

WHEN RECORDED RETURN TO:

MODERATE INCOME HOUSING AGREEMENT
FOR MAYFLOWER MARINA AND LAKESIDE NORTH

This Moderate Income Housing Agreement for Mayflower Marina-East and Lakeside-North Areas (this "**Agreement**") is made as of the 26th day of JAN. 2017 (the "**Effective Date**") by and between Wasatch County, a political subdivision of the State of Utah (the "**County**") and Stichting Mayflower Mountain Fonds, a Netherlands association, and Stichting Mayflower Recreational Fonds, a Netherlands association (hereinafter collectively "Mayflower"), and Jordanelle Land Investors, LLC, a Utah limited liability company (hereinafter "JLI"). Mayflower and JLI may be referred to hereinafter collectively as "Developers". 'Mayflower' and 'JLI' as used shall include their respective successors in interest, transferees and assigns, including, where applicable, assignments to successors in interest or assignees of Mayflower's or JLI's rights and obligations under this Agreement.

Recitals

A. Mayflower is the owner of a large parcel of land located near the Jordanelle Reservoir in Wasatch County consisting of approximately 141.2 acres ("**Marina-East**"). JLI is the owner of a large parcel of land also located near the Jordanelle Reservoir in Wasatch County consisting of approximately 667 acres ("**Lakeside-North**"). Together, they are sometimes referred to herein as the "**Projects**." The legal descriptions of the two (2) Projects are included in Exhibit A attached hereto. Each Project may be developed separately, but both are subject to this Agreement with the intent that the affordable housing components of the Projects shall be satisfied on the Marina-East parcel, except to the extent the Wasatch County Council may allow either or both Developers to pay a fee in lieu under the Affordable Housing Code.

B. On January 18, 2017, the Wasatch County Council approved a master plan for Marina-East, allowing for a maximum density of 392 Equivalent Residential Units ("**ERUs**"), 137 Affordable Housing Units ("**AUEs**") and 50,000 square feet of commercial space.

C. On February 15, 2017, the Wasatch County Council approved a master plan for Lakeside-North, allowing for a maximum density of 503 ERUs.

D. A condition of final master plan approval for both Marina-East and Lakeside-North is to include in the development agreement a general plan for addressing how the obligations of the Wasatch County Moderate Income Housing Code (hereinafter referred to as "**Chapter 16.30**" or the "**Affordable Housing Code**") will be satisfied.

E. This Agreement serves or will serve as a component of the development agreement(s) for the Projects and is intended to establish the moderate income housing obligations for the Projects and provide a general plan for satisfying the obligations as

development of the Projects proceeds. The general terms of this Agreement will be refined at the time of preliminary and final plat approval for each area within each Project. It is anticipated to be supplement/amended at such time to provide additional detail as to how the terms of this Agreement affect the platted area and whether the overall purposes of this Agreement and the Affordable Housing Code are being addressed. Moreover, additional documentation will be prepared in the form of real property deed restrictions (or a County approved alternative), in compliance with Chapter 16.30, and will be recorded against all moderate income housing units ("**Affordable Units**") to be constructed within the Project in satisfaction of the requirements of this Agreement.

Agreement

NOW, THEREFORE, in consideration of the premises and the terms and conditions herein stated and for other valuable consideration, the adequacy of which is hereby acknowledged, the parties agree as follows:

1. Obligation to Provide Affordable Units. Under the Affordable Housing Code, the obligation to provide Affordable Units (the "**Affordable Housing Obligation**") is calculated based on the number of approved residential ERUs and the area of commercial square footage planned for each Project. The Housing Obligation is stated in terms of Affordable Unit Equivalents ("**AUEs**") where one AUE is equivalent to a two (2) bedroom unit with a minimum of nine hundred (900) square feet of net livable space. Under Chapter 16.30, the Affordable Housing Obligation for each Project is calculated as follows:

Project Area	ERUs	Net Leasable Commercial	AUE Obligation for ERUs*	AUE Obligation for Comm'l**	Total Affordable Housing Obligation
Marina-East	392	42,500 sf	39.2	12.47	51.67 AUE
Lakeside-North	503	0	50.3	-	50.30 AUE

* The obligation rate is 10% of the approved ERUs, and the additional AUEs to be constructed do not count against the approved density for the project.

** The commercial obligation is calculated in accordance with Section 16.30.08. Because the actual use of the commercial space is unknown at this time, the 'overall/general' category has been used to determine the employee generation as a basis for the obligation.

