AVIGATION EASEMENT

Parcel number: 07-26-100-010-4001.

NWQ, LLC (“Grantor”) quitclaims to SALT LAKE CITY CORPORATION (“Grantee”), for good and valuable consideration given by the Grantee to the Grantor, the receipt and sufficiency of which are hereby acknowledged, a perpetual easement, subject to the provisions and obligations set forth herein, in the airspace above and over the parcel of land described in Exhibit “A” (the “Real Property”), for the free and unrestricted passage of aircraft of any and all kinds in, through, across, and about the airspace over the Real Property, and all other aeronautical activities therein. The airspace shall mean that space above the Real Property that is above the height limit established for the Salt Lake City International Airport by the Salt Lake City Code, which for the Real Property is that space above the flat plain 4,377.4' feet mean sea level, as determined by U.S.G.S. datum coterminous with the boundaries of the Real Property (the “Airspace”).

This easement is granted under the condition that the civil aircraft yearly average noise level does not exceed 75 LDN for Zone B and 65 LDN for Zone C as those zones are described in Figure 3-1 of the Salt Lake City International Airport Land Use Policy Plan dated August, 1982, as amended from time to time, which may be obtained from the Salt Lake City Department of Airports (the “Plan”), or the equivalent to 65 LDN or 75 LDN, as appropriate, if a designation other than LDN is adopted by the U.S. Federal Government and is recognized as the generally accepted environmental noise descriptor. Zone A, as described in the Plan, shall not be restricted to any maximum yearly average noise level. This easement shall not be in effect during any period

the maximum yearly average noise level is exceeded by civil aircraft in Zone B or Zone C. However, on all other portions of the Real Property where it cannot be proven that the maximum noise levels have been exceeded, this easement shall remain in full force and effect. For purposes of this Avigation Easement, the parties agree that the Real Property is located solely within airport influential Zone C, in accordance to Salt Lake City Code § 21A.34.040.

Grantor further agrees that this easement and the rights hereby granted to the Grantee are for the purpose of insuring that the Airspace remains free and clear for the flight of aircraft landing at, taking off from, or otherwise using the Salt Lake City International Airport described in Exhibit "B" (the "Airport"). This easement and the rights appertaining thereto are for the benefit of Grantee, its successors, assigns, guests, and invitees, including any and all persons, firms or corporations operating aircraft to or from the Airport. This easement and the burden thereof, together with all things that may be alleged to be incidental to or to result from the use and enjoyment of this easement, constitute permanent and perpetual burdens and servient non-estate interests on and in the Real Property, and run with the land and are binding upon and enforceable against all successors in right, title, or interest to the Real Property and are unlimited as to frequency.

Grantor and its successors and assigns shall not hereafter erect or permit the erection or growth of any object within the Airspace. This easement grants the right of flight for the passage of aircraft in the Airspace, together with the right to cause or create, or permit or allow to be caused or created in the Airspace, and within, above and adjacent to the Real Property, such annoyances as may be inherent in, or may arise or occur from or during, the operation of aircraft subject to the noise limitations described above.

Grantor further agrees that all structures to be constructed on the Real Property will provide and maintain applicable sound attenuation measures to insulate residents, if any, from noise and to mitigate any adverse impact from aircraft noise. Any uncured material breach of the provisions of this easement by Grantee may result, at the option of Grantor, in termination of this easement.

WITNESS the hand of Grantor this 13th day of September, 2019.
