1. Stipulation regarding Partition Lines.

The parties determined that, in order to avoid future disputes between themselves, they would stipulate as to the partition lines established in this decree and certain other matters. They are filing their Stipulation (the "Partition Stipulation") with this Partition Decree.

2. Court Approval of Stipulation.

a. Partition Lines: The Court finds that the circumstances of this case make it appropriate for the Court to approve the Partition Stipulation and to incorporate its terms in the Court's Partition Decree. In particular, the Court finds that it should take all reasonable steps to minimize future disputes between the parties, particularly in light of the length, extent, and expense of the current litigation.

b. Scope of Court's Order. There are properties subject to this partition decree that will not have a partition line (the line between the Majority Heirs' property and the Minority Heirs' property). The possible relocation of a partition line can only occur in those properties that have a partition line. Some of the Court's awards of property in this Decree award a group of parcels (such as Chalk Creek, White's Basin, Morby Creek, etc.) ("Groupings") that are grouped together for purposes of the Partition Decree. If a party seeks relocation, modification, or reformation of a partition line made as part of a Grouping, the Court orders that the terms of this paragraph 2. shall apply by considering all property that is part of that Grouping. The following properties constitute either a single parcel subject to partition or a single Grouping of parcels subject to partition. They are numbered according to the paragraphs of the Partition Decree that applies to that

property (following "Partition of Real Estate, Water Rights, and Award and Conveyance of Easements" on page 7 of this Decree):

1. Whitehead North	2. Whitehead South	4. Baileys Coans	5. West Grazing Area
6. A.J. Kyser and Salt Pond	7. Section 31	8. West of Sewage Canal	9. Amos
10. Ambassador	11. Emigration Canyon	12. Tooele County No. 1	13. Tooele County No. 2
14. Tooele County No. 3	15. Tooele County No. 4	16. Tooele County No. 5 and Hansons	17. White's Basin (also identified as 6 East in the 1981 Partition Decree)
18. Buck Pasture	19. Meadow Hayfield Property (in Chalk Creek)	20. Chalk Creek	21. Morby's Creek
22. Sawmill	23. 7 th East Property	24. the "120"	25. Pace Meadow
26. Clark Ranch			

See also ¶13, page 7 below. Paragraph 3 of the partition addresses the division of certain water rights in Salt Lake County. It is therefore not subject to the terms of the parties' stipulation.

c. Limitations on Relocation, Modification, or Reformation of Partition Lines.

Accordingly, the Court orders:

That the partition lines established in this decree shall not hereafter be subject to relocation, reformation, or modification in order to correct a mistake or error in the legal description, **unless** the party seeking relocation, reformation, or modification can establish that the alleged mistake or error caused an error greater than 5%. Thus, if the Majority Heirs seek a relocation, reformation, or modification of a partition line and they are entitled to 80% of the partitioned property, they must establish that the mistake or error caused that they received less than 75% of the partitioned property. Likewise, if the Minority Heirs seek a relocation, reformation, or modification of a partition line and they are entitled to 20% of the partitioned property, they must establish that the mistake or error caused that they received less than 15% of the partitioned property; and

That this paragraph 2 applies regardless of the nature of the claimed mistake or error, including without limitation, an error based upon an incorrect assumption as to the size or acreage of a parcel subject to this partition decree, or an error based upon an incorrect assumption as to the location of fence lines that may form boundary lines with properties owned by third parties.

- d. Relocation, Modification, or Reformation on Other Bases.** The provisions of this Paragraph 2 of the Court's Partition Decree shall not prevent any party from seeking relocation, reformation, or modification of boundary lines on that party's property that do not affect the partition lines. Where an error has been made in the description of the Section number, the Township number or direction, or the Range number or direction, any correction of these errors shall not affect the partition lines as contemplated by this Paragraph 2 of the Court's Partition decree. Such errors may be corrected.
- e. Modification or Reformation by Mutual Consent.** Notwithstanding paragraph 2.c. above, the Court authorizes the parties and their successors in interest to modify or reform any partition line, or any other aspect of the partition, by mutual written consent recorded with the County Recorder's Office for the County where the particular property is located. No party nor any successor in interest shall be under any duty to modify the Partition Decree.
- f. Fence Lines.** Pursuant to the Court's "Order Regarding Partition Fences," dated April 7, 2008, the Court ruled that the fences built on the partition lines would not constitute the legal boundaries of the properties partitioned so that the doctrine of boundary by acquiescence would not apply to the properties upon which partition fences have been or may in the future be built. The parties have stipulated the Court may reverse

