ARTICLE III. THE ASSOCIATION

1. **Membership.** Each Owner shall be entitled and required to be a Member of the Association. Membership will begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Unit is held by more than one person, the membership appurtenant to that Unit shall be shared by all such persons in the same proportionate interest and by the same type of tenancy in which title to the Unit is held. An Owner shall be entitled to one membership for each Unit owned by him. Each membership shall be appurtenant to the Unit to which it relates and shall be transferred automatically by conveyance of that Unit. Ownership of a Unit within the Project cannot be separated from membership in the Association appurtenant thereto, and any devise, encumbrance, conveyance or other disposition of such Unit shall automatically constitute a devise, encumbrance, conveyance or other disposition of the Owner's membership in the Association and rights appurtenant thereto. No person or entity other than an Owner may be a Member of the Association and membership in the Association may not be transferred except in connection with the transfer of a Unit. The Association shall make available to the Owners, Mortgagees and the holders, insurers and guarantors of the First Mortgage on any Unit current copies of the Declaration, Articles, Bylaws and other rules governing the Project, and other books, records and financial statements of the Association. The term "available" as used in this Section 1 shall mean available for inspection, upon request during normal business hours or under other reasonable circumstances.

2. **Board of Trustees.** Until such time as the responsibility for electing the Board of Trustees of the Association is turned over to the Owners, the Declarant shall have the exclusive right to appoint and remove all such Trustees. This exclusive right of the Declarant to appoint the Trustees shall terminate after the first to occur of the following:

A. Three years from the date on which the first Unit in the Project is conveyed:

Or

B. Four months after ten (10) of the Units have been conveyed by Declarant.

3. **Votes.** Each Member shall be entitled to one vote appurtenant to his or her Unit. In the event that there is more than one Owner of a particular Unit the votes relating to such Unit shall be exercised as such Owners may determine among themselves. No Unit shall have more than one vote, regardless of the number of persons having an ownership interest in the Unit. The votes cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the votes attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the votes involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists. The Declarant shall have full voting rights with respect to each Unit which it owns.

4. **Maintenance of Condominium Building Exteriors.** The Association shall maintain all Condominium Building Exteriors as follows: paint, repair, replacement and care of roofs, roof, joists, gutters, downspouts, foundations, exterior building surfaces, exterior doors and other

exterior improvements, as well as all trees, shrubs, grass, walks and steps located on or around a Unit. Such exterior maintenance shall not include glass surfaces included on any Unit. The Association shall by the right of entry to any Unit to perform emergency repairs or do other work necessary for maintenance of the Condominium Building Exteriors.

In the event that the need for maintenance or repair of the Condominium Building Exteriors is caused through the willful or negligent acts of its Owner(s), or through the willful or negligent acts of the guest, tenants, or invitees of the Owner(s) of the Unit needing such maintenance or repair, the cost of such exterior maintenance shall be immediately due and payable and added to and become a part of the assessment of which such Unit is subject.

5. Professional Management. The Association may carry out through the Manager those functions which are properly the subject of delegation. The Manager so engaged shall be an independent contractor and not an agent or employee of the Association, shall be responsible for managing the Project for the benefit of the Association and the Owners, and shall to the extent permitted by law and by the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself. Any such management agreement executed on or before the termination of Declarant's control of the appointment of the Board of Trustees as described in Section 2 of the Article III, may be terminated by the Association without cause at any time after termination of such control. The above term end termination provision shall not apply to any other types of service contracts.

6. Amplification. The provisions of this Section may be amplified by the Articles and the Bylaws; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the Owners set forth in this Declaration.

ARTICLE IV. PROPERTY RIGHTS IN COMMON AREAS AND UNITS

1. Easement of Enjoyment. Each Member shall have an undivided interest right and easement of use and enjoyment in and to the Common Areas with limitations identified herein. Each Owner shall have an unrestricted right of ingress or egress to and from its Unit over and across such Common Areas. Such rights and easements shall be appurtenant to and shall pass with title to each Unit and in no event shall be separated therefrom.

Any Member may delegate the right and easement of use and enjoyment described herein to any guest, tenant lessee, contract purchaser, or other person who occupies or utilizes such Member's Unit.

2. Easements for Encroachments. In the event the construction, reconstruction, repair, shifting, settlement or any other movement of any portion of the improvements causes any part of a Unit built in substantial accord with the boundaries for such Unit as depicted on the Plat to encroach upon the Common Areas, or upon an adjoining Unit, or if any part of the Common Areas encroaches or shall encroach upon a Unit for any such reasons, an easement for such encroachment and for the maintenance of the same shall and does exist. B. The right of the Association to (i) impose reasonable limitations on the number of guests per member who at any given time are permitted to use the Common Areas; and (ii) allocate and/or assign specific parking spaces to each Owner based on an equal number per unit, as may be reasonably necessary;

The right of any governmental or quasi-governmental body having jurisdiction over the Property to access, and rights of ingress and egress over and across any street parking area, walkway, or open area contained within the property for purposes of providing police and fire protection and other governmental or municipal service;

The cost of reasonable repair and maintenance of a Party Wall shall be shared equally by the Owners who make use of such Party Wall. If a Party Wall is destroyed or damaged by fire or other casualty, the provisions of Article VII hereof shall apply. Notwithstanding any other provision of this Section, an Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to Such Owner's successors in title.

5. Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Unit may describe the interest or estate involved substantially as follows:

"Unit No. _____ of Custom Industrial Complex, together with all improvements located thereon, as said Unit is identified in the Plat of said development and in the Declaration of Covenants, Conditions and Restrictions of Custom Industrial Complex both recorded in the Recorder's Office of Salt Lake County, State of Utah. Together with a right and easement to use and enjoyment in and to the Common Areas described, and as provided for, in said Declaration of Covenants, Conditions and Restrictions."

