4.1 To provide for the orderly flow of traffic among the Parcels, certain driveways must run through and among the Parcels. Except as set forth in Section 3 above, upon the development of each Parcel, each Parcel Owner, at its sole expense, shall cause (if not constructed previously) driveways and related improvements to be constructed and maintained, utilizing the same sub-base and paving materials as was constructed on the other Parcels within the Property, shall be paved in a smooth condition at an elevation that allows smooth transition of vehicular traffic between each Parcel and the adjacent rights-of-way and driveways connecting the Property to adjacent properties, and constructed as otherwise required to be in compliance with all applicable laws, codes, regulations, ordinances and documents of record affecting the Property.

4.2 In the event that development by the Owner of a Parcel ("Developing Party") shall occur prior to the development by the Owner of an adjacent Parcel ("Non-Developing Party"), the Developing Party shall have (i) the right to grade, pave and use any portion of the Common Areas of the Non-Developing Party's Parcel for access and for construction of, but not limited to, drainage structures

and utility lines as is necessary to provide essential services to the Developing Party's Parcel and (ii) the right to enter onto the Non-Developing Party's Parcel and construct, and its own cost and expense, any improvements required for ingress, egress and circulation, including but not limited to grading, paving, drainage, curbs, gutters, sidewalks, lighting, landscaping, directional signage, and striping on the Non-Developing Party's Parcel, (the "Advanced Improvements"); provided, however, that (i) except in an emergency, the right of any Owner to enter upon the Lot of another Owner for the exercise of any right in this Section 4.3 shall be conditioned upon providing reasonable prior advance written notice to the other Owner as to the time and manner of entry, and (ii) the construction and installation of any drainage structures or utility lines by any Owner on another Owner's Lot shall be within the Public Utility Easements as depicted on Exhibit "C". The Advanced Improvements shall be constructed in accordance with plans and specifications that are first approved by the City of Syracuse, Utah. All Non-Developing Parties hereby grant to all Developing Parties and their contractors a temporary easement to enter upon the Non-Developing Parties' Parcels and to use and occupy same for the purpose of constructing and installing the Advanced Improvements on the Non-Developing Parties' Parcels. If any Developing Party chooses to exercise the rights granted under this section, such Developing Party shall pay all costs and expenses associated therewith and shall indemnify and hold harmless the Non-Developing Party, from all damages, losses, liens, claims, or expenses (including with limitation, all attorney's fees, costs and expenses) attributable to the performance of such work. In addition, prior to and as a condition of its entry onto the Non-Developing Party's Parcel, the Developing Party shall procure and maintain general and/or comprehensive public liability and property damage insurance as set forth in Section 7 of this Declaration.

5. Improvements, Maintenance, and Taxes.

5.1 Improvements.

Exception to this provision shall be given in writing at the sole and absolute discretion of Declarant.

(c) No improvements shall be constructed, erected, expanded or altered on any Lot until the plans for same (including site layout, exterior building materials and colors and parking) have been approved in writing by Declarant.

## 5.2 Maintenance.

(a) Standards. Following completion of the improvements on the Common Areas, the Owner(s) of each Lot shall maintain the Common Areas in good condition and repair. The maintenance is to include, without limitation, the following:

- (i) Maintaining the surfaces in a level, smooth and evenly-covered condition with the type of surfacing material original installed or such substitute as shall in all respects be equal in quality, use, and durability;

(c) By Agent. Subject to the mutual agreement of the Owners hereto, a third part may be appointed as an agent of the Owners to maintain the Common Areas in the manner as above outlined. Said third party may receive for

such agency a fee that is mutually acceptable to all parties to cover supervision, management, accounting and similar fees, which sums are to be included in the general maintenance expense paid by the respective owners of the Common Areas.

5.3 Shared Costs. If any house metering for utilities is installed on the Property then the Owner of each Parcel shall pay its proportionate share of the cost of such utility based upon the square footage of the land area of the Parcel divided by the land area of the Parcels serviced directly by such utility.

5.4 Taxes. Each of the Owners agrees to pay or cause to be paid, prior to delinquency, directly to the appropriate taxing authorities all real property taxes and assessments which are levied against that part of the Common Areas owned by it.

