III. CONDO ASSOCIATION

3.01 Membership and Assessments. Every person or entity who is the record fee simple owner of a Unit, including the Developer, at all times so long as it owns all or any part of the Property that is subject to this Declaration, shall be a Member of the Association; provided, however, that any person or entity who holds such interest as security for the performance of an obligation shall not be a Member. Membership shall be appurtenant to, and shall not be separated from ownership of any Unit. Each Owner, including any purchaser at a judicial or other sale, hereby covenants to pay to the Association a pro-rata share of all Common Expenses, including assessments or charges and any special assessments levied by the Association for the purpose of promoting the recreation, health, safety, and welfare of the Owners, including, without limitation, the costs and expenses related to the following:

- (1) Improvement, maintenance, and repair of the Common Areas;
- (2) Utility Services necessary for the Common Areas;
- (3) Landscape maintenance and snow removal for the Common Areas;
- (4) Culinary water and sewer services for the individual Units;
- (5) Maintenance and repair of all storm drains, irrigation, well, pump, or pump house, sanitary sewers, Common Area Park, private roads, or any easements shown on any of the Exhibits attached hereto;
- (6) Fire insurance covering the full, insurable replacement value of the Common Areas with extended coverage.
- (7) Liability insurance insuring the Association against any and all liability to the public, to any Owner, or to the invitees, or tenants of any Owner arising out of their occupation and/or use of the Common Area. The policy limit shall be set by the Association, and shall be reviewed at least annually and increased or decreased at the discretion of the Association;

- (8) Acquisition of furnishings and equipment for the Common Areas as may be determined by the Association, including without limitation, all equipment, furnishings, and personnel necessary or proper for the use of the Common Area; and
- (9) Any other materials, supplies, equipment, labor, management, supervision, services (including accounting, architectural, engineering and legal), personnel, repairs, structural alterations, insurance, taxes, or assessments which the Association is required to secure or pay pursuant to the terms of this Declaration, or by law, or which shall be necessary or proper in the opinion of the Board for the operation of the Common Areas, for the benefit of the Owners, for the management of the Association, or for the enforcement of these restrictions.

3.02 Annual Assessments. The annual assessment, excluding any special assessments for capital improvements or major repairs, shall be determined by the Association. The Board shall fix the assessments, which shall be in amounts determined in accordance with the projected financial needs of the Association. The decision of the Board with regard to such assessments shall be final and binding upon all Members. By the vote of two-thirds of the members of the Board, the amount of the assessments may be increased or decreased herein as set forth above. All regular and special assessments shall be at a uniform rate for each Unit; provided, however, that the portion of the regular assessment that is attributable to the water system may be apportioned based on the square footage of each Unit.

In the case of regular and special assessments, the Board shall fix the date of commencement, and the amount of the assessment against each Unit to be assessed at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Units and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by the Owners. Written notice of the assessment shall be sent to every Owner subject thereto not later than seven (7) days after fixing the date of commencement

thereof. The Association shall, on demand, and for a reasonable charge, furnish to the Owner liable for such assessment, a certificate in writing signed by an officer of the Association, setting forth whether an assessment has been paid. Such certificate shall be conclusive evidence of the payment or assessment therein stated to have been paid.

3.03 Special Assessments. In addition to the annual assessments described in Section 3.02, the Association may levy, in any Assessment Year, a specific assessment applicable to that year only, for the purpose of defraying, in whole or in part, the costs of any construction, reconstruction, or expected repairs or replacement of a capital improvement as approved by the Board, including the necessary fixtures and the personal property related thereto, provided that any such assessment shall have the prior approval of not less than two-thirds of the Members, which vote shall be pursuant to the Bylaws and the provisions of the Utah Nonprofit Corporation and Co-Operative Association Act.

3.04 Exterior Maintenance Assessments Against Individual Unit Owners. In addition to the maintenance of the Common Areas, the Association may provide maintenance to any Unit, when such maintenance is deemed necessary by a majority vote of the Board to preserve the beauty, quality, and value of the Condominiums. Such maintenance may include paint, repair, roof repair and replacement, gutters, downspouts, and exterior building surfaces. Notwithstanding the foregoing, the Board must provide the Owner of a Unit with ten (10) days written notice prior to providing such maintenance. Such notice shall specify the nature and cost of such maintenance. The cost of such maintenance shall be assessed against the Unit(s) for which such maintenance is performed, or, in the case of maintenance, the Unit which, in the opinion of the Board, is benefited by such maintenance. The assessment for maintenance shall

be apportioned to the Units involved in a manner determined to be appropriate by the Board. If no allocation is made, the assessment for maintenance shall be assessed against all of the Units in the affected area. The exterior maintenance assessment shall not be considered a part of the annual or special assessments. Any exterior maintenance assessment shall be a lien on the Unit(s) and the personal obligation of the Owner(s) and shall become due and payable in all respects, together with interest, reasonable attorneys fees and the cost of collection, as provided for the other assessments of the Association and shall be subordinate to mortgage liens as provided.

