord. If part of the Property is taken (and this Lease is not terminated as a result of such taking), the Rent thereafter to be paid shall be equitably reduced based on the fair market value of the Property before and after the taking, with consideration for the quantity, quality, location and characteristics of the Property taken. If the parties cannot agree on the new Rent amount, it shall be determined by appraisal in accordance with the provisions of Section ^{4.4.2} ~~4.2.2~~  BKT above. In the event of any taking or appropriation whatsoever, both parties hereto acknowledge that the Rent payable under this Lease is less than market value and agree that the valuation allocated between the parties by the

 BKT

condemning authority shall be based upon comparable sales of property rather than the rental income generated under this Lease Agreement. All awards attributable to Improvements placed on the Property by Tenant (but not awards attributable to Land), shall be the property of Tenant.

✗ A sale in lieu of condemnation shall be considered a taking for purposes hereof. Nothing herein contained shall prevent Landlord from seeking such awards as it may deem appropriate or necessary aside and apart from any actions taken by Tenant.

19. Signs. Tenant shall have the right to place and maintain such signs, as Tenant deems appropriate or necessary. All such signs shall be in conformity with all rules and regulations relating to signs as may be directed by the City of American Fork, Utah.

20. Conditions to Tenant's Obligation to Pay Rent. This Lease shall be in full effect and the Rent Commencement Date of this Lease shall apply unless Tenant cancels this Lease on or prior to May ¹⁵, 2007. ^{BKT} Notice of cancellation shall be given in writing to the address as provided in ¶21 herein.

20.1. Upon the execution and delivery hereof, Landlord shall, at its cost, secure a preliminary title report on the Property, together with all documents evidencing exception to the title. Upon receipt of the title report, Tenant shall have a period of thirty (30) days following the Signing Date in which to review and investigate the same. In the event that Landlord receives no written notice from Tenant setting forth objections to the title report, Landlord shall deem Tenant as having approved the same. In the event Tenant shall provide Landlord with written notice setting forth objections, Landlord shall have a period of twenty (20) days in which to remove or correct any such objections. In the event that Landlord is unable to remove or correct any such objections, Tenant shall have the right

 BKT

to terminate this Lease, grant Landlord an extension of time to remove or correct, or accept the title report as it may then appear. Landlord represents and warrants that in the event that the title report shall disclose any financial encumbrance on the Property, then each such lienholder shall execute and deliver to Tenant a non-disturbance and attornment agreement or release such lien. Upon approval of the title report, Tenant shall secure, at its cost, an ALTA survey of the Property (the "survey"). Upon receipt of the survey, Tenant shall have a period of thirty (30) days in which to review and investigate the same. In the event that Landlord receives no written notice from Tenant setting forth objections to the survey, Landlord shall deem Tenant as having approved the same. In the event Tenant shall provide Landlord with written notice setting forth objections, Landlord shall have a period of twenty (20) days to remove or correct any such objections. In the event that Landlord is unable to remove or correct any such objections, Tenant shall have the right to terminate this Lease, grant Landlord an extension of time to remove or correct, or to accept the survey as it may then appear. Landlord shall pay the cost of the premium on a standard title insurance policy without additional endorsements. Tenant shall pay the cost of any additional endorsements it desires and shall pay the cost of any upgrades to a standard policy coverage, including, but not limited to an upgrade to an ALTA policy of title insurance. The title insurance company's allocation of the premium costs for the coverages described herein shall be binding on the parties to this Agreement.

20.2. The Tenant's duty to perform under this Lease shall be subject to Tenant receiving final subdivision and site plan approval. The Tenant's said duty shall be subject to the Property being rezoned to a commercial zone suitable to Tenant's intended

use, if such zone change is required. In the event that either or both of these conditions are not resolved to the sole satisfaction of Tenant on or before May 15, 2007, by written notice to Landlord, may terminate the Lease and thereafter neither party shall have any obligation to the other. The deadline contained in the previous sentence may be extended by mutual consent of the parties. All costs and fees associated with the Tenant's request for such site plan approval, subdivision or zoning change shall be borne solely by Tenant. Landlord shall timely execute and deliver any and all documents and instruments that may be necessary or deemed helpful by Tenant to obtain site plan, subdivision or zoning or other similar approval required for Tenant's Project. Landlord shall also cooperate with Tenant regarding any approvals described in the previous sentence and shall support Tenant and Tenant's Project in both private and public settings.

20.3. Tenant may order and obtain a Phase I Environmental Study (the "Study") of the Premises for hazardous substances and to perform such other due diligence it desires regarding hazardous substances. Landlord shall pay the first one thousand dollars (\$1,000.00) of the cost of said study directly to Tenant when Tenant provides a copy of the invoice for the same to Landlord. In the event Tenant shall provide Landlord with written notice setting forth objections to the condition of the Property based upon the Study or any related report or study, Landlord shall have a period of 20 days in which to remove or correct any such objections. In the event that Landlord is unable to remove or correct any such objections, Tenant shall have the right to terminate this Lease, grant Landlord an extension of time to remove or correct, or accept the Property in its given condition.