2. General Plan for Satisfying Affordable Housing Obligation. The parties acknowledge and agree that it is in the best interests of both the County and the Projects to concentrate the Affordable Units on-site and in an area that has easy access to transportation corridors to promote shared transportation. In addition, Developers have requested that they each be given a certain amount of time to plan for the concentrated development of the Affordable Units without impeding the commencement of development of the Projects. With these goals in mind, Developers shall concentrate their respective Affordable Housing Obligations on a single parcel located within Marina-East, which parcel is currently identified on

the Marina-East Master Plan as MARINA RMD(C) Parcel 3 (the “Affordable Housing Obligation Parcel” or “AHOP”) approved for 137 AUEs on the following terms and conditions:

a. *Units Must Be Constructed.* Mayflower’s and JLI’s Affordable Housing Obligations must be actually constructed on the AHOP and deed restricted as moderate income housing in perpetuity. Neither Mayflower nor JLI may satisfy any of their Affordable Housing Obligations by paying a fee in lieu without the consent of the County Council. The Affordable Units shall be constructed, sold or rented in compliance with Chapter 16.30. Neither Mayflower nor JLI shall be obligated to manage or enforce rental Affordable Units after they have been constructed and accepted by the County if either conveys their respective Affordable Units to the County or a third-party who agrees to manage or enforce rental Affordable Units.

b. *Assurance of Completion.*

1) Within two (2) years of submitting to the County, for processing and approval, of a Preliminary Site Plan for Lakeside North or Marina East, whichever is earlier, Developers shall submit to the County, for processing and approval, a Preliminary Site Plan and Preliminary Plat for the entire AHOP.

2) Within two (2) years of the County’s approval of the Final Site Plan and Final Plat for the first phase and each subsequent phase on Lakeside North (allowable first phase maximum of 173 ERUs), JLI shall commence construction of the AHOP infrastructure necessary to service the affordable housing units attributable to that phase. Within three (3) years of the County’s approval of the Final Site Plan and Final Plat for the first phase and each subsequent phase on Lakeside North, JLI shall commence construction of the Affordable Units attributable to that phase.

Similarly, within two (2) years of the County’s approval of the Final Site Plan and Final Plat for the first phase and each subsequent phase on Mayflower East (allowable first phase maximum of 159 ERUs), Mayflower shall commence construction of the AHOP infrastructure necessary to service the affordable housing units attributable to that phase. Within three (3) years of the County’s approval of the Final Site Plan and Final Plat for the first phase and each subsequent phase on Marina East, Mayflower shall commence construction of the Affordable Units attributable to that phase.

Developer may approach the County Council for extensions of these deadlines, which the County Council may accept or deny in its sole and absolute discretion. To the extent this Section 2.b.2 conflicts with Section 2.b.4, Section 2.b.4 shall apply.

3) Should JLI or Mayflower fail to meet any of their aforementioned respective infrastructure or construction deadlines, the County may withhold approval of the Final Site Plan and Final Plat for subsequent phases on Lakeside North or Marina East pending compliance with said deadlines; provided however, that the County may

not withhold any such approval for a Lakeside North phase pending compliance with a deadline required of Marina East, or vice versa.

4) Construction of all affordable housing units required of Lakeside North must be completed prior to County approval of the Final Site Plan and Final Plat for the last phase on Lakeside North. Similarly, construction of all affordable housing units required of Marina East must be completed prior to County approval of the Final Site Plan and Final Plat for the last phase on Marina.

5) With the exception of the above-referenced AHOP planning and platting requirements, the affordable housing requirements imposed on Lakeside North shall not be enforceable against Marina East, nor shall the affordable housing requirements imposed on Marina East be enforceable against Lakeside North.

3. AHOP Relocation. Mayflower may, if and to the extent consistent with applicable law, relocate the AHOP to another location within Marina East with the County's consent, which consent shall not be unreasonably withheld. Developers each agree to bear the risk of any increased costs or delays that may result from Mayflower requesting, and the County considering and processing a request to relocate the AHOP to another location, including any approvals from special service districts, utilities, or the State of Utah or any of its subsidiaries the County may require in its reasonable discretion.

4. Deed Restrictions and Pricing of Affordable Units. At the time of final plat approval for the AHOP, deed restrictions shall be recorded against all platted Affordable Units. The deed restrictions shall be consistent with the requirements of the Affordable Housing Code and applicable county policies then in effect. The form of the restrictions shall be approved by the County prior to recording.