For the purpose of performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Unit(s) or the exterior of any improvements thereon, at reasonable hours during any day except Sunday, except in the case of an emergency, in which case a Sunday entry would be permissible.

3.05 Procedure for Levying Assessments. The assessments for which provisions are herein made shall commence on the first day of the month, or as fixed by the Board to be the Date of Commencement. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The due date of any assessment shall be fixed by a resolution of the Board authorizing such assessments; and any such assessments shall be payable in advance in monthly, quarterly, semi-annual, or annual installments, as determined by the Board.

3.06 Penalty for Non-Payment. If any assessment is not paid within thirty (30) days after the delinquency date, which shall be set by the Board, the assessment shall bear interest

from the date of delinquency at a rate of fifteen percent (15%) per annum, and the Association may, at any time thereafter, bring action to foreclose the lien against the Unit(s) in like manner of a foreclosure of a mortgage on real property and/or a suit on the personal obligation against the Owner(s) and there shall be added to that amount of such assessment, costs of any such action(s), (including reasonable attorneys fees and filing fees). Such assessment shall become a continuing lien on the Unit(s) against which such assessment is made and shall bind such Unit(s) in the hands of the Owner(s), his heirs, devisees, personal representatives, successors and assigns, and shall also be a continuing personal obligation of the Owner(s) against whom the assessment is levied. In the event judgment is obtained, such judgment shall include interest on the assessment, together with reasonable attorneys fees and all costs of the court action or any appeal thereof.

A lien to enforce the assessment for which provision is herein made, as well as any other provision of any Article of this Declaration, shall be subject to the lien of any first mortgage to a bank, life insurance company, federal or state savings and loan association, real estate investment trust or other lending entity. Such subordination shall apply only to the assessments which have become due and payable prior to the sale or transfer of such Unit pursuant to a decree of foreclosure, and in any other proceeding in lieu of foreclosure of such a mortgage. No such sale or transfer or proceeding of foreclosure shall relieve any Unit(s) from liability or assessment thereafter becoming due or from the lien of any subsequent assessment. The written opinion of the Developer or the Association that the lien is subordinate to the mortgage shall be dispositive of any question of subordination.

IV. MEMBERSHIP AND VOTING RIGHTS

4.01 Membership. Every Owner is a Member of the Association. The term "Owner" includes contract purchasers but does not include persons who hold an interest merely as security for the performance of an obligation unless and until title is acquired by foreclosure or similar proceedings. Membership is appurtenant to and may not be separated from Unit ownership. Membership in the Association automatically transfers upon transfer of title by the record Owner to another person or entity.

4.02 Qualification for Membership. No person, persons, entity or entities shall exercise the rights of Membership until satisfactory proof has been furnished to the secretary of the Association of qualification as a Member, or nominee of a Member. Such proof may consist of a copy of a duly executed and acknowledged warranty deed or title insurance policy showing said person, persons, entity or entities, or the person nominating him qualified in accordance therewith, in which event said deed or title insurance policy shall be deemed conclusive evidence in the absence of a conflicting claim based upon a later deed or title insurance policy.

4.03 Suspension of Membership. The rights of Members are subject to the payment of annual and special assessments levied by the Association. If a Member fails to make payment of any annual or special assessment levied by the Association within thirty (30) days after the same shall become due and payable, the voting rights of such Member may be suspended by the Board until such assessment has been paid. Rights of a Member may also be suspended for violation of any of the use restrictions. Rights of a Member also may be suspended after notice and hearing, for infraction of any of the published rules and regulations governing the use of the services, facilities or equipment of the Association, as such rules and regulations are established by the Board. Such suspension shall be for a period not to exceed sixty (60) days.

