**DEVELOPMENT AGREEMENT  
FOR THE DISCOVERY PROJECT  
CITY OF WEST JORDAN, UTAH**

This Development Agreement ("Agreement") is entered into as of this 15<sup>th</sup> day of March, 2005 (the "Effective Date"), by and between **Oquirrh Hills, LLC**, a Utah limited liability company, and **R. LaMar Jones and Vicky R. Jones as Trustees of The R. LaMar and Vicky R. Jones Revocable Trust** (collectively, the "Developer"), as the owner and developer of a mixed use, single-family residential and commercial project known as **Discovery** (the "Project"), and the **City of West Jordan**, a municipality and political subdivision of the State of Utah (the "City").

**RECITALS:**

- A. Developer owns or has the contractual right to acquire approximately 122 acres of real property located within the municipal boundaries of the City, as more fully described in Exhibit A (the "Property"), on which it proposes the development of the Project.
- B. Developer is willing to design and develop the Project in a manner that is in harmony with and intended to promote the long-range policies, goals and objectives of the City's general plan, zoning and development regulations, and the terms of this Agreement as more fully set forth below.
- C. The City, acting pursuant to its authority under Utah Code Annotated, § 10-9-101, *et seq.*, and in furtherance of its land use policies, goals, objectives, ordinances, resolutions, and regulations has made certain determinations with respect to the proposed Project, and, in the exercise of its legislative discretion, has elected to approve this Development Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, conditions and terms as more fully set forth below, Developer and the City hereby agree as follows:

- 1. **Recitals and Exhibits.** The recitals set forth above and all exhibits are hereby incorporated by reference as part of this Agreement.
- 2. **Property Affected by This Agreement.** The legal description of the Property contained within the Project boundaries is attached and specifically described in Exhibit A. 3. **Development Agreement Subject to Approval of Rezoning.** As a condition precedent to the obligations of the parties under the terms of this Agreement, including those related to dismissal of litigation and general release of claims in paragraph 8, this Agreement is contingent upon and will only become effective at such time, and in the event, that the City Council, in the independent exercise of its legislative discretion, elects to approve the rezoning of the Property as designated on Exhibit B, following all necessary public hearings required for the approval of such rezoning and this Agreement. This Agreement is not intended to and does not bind the City Council in the independent exercise of its legislative discretion with respect to the proposed rezoning of the Property.

4. **Project Concept Plan Approval.** As part of this Agreement, the City has approved an overall concept plan for the Project which is attached hereto as Exhibit B and incorporated herein by this reference (the "Concept Plan"). The Concept Plan shall govern all future development within the Project as more fully described in this Agreement, subject to compliance with all other applicable ordinances and regulations of the City.

4.1 **Minimum Lot Size.** A minimum of not less than fifty percent (50%) of the lots in the R-1-10 zone lying south of 8600 South and designated as Area 2 on Exhibit B shall be equal to or larger than 12,000 square feet, with the remainder of the single-family residential lots in Area 2 having a minimum size of between 10,000 and 12,000 square feet.

4.2 **Minimum Home Sizes.** All of the single family residential dwelling units located in the R-1-8 zone north of 8600 South designated as Area 1 on Exhibit B shall be minimum of size "C" homes as provided in the City's Zoning Ordinance. A mix of size "E" and "F" homes shall be provided in Area 2.

5. **Vested Rights and Reserved Legislative Powers.**

5.1 **Vested Rights.** Developer shall have the vested right to develop and construct the Project in accordance with the Concept Plan approved by the City and incorporated as part of this Agreement as Exhibit B, subject to compliance with the terms and conditions of the underlying zoning regulations for each area of the Project and all other applicable ordinances and regulations of the City.

5.2 **Reserved Legislative Powers.** Developer acknowledges that the City is restricted in its authority to limit its police power by contract and that the limitations, reservations and exceptions set forth herein are intended to reserve to the City all of its police power that cannot be so limited. Notwithstanding the retained power of the City to enact such legislation under the police powers, such legislation shall only be applied to modify the vested rights of Developer with respect to use and density under the zoning designations as referenced in Section 5.1 above under the terms of this Agreement based

upon the policies, facts and circumstances meeting the compelling, countervailing public interest exception to the vested rights doctrine in the State of Utah.

**6. Requirement to Comply With Other Applicable City Ordinances and Regulations.**

Developer expressly acknowledges and agrees that it shall be necessary to comply with all of the ordinances, regulations and requirements of the City for preliminary and final subdivision plat approval and commercial site plan approval for all proposed development within the Project, and nothing in this Agreement shall be deemed to relieve Developer or its successors and assigns from the obligation to comply with all applicable ordinances, regulations and requirements of the City for approval of individual subdivision plats, commercial site plans, and all other aspects of the Project, including the payment of fees and compliance with the City's design and construction standards.