5. Release from this Agreement. The parties will release each respective Project from the terms of this Agreement (i) at the time of sale or transfer of the last platted Project lands for each respective Project subject to this Agreement, and provided all the terms of Paragraph 2 have been satisfied with respect to such lands, or (ii) the recording of deed restrictions on platted Affordable Units.

6. General Provisions.

a. *Recording.* This Agreement shall be recorded in the official records of the Wasatch County Recorder.

b. *Default.* Should either Developer default in the performance of its obligations hereunder and fail to cure such default within thirty (30) days after receipt of written notice from the County specifying the nature of such default (or if such default cannot be cured within the aforesaid period of time, if said Developer fails to promptly commence to cure the same and to thereafter diligently proceed with such

cure), then the County shall be entitled to undertake such remedies as are available in law or equity and/or provided in this Agreement, including but not limited to, denying any request for new building permits on the portions of that Developer's Project remaining subject to this Agreement, forfeiture of escrowed items as provided herein, and/or obtaining an injunction or an order requiring specific performance of that Developer's obligations under this Agreement.

c. *Term.* The term of this Agreement shall commence as of the Effective Date and shall continue in full force and effect in perpetuity until no portion of either Project remains subject to this Agreement, unless terminated sooner by the mutual agreement of both Developers and the County (the "**Term**").

d. *Amendment.* This Agreement may only be amended by written instrument signed by the County and both Developers and/or their respective successors or assigns. This Agreement constitutes the entire agreement of the parties with respect to the subject matters addressed herein. No other agreements, oral or written, pertaining to the matters herein exists between the parties. This Agreement hereby supersedes any other agreement between the parties respecting the subject matter addressed herein.

e. *Binding Effect.* This Agreement and the covenants contained herein shall run with the land and shall be binding upon and shall inure to the benefit of the parties hereto and their successors and assigns until released.

f. *Enforcement.* All of the terms, provisions and restrictions of this Agreement may be enforced by the County and in the event of a breach of this Agreement the County shall have such remedies as may be available in law or in equity.

g. *Notices.* All notices to be given to County or the Developers pursuant to this Agreement shall be in writing and shall be mailed, by first class, postage prepaid, or sent by verified email to the parties at the addresses set forth below, or any other address provided by Developer:

h. *Governing Law.* This Agreement shall be governed by and construed in accordance with the laws of the State of Utah.

i. *Representations.*

i. Developers each warrant and represent to the County as follows:

(a) Their respective Projects are located upon the real property described in Exhibit A attached hereto;

(b) each has the authority and power to execute, deliver and have recorded this Agreement; and

(c) The individuals signing on behalf of each are duly authorized, empowered and have the authority to bind that Developer to the terms and conditions of this Agreement.

ii. The County hereby warrants and represents to the Developers as follows:

(a) County has the authority and power to execute, deliver and have recorded this Agreement; and

(b) The individuals signing on behalf of County are duly authorized, empowered and have the authority to bind County to the terms and conditions of this Agreement.

j. *Attorney's Fees.* In any action or defense associated with this Agreement, the prevailing party shall be reimbursed by the non-prevailing party for the costs, including reasonable attorneys' fees incurred by the prevailing party in that action or defense.

k. *Recitals and Exhibits.* The included Recitals and Exhibits are an integral part of this Agreement and are hereby incorporated into this Agreement.

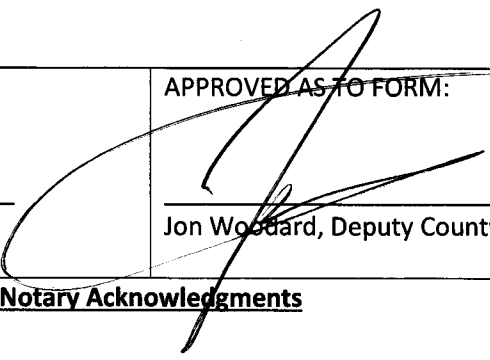

l. *Waiver.* No action or failure to act by the parties shall constitute a waiver of any right or duty afforded any party under this Agreement, nor shall any such action or failure to act constitute approval of or acquiescence in any breach hereunder, except as may be specifically agreed to in writing. A waiver by a party of a breach hereunder by the other party shall not be construed as a waiver of any succeeding breach of the same or other provisions.

m. *Counterparts.* This Agreement may be executed by the different parties hereto in separate counterparts, each of which when so executed shall be an original, and all of which taken together shall constitute one and the same agreement.

n. *Severability.* If any provision of this Agreement or the application thereof to any party or circumstances shall be invalid or unenforceable to any extent, the remainder of the Agreement and the application of such provisions to any other party or circumstance shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

o. *Headings.* Titles or headings to sections of this Agreement are for convenience only, and neither limit nor amplify the provisions of this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed the date and year first above written above.