6. Indemnification. Each Lot Owner shall indemnify and hold the remaining Owners harmless from and against all damages, losses, liens, claims, or expenses (including without limitations, all attorney's fees, costs and expenses) relating to the Lot Owner's entry or activities on the remaining Owners' Parcel or those of its Permittees or their respective contractors, employees, agents, or others acting on behalf of the Indemnifier.
7. Insurance. Throughout the term of this Declaration, each Lot Owner shall procure and maintain general and/or comprehensive public liability and property damage insurance against claims for personal injury (including contractual liability arising under the indemnity contained in Section 6 above), death, or property damage occurring upon the Owner's Parcel or any other Owner's Parcel, with single limit coverage of not less than an aggregate of Two Million Dollars (\$2,000,000.00) including umbrella coverage, if any, and naming the other Owners as additional insureds.
8. No Rights in Public; No Implied Easements. Nothing contained herein shall be construed as creating any rights in the general public or as dedicating for public use any portion of any Parcels. No easement shall be implied from this Declaration that is not enumerated herein.
9. Remedies and Enforcement.
  - 9.1 All Legal and Equitable Remedies Available. In the event of a breach or threatened breach by any Owner or its Permittee of any of the terms, covenants, restrictions or conditions hereof, the other Owner(s) shall be entitled forthwith to full and adequate relief by injunction and/or all other available legal and equitable remedies from the consequences of any such breach, including payment of any amounts due and/or specific performance.

9.2 Self-Help. In addition to all other remedies available at law or in equity, upon the failure of a defaulting Owner to cure a breach of this Declaration within thirty (30) days following written notice thereof by an Owner (unless, with respect to any such breach the nature of which cannot reasonably be cured within such 30-day period, the defaulting Owner commences to cure within that 30-day period and thereafter diligently prosecutes the cure to completion), any other Owner shall have the right to perform the obligation contained in this Declaration on behalf of the defaulting Owner and be reimbursed by the defaulting Owner upon demand for the reasonable costs thereof together with interest at the prime rate charged from time to time by Wells Fargo Bank (its successors or assigns), plus two percent (2%) (not to exceed the maximum rate of interest allowed by law). Notwithstanding the foregoing, in the event of emergency, an Owner may immediately cure the same and be reimbursed by the other Owner upon demand for the reasonable cost thereof together with interest at the prime rate, plus two percent (2%), as above described.

9.3 Lien Rights. Any claim for reimbursement, including interest as aforesaid, and all costs and expenses including reasonable attorneys' fees awarded to any Owner in enforcing any payment in any suit or proceeding under this Declaration shall be assessed against the defaulting Owner in favor of the prevailing party and shall constitute a lien ( the "*Assessment Lien*") against the Parcel of the defaulting Owner until paid, effective upon the recording of a notice of lien with respect thereto in the Recorder's Office of Davis County, Utah; provided, however, that any such Assessment Lien shall be subject and subordinate to (i) liens for taxes and other public charges which by applicable law are expressly made superior, (ii) all liens recorded in the Recorder's Office of Davis County, Utah, prior to the date of recordation of said notice of lien, and (iii) all leases entered into, whether or not recorded, prior to the date of recordation of said notice lien. All liens recorded subsequent to the recordation of the notice of lien described herein shall be junior and subordinate to the Assessment Lien. Upon the timely curing by the defaulting Owner of any default for which a notice of lien was recorded, the party recording same shall record an appropriate release of such notice of lien and Assessment Lien.

9.4 Remedies Cumulative. The remedies specified herein shall be cumulative and in addition to all other remedies permitted at law or in equity.

9.5 No Termination for Breach. Notwithstanding the foregoing to the contrary, no breach hereunder shall entitle any Owner to cancel, rescind, or otherwise terminate this Declaration. No breach hereunder shall defeat or render invalid the lien of any mortgage or deed of trust upon any Parcel made in good faith for value, but the easements, covenants, conditions and restrictions hereof shall be binding upon and effective against any Owner of a Parcel covered hereby whose title thereto is acquired by foreclosure, trustee's sale, or otherwise.

9.6 Irreparable Harm. In the event of a violation or threat thereof of any of the provisions of Sections 2 and 4 of this Declaration, each Owner agrees that such violation or threat thereof shall cause the nondefaulting Owners and/or their respective Permittees to suffer irreparable harm and such nondefaulting Owners and their respective Permittees shall have no adequate remedy at law. As a result in the event of a violation or threat thereof of any of the provisions of Section 2 or 4 of this Declaration, the nondefaulting Owners and their respective Permittees, in addition to all remedies available at law or otherwise under this Declaration, shall be entitled to injunctive or other equitable relief to enjoin a violation or threat thereof.

10. Term. The easements, covenants, conditions and restrictions contained in this Declaration shall be effective commencing on the date of recordation of this Declaration in the Recorder's Office of Davis County, Utah, and shall remain in full force and effect, unless this Declaration is canceled or terminated by the written consent of all then record Owners of the Parcels.

