This Declaration of Covenants, Conditions and Restrictions of the Aliwood Commons, Planned Unit Development, is made and executed this day 15th of July, 201~~7~~⁴, by each of the persons identified in Exhibit "B" attached hereto, as the Owners (hereinafter referred to as "Owners") and mortgagees (hereinafter referred to as "Condo Mortgagees") of certain portions of the Property subject hereto (which portions of the Property are likewise identified in Exhibit "B").

RECITALS

A. This instrument affects the following described tract of land located in Bountiful, Davis County, Utah:

See Exhibit "A" attached hereto;

hereinafter, the "Property."

B. The Property was heretofore committed to a condominium regime, through the execution and recording of the following declaration and plat:

(1) Condominium Declaration of Aliwood Commons, recorded in the Office of the Davis County Recorder, State of Utah, on May 22, 2001, as Entry No. 1662814, in Book 2812, at Page 870;

(2) Record of Survey Map of the Aliwood Commons Condominiums, recorded in the Office of the Davis County Recorder, State of Utah, on May 22, 2001, as Entry No. 1662813, in Book 2812, at Page 869; and

(3) Amended and Restated Condominium Declaration for Aliwood Commons, recorded in the Office of the Davis County Recorder, State of Utah, on March 30, 2006, as Entry No. 2156392, in Book 4002, at Page 1528, and re-recorded on April 13, 2006, as Entry No. 2160038, in Book 4012, at Page 571;

hereinafter collectively referred to as the "Condo Documents."

C. The Owners have elected to terminate the condominium regime with respect to the Property and to substitute in lieu thereof a planned unit development of the Property, and

the Condo Mortgagees have consented to such action. In furtherance thereof, the Condo Documents have been vacated, the condominium regime terminated, and the Property removed from the Utah Condominium Act, pursuant to that certain Agreement for the Vacation of the Aliwood Commons Condominium Declaration and Substitution of Planned Unit Development (the "Condo Termination Document"), which is filed for record in the office of the County Recorder of Davis County, Utah, concurrently with the filing and recording of this Declaration:

D. The parties hereto desire to provide for preservation of the values and amenities in said development and for the maintenance of the Common Areas to be located on the property. To this end and for benefit of the Property and of the Owners thereof, the parties hereto desire to subject the Property to the covenants, conditions, restrictions, easements, charges, and liens hereinafter set forth.

E. The Owners deem it desirable, for the efficient preservation of the values and amenities in the development, to create an entity which shall have the power to maintain and administer the Common Areas, to collect and disburse the assessments and charges hereinafter provided for, and otherwise to administer and enforce the provisions of this Declaration. For such purpose, the Owners have caused to be incorporated under the laws of the State of Utah, as a nonprofit corporation, the Aliwood Commons PUD Owners Association.

NOW, THEREFORE, for the foregoing purposes, Developer and the Owners declare that the Property, as defined below, is and shall be held, transferred, sold, conveyed, and occupied subject to the covenants, conditions, restrictions, easements, charges and liens hereinafter set forth, and the Condo Mortgagees grant their consent to such, upon the following terms and conditions.

II. PROPERTY DESCRIPTION

The Property that is submitted to, and shall be held, transferred, sold, conveyed, and occupied subject to the provisions of this Declaration, consists of the Property described in Exhibit "A" attached hereto, subject to the following provisions:

2.1 Exclusion of Utilities Easements. There is excluded from the Property all presently existing or to be constructed or installed sewer lines, water mains, gas lines, electrical conduits, telephone lines, and related facilities to the extent they are located outside the Lots included within the Property.

2.2 Right of Access for Maintenance. Each Lot is subject to a right of access reserved and/or granted in favor of the Association for maintenance and upkeep of any portion of any Lot or Residential Unit situated thereon that is the responsibility of the Association under this Declaration. In addition, each Lot is subject to a right of access in favor of utility companies and Bountiful City for maintenance of utilities and storm drains and sewers, if any, located on or adjacent to the Lots.