6.1 Middle School Site. The parties acknowledge that a parcel of property labeled as "Middle School Site" on Exhibit B was previously sold and conveyed by warranty deed to the Board of Education of the Jordan School District without going through the subdivision approval process. The parties acknowledge that an application for subdivision plat approval for the middle school site has been submitted to the City and Developer agrees to cooperate with the City in pursuing diligently to completion the subdivision plat approval process for the Middle School Site.

**7. Dismissal of Litigation and General Release of All Claims.**

7.1 Dismissal of Litigation. Upon execution of this Agreement and subject to fulfillment of the zoning condition precedent in paragraph 3 of this Agreement, the parties shall cause to be executed and filed a joint stipulation and motion for an order dismissing that certain legal action currently pending in the Third Judicial District Court for Salt Lake County, State of Utah, Sandy Department, entitled and captioned as Oquirrh Hills, LLC v. West Jordan City, Civil No. 040401124, assigned to the Honorable Royal Hansen (the "Litigation").

7.2 General Release of Claims. Except for the obligations under this Agreement, Developer, for and on behalf of itself and its respective officers, managers, members, directors, employees, agents, indemnitors, insurers, successors, and assigns, hereby releases and forever discharges the City of West Jordan, together with its elected officials, employees, agents, indemnitors, attorneys, insurers, successors, and assigns from any and all claims, demands, liabilities, damages, causes of action, costs and expenses, including attorney's fees, which may now exist or hereafter accrue because of, arising out of, or in any way connected with the Litigation referenced above.

**8. Successors and Assigns of Developer in the Ownership or Development of Any Portion of the Project.**

8.1 Binding Effect. This Agreement shall be binding upon the City as well as on the successors and assigns of Developer in the ownership or development of any portion of the Project.

8.2 Assignment. Neither this Agreement nor any of the provisions, terms or conditions hereof may be assigned to any other party, individual or entity without assigning the rights as well as the responsibilities under this Agreement and without the prior written consent of the City, which consent shall not be unreasonably withheld. Any such request for assignment may be made by letter addressed to the City of West Jordan, and the prior written consent of the City may also be evidenced by letter from the City to Developer or its successors or assigns. This restriction on assignment is not intended to prohibit or impede the sale of parcels of fully or partially improved or unimproved land by Developer prior to construction of buildings or improvements on such parcels, so long as the Developer retains all rights and responsibilities under this Agreement.

9. Phasing. The Developer may proceed by platting and constructing the Project all at one time or by phase for portions of the Project as marketing conditions dictate, as long as each phase provides for a logical extension of roads, infrastructure and utilities through the Project as approved by the City, in conformance with the requirements of this Agreement and the other applicable ordinances and regulations of the City.

**10. General Terms and Conditions.**

10.1 Term of Agreement. The term of this Agreement shall be for a period of five (5) years following the date of its adoption by the City Council unless the Agreement is earlier terminated or its term modified by written amendment to this Agreement, except the release of claims in Section 8.2 and the dedication and conveyance of property for the Drainage Channel, roads, utilities, or other public improvements as required by other applicable ordinances and regulations of the City, which shall be perpetual.

10.2 Agreement to Run With the Land. This Agreement shall be recorded in the office of the Salt Lake County Recorder against the Property and is intended to and shall be deemed to run with the land, and shall be binding on all successors in the ownership of any portion of the Property. The benefits of this Agreement shall inure to successors-in-interest and/or subsequent owners only if the Agreement is transferred or assigned in accordance with the provisions of Section 9.2 above.

10.3 Construction of Agreement. This Agreement shall be construed so as to effectuate the public purpose of implementing long-range planning objectives, obtaining

public benefits, and protecting any compelling countervailing public interest while providing reasonable assurances of continuing vested development rights as defined in Section 5.

10.4 State and Federal Law. The parties agree, intend and understand that the obligations imposed by this Agreement are only such as are consistent with state and federal law. The parties further agree that if any provision of this Agreement becomes, in its performance, inconsistent with state or federal law or is declared invalid, this Agreement shall be deemed amended to the extent necessary to make it consistent with state or federal law, as the case may be, and the balance of this Agreement shall remain in full force and effect.

10.5 Relationship of Parties and No Third-Party Rights. This Agreement does not create any joint venture, partnership, undertaking, or business arrangement between the parties hereto nor, unless otherwise stated, create any rights or benefits to third parties.

10.6 Laws of General Applicability. Where this Agreement refers to laws of general applicability to the Project, this Agreement shall be deemed to refer to other laws of the City of West Jordan.

10.7 Integration. This Agreement contains the entire agreement between the parties with respect to the subject matter hereof and integrates all prior conversations, discussions or understandings of whatever kind or nature and may only be modified by a subsequent writing duly executed and approved by the parties hereto.

10.8 Applicable Law. This Agreement is entered into under and pursuant to and is to be construed and enforceable in accordance with the laws of the State of Utah.