6. Transfer of Title. The Declarant agrees to cause the conveyance to the Association of title to the Common Area A, reserving the right to convert Common Area B and Common Area C into units or convey to the Association at the Declarant's option.

ARTICLE V. ASSESSMENTS

1. Agreement to Pay Assessments. The Declarant for each Unit owned by it within the Project and each Owner of any Unit by the acceptance of instruments of conveyance and transfer therefore, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other and with the Association to pay to the Association all assessments made by the association for the purposes provided in this Declaration. Such assessments shall be fixed, established and collected from time to time as provided in this Article V. In any event, all Units shall be allocated the then-applicable assessments upon conveyance of the first Unit.

A. From and after January 1st of the year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be increased each year by up to fifteen percent (15%) above the maximum assessment for the previous year without a vote of the membership.

B. From and after January 1st of the year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be increased above fifteen percent (15%) only by a vote of at least two-thirds (2/3) of the votes (determined in accordance with Section 3 of Article III) of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

C. The Board may fix the annual assessment at an amount not in excess of the maximum.

2. Annual Assessments. Annual assessments shall be computed and assessed against all Units in the project as follows:

A. Common Expense. Annual assessments shall be based upon advance estimates of the Association's cash requirements to provide for payment of all estimated expenses arising out of or connected with the maintenance and operation of the Common Areas, the Condominium Building Exteriors, and furnishing common utility services and other common items to the Units. Such estimated expenses may include, without limitation, the following: expenses of management; real property taxes and special assessments on the Common Areas (and the Units until the Units are separately assessed); premiums for all insurance that the Association is required or permitted to maintain hereunder, repairs, maintenance and cleaning of the Common Areas and Condominium Building Exteriors; landscaping; snow removal; wages of Association employees, including fees for a Manager, trash removal; utility charges, including charges for utility services to the Units to the extent not separately metered or billed; legal and accounting fees; any deficit remaining from a previous period; creation of any adequate contingency reserve fund for maintenance repairs, and replacement of those Common Areas and Condominiums Building Exteriors that must be replaced on a periodic basis, and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration. The aggregate of all such items shall constitute the Common Expense Fund. Two separate and distinct funds shall be created and maintained hereunder, one for operating expenses and one for capital expenses which together shall constitute the Common Expense Fund.

B. Apportionment. Common Expenses shall be evenly apportioned among and assessed to all Units and their Owners. The Declarant shall be liable for the amount of any assessments against units owned by it.

C. Annual Budget. Annual assessments shall be determined on the basis of a calendar year provided the first year shall begin on the date of the conveyance of the first Unity by Declarant. On or before each annual Owners Association meeting (the last Tuesday of each January) the Board of Trustees shall prepare and furnish to each Owner, or cause to be prepared and furnished to each Owner, an operating budget for that year. The budget shall itemize the estimated expenses of Common Expense for such year, anticipated receipts (if any) and any deficit or surplus from the prior operating period. The budget shall serve as the supporting document for the annual assessment for that year and as the major guideline under which the Project shall be operated during such annual period.

D. Notice and Payment. Except with respect to the first year, the Board of Trustees shall notify each Owner in writing as to the amount of the annual assessment against his or her Unit at the annual Owners' meeting, or as soon as reasonably practical after the annual Owners' Association meeting. Except as otherwise provided by the Board, each annual assessment shall be payable in two (2) equal semi-annual installments, the first installment being due on or before February 15th, and the second installment being due on or before July 1st; provided, however, the annual assessment for the first year shall be based upon such portion of the first year. All unpaid installments of any annual assessment shall bear interest at the rate established by the Board not to exceed eighteen percent (18%) per annum from fifteen (15) days after the date each such installment becomes due until paid. The Board of Trustees shall also have the right to assess a late fee of up to five percent (5%) of any assessment installment not paid within fifteen (15) days following the due date thereof. The failure of the Board of Trustees to give timely notice of any annual assessment as provided herein shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay such assessment or any other assessment.

E. Inadequate Funds. In the event that the Common Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Owner's assessment, the Board of Trustees, may, on behalf of the Association, levy additional assessments in accordance with the procedure set forth in Article V, Section 3 below, except that the vote therein specified shall be unnecessary.

3. Special Assessments. In addition to the annual assessments authorized by this Article, the Board of Trustees may, on behalf of the Association levy at any time and from time to time, upon the affirmative vote of at least two-thirds (2/3) of the voting power of the Association in person or by proxy at a meeting called for such purpose, special assessments payable over such periods as the Board of Trustees may determine, for the purpose of defraying, in whole or in part, the cost of any conversion, expansion, construction or reconstruction, unexpected repair or replacement of the Project or any part thereof or for any other expenses incurred or to be incurred as provided in this Declaration (including, without limitation, Common Expenses). This Section shall not be construed as an independent source of authority for the Association to incur expenses but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections or Articles hereof. Any amounts assessed pursuant hereto shall be assessed to Owners in accordance with the assessment equally allocated to each Unit. Notice in writing of the amount of each such special assessment and the time for payment thereof shall have been given promptly to the Owners; no payment shall be due less than fifteen (15) days after such notice shall have been given. All unpaid portions of any special assessment shall bear interest at the rate established by the Board not to exceed eighteen percent (18%) per annum from the date such portions become due until paid. All funds received from assessments under this Section shall be part of the Common Expense Fund. In connection with any such special assessment, if the Declarant is only

obligated to pay twenty-five percent (25%) of the annual assessment attributable to Units it owns pursuant to Section 4 below, it shall only be required to pay twenty-five percent (25%) of the special assessment otherwise attributable to each such Unit. The provisions of this Section are not intended to preclude the assessment, collection or use of annual assessment for the aforesaid purposes.