20.4. Tenant shall have the right to grub the site immediately at its sole cost and expense.

20.5. The duties under this Lease are conditional upon Tenant signing a ground lease similar to this ground lease with Innes Family, L.C. on ground contiguous to the Property.

20.6. In the event that Landlord and Tenant are unable to satisfy any of the foregoing conditions, as provided in this Section 20, and Tenant exercises its right to terminate this Lease, Landlord may request of Tenant and Tenant shall deliver copies of all reports, surveys, and documents generated by Tenant under this Section.

21. Notices. Any notice required or permitted under this Lease shall be deemed appropriately served when deposited with the United States mail, postage prepaid, certified mail return receipt requested, to the parties addressed as follows:

23. Holidays and Weekends. If the final date of any period set forth herein shall fall upon a Saturday, Sunday or recognized legal holiday in the state of Utah, then the time period related thereto shall be extended to the next day which is not a Saturday, Sunday or recognized legal holiday.

24. Landlord's Representations and Covenants. Landlord hereby represents, covenants and warrants that:

24.1. It is possessed of fee simple and marketable title to the Property and has the authority to enter into this Lease and consummate the transactions described herein. The transaction contemplated herein will not breach any agreement, written or oral, to which Landlord is a party;

24.5. That, as of the Signing Date of this Lease, there are no liens of any nature, other than property taxes for the current calendar year, or unpaid items which could, with the passage of time, become a lien against the Property.

25. Miscellaneous Provisions.

25.1. Waiver and Cumulative Remedies. The waiver by Landlord of the breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding default by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular rental so accepted, regardless of Landlord's knowledge of such preceding default at the time of the acceptance of such Rent. No remedy or election hereunder shall be deemed exclusive but shall, whenever possible, be cumulative with all other remedies at law or in equity.

25.2. Quiet Possession. Upon its paying the Rent reserved hereunder and observing and performing all of the covenants, conditions and provisions on Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the Premises for the entire term hereof, subject to all of the provisions of this Lease. Landlord specifically covenants that during the term of this Lease and any extensions thereunder it shall not allow any lien, encumbrance, mortgage or related impediment created by Landlord, to voluntarily, to interfere with Tenant's Estate or the business operations pursued thereunder by Tenant or its Subtenants.

25.3. Prior Agreements, Lease Amendments and Time Effective. This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreements or understandings pertaining to any such matters shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto and their respective successors in interest. This Lease shall not be effective or binding on either party until fully executed by both parties hereto.

25.4. Inability to Perform. In the event that either party hereto shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, lockouts, labor troubles, inability to procure materials, failure of power, restrictive governmental laws or regulations, riots, insurrection, war or other reason not the fault of the party delayed, then performance of the action in question shall be excused for the period of delay and the period of performance of such act shall be extended for a period equivalent to the period of such delay.

25.5. Severability. If any one or more of the provisions of this Lease or any application thereof shall be invalid, illegal or unenforceable in any respect, the validity, legality or enforceability of the remaining provisions of this Lease and any other application thereof shall not in any way be affected or impaired.

25.6. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of Utah.

25.7. Landlord's and Tenant's Statement. Landlord and Tenant shall at any time and from time to time, within five (5) days after receiving written request therefor,

Handwritten signature and initials BKT

execute, acknowledge, and deliver to the requesting party a statement in writing (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease as so modified is in full force and effect, and the date to which the rental and other charges hereunder have been paid, and (b) certifying that there are not any defaults on the part of the requesting party, or specifying such defaults if any are claimed, and (c) setting forth the term hereof, and (d) setting forth such other matters as may be reasonably requested. Any such statement may be relied upon by any prospective Subtenant or other party in interest of all or any portion of the Property

25.8. Non Disturbance. Landlord shall also issue a commercially reasonable non-disturbance and attornment agreement (a "Non-Disturbance Agreement"), to each Subtenant of a Sublease requesting same, which Non-Disturbance Agreement shall require such Subtenant to acknowledge in writing to the effect that this Lease is prior to and paramount to the Sublease, and providing that Landlord shall recognize the Sublease and not disturb the Subtenant's possession thereunder so long as Subtenant is not in default under its Sublease and agrees to attorn to Landlord for the balance of the term of such Sublease with the same force and effect as though said Sublease were originally made directly from Landlord to the Subtenant. Any such Non-Disturbance Agreement may condition the Subtenant's right to non-disturbance on Landlord's continued receipt of Rent in the amount provided herein. In addition, such Non-Disturbance Agreement shall not prohibit the right of the Landlord to (or to require Tenant to) demolish Improvements on the Property other than the premises under Sublease to which such Non-Disturbance Agreement relates.

Handwritten signature and initials. The signature is a stylized cursive mark, and the initials "BKT" are written in a bold, blocky font to the right of the signature.