2.3 Other Easements. There is hereby reserved, for the benefit of all of the Property and the Owners, reciprocal easements of access, ingress and egress over the Common Areas, for the use and enjoyment of the Lots in accordance with this Declaration, including, without limitation for installation and repair of utility services, for drainage over, across and upon adjacent Lots for water resulting from the normal use of adjoining Lots, and for maintenance and repair of any Residence Unit or landscaping located on any Common Areas. No Owner of a Lot shall interfere with the established drainage pattern over his Lot from adjoining or other Lots. Each Lot shall also have a perpetual easement to the extent the footings and/or foundations of any Residential Unit may encroach upon the Common Areas. Each Owner of a Lot shall make adequate provision for drainage with the approval of Bountiful City or other governing authority in the event the Owner changes the established drainage over his Lot.

2.4 Subject to Taxes, Instruments of Record. The Property subjected to this Declaration is subject to all liens for current and future taxes, assessments, and charges imposed or levied by governmental or quasi-governmental authorities; all patent reservations and exclusions; all instruments of record which affect the Property or any portion thereof, including, without limitation, any mortgage or deed of trust (subject, however, to the consents and releases stated in this Declaration); all visible easements and rights-of-way; and all easements and rights-of-way of record.

2.5 Provisions Relating to Termination of Condominium Regime. This Declaration is being recorded to facilitate and effect the replacement of the condominium regime established under the Condo Documents with a planned unit development. In furtherance thereof, the parties agree as follows:

(a) Ownership of Lots. Each Owner is hereby vested with ownership of the Lot (as identified and created pursuant to this Declaration and the Plat), having the same number(s) as the condominium Unit owned by such Owner under the Condo Documents, and the lien and encumbrance of each Condo Mortgagee on a condominium Unit shall be deemed to carry over to the Lot having the same number(s) as such condominium Unit, without interruption, change in priority, or need for the execution or recording of any further instrument. The specific condominium unit(s) owned by each Owner, and encumbered by a mortgage or trust deed in favor of a Condo Mortgagee, as well as the corresponding PUD Lot that is owned by such Owner pursuant to this Declaration and encumbered by the same mortgage or trust deed after conversion to the PUD, are identified in Exhibit "B" attached hereto. Each Owner hereby covenants with his respective Condo Mortgagee to execute and acknowledge such other or further instrument as may be reasonably requested to evidence and/or effectuate the provisions of this subparagraph, including an amendment or restatement of the mortgage or trust deed to set forth the legal description of the Lot encumbered by the mortgage or trust deed.

(b) Conveyance of PUD Lots. To the extent of their respective interests in the Property, the Owners hereby convey all of their right, title and interest in the various Lots located thereon to the persons and entities identified in said Exhibit "B" as the owners thereof.

(c) Conveyance of Common Areas to Association. Upon recording of this Declaration and the Plat, ownership of the Common Areas shall vest in the Aliwood Commons PUD Owners Association, a Utah nonprofit corporation, whose address is c/o ManageCo, 2150 South 1300 East, Suite 500, Salt Lake City, Utah 84106 (mailing address is P.O. Box 526109, Salt Lake City, Utah 84152). Each Owner, as his, her or its interests may appear, hereby conveys and quit claims to the Association, all of his, her or its interest in the Common Areas (subject to the easements and rights created under this Declaration), and the Condo Mortgagees, to the extent their respective mortgages, trust deeds or lien instruments encumber said Common Areas, hereby release and relinquish the such mortgages and trust deeds thereon. To the extent necessary to effect the release of a trust deed with respect to the Common Areas, this Declaration shall constitute a request by each Condo Mortgagee to the trustee under such trust deed to execute and deliver a partial reconveyance of the trust deed with respect to any interest in the Common Areas.

(d) Reservations Effective. To the extent that any provision of this Declaration reserves or conveys an easement or similar property interest to the Association, it is the intent of all of the parties hereto that such reservation or conveyance be effective even though the party purporting herein to reserve or convey such easement or similar property interest is not specifically identified in such provision, each party agreeing that their interests in the Units and the common areas established by the Condo Documents, and their interests in the Lots and Common Areas established hereunder, shall be subject to such reservations and conveyances as though they had been made and effected prior to the conveyance of any interests in the condominium Units to the Owners or Condo Mortgagees.

2.6 Not a Cooperative. The project is not a cooperative.

III. ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

3.1 Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest, and shall not be separated from the Lot to which it appertains. Neither the issuance nor the holding of shares of stock shall be necessary to evidence membership in the Association.