this portion of the Court's April 7, 2008 Order. The Court agrees that it should do so. Thus, while the legal descriptions identified in this Partition Decree set the legal boundaries of the partitioned properties, all fences built on partition lines now or in the future shall be subject to the doctrine of boundary by acquiescence.

3. **"Minority Heirs"** mean Edward L. Gillmor, Jr. and Bonnie Billings. Unless otherwise specifically stated in this Decree, all properties and interests awarded to the Minority Heirs pursuant to this Decree are awarded to Edward L. Gillmor, Jr., as to an undivided 50.0% interest, and to Bonnie Billings, as to an undivided 50.0% interest, as tenants in common. The term **Minority Heirs** shall include each of the heirs acting individually or jointly.

4. **"Majority Heirs"** mean Siv Gillmor, Charles F. Gillmor, Jennifer Gillmor, and Rebecca Gillmor. The interests of the Majority Heirs shall be:

- a. Siv Gillmor, as to an undivided 62.5% interest;
- b. Charles F. Gillmor, as to an undivided 12.5% interest;
- c. Jennifer Gillmor as to an undivided 12.5% interest; and
- d. Rebecca Gillmor, as to an undivided 12.5% interest;

with each Majority Heir taking his or her respective share of each parcel as a tenant in common.

The term **Majority Heirs** shall include each of the heirs acting individually or jointly.

5. **"Heir"** means and refers to each of the Minority Heirs and each of the Majority Heirs acting individually or jointly.

6. **Easements Generally.** In addition to easements created and awarded pursuant to this Partition Decree, the Court is conveying certain existing easements to the parties in this Partition Decree. The existing easements conveyed herein were created as part of 1981 Partition Decree.

In addition, except for easements expressly created and awarded herein, the Court is creating no additional easements against any partitioned property.

7. **Water Rights and Water Shares.** Where the Court specifically decrees ownership of water rights or water shares (of any kind or nature), the decree shall control the ownership of those water rights and water shares. Where the Court does not decree ownership of water rights or water shares, those rights, if any, shall run with the partitioned parcel.
8. **Easement for use of the Water Rights and Shares.** Where the Court awards water rights or water shares (of any kind or nature) to the parties, the parties are also awarded the right to use existing ditches, pipeline, flumes, and diversion facilities as reasonably needed and unless otherwise provided herein.
9. **Right Reasonably to Change Delivery of Water.** In all cases involving water rights and water shares (of any kind or nature), the Court grants the owners of the servient parcel for each easement, existing ditch, pipeline, flume, or diversion facility the right to change the location of any such easement, existing ditch, pipeline, flume, or diversion facility on their servient property, so long as the parties benefitting from the former location are not prejudiced in exercising their water rights and water shares awarded in this Decree.
10. **Use of Unfenced Tooele County Properties.** If either the Minority Heirs or Majority Heirs choose to use any of the Tooele County properties for livestock grazing, the party so choosing shall be responsible for the erection of the partition fence on the property to be used prior to its use. The partition fence shall be adequate to restrain the type of livestock that the party intends to graze on that party's Tooele County property.

11. Antelope Island Road and Duck Club Road Easements. The Antelope Island Road and Duck Club Road easements have been modified by the Final Order of Condemnation in Case No. 920905155, Third District Court for Salt Lake County, State of Utah. The rights of the parties to the use of these easements shall accord with the terms of easements as set forth in said order.