4. Rate of Assessment. The amount of any annual or special assessment against each Unit shall be fixed at a rate based on the assessment equally allocated to each Unit.

5. Notice and Quorum for Any Action Authorized Under Sections 1 and 3. Written notice of any meeting called for the purpose of taking any action authorized under Sections 1 or 3 of this Article shall be sent to all Members no less than thirty (30) days not more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or proxies entitled to cast one-half (1/2) of all the votes (exclusive of suspended voting rights) of Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

6. Lien for Assessments. All sums assessed to Owners of any Unit within the Project pursuant to the provisions of this Article V, together with penalties and interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association. To evidence a lien for sums assessed pursuant to this Article V, the Board of Trustees may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit and a description of the Unit. Such a notice shall be signed and acknowledged by a duly authorized officer of the Association and may be recorded in the Office of the County Recorder of Salt Lake County, State of Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by sale or foreclosure conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or judicial foreclosure of deeds of trust or mortgages or in any other manner permitted by law. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding (including reasonable attorney's fees), and such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association an assessment against the Unit which shall become due during the period of foreclosure, and all such assessments shall be secured by the lien being foreclosed. The Board of Trustees shall have the right and power on behalf of the Association to bid in at any foreclosure sale and to hold, lease, mortgage or convey the subject Unit in the name of the Association.

7. Personal Obligations of Owner. The amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner of such Unit to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of this Unit or by waiving any services or amenities provided for in this Declaration. In the event of any suit to recover a money judgment of unpaid assessment hereunder, the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including reasonable attorney's fees.

8. Personal Liability of Purchaser. The personal obligation of an Owner to pay unpaid assessments against his Unit as described in Section 7 of this Article V shall not pass to

successors in title unless assumed by them. Provided, however, a lien to secure unpaid assessments shall not be affected by the sale or transfer of the Unit unless foreclosure by a First Mortgagee is involved, in which case the foreclosure will extinguish the lien for any assessments that were payable before the foreclosure sale, but shall not relieve any subsequent Owner from paying further assessments.

9. Reserves and Working Capital. In addition to its day-to-day operating funds, the Association shall establish the following funds:

A. Reserve Fund. The Association may in its sole discretion establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Areas and Condominium Building Exteriors the Association is obligated to maintain, repair or replace. The reserve fund shall be maintained out of regular assessments for Common Expenses.

B. Working Capital Fund. The Declarant shall establish and maintain for the Project, a working capital fund equal to at least twenty percent (20%) of the annual assessment of each Unit. Each Unit's share of the working capital fund must be collected and transferred to the Association at the time of the closing of sale of that Unit. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Unit shall be paid by the Declarant to the Association within one hundred twenty (120) days after the date of the conveyance of the first Unit in the Project. With respect to each Unit for which the Declarant pays the contribution to the working capital fund, Declarant shall be reimbursed for such contribution by the purchaser of such Unit at the time of the closing of the sale to such purchaser. The working capital fund need not be maintained in a segregated account. The purpose of the working capital fund is to ensure that the Association will have cash available to meet initial operating expenses and unforeseen expenditures, to acquire additional equipment or services deemed necessary or desirable by the Association and to provide any needed funds during the first two (2) months of each year while the Association awaits receipts of the annual assessment payments from the Owners. Amounts paid into the working capital fund are not to be considered advance payments of any regular assessment. The working capital fund shall be transferred to the Association for deposit to a segregated fund when control of the Association is transferred to the Owners. The Declarant shall not use the working capital fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association.

10. Evidence of Payment of Annual and Special Assessments. Upon receipt of a written request by a Member or any other person, the Association within a reasonable period of time thereafter shall issue to such Member or other person a written certificate stating (a) that all annual and special assessments (including interest, costs and attorney's fees, if any, as provided in Section 2 above) have been paid with respect to any specified Unit as of the date of such certificate, or (b) if all annual and special assessments have not been paid the amount of such annual and special assessments (including interest, costs and attorney's fees, if any) due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issues as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or Mortgagee on, the Unit in question.

ARTICLE VI. OPERATION AND MAINTENANCE

1. Maintenance of Units. Each Unit shall be maintained by the Owner thereof so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Unit, including heating each Unit sufficient to keep water from freezing. The Association shall have no obligation regarding maintenance or care of Units except as set forth in Section 2 of this Article VI or elsewhere in this Declaration.

2. Operation and Maintenance by Association. The Association shall provide for such maintenance and operation of Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Units and to keep them clean, functional, attractive and generally in good condition and repair. The Association shall also provide for the maintenance of all Condominium Building Exteriors. The expenses incurred by the Association for such purposes shall be paid for with funds from the Common Expense Fund.

3. Utilities. The Owner shall pay for all utility services furnished to each Unit except utility services which are not separately billed or metered to individual Units by the utility or other party furnishing such service. The Association shall pay such bills which are not separately metered and charge an appropriate share to each Unit and Owner as part of the Common Expenses.