4.04 Voting Rights. The Association has two classes of voting membership:

- (1) **Class A:** Class A members are all Members other than the Developer. Class A Members are entitled to one vote for each Unit owned. When more than one person holds an interest in any Unit, the group of such persons shall be counted as one Member. The vote for such Unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Unit. If such co-owners are unable to unanimously agree as to how to vote, such Unit shall not be entitled to vote on such matter. A vote cast at any Association meeting by any of such co-owners, whether in person or by proxy, is conclusively presumed to be the vote attributable to the Unit concerned unless written objection is made prior to that meeting, or verbal objection is made at that meeting, by another co-owner of the same Unit. In the event an objection is made, the vote involved shall not be counted for any purpose except to determine whether a quorum exists.
- (2) **Class B:** The Class B member is the Developer. The Class B member is entitled to five (5) votes for each Unit owned. The Class B membership will be eliminated when the Developer sells his last Unit in the Condominiums. Note: This provision relating to classes of membership in the Association is not subject to modification, repeal, or amendment without the express written consent of Declarant and Developer.

V. ARCHITECTURAL CONTROL BY THE DESIGN REVIEW COMMITTEE

5.01 Architectural Control. No improvement or structure of any kind including, without limitation, any building, fence, well, drain, disposal system, signage, landscape device or object, or other improvements shall be commenced, erected, placed, or maintained upon any Unit, nor shall any addition, change or alteration therein or thereof be made, unless and until the plans, the specifications and location of same shall be submitted to, and approved in writing, by the Association. All plans and specifications shall be evaluated as to the harmony of the external design and locations in relation to the surrounding structures and topography and as to

conformance with the architectural plan and design guidelines of the Association as may from time to time be made and amended by the Association.

5.02 Design Review Committee. The architectural review and control functions of the Association shall be administered and performed by the Design Review Committee (the "DRC"), which shall consist of three members, who need not be Members of the Association. The Developer shall have the right to appoint, at its sole discretion, all or some of the members of the DRC, as long as it owns at least one Unit. Members of the DRC as to whom Developer may relinquish the right to appoint, and all members of the DRC after Developer no longer owns at least one Unit, shall be appointed by and shall serve at the pleasure of the Board. The majority of the DRC shall constitute a quorum to transact business at any meeting and the action of a majority present at a meeting at which the quorum is present shall constitute the action of the DRC. Any vacancy occurring on the DRC because of death, resignation, or other termination of service of any member thereof shall be filled by the Board, if the member whose service was terminated was originally appointed by the Board. Otherwise, the Developer shall fill any vacancy created by death, resignation, removal or other termination of service of any member of the DRC.

5.03 Powers of DRC. The DRC shall have the following powers and duties:

- (1) To recommend to the Board, from time to time, modifications and/or amendments to the Design Guidelines. Any modification or amendment to the Design Guidelines shall be consistent with the provisions of this Declaration and shall not be effective until adopted by a majority of the members of the Board, at a meeting at which a quorum is present and voting. Notice of any modification or amendment to the Design Guidelines, including a verbatim copy of such modification or amendment, shall be delivered to each Member of the Association, provided that delivery to each Member of the Association of the notice and a copy shall not constitute a condition precedent to the effectiveness or validity of such change or modification.

- (2) To require that each Owner submit to the DRC two complete sets of all plans and specifications for any improvements or structures of any kind, including, without limitation, any building, fence, wall, drain, signage, deck to a building, landscaping device, or other improvement, the construction or placement of which is proposed upon any Unit. The DRC shall also require each Owner to submit to the DRC samples of building materials proposed for use on any Unit, together with such additional information as may be necessary for the DRC to completely evaluate the proposed structural improvements in accordance with the Design Guidelines as specified in the Design Guidelines and in Article VI of this Declaration.
- (3) To approve or disapprove any structure of any kind, including, without limitation, building, fence, wall, drain, signage, deck to a building, landscaping device, or other improvement or changes in modification thereto the construction, erection, performance or placement of which is imposed upon any Unit and to disapprove or approve any additions, changes, modifications, or alterations therein or thereon. All decisions of the DRC shall be submitted to the Board, and evidence of such decisions may be made by certificate, in recordable form, executed under seal by the president or the vice president of the Association. Any party disagreeing with the DRC shall have the right to make a written request to the Board within thirty days of such a decision, for a review thereof. The determination of the Board shall in all events be dispositive.
- (4) To adopt a schedule of reasonable fees for processing requests for DRC approval of improvements. Such fees shall be payable to the Association, in cash or certified funds, at the time the plans and specifications are submitted to the DRC.

VI. DESIGN GUIDELINES AND GENERAL RESTRICTIONS

6.01 Design Guidelines. The Design Guidelines for North Park Industrial shall be as set forth from time to time by the Association.

6.02 Commercial Use. No Unit shall be used except for limited and light manufacturing, distribution, office, warehouse, or commercial retail use, subject to applicable zoning requirements that apply to the Condominiums.