12. BLM Permits. The Court awards the rights under the BLM permits owned by Gillmor Livestock Company or the Estate on the basis of 80% to the Majority Heirs and 20% to the Minority Heirs. The parties shall cooperate in transferring the BLM permits pursuant to this award.

13. Undivided Interests in Duck Clubs. The Estate owns a 1/8 undivided interest in the "Ambassador Duck Club," located at 7801 West 3701 North and a 1/6 undivided interest in the "Utah Duck Club." The Court awards 80% of the Estate's undivided interest in each Duck Club to the Majority Heirs, and it awards 20% of the Estate's interest to the Minority Heirs. The Court orders the parties to cooperate in transferring the Estate's interests pursuant to this award.

20. Chalk Creek.

The Court partitions in kind the Estate's and the LP's property commonly known as Chalk Creek as follows:

a. Sources Used in Preparing Legal Descriptions for Chalk Creek. In preparing the legal descriptions for the Chalk Creek properties, the Court relied in part on the Bow Valley Deed. In addition, where the Court relied on additional information regarding a particular parcel, that information is noted with regard to that parcel.

b. **Basis of Division.** As used by the parties, "Chalk Creek" is composed of property owned by the Estate and the LP located in Township 2 North, Range 6 East, Township 2 North, Range 7 East, Township 1 North, Range 6 East, and Township 1 North, Range 7 East, Salt Lake Base and Meridian. However, "Chalk Creek" excludes (i) all estate property located north of the Chalk Creek Highway in Township 3, Range 7 East, Salt Lake Base and Meridian, (ii) the property commonly known as the "Meadow Hayfield" located south of the Chalk Creek Highway in Section 4 Township 2 North, Range 7 East, Salt Lake Base and Meridian, (iii) the property commonly known as "7th East" located in Township 1 North, Range 7 East, Salt Lake Base and Meridian, and (iv) the property commonly known as the "120" located in Township 1 North, Range 7 East, Salt Lake Base and Meridian.

In its Order entitled "Order re September 24, 2008 Hearing," entered on January 5, 2009, the Court ordered that the precise percentage for calculating the division of property in Chalk Creek would be 76.4383% for the Majority Heirs and 23.5617% for the Minority Heirs. This percentage for Chalk Creek was calculated using the percentage for the limited partnership property as 60.1912% to the Majority Heirs and 39.8088% to the Minority Heirs, and the percentage for the Estate's property as 80% to the Majority Heirs and 20% to the Minority Heirs. The percentages were then combined based on the number of acres held by the Limited Partnership and the number of acres held by the Estate in the property known as Chalk Creek.

c. **Chalk Creek Award to Majority Heirs.** The Court awards the Majority Heirs 22 parcels of property located in Township 2 North, Range 6 East and in Township 2 North, Range 7 East, Salt Lake Base and Meridian, more particularly described as:

d. Easements Award to Minority Heirs. The Court awards the Minority Heirs two roadway and stock trail easements as follows:

i. Easement 1. The Court awards the Minority Heirs an easement over the Sawmill Canyon Road as it crosses the Majority Heirs portion of the Sawmill property in both directions, where the Sawmill Canyon Road enters the South boundary of the Majority Heirs' Sawmill property until it exits the North boundary of the said property.

ii. Easement 2. The Court also awards the Minority Heirs a roadway and stock trail easement over the East part of the Majority Heirs' Sawmill property beginning where the 4-wheel drive ridge line road crosses the North boundary line of the Majority

Heirs' Sawmill property and proceeding southeasterly across the Majority Heirs' Sawmill property until it reaches the Minority Heirs' Sawmill property.

e. **Existing Easement.** The Court conveys to the Majority Heirs and the Minority Heirs all of the estate's right, title, and interest in a roadway and stock trail easement over the Sawmill Canyon Road. In the 1981 Partition Decree, this easement was described as:

Twenty five feet on each side of a center line described as follows: Beginning at a point on an existing road on the South Section line of Section 33, Township 4 North, Range 5 East, Salt Lake Base and Meridian, which point is approximately 450 feet West of the Southeast Corner of said Section 33; thence northerly along the existing road approximately 1 mile to the North Section line of said Section 33; thence northerly along an existing trail near the creek bottom approximately 3500 feet to a junction of the canyon; thence northeasterly following an existing trail in the drainage of the right fork of Sawmill Canyon approximately 3500 feet to a point 1000 feet North of the South Section line of Section 21, Township 4 North, Range 5 East, Salt Lake Base and Meridian.