4. Insurance. The Association shall at all times maintain in force insurance meeting the following requirements:

A. Hazard Insurance. A "master" or "blanket" type policy of property insurance shall be maintained covering the entire Project, including: Common Areas; all Condominium Buildings including all Units (other than the interior content thereof); fixtures, building service equipment, personal property and supplies comprising a part of the Common Areas or owned by the Association, and which are of a class typically encumbered by Mortgages held by FNMA or other similar institutional Mortgage investors; but excluding land, foundations, excavations, and other items normally not covered by such policies. References herein to a "master" or "blanket" type policy of property insurance are intended to denote single entity insurance coverage. As a minimum, such "master" or "blanket" policy shall afford protection against loss or damage by fire, by other perils normally covered by the standard extended coverage endorsement, and by all other perils which are customarily covered with respect to projects similar to the Project in construction, location, and use, including (without limitation) all perils normally covered by the standard "all risk" endorsement, where such endorsement is available. Such "master" or "blanket" policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all elements of the Project covered by such policy, exclusive of land, foundations, excavation, and other items normally excluded from coverage. The insurance policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement (under which the insurer agrees to replace the insurable property regardless of cost) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance); or (2) a Replacement Cost Endorsement (under which the insurer agrees to pay up to one hundred percent (100%) of the property's insurable replacement costs but no more) and, if the policy includes a co-insurance clause, an Agreed Amount Endorsement (which waives the requirement for co-insurance). The maximum deductible amount for such policy covering the Common Areas shall be the lesser of Ten Thousand Dollars (\$10,000) or one percent (1%) of the policy face amount. However, for losses related to individual Units that are covered by such a policy, the deductible related to each individual unit shall be One Thousand Dollars (\$1,000). Funds to cover these deductible amounts shall be included in the Association's operating reserve account.

B. Flood Insurance. If any part of the Project is or comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a "master" or "blanket" policy of flood insurance policy shall be maintained covering the Condominium Buildings, any machinery and equipment that are not part of a Condominium Building and all Common Areas within the Project (hereinafter "Insurable Property") in an amount deemed appropriate, but not less than the lesser of (1) the maximum limit of coverage available under the National Flood Insurance Administration Program for all Condominium Buildings and Insurable Property within any portion of the Project located within a designated flood hazard area; or one hundred percent (100%) of the insurable value of all such facilities. The maximum deductible amount for any such policy shall be the lesser of Five Thousand Dollars (\$5,000) or one percent (1%) of the policy face amount.

(i) The name of the insured under each policy required to be maintained by the foregoing Items A and B shall be the Association for the use and benefit of the individual Owners. (Said Owners shall be designated by name, if required.) Notwithstanding the requirement of the two immediately foregoing sentences, each such policy may be issued in the name of an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners. Loss payable shall be in favor of the Association (or Insurance Trustee), as a trustee for each Owner and each such Owner's Mortgagee. If FNMA's servicer is named as mortgagee in such mortgage clause, such servicer's name shall be followed therein by the phrase "its successors and assigns." In addition, such mortgage clause or another appropriate provisions of each such policy shall provide that the policy may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association and to each Mortgagee which is listed as a scheduled holder of a Mortgage in the policy.

Common Areas, Condominium Building Exteriors, public ways in the Project, including any dedicated trail system(s), all other areas of the Project that are under the Association's supervision, and commercial spaces owned by the Association, if any whether or not such spaces are leased to some third party. D. Insurance Trustees and General Requirements Concerning Insurance.

Notwithstanding any of the foregoing provisions and requirements relating to property or liability insurance, there may be names as an insured on behalf of the Association, the Association's authorized representative, including any trustee with whom the Association may enter into any insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance. Each Owner hereby appoints the Association, or any Insurance Trustee or substitute Insurance Trustee designated by the Association, as his or her attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof, the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or any Insurance Trustee, shall receive, hold, or otherwise properly dispose of any proceeds of insurance in trust for the use and benefit of the Owners and their Mortgagees, as their interests may appear.

Each insurance policy maintained pursuant to the foregoing Sections A, B, and C shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a B general policyholder's rating or a financial performance index of 6 or better in the Best's Key Rating Guide or an A or better rating from Demotech, Inc., or which is written by Lloyd's of London. No such policy shall be maintained where: (1) under the terms of the carrier's charter, bylaws, or policy, contributions may be required from, or assessments may be made against, an Owner, a Mortgagee the Board, the Association, FNMA the designee of FNMA; (2) by the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members; or (3) the policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Board, the Association, an Owner of FNMA) from collecting insurance proceeds. The provisions of this Section D and of the foregoing Sections

A, B, and C shall not be construed to limit the power or authority of the Association to obtain and maintain insurance coverage in addition to any insurance coverage required hereunder in such amounts and in such forms as the Association may deem appropriate from time to time.

E. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the Project which may have been damaged or destroyed. In addition, such policies shall be reviewed to determine their compliance with the provisions of this Declaration.

ARTICLE VII. DAMAGE OR DESTRUCTION

1. Association as Attorney in Fact. All of the Owners irrevocably constitute and appoint the Association their true and lawful attorney in fact in their name place and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by any grantee of a deed from the Declarant or from any Owner shall constitute an appointment by said grantee of the Association as his or her attorney-in-fact as herein provided. As an attorney-in-fact, the Association shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted. All insurance proceeds shall be payable to the Association except as otherwise provided in this Declaration.

2. Definition of Repair and Reconstruction. Repair and reconstruction of the improvements as used herein means restoring the project, to substantially the same condition in which it existed prior to the damage or destruction, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before.

3. Procedure. In the event all or any part of the Project is damaged or destroyed, the Association shall proceed as follows:

A. Notice to First Mortgagees. The Association shall give timely written notice to any holder of any First Mortgage on a Unit or who requests such notice in writing in the event of substantial damage to or destruction of any part of the Common Areas or a Unit subject to such First Mortgage.