Legal Description of Property

Marina-East

Lakeside-North

Exhibit "A"

Parcel 1

The Northeast quarter; the East half of the Southeast quarter; the East half of the East half of the West half of the Southeast quarter; and the East half of the West half of the East half of the West half of the Southeast quarter of Section 12, Township 2 South Range 4 East, Salt Lake Base and Meridian.

EXCEPTING THEREFROM THE FOLLOWING:

Exception Parcel No. 1:

Those portions of the above described Parcel 1 lying within Summit County.

Wasatch County Tax Serial Number: OWC-0005-0.

Wasatch County Tax Parcel Number: 00-0007-1204.

Parcel 2:

5 strips of land lying within the East half of Section 13, Township 2 South Range 4 East, Salt Lake Base and Meridian, being more particularly described as follows:

- a) A strip of land 100.0 feet wide situate in the East half of Section 13, Township 2 South Range 4 East of the Salt Lake Meridian in Wasatch County, Utah, said strip being 50.0 feet on each side, measured at right angles and/or radially, from the hereinafter described centerline of abandoned main track of the Ontario Branch of the Union Pacific Railroad Company, as formerly constructed and operated, and extending in a general Southwesterly and Southeasterly direction from the East line to the South line of said Section.
- b) Two strips of land each 75.0 feet wide situate in the Southeast quarter of the Northeast quarter of Section 13, Township 2 South Range 4 East of the Salt Lake Base and Meridian in Wasatch County, Utah, said strips lying between lines 50.0 and 125.0 feet on each side, measured at right angles and/or radially, from the hereinafter described centerline of abandoned main track of the Ontario Branch of the Union Pacific Railroad Company, as formerly constructed and operated, and extending Southwesterly from a straight line drawn at right angles through said centerline at a point thereon that is 985.7 feet distant Southwesterly, measured along said centerline, from the East line of said Section to a straight line drawn radially through said centerline at a point thereon that is 1185.7 feet distant Southwesterly, measured along said centerline, from said East line of Section.
- c) Two strips of land each 125.0 feet wide situate in the South half of the Southeast quarter of Section 13, Township 2 South Range 4 East of the Salt Lake Base and Meridian in Wasatch County, Utah, said strips lying between lines 50.0 and 175.0 feet on each side, measured at right angles and/or radially, from the hereinafter described centerline of abandoned main track of the Ontario Branch of the Union Pacific Railroad Company, as formerly constructed and operated, and extending Southwesterly and Southeasterly from a straight line drawn radially through said centerline at a point thereon that is 3386.2 feet distant Southwesterly, measured along said centerline, from the East line of said Section to the South line of said Section.

Said centerline of the abandoned main track referred to above, and referenced hereafter as the

“CENTERLINE OF ABANDONED MAIN TRACK OF THE ONTARIO BRANCH OF THE UNION PACIFIC RAILROAD COMPANY, AS FORMERLY CONSTRUCTED AND OPERATED”, is described as follows:

