**FIRST AMENDMENT TO  
SUPPLEMENTAL DEVELOPMENT AGREEMENT  
FOR THE PARK LANE COMMONS PROJECT**

This First Amendment to Supplemental Development Agreement for the Park Lane Commons Project (this "*Amendment*") is made this 2 day of January, 2016, by and between FARMINGTON SQUARE, LLC, a Utah limited liability company ("Developer"), and FARMINGTON CITY, a Utah municipal corporation (the "City"). Developer and City shall be referred to herein collectively as the "Parties" and individually as a "Party."

---

**RECITALS**

A. The Parties entered into that certain Supplemental Development Agreement for the Park Lane Commons Project, dated June 23, 2014 (the "Development Agreement"), in connection with the development and use of the Property described on Exhibit A attached hereto and incorporated herein.

B. The Parties desire to amend the Development Agreement pursuant to the terms and conditions set forth below.

**AGREEMENT**

Now therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. **Incorporation of Recitals.** The foregoing Recitals are hereby incorporated into this Amendment and made a part hereof.

2. **Effective Date of Amendment.** This Amendment shall be effective as of the date the Utah Department of Transportation ("UDOT") approves the off-premise pylon sign (the "Pylon Sign") described in the amended Section 5.1.1 below (the "Effective Date"). In the event UDOT does not approve of the Pylon Sign on or before April 30, 2016, the Parties agree that

this Amendment shall terminate and be of no further force or effect, and the Development Agreement shall continue unaffected by this Amendment.

3. Signage Plan. As of the Effective Date, Section 5.1.1 of the Development Agreement is hereby deleted in its entirety and replaced with the following:

***5.1.1 Signage Plan. A full signage plan for the Project shall be submitted by the Developer as part of the development plan review process in compliance with Section 11-18-109 of the Ordinance. However, as part of this Agreement, one (1) pylon sign is hereby approved for the Project along the frontage of I-15 at a height not to exceed fifty-five (55) feet from the freeway grade and twenty (20) feet in width as depicted in Exhibit D.***

4. Exhibit C of the Development Agreement. As of the Effective Date, "Exhibit C" of the Development Agreement is hereby deleted in its entirety and replaced with Exhibit D attached hereto and incorporated herein, by reference.

5. Cooperation between the Parties. The Parties agree to exercise good faith and cooperate to facilitate the application, processing, permitting, approvals and construction of the Pylon Sign. It is anticipated by the Parties that the construction of the Pylon Sign will be completed promptly following its approval by UDOT.

6. Ratification of Development Agreement. Except as expressly modified by this Amendment, the Parties hereby ratify the Development Agreement and agree that the Development Agreement shall remain in full force and effect.

7. Amendment to Development Agreement. To the extent that the terms and conditions of this Amendment modify or conflict with any provisions of the Development Agreement, including prior addenda, schedules and exhibits, the terms of this Amendment shall control. All other terms of the Development Agreement, including all prior addenda, schedules and exhibits, not modified by this Amendment shall remain the same.

8. Defined Terms. Capitalized terms used in this Amendment which are not otherwise defined herein shall have the same meanings given to such terms in the Development Agreement.

9. Counterparts. This Amendment may be executed in counterparts and signed separately by the parties hereto, which when taken together shall constitute one original document. Signatures may be delivered electronically via email or by overnight delivery, and in either case shall bind the parties to this Amendment.

In Witness Whereof, the Parties have executed this Amendment as of the date first written above.