Notwithstanding anything contained herein to the contrary, Landlord agrees to provide, as part of any Non-Disturbance Agreement, reasonable assurances to a Subtenant upon its request, which may include the following: (1) Confirmation that the Lease is in effect, was properly executed and is not in default, and that no modifications to the Lease have occurred except as may be noted; (2) Subtenant's intended use of the Premises will not be in violation of the Lease; (3) Landlord will provide written notice to the Subtenant of notices to the Tenant including a notice of default by Tenant under the lease, together with a reasonable opportunity to cure such default; (4) That upon termination of the Lease or the Sublease, that Subtenant shall have the right to remove trade name indicia (including external and internal signage), trade fixtures and improvements as well as furniture, fixtures, equipment and other personal property of the Subtenant; (5) The covenants made by Landlord under any non-disturbance agreement shall inure to the benefit of Landlord, the Subtenant and their respective legal representatives, successors and assigns; (6) For those subleases with substantial or prominent Subtenants who have a general reputation for success and viability and who have received prior written approval by the Landlord of such a sublease (hereinafter called "Approved Sublease"), termination of the Lease, by cancellation or otherwise, prior to termination or expiration of the Approved Sublease, shall not serve to cancel the Approved Sublease, but rather shall operate as an automatic assignment to and assumption by Landlord of such an Approved Sublease. Approval by the Landlord under this paragraph 25.8(6) may not be unreasonably withheld. In the event that Tenant or a Subtenant presents to Landlord a Sublease for its approval, Landlord agrees to promptly

BKT

review the Sublease or applicable agreement and, within seven days of receipt, to respond to the request for approval.

26. Attorney Fees. If any action is brought to recover any Rent or other amount under this Lease, or because of any default under or to enforce or interpret any of the provisions of this Lease, or for recovery of possession of the Property, the party prevailing in such action shall be entitled to recover from the other reasonable attorney fees (including those incurred in connection with any appeal), the amount of which shall be fixed by the court and made a part of any judgment rendered.

27. Legal Counsel. Both Landlord and Tenant have negotiated this Lease, and have had the opportunity to be advised by competent legal counsel respecting each and every provision contained herein, and each has had the opportunity to approve each and every provision herein. Both Landlord and Tenant believe that the Lease is the product of all their efforts, that it expresses their agreement, and that it should not be interpreted in favor of or against either Landlord or Tenant merely because of their efforts in preparing this Lease.

28. Confidentiality. Landlord will treat the monetary and operating terms and conditions of this Lease as confidential and will not divulge same to any person. Landlord will not furnish copies of any part of this Lease to any person except his own legal and financial accounting advisors without the written permission of Tenant which shall not be unreasonably withheld. Notwithstanding anything elsewhere herein to the contrary, Landlord's permission shall not be required with respect to Tenant's disclosure to any financial institution considering any financing for Improvements to be placed on the Property. Tenant shall have the right to record this Lease or a memorandum of the

29. Miscellaneous. All Exhibits, addenda, riders, and provisions, if any, attached to this Lease are a part hereof. Either party, upon the request of the other, agrees to execute, in recordable form, a memorandum or short form hereof. The headings and titles of the various provisions of this Lease shall have no effect upon the construction or interpretation of any part hereof as used in this Lease. The singular shall include the plural, the plural shall include the singular, the whole shall include each part thereof, and any gender shall include the other genders. MEMORANDUM OF LEASE

THIS MEMORANDUM OF LEASE is dated December 12, 2008, by and between NIMBUS PROPERTIES, LC, a Utah limited liability company ("Landlord"), and DW ASSOCIATES, L.L.C., a Utah limited liability company ("Lessee").

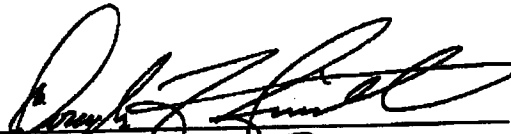

Notice is hereby given that DW Associates, LLC is the lessee of that certain real property described on Exhibit "A" hereto, pursuant to that certain Ground Lease dated January 12, 2007, originally made between Landlord and DJ SMITH INVESTMENTS LC, a Utah limited liability company ("DJS"), and WGT AMERICAN FORK LLC, a Utah limited liability company ("WGT"), which original ground lease was partially assigned to WGT and modified on November 9, 2007, which was clarified by Addendum 1 to the Ground Lease dated August 30, 2008, and which was subsequently assigned by an Assignment and Assumption of Lease dated the 10th day of December, 2008 by DJS and WGT to DW ASSOCIATES, L.L.C., a Utah limited liability company (hereinafter together called the "Lease"). The Lease was then assigned as collateral to Brighton Bank by virtue of a Collateral of Assignment of Ground Lease and Landlord's Consent signed December 10th, 2008, and made effective November 17, 2008. The Lease grants to Lessee the right to possess the real property upon the terms and conditions of the Lease, and further provides the terms of an option under which Lessee may purchase the property.

The foregoing constitutes only a few selected provisions of the Lease, and interested parties should obtain a complete copy of the Lease from Landlord and/or Tenant and carefully review all provisions thereof.