11. Miscellaneous.

11.1 Attorney's Fees. If a party institutes any legal action or proceeding for the enforcement of any right or obligation herein contained, the prevailing party after a final adjudication shall be entitled to recover its costs and reasonable attorneys' fees incurred in the preparation and prosecution of such action or proceeding.

11.2 Amendment.

(a) Except as provided herein, this Declaration may be modified or amended, in whole or in part, or terminated, only by the written consent of all record Owners of the Parcels evidenced by a document that has been fully executed and acknowledged by all such voting record Owners and recorded in the Recorder's Office of Davis County, Utah.

(b) An Owner who has consent or approval or voting rights relating to this Declaration may delegate to another party with an interest in the subject matter of this Declaration its right to approve a termination, modification, or amendment, *provided, however,* that any such delegation shall only be effective upon the recordation of notice of such delegation in the Recorder's Office of Davis County, Utah, against all of the Parcels.

11.3 No Waiver. No waiver of any default of any obligation by any party hereto shall be implied from any omission by the other party to take action with respect to such default.

11.4 No Agency. Nothing in this Declaration shall be deemed or construed by any party or by any third person to create the relationship of principal and

agent or of limited or general partners or of joint venturers of any other association between or among the parties.

11.5 Covenants to Run with Land. It is intended that each of the easements, covenants, conditions, restrictions, rights and obligations set forth herein shall run with the land and create equitable servitudes in favor of a real property benefited thereby, shall bind every person having any fee, leasehold or other interest therein and shall inure to the benefit of the respective parties and their successors, assigns, heirs, and personal representatives. Notwithstanding the foregoing, any rights granted in favor of the Declarant under this Declaration and any consent or approval rights of the Declarant shall be personal to the Declarant, and not run with land, until such time as the Declarant has conveyed its last remaining property interest in the Property. On or before such time, Declarant shall designate its rights under this Declaration to another Owner or Owners.

11.6 Grantee's Acceptance. The grantee of any Parcel, or any portion thereof, by acceptance of a deed conveying title thereto or the execution of a contract for the purchase thereof, whether from an original party or from a subsequent owner of the Parcel, shall accept any such deed or contract upon and subject to each and all of the easements, covenants, conditions, restrictions and obligations contained herein. By such acceptance, any such grantee shall for himself and his successors, assigns, heirs, and personal representatives, covenant, consent, and agree to and with the other party, to keep, observe, comply with, and perform the obligations and Declarations set forth herein with respect to the property so acquired by that grantee.

11.7 Severability. Each provision of this Declaration and the application thereof to the Property is hereby declared to be independent of and severable from the remainder of this Declaration. If any provision contained herein is held to be invalid or to be unenforceable or not to run with the land, then that holding shall not affect the validity or enforceability of the remainder of this Declaration. If the validity or enforceability of any provision of this Declaration is held to be dependent upon the existence of a specific legal description, the parties agree to promptly cause such legal description to be prepared.

11.8 Time of Essence. Time is of the essence for this Declaration with respect to each and every covenant, agreement, and obligation of the Declarant and each subsequent Owner.

11.9 Notices. Notices or other communication hereunder shall be in writing and shall be sent certified or registered mail, return receipt requested, or by other national overnight courier company, or personal delivery. Notice shall be deemed given upon receipt or refusal to accept delivery. The parties may change from time to time their respective addresses for notice hereunder by like notice to the other party. The notice address of Declarant is set forth in the first section of this Declaration. In addition, upon the transfer of fee simple ownership

of all or any part of the Property of any Owner, that purchasing party or entity which shall become an Owner shall execute a supplement to this Declaration substantially in the form attached hereto as Exhibit "J", and that purchasing party or entity shall send a copy of the supplement in the manner provided for notice herein to every other Owner, and after such notice is delivered, the other parties shall be required to give any notices required to the persons and at the addresses stated in that notice, rather than the notice information stated herein.

11.10 Governing Law. The laws of the State of Utah shall govern the interpretation, validity, performance, and enforcement of this Declaration.

11.11 Estoppel Certificates. Each Owner, within twenty (20) days of its receipt of a written request from the other Owner, shall from time to time provide the requesting Owner, a certificate binding upon that Owner stating: (a) to the best of the Owner's knowledge, whether any party to this Declaration is in default or violation of this Declaration and, if so, identifying the default or violation; and (b) that this Declaration is in full force and effect and identifying any amendments to the Declaration as of the date of the certificate.

11.12 Bankruptcy. In the event of any bankruptcy affecting any Owner or occupant of any Parcel, the parties agree that this Declaration shall, to the maximum extent permitted by law, be considered a Declaration that runs with the land and that is not rejectable, in whole or in part, by the bankrupt person or entity.