6.03 Easements. Easements for the installation and maintenance of parking, utilities and drainage are reserved as shown on the Plat. Within these easements, no structure, planting,

or other material shall be placed or permitted to remain which may damage or interfere with the installation, maintenance, and use of the trails or utilities or which may change the direction of flow of drainage channels in the easement or which may obstruct or retard the flow of water through the drainage channel easements. The easement area of each Unit and all improvements on it shall be maintained continuously by the Owner of the Unit, except for 1) the improvements for which a public authority or public utility company is responsible and 2) the trails and other Common Areas for which the Association is responsible.

6.04 Nuisances. No offensive activity shall be performed or permitted upon any Unit, nor shall anything be done thereon which may be or may become a nuisance to the Condominiums, including emission of odors, sounds, or hazards.

6.05 No Temporary Building. No tents, trailers, vans, shacks, barns, or other out buildings, tanks, temporary or accessory building or structures shall be erected or be permitted to remain on any Unit or Common Area without the written consent of the Developer, or the Board after the Developer has conveyed the last Unit which the Developer owns in the Condominiums.

6.06 Signs. All signs must be approved by the Association.

6.07 Rubbish, Trash, and Garbage. No rubbish, trash, or garbage or any other waste materials shall be kept or permitted on any Unit or any Common Areas, except in sanitary containers located in the appropriate areas and concealed from public view.

6.08 Common Areas. Nothing shall be altered in, constructed on, or moved from any of the Common Areas unless approved in advance, by the Board.

6.09 Parking. Use and regulation of all parking spaces shall be determined by the Association. Except for parking spaces assigned by the Association to individual Units, all parking spaces shall be a part of the Common Area.

VII. ENFORCEMENT AND REMEDIES

7.01 Proceedings for Enforcement. The obligations, provisions, covenants, restrictions, or conditions contained in this Declaration or any supplemental or amended declarations, with respect to the Association or the Units, shall be enforced by Declarant or by any Owner of a Unit by a proceeding for a prohibitive or mandatory injunction. The obligations, provisions, covenants, restrictions and conditions contained in this Declaration or other supplemental declaration with respect to a person, entity, or property other than the Association or Declarant shall be enforced by the Declarant or the Association by a proceeding for mandatory injunction or a suit or action to recover damages or to recover any amount due or unpaid. If court proceedings are instituted in connection with this Declaration pursuant to the rights of enforcement and remedies provided in this Declaration, the prevailing party shall be entitled to recover costs and expenses in connection herewith, including reasonable attorneys fees.

7.02 Priority of First Mortgage or Deed of Trust. No violation or breach of any provision, restriction, covenant, or condition contained in this Declaration or any supplemental or amended declaration and no action to enforce the same shall defeat, render invalid, or impair the lien of any mortgage or deed of trust taken in good faith and for value and perfected by recording prior to the time of recording of an instrument giving notice of such violation or breach, against the title or interest of the holder thereof or the title acquired by any purchaser

upon foreclosure of any such mortgages or deed of trust. Any such purchaser shall, however, take subject to this Declaration or any supplemental or amended declarations except only that violations or breaches that occur prior to such foreclosure shall not be deemed breaches or violations hereof with respect to such purchaser, his heirs, personal representatives, successors, and assigns unless such violations or breaches continue thereafter.

7.03 Exculpation. Neither Declarant, the Association, the Board, the DRC, nor any member, agent, or employee of the same shall be liable to any party for any action or for any failure to act with respect to any matter if the action taken or failure to act was in good faith and without malice.

VIII. NECESSARY EXEMPTIONS FOR DEVELOPMENT

8.01 Exemption for Developer. Developer or the transferees of Developer shall undertake the work of developing all Units. The completion of that work and the sale, rent, or other disposition of the Units is essential to the establishment and welfare of the Condominiums as an ongoing commercial development. In order that such work may be completed and the Condominiums established as a fully occupied commercial project as soon as possible, nothing in this Declaration shall be understood or construed to prevent the Developer, Developer's transferees, or their respective employees, contractors, or sub-contractors from doing whatever they determine to be reasonably necessary or advisable for the completion of the work in the establishment of the Condominiums as a commercial development, and the disposition of the Units by sale, lease, or otherwise. The respective Owners, upon commencement of construction of any building, Unit or other structure which is not prohibited by the Declaration, shall pursue

the performance of any construction diligently and continuously until the construction of the structure involved is complete.