Commencing at a point on the West line of Section 6, Township 2 South Range 5 East, Salt Lake Base and Meridian, that is 60.6 feet distant North, measured along said West line, from the West quarter corner thereof; thence Easterly along a nontangent curve, concave Southerly, with a radius of 573.69 feet and a line which is tangent to the beginning of said curve forms an angle of 32°36' from North to Northeast with said West line of Section, a distance of 1225.1 feet; thence Southeasterly along a straight line tangent to the end of the last described curve, a distance of 1164.4 feet to the beginning of a tangent curve concave Northeasterly, having a radius of 1432.69 feet; thence Southeasterly along said curve, a distance of 500.0 feet; thence Southeasterly along a straight line tangent to the end of the last described curve, a distance of 542.6 feet to the beginning of a tangent curve, concave Southwesterly, having a radius of 716.78 feet; thence Southeasterly along said curve, a distance of 300.8 feet to the True Point of Beginning of the centerline hereby being described; thence Southeasterly along a straight line tangent to the end of the last described curve, a distance of 282.4 feet to the beginning of a tangent curve concave Northeasterly, having a radius of 955.37 feet; thence Southeasterly along said curve, a distance of 300.3 feet; thence Southeasterly along a straight line tangent to the end of the last described curve, a distance of 217.5 feet to the beginning of a tangent curve concave Southwesterly, having a radius of 716.78 feet; thence Southeasterly along said curve, a distance of 513.5 feet; thence Southerly along a straight line tangent to the end of the last described curve, a distance of 426.3 feet to the beginning of a tangent curve concave Northeasterly, having a radius of 955.37 feet; thence Southeasterly along said curve, a distance of 541.9 feet; thence Southeasterly along a straight line tangent to the end of the last described curve, a distance of 228.6 feet to the beginning of a tangent curve concave Westerly, having a radius of 573.69 feet; thence Southerly along said curve, a distance of 932.5 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 195.1 feet to the beginning of a tangent curve concave Southeasterly, having a radius of 573.69 feet; thence Southwesterly along said curve, a distance of 475.2 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 161.8 feet to the beginning of a tangent curve concave Northwesterly, having a radius of 955.37 feet; thence Southwesterly along said curve, a distance of 357.8 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 124.6 feet to the beginning of a tangent curve concave Southeasterly, having a radius of 955.37 feet; thence Southwesterly along said curve, a distance of 341.9 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 314.4 feet to the beginning of a tangent curve concave Northwesterly, having a radius of 819.02 feet; thence Southwesterly along said curve, a distance of 369.0 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 333.0 feet to the beginning of a tangent curve concave Southeasterly, having a radius of 573.69 feet; thence Southwesterly along said curve, a distance of 399.5 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 79.5 feet to the beginning of a tangent curve concave Northwesterly, having a radius of 573.69 feet; thence Southwesterly along said curve, a distance of 165.6 feet to a point on the South line of Section 7, Township 2 South, Range 5 East, Salt Lake Base and Meridian, that is 1279.4 feet, more or less, distant East, measured along said South line, from the Southwest corner thereof; thence continuing Southwesterly along the remainder of said curve, a distance of 501.6 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 47.0 feet to the beginning of a tangent curve concave Southeasterly, having a radius of 573.69 feet; thence Southwesterly along said curve, a distance of 358.7 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 212.3 feet to the beginning of a tangent curve concave Northwesterly, having a radius of 1910.08 feet; thence Southwesterly along said curve, a distance of 416.7 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 170.7 feet to the beginning of a tangent curve concave Southeasterly, having a radius of 1432.69 feet; thence Southwesterly along said curve, a distance of 138.8 feet to a point on the West line of Section 18, Township 2 South Range 5 East, Salt Lake Base and Meridian, that is 1324.7 feet

distant South, measured along said West line, from the Northwest corner thereof; thence continuing Southwesterly along the remainder of said curve, a distance of 189.5 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 950.5 feet to the beginning of a tangent curve concave Southeasterly, having a radius of 955.37 feet; thence Southwesterly along said curve, a distance of 296.4 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 247.4 feet to the beginning of a tangent curve concave Easterly, having a radius of 955.37 feet; thence Southerly along said curve, a distance of 400.0 feet; thence Southeasterly along a straight line tangent to the end of the last described curve, a distance of 276.8 feet to the beginning of a tangent curve concave Northwesterly, having a radius of 573.69 feet; thence Southwesterly along said curve, a distance of 677.0 feet; thence Southwesterly along a straight line tangent to the end of the last described curve, a distance of 276.6 feet to the beginning of a tangent curve concave Easterly, having a radius of 573.69 feet; thence Southerly along said curve, a distance of 1151.0 feet; thence Southeasterly along a straight line tangent to the end of the last described curve, a distance of 183.8 feet to the beginning of a tangent curve concave Southwesterly, having a radius of 575.60 feet; thence Southeasterly along said curve, a distance of 169.2 feet to a point on the North line of Section 24, Township 2 South, Range 4 East, Salt Lake Base and Meridian that is 1596.3 feet Easterly, measured along said North line, from the North quarter corner of said Section; thence continuing Southeasterly along the remainder of said curve, a distance of 417.8 feet to a point beyond the strips of land hereinabove described.

