SUPPLEMENTAL FINAL ORDER AND JUDGMENT

On November 2, 2005, counsel for AT&T Corp. and AT&T Communications, Inc. (formerly AT&T Communications – East, Inc.) (collectively AT&T) and Class Counsel executed the Utah "Telecommunication Cable"/Railroad Corridor Class Settlement Agreement, providing AT&T, among other things, an easement running along certain railroad corridors in Utah (the "Settlement Agreement"). On November 4, 2005, the Court entered an Order conditionally approving the Settlement Agreement. On July 19, 2006, this Court executed a Final Order and Judgment in these proceedings approving that settlement (the "Final Order and Judgment"), which was entered on July 19, 2006.

In paragraph 8 of the Final Order and Judgment, the Court granted AT&T a sixteen and one half (16 1/2) foot wide easement, consistent with Paragraph VI.A.1 of the Settlement Agreement, for telecommunications purposes through the Settlement Corridor (as defined in the Settlement Agreement) vis-à-vis all Current Landowners (as defined in the Settlement Agreement) and their respective successors in interest. Under Paragraph VI.A.1 of the Settlement Agreement, this permanent telecommunications easement gives AT&T the right to operate, maintain, upgrade and expand its existing cable, as well as to install new conduits and

fiber or replacement technology within the easement and shall permit unrestricted use, licensing and assignment of such facilities, which have been or may be constructed, installed, or acquired by AT&T for its primary use.

Paragraph 13 of the Final Order and Judgment provides that AT&T or Class Counsel may, at their respective options and cost, file/record/index the Final Order and Judgment or a notice thereof, in the name of each Class Member who owns any property affected by the easement in the judgment or land records of the jurisdiction in which the real estate is located.

Paragraph 13 of the Final Order and Judgment also provided that this Court retains jurisdiction to enter supplemental orders and judgments to effectuate the recordation of AT&T's property rights.

This Supplemental Final Order and Judgment specifically identifies the owners of property affected by the easement described in Paragraph 8 of the Final Order and Judgment and describes the affected property to effectuate the recordation of AT&T's property rights.

Accordingly, in order to effectuate the recordation of AT&T's property rights, it is hereby ORDERED AND ADJUDGED as follows:

The maps included at Attachment A illustrate, by county in Utah, the portions of railroad corridors and adjoining property affected by the easement provided in Paragraph 8 of the Final Order and Judgment. Attachment A is broken down by Utah county into a number of sub-parts labeled A1, A2, A3, etc. If AT&T chooses to file/record/index this Supplemental Final Order and Judgment in the land records of a particular county pursuant to Paragraph 13 of the Final Order and Judgment, it is permitted to attach to this Supplemental Final Order and Judgment only the sub-part of Attachment A that corresponds to that county.

Attachment B is a series of descriptions, by county in Utah, that describe the portions of railroad corridors and adjoining property affected by the easement provided in Paragraph 8 of the Final Order and Judgment. Attachment B is broken down for each Utah county into a number of sub-parts labeled B1, B2, B3, etc. If AT&T chooses to file/record/index this Supplemental Final Order and Judgment in the land records of a particular county pursuant to Paragraph 13 of the Final Order and Judgment, it is permitted to attach to this Supplemental Final Order and Judgment only the sub-part of Attachment B that corresponds to that county.

Attachment C consists of two spreadsheets that lists all owners of property from whom an easement was obtained and describes the parcels of property subject to the easement provided in Paragraph 8 of the Final Order and Judgment. One of the spreadsheets lists the parcels within each county by the names of the landowners, and the other spreadsheet lists the parcels within each county in order as they appear along the Settlement Corridor. Each spreadsheet in Attachment C is broken down by Utah county into a number of sub-parts labeled C1, C2, C3, etc. If AT&T chooses to file/record/index this Supplemental Final Order and Judgment in the land records of a particular county pursuant to Paragraph 13 of the Final Order and Judgment, it is permitted to attach to this Supplemental Final Order and Judgment only the sub-part of Attachment C that corresponds to that county.

If AT&T chooses to file/record/index this Supplemental Final Order and Judgment in the land records of a particular county, the recorder's offices of such jurisdictions are directed to file/record/index this Order against each settlement class member's name or against such settlement class member's interest in the real estate (the names and other necessary information of such settlement class members within each applicable jurisdiction are included at Attachment C to this Supplemental Final Order and Judgment in order to allow the recorder's office to

file/record/index this Supplemental Final Order and Judgment against each settlement class member), so as to give constructive and record notice to all subsequent parties acquiring an interest in the real estate of the existence of the easements.

SO ORDERED this 7th day of February, 2007.