8.02 Right of First Refusal. So long as Developer owns at least one Unit, no Unit or interest in any Unit shall be sold or transferred unless and until the Owner of such Unit shall have first offered to sell such Unit(s) to Developer and Developer has waived in writing its right to purchase the said Unit. Any Owner intending to make a bona fide sale of his Unit or any interest therein shall give the Developer notice of such intention, together with a fully executed copy of the proposed contract of sale (the proposed contract). Within thirty days of receipt of such notice and information, the Developer shall either exercise, or waive exercise of, its right of first refusal. If Developer elects to exercise its right of first refusal, it shall, not more than thirty days after receipt of such notice and information, deliver to the Owner an agreement to purchase the Unit upon the following terms:

- a. The price to be paid, and the terms of payment shall be as stated in the proposed contract; and
- b. The sale shall be closed within thirty days after delivery or making of the Developer's agreement to purchase.

8.03 Certificate of Waiver of Right of First Refusal. If Developer shall elect to waive its right of first refusal, or shall fail to exercise its right within thirty days after receipt of the proposed contract, Developer's waiver shall be evidenced by a certificate executed by the Developer in recordable form which shall be delivered to the proposed contract purchaser and shall be recorded in the public records of Utah County, State of Utah.

8.04 Sale in Violation of Right of First Refusal is Void. Any sale of a Unit, or any interest therein, without notice to the Developer and waiver of Developer's right or first refusal as aforesaid, shall be void.

8.05 Lenders Exempt from Right of First Refusal. This article does not apply to a transfer or sale by any bank, life insurance company, federal or state savings and loan, real estate investment trust or other lending institution which acquires its title as a result of owning a mortgage on the Unit concerned, and this shall be so whether the title is acquired by deed from the mortgagor or its successor in title or through foreclosure proceedings; nor shall this article apply to a sale by any such institution which so acquires title. Neither shall this article require the waiver by Developer as to any transfer of title to a Unit at a duly advertised public sale with open bidding which is provided by law, including, but not limited to, execution sale, a foreclosure sale, judicial sale, or tax sale.

IX. DURATION AND REMEDIES FOR VIOLATION

9.01 Covenants to Run with Land. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and be enforceable by the Developer, the Association, or the Owner of any Unit, their respective legal representatives, heirs, successors, and assigns, for a term of fifty years (50) from the date this Declaration is recorded, after which time said covenants and restrictions shall automatically be extended for successive periods of ten years unless an instrument signed by the then Owners holding not less than two-thirds of the voting interest, as Section 4.04, has been recorded agreeing to change or terminate such covenants and restrictions in whole or part.

9.02 Enforcement. Violation or breach of any condition, covenant, or restriction herein contained shall give the Developer and/or the Association and/or the Owners, in addition to all other remedies, the right to proceed at law or in equity to compel compliance with the terms of said conditions, covenants, or restrictions, and to prevent the violation or breach of any of them, and the expense of such litigation shall be borne by the then Owner or Owners of the Unit which is the source of the violation or breach, if such proceedings result in a finding that such Owner was in violation of said covenants and restrictions. Expenses of litigation shall include reasonable attorneys' fees incurred by the Developer and/or the Association for seeking such enforcement.

9.03 Owners' Responsibility to Maintain. Notwithstanding any other provision of this Declaration, each Owner, at his sole cost and expense, shall maintain and repair his Unit, keeping the same in condition comparable to the condition of such Units at the time of the initial construction.

X. MISCELLANEOUS

10.01 Notices. Any notices required to be sent to any Owners under this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person that appears as an Owner on the records of the Association at the time of such mailing.

10.02 Severability. Invalidity of any one of more of these covenants or restrictions by judgment or court order shall in no way affect any of the provisions which shall remain in full force and affect.

10.03 Amendment. This Declaration may be amended at any time and from time to time upon the execution and recordation of an instrument executed by Owners holding not less than two-thirds of the voting interest, as defined in Section 4.04, provided that so long as the Developer is an Owner of any Unit or any Property affected by this Declaration, or amendment thereto, or as long as the Developer has the right to appoint a member of the Board, no amendment will be effective without Developer's express written joinder and consent. Provided further, any amendment which affects the surface water management system, including the water management portions of the Common Areas must have the prior approval of the City of Springville.

10.06 Governing Law. This Agreement shall be governed by the laws of the State of Utah.

10.07 Attorneys' Fees. If any party is required to retain legal counsel in order to enforce this Agreement, with or without the commencement of a formal legal action, such party shall be entitled to recover its attorney fees and costs from the breaching party or parties.