B. As soon as practicable after an event causing damage to or destruction of any part of the Project, the Association shall obtain complete and reliable estimates of the costs to repair and reconstruct the part of the Project damaged or destroyed.

C. Sufficient Insurance. If the proceeds of the insurance maintained by the Association equal or exceed the estimated costs to repair and reconstruct the damaged or destroyed part of the Project, such repair and reconstruction shall be carried out.

D. Insufficient Insurance. Less than Seventy-Five Percent (75%) Destruction. If the proceeds of the insurance maintained by the Association are less than the estimated Costs to repair and reconstruct the damaged or destroyed part of the Project and seventy-five percent (75%) or more of the Project is damaged or destroyed, such repair and reconstruction shall nevertheless be carried out. The Association shall levy a special assessment sufficient to provide funds to pay the actual costs of such repair and reconstruction to the extent that such insurance proceeds are insufficient to pay such costs. Such special assessment shall be

allocated and collected as provided in Article V Section 3 hereof, except that the vote therein specified shall be unnecessary. Further levies may be made in like manner if the amounts collected (together with the proceeds of insurance) are insufficient to pay all actual costs of such repair and reconstruction.

E. Insufficient Insurance – Seventy-Five Percent (75%) or More Destruction. If the proceeds of the insurance maintained by the Association are less than the estimated costs to repair and reconstruct the damaged or destroyed part of the Project and if seventy-five percent (75%) or more of the Project is damaged or destroyed, such damage or destruction shall be repaired and reconstructed but only if within one hundred (100) days following the damage or destruction, Owners entitled to vote at least seventy-five percent (75%) of the votes of the Members vote to carry out such repair and reconstruction. If, however, the Owners do not within one hundred (100) days after such damage or destruction, elect by a vote of at least seventy-five percent (75%) of the votes of the Members to carry out such repair and reconstruction but rather elect to terminate the Project and if Eligible Mortgagees who represent at least fifty-one percent (51%) of the votes of Units subject to Mortgages held by Eligible Mortgagees approve such termination, the Association shall record in the office of the County Recorder of Salt Lake County, State of Utah, a notice setting forth such facts. Upon the recording of such notice, the following shall occur:

- (i) The Project shall be deemed to be owned in common by the Owners;
- (ii) Each Owner shall own an undivided interest in the project equal to such Owner's Common Expense allocation equally;
- (iii) Any liens affecting any of the Units shall be deemed to be transferred, in accordance with the existing priorities, to the undivided interest of the respective Owner in the Project; and
- (iv) *The Project shall be subject to an action for partition at the suit of any Owner, in which event the net proceeds of any sale resulting from such suit for partition, together with the net proceeds of the insurance of the Project if any, shall be considered as one fund and shall be divided among all Owners after first paying out of the respective share of each Owner, to the extent sufficient for the purposes, all liens on the undivided interest in the Project owned by such Owner. The division of funds shall be based on the fair market values of the Units immediately prior to the damage or destruction, and the Owners shall divide said funds based upon the relative value of the Units prior to the damage or destruction.*

In no event shall an Owner of a Unit or any other party have priority over the holder of any First Mortgage on such Unit with respect to the distribution to such Unit of any insurance proceeds.

4. Repair or Reconstruction. If the damage or destruction is to be repaired or reconstructed as provided above, the Association shall, as soon as practicable after receiving the said estimate of cost commence and diligently pursue to completion the repair and reconstruction of that part of the Project damaged or destroyed. The Association may take all necessary or appropriate action to effect repair and reconstruction, as attorney-in-fact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith, except as otherwise expressly provided herein. The Project shall be restored or repaired to substantially the same condition in which it existed prior to the damage or destruction, with each Unit and the Common Areas having the same vertical and horizontal

boundaries as before. Any restoration or repair of the Project after a partial condemnation or damage due to an insurable hazard, shall be performed substantially in accordance with the Declaration and the original architectural plans and specifications.

5. Disbursement of Funds for Repair and Reconstruction. If repair or reconstruction is to occur, the insurance proceeds held by the Association and any amounts received from assessments made pursuant to Section 3 D of this Article VII shall constitute a fund for the payment of costs of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in part for costs of repair and reconstruction shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair and reconstruction, such balance shall be distributed to the Owners equally.

6. Amendment of Article. This Article VII shall not be amended unless Owners entitled to vote at least seventy-five percent (75%) of the votes of the Members consent and agree to such amendment and such consent and agreement is reflected in an instrument duly executed by the Board of Trustees of the Association and recorded in accordance with the provisions of this Declaration.

ARTICLE VIII. CONDEMNATION

1. Condemnation. If at any time or times all or any part of the Project shall be taken or condemned by any public authority under power of eminent domain, the provisions of this article shall apply. A voluntary sale or conveyance of all or any part of the Project in lieu of condemnation, but under threat of condemnation, shall be deemed to be a taking by power of eminent domain. If any Unit or portion thereof or the Common Areas or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Board of Trustees shall give prompt written notice of any such proceeding or proposed acquisition to each Owner in the Project and to any First Mortgagee who has requested in writing notice thereof. The Association shall represent the Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Areas, or any part thereof, and each Owner hereby appoints the Association as such Owner's attorney or the purposes of such representation.

2. Proceeds. All compensation, damages and other proceeds from any such taking by power of eminent domain (hereinafter "Condemnation Award") shall be made payable to the Association and shall be distributed by the Board of Trustees, on behalf of the Association as herein provided.

3. Complete Taking. In the event the entire Project is taken by power of eminent domain, ownership pursuant hereto shall terminate and the Condemnation Award shall be allocated among and distributed to the Owners and the Owners shall divide the Condemnation Award based upon the relative values of the Units immediately prior to the condemnation. Such distribution shall be made by check payable joint to the respective Owners and their respective Mortgagees, as appropriate.

