In consideration of the foregoing and of the mutual covenants, promises and agreements hereinafter set forth, the parties hereto agree as follows:

1. Collateral Assignment, Pledge and Grant of Security Interest. As collateral for Assignor's obligations to Lender under the Loans, the Loan Agreements and all other documents executed therewith, whether now existing or hereafter arising (collectively the "*Loan Documents*"), Assignor hereby assigns, transfers, pledges and grants a security interest to Lender in all of Assignor's right, title and interest, whether now owned or hereafter acquired, in, to and under the License and any other license agreement executed as replacement or modification therefor, as may be amended, together with all license payments, accounts, contract rights, instruments, payment intangibles, deposit accounts, and general intangibles with respect thereto or arising therefrom, whether now existing or hereafter arising, together with all proceeds therefrom (collectively the "*License Collateral*").

6. Transfer of License Collateral With Indebtedness. Upon the transfer of Lender's interest in the Loans, which transfer may be made at any time by Lender, Lender may transfer all of the License Collateral, and the transferee shall be vested with all the rights and powers of Lender hereunder with respect to such License Collateral.

7. Miscellaneous. The rights, powers, and remedies given to Lender by this Agreement, the Loan Documents and associated documents and arrangements shall be in addition to all rights, powers and remedies given to Lender by virtue of any statute or rule of law.
