**FIRST AMENDMENT TO THE MASTER DECLARATION OF COVENANTS,  
CONDITIONS AND RESTRICTIONS OF LEDGES EAST**

THIS FIRST AMENDMENT TO THE MASTER DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS OF LEDGES EAST (the "Amendment") is made and executed this 9<sup>th</sup> day of JULY, 2020, by, Ledges Management and Planning, LLC, a Utah limited liability company, as Declarant. This Amendment amended and modifies the following:

- a. The MASTER DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS OF LEDGES EAST that was recorded FEB. 3<sup>RD</sup>, 2015, as DOC # 2015000360 records of Washington County, Utah, (the "Neighborhood Declaration"); and
- b. Any and all supplements or amendments to the Master Declaration prior to the date of this Amendment, whether or not such were recorded with the Washington County Recorder;

Declarant makes this Amendment pursuant to its unilateral amendment rights under Section 13.2 of the Master Declaration with regard to that real property located in Washington County, Utah, more particularly described in Exhibit A that is attached hereto and made a part hereof (the "Property").

In the event of a conflict between this Amendment and the Neighborhood Declaration, the Articles of Incorporation, Bylaws, or the Rules and Regulations of The Fairways at Ledges East Owners Association, this Amendment controls.

This Amendment is effective on the date it is recorded with the Washington County Recorder's Office.

**AMENDMENTS**

**Article 6 of the Master Declaration is hereby amended in its entirety to provide as follows:**

**ARTICLE 6  
INSURANCE**

**6.1. Casualty Insurance on Insurable Common Area.**

- (a) The Master Association shall keep all insurable improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Master Association deems desirable. The Master Association may also insure any other property it owns,

whether real or personal, against loss or damage by fire and such other hazards as the Master Association deems desirable, with the Master Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to, the Master Association. Premiums for all insurance carried by the Master Association are Common Expenses that the Master Association shall include in its regular annual assessments.

(b) The Master Association policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements herein. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Master Association Board reasonably determines that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Master Association may assess the full amount of such deductible against such Owner and the Owner's Unit as a specific assessment. The specific assessment shall not be levied without first providing the affected Owner with notice and opportunity to be heard.

6.2. **Replacement or Repair of Property.** The Master Association shall use insurance proceeds for the repair or replacement of the property for which the insurance applies. If the insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Master Association may make a special assessment against all Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other common assessments made against such Owner. In the event of damage or destruction by fire or other casualty to any portion of the Property covered by insurance written in the name of the Master Association, the Master Association is hereby empowered to and will represent the interests of all Members in any proceedings, negotiations, settlements or agreements. For this purpose, the Master Association is appointed attorney-in-fact of each Member, but this appointment does not prohibit any Mortgagee with an interest in such losses from participating in the settlement negotiations, if any, related to the loss.

6.3. **Disbursement of Proceeds.** If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Area will be retained by and for the benefit of the Master Association and placed in a capital improvements account. If no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagee(s) as their interests may appear, will be retained by and for the benefit of the Master Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

6.4. **Liability Insurance.** The Master Association Board shall obtain a comprehensive policy of public liability insurance covering all of the Common Area property for at least \$1,000,000.00 per occurrence for personal or bodily injury and property damage that results from the operation, maintenance or use of the Common Areas. Liability insurance policies obtained by the Master Association shall contain a "severability of interest" clause or endorsement which precludes the insurer from denying the claim of an Owner because of negligent acts of the Master Association or other Owners.

6.5. Fidelity Insurance. The Master Association may elect to obtain fidelity coverage against dishonest acts on the part of managers, directors, officers, employees, volunteers, management agents or others responsible for handling funds held and collected for the benefit of the Owners or Members. In procuring fidelity insurance the Master Association shall seek a policy which: (1) names the Master Association as obligee or beneficiary; (2) is written in an amount not less than the sum of (i) three months' operating expenses and (ii) the maximum reserves of the Master Association which may be on deposit at any time; and (3) contains waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee."

6.6. Annual Review of Policies. The Master Association Board shall review all insurance policies at least annually in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacements of the Property which may be damaged or destroyed. The Master Association Board may modify the coverage standards set forth in this Article 6 without the necessity of amending this Declaration to the extent it deems necessary to more fully protect and insure the Master Association and its property, or to otherwise comply with evolving laws and insurance standards.

6.7. Individual Responsibility. Each Owner or other person occupying any portion of the Property is responsible for insuring their property interests within the Property, including, without limitation, improvements thereon, furnishings and personal property therein, and public liability insurance. Neither the Master Association (including any Master Association Board member) nor Declarant shall be liable to any person or Mortgagee if any risks or hazards are not covered by the insurance obtained by the Master Association or if the amount of insurance is inadequate.

6.8. Insurance for Neighborhood Associations. Each Neighborhood Declaration may have insurance requirements similar to those in this Article 6. To enable Neighborhood Associations to receive lower insurance premiums, the Master Association may, at its option, obtain insurance coverage for any Neighborhood Association as may be required under any particular Neighborhood Declaration. If the Master Association obtains such coverage, it shall name the Neighborhood Association to which the coverage applies as an additional insured, and will pay the premiums for such coverage and thereafter assess the amount of those premiums to the Neighborhood Association as a specific assessment under Section 5.7 of this Master Declaration. The Master Association is hereby appointed the attorney-in-fact for each Neighborhood Association for the purpose of procuring insurance coverage and handling the matters set forth in Sections 6.2 and 6.3 of this Master Declaration as applicable to each Neighborhood Association.

\*\*\*

All other terms of the Master Declaration and other Governing Documents that do not conflict with the terms of this Amendment remain in full force and effect.

[signature page follows]

IN WITNESS WHEREOF, the undersigned, as the Declarant herein, has hereunto set its hand this 9<sup>th</sup> day of July, 2020.