4. Partial Taking. In the event less than the entire Project is taken by power of eminent domain, the following shall occur:

A. Allocation of Award. As soon as practicable, the Board of Trustees shall, on behalf of the Association, reasonably and in good faith, apportion the Condemnation Award

between compensation, severance damages or other proceeds and shall allocate such apportioned amounts and pay the same to the Owners as follows:

(i) The total amount apportioned to taking of or injury to the Common Areas shall be allocated among and distributed to all Owners (including Owners whose entire Units have been taken).

(ii) The total amount apportioned to severance damages shall be allocated among and distributed equally to the Owners of those Units that have not been taken.

(iii) The respective amounts apportioned to the taking of or injury to a particular Unit shall be allocated and distributed to the Owner of such Unit.

(iv) The total amount apportioned to consequential damages and any other taking or injuries shall be allocated and distributed as the Association determines to be equitable under the circumstances;

(v) If apportionment or allocation is already established by negotiation, judicial decree, statute or otherwise, the Association shall employ such apportionment and allocation to the extent it is relevant and applicable;

(vi) Distribution of allocated proceeds shall be made by check payable jointly to individual Owners and their respective Mortgagees, as their interests may appear, and

(vii) No provision of this Article VIII or any other provision of this Declaration, the Articles or the Bylaws shall entitle the Owner of a Unit or other party to priority over any First Mortgagee holding such Unit with respect to the distribution to such Unit of the proceeds of any award, settlement or proceeds from any eminent domain or condemnation proceeding.

B. Continuation and Reorganization. If less than the entire Project is taken by power of eminent domain ownership pursuant hereto shall not terminate but shall continue. In such event the Project shall be reorganized as follows:

(i) If any partial taking results in the taking of an entire Unit, then the Unit Owner thereof shall cease to be a member of the Association and all voting rights shall terminate;

(ii) If any partial taking results in the taking of a portion of a Unit, then the voting rights appertaining to such Unit shall continue.

(iii) If any partial taking results in the taking of a portion of a Unit and there is a determination made by the Board of Trustees, after duly considering any recommendations, proposals or other input from the Owners, that such taking makes it impractical to use the remaining portion of such Unit, then all voting rights terminate and the remaining portion of such Unit shall thenceforth be part of the Common Areas;

(iv) The Board of Trustees after duly considering any recommendations, proposals or other input from the Owners, shall have the duty and authority to make all determinations and to take all actions necessary appropriate to effectuate reorganization of the Project under the provisions of this Section VII, 4 B; provided, however, that if any such

determination shall have been made or such action taken by judicial decree, the Board of Trustees shall defer thereto and proceed in accordance therewith.

C. Repair and Reconstruction. Any repair and reconstruction necessitated by condemnation shall be governed by the provisions specified in Article VII hereof for cases of Damage or Destruction; provided, however, that the provisions of said Article dealing with sufficiency or insufficiency of insurance proceeds shall not be applicable.

ARTICLE IX. TERMINATION

1. Required Vote. Except as otherwise provided in Article VII and Article VIII the Project may be terminated only by agreement of Owners entitled to vote at least two-thirds (2/3) of the votes attributable to all Units.

2. Termination Agreement. An agreement to terminate shall be evidenced by the execution or ratification of a termination agreement in the same manner as a deed, by the requisite number of Owners. Such an agreement to terminate shall also be approved by Eligible Mortgagees who represent at least two-thirds (2/3) of the votes of Units subject to First Mortgages held by Eligible Mortgagees. Such approval (and any other approval related to an amendment to this Declaration) shall be deemed given when an Eligible Mortgagee fails to submit a response within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested. The termination agreement shall specify a date after which the agreement will be void unless recorded before that date. A termination agreement, including all ratifications of such termination agreement, shall be recorded in Salt Lake County, State of Utah and is effective only on recordation.

3. Sale of Project. A termination agreement may provide that the entire Project shall be sold following termination. If, pursuant to the agreement, any real estate in the Project is to be sold following termination, the termination agreement shall set forth the minimum terms of the sale.

4. Association Duties. The Association, on behalf of the Owners, may contract for the sale of real estate in the Project, but the contract is not binding on the Owners until approved pursuant to Sections 1 and 2. If any real estate in the Project is to be sold following termination, title to that real estate on termination vests in the Association as Trustee for all Owners. Thereafter, the Association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the Association continues in existence with all powers it had before termination. Proceeds of the sale shall be distributed to Owners and Mortgagees as their interests may appear, based on the relative value of each Unit. Unless otherwise specified in the termination agreement, as long as the Association holds title to the real estate, each Owner and their successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted their Unit in accordance with the terms of this Declaration. During the period of that occupancy right, each Owner and their successors in interest remain liable for all assessments and other obligations imposed on Owners by this Declaration.

5. Following termination of the Project, the proceeds of any sale of real estate, together with the assets of the Association, shall be held by the Association as trustee for Owners and Mortgagees as their interests may appear. Following termination Mortgagees holding

Mortgages on the Units which were recorded before termination may enforce those liens in the same manner as any lienholder.

ARTICLE X. GENERAL USE RESTRICTIONS

6. Utility Easements. Easements for installation and maintenance of utilities are reserved. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities. Easements for the installation, repair and maintenance of utilities are also reserved within each Unit. It is contemplated that telephone, gas, water, fire sprinkling systems, electricity and other utilities may originate in one Unit and terminate in another Unit. A right of access to all such utilities is reserved to the Association and Owners and to all utility suppliers. In the event an Owner fails to maintain enough heat in his or her Unit to keep water pipes from freezing or any other utility lines from functioning properly, such right of maintenance shall include the right of the Association to heat such Unit, and the cost thereof shall become a lien against such Unit pursuant to Article V, Section 12.