The easement described above only reaches an area known as the "Forks," on the Sawmill Canyon Road. In 1986, a lawsuit was brought in which Stephen Gillmor (and/or Shirley Gillmor as Stephen's personal representative) and Edward L. (Bud) Gillmor and Charles F. (Frank) Gillmor argued over the length and extent of this easement. See Third District Court for Summit County, Case No. 9067. Stephen and/or Shirley Gillmor as personal representative of Stephen's estate argued that pursuant to the legal description in the 1981 Partition Decree (described above), Bud and Frank did not have an easement to access the eastern portions of their Sawmill properties over Stephen's property past the Forks. Bud and Frank argued that each had such an easement and that the legal description was incorrect due to a mistake of fact regarding access to their properties. The trial court denied all relief to Bud and Frank.

On appeal to the Utah Supreme Court, it reversed. *Gillmor v. Wright*, 850 P.2d 431 (Utah 1993). The Supreme Court found that a mistake of fact regarding access had occurred when the legal description of this easement was drafted and that Bud and Frank each owned an easement over Stephen's property over the Sawmill Canyon Road, past the Forks, to access the eastern portion of their properties. The case was remanded to the trial court for the entry of an order correcting the legal description. *Id.* at 438. The legal description has not yet been corrected to reflect Bud and Frank's easement past the Forks to each of their properties. However, all of the parties to that action, as well as their successors in interest, have complied with the Supreme Court's decision and permitted the use of this easement based on its correct location and usage. Accordingly, the Court rules that its conveyance of this easement transfers all rights, title, and interest to this easement as granted, as modified by the Supreme Court's decision, and as subsequently used thereafter.

IN THE THIRD JUDICIAL DISTRICT COURT OF SALT LAKE COUNTY

STATE OF UTAH

<p>IN THE MATTER OF THE ESTATE OF:</p> <p>EDWARD L. GILLMOR,</p> <p>Deceased.</p>	<p>MAJORITY HEIRS' AND MINORITY HEIRS' STIPULATION RE PARTITION LINES</p> <p>Case No. 923900120 ES</p> <p>Judge John Paul Kennedy</p>
--	--

The Majority Heirs, acting through their counsel of record, and the Minority Heirs, acting through their counsel of record, stipulate as follows:

- 1. Partition Lines:** The parties have determined that, in order to avoid future disputes between themselves, they should enter into this stipulation as to the partition boundary lines ("partition lines") that will be established in the Court's Partition Decree that will be entered in this matter.
- 2. Scope of Stipulation.** There are properties subject to the Court's partition decree that will not have a partition line (the line between the Majority Heir's property and the Minority Heir's property). The possible relocation of a partition line can only occur in those properties that have a partition line. Some of the Court's awards of property in its Partition Decree will award a group of parcels (such as Chalk Creek, White's Basin, Morby Creek, etc.) ("Groupings") that are grouped together for purposes of the Partition Decree. If a party seeks relocation,

modification, or reformation of a partition line made as part of a Grouping, the parties stipulate that terms of this stipulation shall be applied by considering all property that is part of that Grouping. The following properties constitute either a single parcel subject to partition or a single Grouping of parcels subject to partition. They are numbered according to the paragraphs of the Partition Decree that apply to the properties (following "Partition of Real Estate, Water Rights, and Award and Conveyance of Easements" on page 7 of the Partition Decree):