Re: Availability of Utilities for Mayflower Lakeside-North "Master Plan"

This is to verify that PacifiCorp d.b.a. Rocky Mountain Power:

- 1) Has sufficient capacity at the present time to provide, single and three phase power to the above titled development project. RMP may require an Engineering Study Agreement (ESA) of the electrical load for this project, prior to this Developer(s), proceeding to construction phase of this project.
- 2) I will review the development plans, when they're submitted by:
Developer (s) to be determined
Electric service will be provided under the prevailing "Rates and Regulations", as filed with the "Public Utilities Commission of Utah".
- 3) Adequate rights-of-way or easements either presently exists or will be provided by the developer to supply the requested services(s).

Re: Refuse collection service for Mayflower Marina & Mayflower Lakeside North

Dear Mr. Morrill:

Wasatch County Solid Waste Disposal District currently collects refuse in the Jordanelle area. Your request for refuse collection service to the above referenced development will be provided with residential containers collected weekly along the public right of way for the individual homes and possibly the townhomes. Condos and possibly townhomes will be serviced using front load dumpsters in locations with easy access for our front load refuse collection trucks.

All private roads must be maintained for sufficient access. Roadways cannot be blocked during construction of homes on collection day.

All residents of Wasatch County are required to have collection service whether full or part time residents. A setup fee must be paid at the time a building permit is issued.

This letter should also be included in your development agreement.

Sincerely,

Kelly Christensen, Manager

Dear Developer:

Re: Natural Gas Service Availability Letter

Natural gas can be made available to serve the **Mayflower Marina & Mayflower Lakeside-North** development when the following requirements are met:

1. Developer provides plat maps, drawings, construction schedules, average size of homes, units, and/or buildings that will be served by natural gas, and any and all other relevant information regarding commercial and residential uses, including but not limited to, proposed natural gas appliances (number and type of appliances per unit, homes, building).
2. Review and analysis by Questar Gas' Engineering and/or Pre-Construction Department to determine load requirements. System reinforcement requirements and estimated costs to bring natural gas to the development.

Upon completion of Questar Gas' review of the development's natural gas requirements, agreements will be prepared, as necessary, for high pressure, intermediate high pressure and/or service line extensions required to serve the development. These service extensions must be paid in advance.

To accommodate your construction schedule and provide cost estimates to you, please contact me at your earliest convenience.

Sincerely,

NOV 17 2017

Mr. Gene Shawcroft
General Manager/CEO
Central Utah Water Conservancy District

Subject: Notification of the Department of the Interior's Intent to Issue an Amendment to Block Notice 1A for the Bonneville Unit of the Central Utah Project in accordance with Repayment Contract No. 14-06-400-4286 Dated December 28, 1965 – Section 202(e) – Central Utah Project Completion Act

Dear Mr. Shawcroft:

In accordance with Repayment Contract No. 14-06-400-4286 dated December 28, 1965, associated with the Bonneville Unit of the Central Utah Project (Project), the Department of the Interior intends to issue an amendment to Block Notice 1A to provide for conversion of 300 acre-feet of Project water from Irrigation to Municipal and Industrial (M&I) use.

Quantity of Water to be Converted: As a result of the April 3, 2000, Block Notice 1A, 15,100 acre-feet of irrigation water was made available to local irrigators. This amendment provides for conversion of 300 acre-feet of irrigation water to M&I use.

Delivery Area: Development Block Notice 1A shall include presently irrigated land, partially irrigated land, new land suitable for irrigation, and municipal and industrial areas within the boundaries of the Central Utah Water Conservancy District (District), as expanded in the Final Environmental Assessment Block Notice 1A Heber Sub-Area Agricultural Water to M&I Water Conversion, dated September 2011.

Payment and Schedule: The unit rate for irrigation water under Development Block Notice 1A will continue to be \$3.10 per acre-foot, while the unit rate for the converted water will be \$219.63 per acre-foot.

Waiver of Notification Period: Section 7(a) of the Repayment Contract No. 14-06-400-4286 requires the United States to give the District notice of its intent to issue Bonneville Unit M&I block notices at least seven months prior to the date when water will first be delivered.

The Amendment to Block Notice 1A will be issued so as to provide M&I water beginning on January 1, 2018. Whereas, this notice was not issued prior to the requisite 7-month time period, we ask that the District provide a written waiver of the M&I notification period, which we understand the District is prepared to do in this case.

If you wish to discuss this matter further, please contact Mr. Lee Baxter at 801-379-1174