7. Nuisances. 9. Temporary and Other Structures. No structures of a temporary nature, trailer, tent shack, shed, garage, barn or other outbuildings shall be allowed on the Property either temporarily or permanently at any time.

11. No Further Subdividing. No Unit or Common Areas may be further subdivided, nor may any easement or other interest therein less than the whole be conveyed by the Owner thereof without the prior written approval of the Association; provided, however, that nothing herein shall be deemed to prevent or require the approval of the Association for the transfer or sale of any Unit to more than one person to be held by them as tenants in common, joint tenants, or otherwise.

12. Signs. The following rules shall apply to signs:

14. No Hazardous Materials. Each Owner shall not cause or permit a Hazardous Substance to be used or stored, generated or disposed of on or in such Owner's Unit. If any Hazardous Substance is used, stored, generated or disposed of on or in any Owner's Unit or if an Owner's Unit becomes contaminated in any manner by such Owner (or its lessee), such Owner shall indemnify and hold harmless all others from any and all claims, damages, fines, judgments, penalties, costs, liabilities, or losses including, without limitation, a decrease in the value of the non-contaminated Units, damages caused by loss or restriction of usable space, or any damages caused by adverse impact on the marketing of the non-contaminated Units, and any and all sums paid for settlement of claims, attorney's fees, consultant and expert fees. If any activity or materials stored or used on the property result in an increase in the insurance premium for the Property, the Owner responsible must pay the increase in the premium, due at the time the premium is due. The cost of such increase shall be assessed against the Owner responsible therefore, and such assessment shall be secured by a lien on such Owner's Unit in favor of the Association in accordance with Article V, Section _____.

16. Repair of Buildings. No improvement upon the Property shall be permitted to fall into disrepair, and each such improvement shall at all times be kept in good condition and repair and adequately painted or otherwise finished by the Owner thereof or the Association as applicable.

17. Improvements and Alterations. Such antennas, if used, must be of the type that are installed within the natural building structure. In no case will any such receiving or sending antenna or other device be allowed to interfere with the peace and quiet enjoyment of any neighboring Unit, Owner's premises or equipment. Provided, however, Declarant and the Association reserve the right and option to install cable service lines and antennas as needed throughout the Project in connection with its development.

19. General Obligations. Each Owner shall enjoy and be subject to all rights and duties assigned to Owners pursuant to this Declaration. With respect to unsold Units, the Declarant shall enjoy the same rights and assumes the same duties with respect to each unsold Unit.

D. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 2 below or elsewhere herein.

2. Matters Requiring Prior Eligible Mortgagee Approval. Except as provided elsewhere in this Declaration, the prior written consent of Owners entitled to vote at least two-thirds (2/3) of the votes of the Units in the Association (unless pursuant to a specific provision of this Declaration the consent of Owners entitled to vote a greater percentage of the votes in the Association is required, in which case such specific provisions shall control) and Eligible

Mortgagees holding First Mortgages on Units having at least fifty-one (51%) of the votes of the Units subject to First Mortgages held by Eligible Mortgagees shall be required to:

A. Abandon or terminate the legal status of the Project after substantial destruction or condemnation occurs.

B. Add or amend any material provision of the Declaration, Articles, Bylaws or Plat which establishes, provides for, governs or regulates any of the following (an addition or amendment to such documents shall not be considered material if it is for the purpose of correcting technical errors or for clarification only).

- (i) voting rights**
- (ii) increases in assessments that raise the previously assessed amount by more than 25% assessment liens, or the priority of assessment liens;**
- (iii) reductions in reserves for maintenance, repair, and replacement of Common Areas;**
- (iv) responsibility for maintenance and repairs;**
- (v) reallocation of interests in the Common Areas, or rights to their use;**
- (vi) redefinition of any Unit boundaries;**
- (vii) convertibility of Units into Common Areas or vice versa;**
- (viii) expansion or contraction of the Project, or the addition, annexation, or withdrawal of property to or from the Project;**
- (ix) hazard or fidelity insurance requirements;**
- (x) imposition of any restrictions on the leasing of Units;**
- (xi) imposition of any restrictions on Owner's right to sell or transfer his or her unit;**
- (xii) a decision by the Association to establish self-management if professional management had been required previously by the Declaration or by an Eligible Mortgagee;**
- (xiii) restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified in the Declaration; or**
- (xiv) any provisions that expressly benefit Mortgagees, insurers or governmental guarantor.**

Any Mortgagee, Insurer or governmental guarantor who receives a written request from the Association to approve additions or amendments to the constituent documents and who fails to deliver or post to the Association a negative response within thirty (30) days shall be deemed to have approved such request, provided the written request was delivered by certified or registered mail, with a "return receipt" requested.

3. Availability of Project Documents and Financial Statements. The Association shall maintain and have current copies of the Declaration, Articles, Bylaws and other rules concerning the Project as well as its own books, records, and financial statements available for inspection by Owners or by holders, insurers, and guarantors of First Mortgages that are secured by Units in the Project. Generally, these documents shall be available during normal business hours.

The Association shall make an audited financial statement for the preceding fiscal year (if the Project has been established for a full fiscal year) available to the holder, insurer, or guarantor of any First Mortgage on submission of a written request for it. The audited financial statement shall be made available within 120 days of the Association's fiscal year end.

