GRANT OF EASEMENT AND AGREEMENT REGARDING PROTECTION STRIP

THIS GRANT OF EASEMENT AND AGREEMENT REGARDING PROTECTION STRIP (the "Agreement") is made and entered into as of this 12th day of September, 2008, by and between ZIONS FIRST NATIONAL BANK, a national banking association ("Zions"), with a mailing address of 10 East South Temple, 5th Floor, Salt Lake City, Utah 84133, Attention: Credit Management Department, in favor of MICRON TECHNOLOGY, INC., a Delaware corporation ("Micron"), as grantee, with offices located at 8000 South Federal Way, Boise, Idaho 83707.

RECITALS

WHEREAS, Zions is the owner of certain real property situated in Salt Lake and Utah Counties, Utah, as more particularly depicted and described in Exhibit "A", attached hereto and incorporated herein by this reference (collectively, the "Zions Properties"); and

WHEREAS, Micron is the owner of certain other real property situated in Utah County, Utah and located near or adjacent to the southern boundary of the Zions Properties, as more particularly depicted and described in Exhibit "B", attached hereto and incorporated herein by this reference (collectively, the "Micron Properties"); and

WHEREAS, in consideration of and in accordance with the provisions of that certain Settlement Agreement and General Release, executed contemporaneously, by and between SunCrest L.L.C., a Utah limited liability company ("SunCrest"), and Micron (the "Settlement Agreement"), Micron desires to prohibit pedestrian, vehicular and/or any other ingress to and egress from the Zions Properties over, across and upon the Micron Properties, and Zions, as successor in interest to SunCrest, desires to covenant and agree to such a prohibition, all subject to and in accordance with the terms and conditions of this Agreement.

GRANT OF EASEMENT

IN CONSIDERATION of the foregoing and the covenants, terms, conditions, and restrictions contained herein and pursuant to the laws of the State of Utah, Zions hereby grants to Micron, for the benefit of the Micron Properties, an exclusive protection strip easement over, across and upon the southernmost two (2) feet of the Zions Properties, which protection strip shall be contiguous with the northern boundary of the Micron Properties (as more particularly depicted and described in Exhibit "C", attached hereto and incorporated herein by this reference, the "Protection Strip Property"), for the purpose of prohibiting pedestrian, vehicular and/or any other ingress to or egress from the Zions Properties over, across and upon the Protection Strip Property and the Micron Properties, or any portion thereof (the "Protection Strip Easement"). In accordance with the foregoing grant, Zions covenants and agrees that it shall not grant any rights for or otherwise authorize any vehicular, pedestrian and/or any other ingress to or egress from the Zions Properties over, across or upon the Protection Strip Property or the Micron Properties or any portion thereof.

THE PARTIES FURTHER COVENANT AND AGREE AS FOLLOWS:

1. The Protection Strip Easement and this Agreement shall not be subject to any mortgage, deed of trust, lien or other encumbrance, other than encumbrances of record existing prior to the effective date of the Settlement Agreement or encumbrances or rights referred to herein.

2. In response to any breach or violation of this Agreement by Zions, Micron shall have the right to seek relief therefrom through injunctive proceedings with the imposition of temporary restraining orders or through any other legal means, it being understood and agreed that monetary damages and/or other non-injunctive relief would not adequately remedy the breach or violation of the covenants and restrictions of the Easement.

3. Micron's decision not to exercise any of its rights hereunder upon any breach by Zions of any of its covenants or obligations hereunder shall not be deemed or construed to be a waiver of Micron's rights hereunder as to such breach or any subsequent breach.

4. This Agreement is subject to the rights of any governmental entity or public utility to enter upon the Protection Strip Property for the construction, installation, operation or maintenance of subsurface utilities and related above surface facilities, other than any such subsurface or surface facilities designed or intended for pedestrian, vehicular or any other ingress and/or egress over, across, under or upon the Protection Strip Property.

5. The fact that Micron or any successor or assignee of Micron may obtain title to all or any portion of the Zions Properties, including without limitation, the Protection Strip Property, shall not cause a termination of the Protection Strip Easement by operation of the doctrine of merger or otherwise.

6. Immediately upon the execution hereof, Zions shall cause this Agreement to be recorded in the Office of the Recorder of Utah County, Utah and, if any of the Protection Strip Property is located in Salt Lake County, the Office of the Recorder of Salt Lake County, Utah, and, thereafter, deliver conforming copies of the recorded instruments, bearing legible recording information affixed thereto by such Offices, to Micron, and Micron may, under its own signature, re-record a copy of this Agreement at any time as may be required, in Micron's sole discretion, to preserve Micron's rights in or to this Agreement.

7. Any general rule of construction to the contrary notwithstanding, this Agreement shall be liberally construed in favor of the Protection Strip Easement and the other covenants and obligations specified in this Agreement to effect the purpose of this Agreement. If any provision in this Agreement is found to be ambiguous, an interpretation consistent with the purpose of this Agreement that would render the provision valid shall be favored over any interpretation that would render it invalid.

8. Invalidity of any one of the covenants or restrictions set forth in this Agreement by judgment or court order shall in no way affect all other provisions, which shall remain in full force and effect.

9. The covenants, terms, conditions, and restrictions of this Agreement shall inure to the benefit of, Micron and its successors, and assigns, shall be binding upon Zions and its successors and assigns, and shall continue as a servitude running in perpetuity with the Zions Properties and the Protection Strip Property.

10. The obligations imposed by this Agreement upon Zions and its successors and assigns shall be joint and several.

11. This Agreement shall be governed by and construed in accordance with the laws of the State of Utah.

12. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any parts thereof, and any gender shall include other genders.

Each of the foregoing genders and plurals is understood to refer to a corporation, limited liability company, partnership, or other legal entity when the context so requires.

13. This Agreement may be executed in counterparts, all of which taken together shall constitute one agreement, binding upon and inuring to the benefit of the parties hereof and their successors and assigns, notwithstanding all the parties are not signatories to the original or the same counterpart.

14. All Exhibits referred to herein and attached hereto are incorporated herein by this reference.

15. If any legal action or other proceeding is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any of the provisions of this Agreement, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees, and any other fees and costs incurred in the action or proceeding, including appeals, in addition to any other relief to which such party may be entitled.

16. The provisions of this Agreement are not intended to create, nor shall they be in any way interpreted or construed to create, a joint venture, partnership or any similar relationship between the parties.

17. The various rights and remedies of Micron herein contained shall not be considered as exclusive of any other right or remedy of such party, but shall be construed as cumulative and shall be in addition to every other remedy now or hereafter existing at law, in equity, or by statute. No delay or omission of the right to exercise any power by either party shall impair any such right or power, or be construed as a waiver of any default or as acquiescence therein.

18. This Agreement does not create any rights in any third parties.
