Ingress and Egress. Grantor hereby agrees that Syracuse City, (Grantee), their officers, employees, agents, representatives, contractors, and assigns shall have the right of ingress to and egress from the above described strip of property with such equipment as is necessary to install, maintain, operate, repair, inspect, protect, and connect other transmission utility mains and laterals, and remove and replace said facilities as may be required from time to time by Grantee.

Maintenance of Easement Utilities. Grantor shall not interfere with said facilities or with the discharge or the conveyance of water and sewer through any pipelines installed or maintained by the Grantee. Grantee shall have the right to excavate and have the obligation to refill and level ditches and/or trenches for the maintenance of said pipelines and appurtenant parts thereof. Except in emergencies, Grantee shall give Grantor reasonable advance notice prior to exercising its rights of ingress and egress.

Surface Installations in Permanent Easement. Grantor shall not build or construct or permit to be built or constructed any building, or permanent structure over or across said easement. Any such structure or building constructed or placed on the Utility Easement after the date of this Agreement may be removed by Grantee without liability for damages arising thereto. If grantor constructs or places any structure or building within the Utility Easement after the date of this Agreement, Grantor shall reimburse Grantee for all expenses associated with removing such structure or building. Such structures or buildings, which are prohibited on the Utility Easement, include but are not limited the following: dwellings, garages, barns, sheds, storage structures of any kind, playhouses or other play structures, outbuildings, gazebos, hot tubs, pools, dog runs, retaining walls, posts, or poles.

Surface Restoration. Grantee in constructing, maintaining, or altering the Surface Improvements within the Utility Easement, Grantee shall promptly restore, replace, or repair the surface of the Grantor's Improvements, including but not limited to landscaping, sprinklers, concrete, telephone lines, and power lines as near to their original condition as may be reasonably possible.

Binding Effect. This Utility Easement grant shall be binding upon and inure to the benefit of, the heirs, representatives, successors-in-interest and assigns of Grantors and the successors and assigns of Grantee and may be assigned in whole or in part by Grantee.

Nature of Easement. This Utility Easement shall be permanent and run with the land, and also be deemed to touch and concern the land. Exercise of any rights in the Utility Easement other than those retained by Grantor shall be within the sound discretion of Grantee.

In witness whereof, the parties hereto have executed this Agreement as of the day and year acknowledged below.