4. Subordination of Lien. The lien or claim against a Unit for unpaid assessments or charges levied by the Association pursuant to this Declaration shall be subordinate to the First Mortgage affecting such Unit if the First Mortgage was recorded before the delinquent assessment was due, and the First Mortgage thereunder which comes into possession of or which obtains title to the Unit shall take the same free of such lien or claim for unpaid assessment or charges, but only to the extent of assessments or charges which accrue prior to foreclosure of the First Mortgage, exercise of a power of sale available thereunder, or taking of a deed or assignment in lieu of foreclosure. No assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a First Mortgage or as not to burden a First Mortgage which comes into possession or which obtains title shall be collected or enforced by the Association from or against a First Mortgage, a successor in title to a First Mortgagee, or the Unit affected or previously affected by the First Mortgage concerned.

5. Payment of Taxes. In the event any taxes or other charges which may or have become a lien on the Common Areas are not timely paid, or in the event the required hazard insurance described in Paragraph A of Section 4 of Article VI lapses, is not maintained, or the premiums therefore are not paid when due, any Mortgagee or any combination of Mortgagees may jointly or singly, pay such taxes or premiums or secure such insurance. Any Mortgagee which expends funds for any of such purposes shall be entitled to immediate reimbursement therefore from the Association.

6. Priority. No provision of this Declaration or the articles gives or may give an Owner or any other party priority over any rights of Mortgagees pursuant to their respective Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for loss to or taking of all or any part of the Units or the Common Areas.

ARTICLE XII. MISCELLANEOUS

1. Notices. Any notice required or permitted to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly furnished if mailed postage prepaid to the person who appears as an Owner, at the latest address for such person, appearing in the records of the Association at the time of mailing. Additionally, the person and address to receive service of process on behalf of the Declarant is Thomas Poulos, 1745 Milestone Drive, Salt Lake City, Utah.

2. Term. This Declaration shall be effective upon the date of recordation hereof and, as amended from time to time, shall continue in full force and effect for a term of forty nine (49) years from the date this Declaration is recorded. From and after said date, this Declaration, as

amended, shall be automatically extended for successive periods of ten (10) years each, unless there is an affirmative vote to terminate this Declaration by seventy-five percent (75%) of the votes of the members cast at an election held for such purpose or otherwise approved in writing by such Members within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension.

3. Amendment. Except as provided in Article XII and elsewhere in this Declaration, any amendments to this Declaration shall require the affirmative vote or written approval of at least two-thirds (2/3) of the total votes of the Association. Any amendment authorized pursuant to this Section shall be accomplished through the recordation in the office of the Salt Lake County Recorder of an instrument executed by the Association. In such instrument an officer or Trustee of the Association shall certify that the vote required by this Section for amendment has occurred. Anything in this Article or Declaration to the contrary notwithstanding, Declarant reserves the unilateral right to amend all or any part of this Declaration to such extent and with such language as may be requested by FNMA and to further amend to the extent requested by any other federal, state or local governmental agency which requests such an amendment as a condition precedent to such agency's approval of the Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of any Unit(s) or any portions thereof. Any such amendment shall be affected by the recordation by Declarant of an amendment duly signed by or on behalf of the authorized officers of Declarant with their signatures acknowledged, specifying the federal, state or local governmental agency or the amendatory language requested by such agency or institution. Recordation of such an amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such amendment, when recorded, shall be binding upon all of the Project and all persons having an interest therein. It is the desire of the Declarant to retain control of the Association and its activities during the anticipated period of planning and development. If any amendment requested pursuant to the provisions of this Section deletes, diminishes or alters such control, Declarant alone shall have the right to amend this Declaration to restore such control. Within ten (10) years from the date of recording the Declaration, and so long as the Declarant is the Owner of any Unit in the Project, this Declaration may be amended or terminated only with the written approval of the Declarant. The Declarant alone may amend or terminate this Declaration prior to the closing of a sale of any Unit.

4. Rights of Action. The Association and any aggrieved Owner shall have a right of action against Owners who fail to comply with the provisions of the Declaration or the decisions of the Association. Owners shall have a similar right of action against the Association.

5. Declarant's Rights Assignable. The rights of Declarant under this Declaration or in any way relating to the Property may be assigned, whereupon the assignee of Declarant shall have all the rights of Declarant hereunder.

6. Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof and any gender shall include the other gender. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder thereof. **This Declaration shall be liberally construed to effect all of its purposes.**

7. Covenants to Run with Land. This Declaration and all of the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall

be binding upon and shall inure to the benefit of Declarant, all parties who hereafter acquire any interest in a Unit or in the Common Areas, and their respective grantees, transferees, heirs, devisees, personal representatives, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units or in the Common Areas shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments and determinations contemplated by this Declaration. By acquiring any interest in a Unit or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

8. List of Owners and Eligible Mortgagees. The Board shall maintain up-to-date records showing: (i) the name of each person who is an Owner, the address of such person, and the Unit which owned by him; (ii) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity and the Unit which is encumbered by the Mortgage held by such person or entity; and (iii) the name of each person or entity who is an insurer or governmental guarantor, the address of such person or entity, and the Unit which is encumbered by the Mortgage insured or guaranteed by such person or entity. In the event of any transfer of a fee or undivided interest in a Unit, either the transferor or transferee shall furnish the Board with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, State of Utah. The Board may for all purposes act and rely on the information concerning Owners and Unit ownership which is thus acquired by it or, at its option, the Board may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County Recorder of Salt Lake County, State of Utah. The address of an Owner shall be deemed to be the address of the Unit owned by such person unless the Board is otherwise advised.

9. Effective Date. This Declaration or any amendment or supplement hereto shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, State of Utah.