1. Whitehead North	2. Whitehead South	4. Baileys Coans	5. West Grazing Area
6. A.J. Kyser and Salt Pond	7. Section 31	8. West of Sewage Canal	9. Amos
10. Ambassador	11. Emigration Canyon	12. Tooele County No. 1	13. Tooele County No. 2
14. Tooele County No. 3	15. Tooele County No. 4	16. Tooele County No. 5 and Hansons	17. White's Basin (also identified as 6 East in the 1981 Partition Decree)
18. Buck Pasture	19. Meadow Hayfield Property (in Chalk Creek)	20. Chalk Creek	21. Morby's Creek
22. Sawmill	23. 7 th East Property	24. the "120"	25. Pace Meadow
26. Clark Ranch			

See also ¶13, page 7 below. Paragraph 3 of the Partition Decree addresses the division of certain water rights in Salt Lake County. It is therefore not subject to the terms of the parties' stipulation.

3. Limitations on Relocation, Modification, or Reformation of Partition Lines.

After:

- i. Having had the opportunity to consult with all experts they deem advisable;

ii. Having had an explanation of the risks and benefits of having partition lines established that may or may not award the proper acreage to the Minority Heirs and the Majority Heirs;

iii. Having had an explanation of possible reasons for reformation or modification of the legal descriptions contained in this partition decree in the future to conform to the general intent of the parties to award a set percentage of property for the Minority Heirs *vis a vis* the Majority Heirs;

iv. Having determined that the certainty of establishing partition lines that will not be subject to modification or reformation in the future outweighs the potential benefits of allowing a party or its successor to bring a reformation action in the future in order to correct a mistake or error, or a perceived mistake or error, in the partition lines decreed herein;

The parties agree that the partition lines that are identified in the Court's Partition Decree shall not hereafter be subject to relocation, reformation, or modification in order to correct a mistake or error in the legal description, **unless** the party seeking relocation, reformation, or modification can establish that the alleged mistake or error caused an error greater than 5%. Thus, if the Majority Heirs seek a relocation, reformation, or modification of a partition line and they are entitled to 80% of the partitioned property, they must establish that the mistake or error caused that they received less than 75% of the partitioned property. Likewise, if the Minority Heirs seek a relocation, reformation, or modification of a partition line and they are entitled to 20% of the partitioned property, they must establish that the mistake or error caused that they received less than 15% of the partitioned property.

The parties further agree that this Stipulation applies regardless of the nature of the claimed mistake or error, including without limitation, an error based upon an incorrect assumption as to the size or acreage of a parcel subject to this partition decree, or an error based

upon an incorrect assumption as to the location of fence lines that may form boundary lines with properties owned by third parties.

4. Relocation, Modification, or Reformation on Other Bases. The provisions of this Stipulation shall not prevent any party from seeking relocation, reformation, or modification of boundary lines on that party's property that do not affect the partition lines. Where an error has been made in the description of the Section number, the Township number or direction, or the Range number or direction, the parties stipulate that a modification to correct those errors will not affect the partition lines as contemplated in this stipulation and may be made.

5. Modification or Reformation by Mutual Consent. Notwithstanding paragraph 3. above, the parties agree that the Court should authorize the parties and their successors in interest to modify or reform any partition line, or any other aspect of the partition, by mutual written consent recorded with the County Recorder's Office for the County where the particular property is located. No party nor any successor in interest shall be under any duty to modify the Partition Decree.

6. Fence Lines. Pursuant to the Court's "Order Regarding Partition Fences," dated April 7, 2008, the Court ruled that the fences built on the partition lines would not constitute the legal boundaries of the properties partitioned so that the doctrine of boundary by acquiescence would not apply to the properties upon which partition fences have been or may in the future be built. The parties have stipulated that the Court may reverse this portion of the Court's April 7, 2008 Order. Thus, while the legal descriptions identified in this Partition Decree set the legal boundaries of the partitioned properties, all fences built on partition lines now or in the future shall be subject to the doctrine of boundary by acquiescence.

3. Effective Date.

The parties agree this Stipulation shall be effective on the date the Court enters its Partition Decree in this matter.

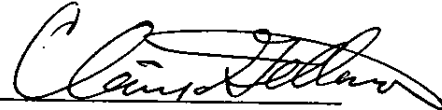

Dated this 22 day of January, 2010.