3.2 Voting Rights. The Association shall have a single class of voting membership, comprised of all Owners, and each Member shall be entitled to one (1) vote for each Lot owned.

3.3 Purposes and Powers.

(a) The Association's purposes are:

(1) To manage, operate, insure, construct, improve, repair, replace, alter and maintain the Common Areas, subject to the terms and limitations set forth in this Declaration;

(2) To administer and enforce the covenants, conditions, restrictions, reservations, and easements created hereby;

(3) To levy, collect, and enforce the assessments, charges, and liens imposed pursuant hereto;

(4) To take any action that it deems necessary or appropriate to protect the interests and general welfare of the Owners;

(5) To regulate and manage the project; and

(6) To execute and record, on behalf of all Owners, any amendment to this Declaration, or the Plat, or any easement with respect to the Common Areas, that has been approved by the vote or consent necessary to authorize such amendment or easement.

(b) Unless expressly prohibited by law or the Association's Articles or Bylaws, the Association may:

(1) Take any and all actions that it deems necessary or advisable to fulfill its purposes;

(2) Exercise any powers conferred on it by applicable law, by this Declaration, or by the Association's Articles or Bylaws; and

(3) Exercise all powers that may be exercised in Utah by nonprofit corporations.

IV. PROPERTY RIGHTS IN COMMON AREAS

4.1 Easement of Enjoyment. Each Member shall have a right and easement of use and enjoyment in and to the Common Areas. Such right shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may delegate the right and easement of use and enjoyment described herein to any tenant, lessee, or contract purchaser that resides on such Member's Lot.

4.2 Transfer of Title. The Owners, to the extent of their respective rights therein, hereby convey to the Association title to the Common Areas, free and clear of any lien arising through any mortgage existing with respect to any Units in the previous condominium regime, but subject to the matters identified in Article II above, including the easements or rights of way reserved or granted or otherwise enforceable in law or equity.

4.3 Limitations on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

(a) The right of Davis County, Bountiful City, and any other governmental or quasi-governmental body having jurisdiction over the Property to access and rights of ingress and egress over and across any parking area, walkway, or open area contained within the Property for purposes of providing police and fire protection, and providing any other governmental or municipal service; and

(b) The right of the Association (on behalf of all of the Owners) to dedicate or transfer all or any part of the Common Areas to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the vote of Members that are present in person or by proxy and are entitled to cast at a meeting duly called for the purpose. Written or printed notice setting forth the purpose of the meeting and the action proposed shall be sent to all Members at least ten (10), but not more than thirty (30), days prior to the meeting date.

(c) The right of the Association to grant and reserve easements and right-of-way through, under, over and across the Common Areas, for the installation, maintenance and inspection of the lines and appurtenances for public or private water, sewer, drainage, gas, electricity, telephone and other utilities.

(d) The right of the Association to suspend the voting rights and right to use of any recreational facilities located in the Common Areas by an Owner for any period during which any assessment against the Owner's Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations.

4.4 Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

Lot No. ___ contained within the Aliwood Commons Planned Unit Development, as the same is identified in the Plat recorded in the office of the County Recorder of Davis County, Utah, as Entry No. _____, in Book _____, at Page _____, and in the "Declaration of Covenants, Conditions, and Restrictions of the Aliwood Commons Planned Unit Development," recorded in the office of the County Recorder of Davis County, Utah, as Entry No. _____, in Book _____, at Page _____ (as said Declaration and Plat may have heretofore been amended or supplemented);

TOGETHER WITH a right and easement of use and enjoyment in the Common Areas described, and as provided for, in said Declaration.

Whether or not the description employed in any such instrument is in the above specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

V. ASSESSMENTS

5.1 Personal Obligation and Lien. Each Owner shall, by acquiring or in any way becoming vested with his interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and the special assessments described in this Article, together with all other fines, penalties, interest and costs of collection as described in this Declaration. All such amounts shall be, constitute, and remain: (i) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (ii) the personal obligation of the person who is the Owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot.

5.2 Purpose of Assessments. Assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the residents of the Property, for the improvement and maintenance of the Common Areas, and for the fulfillment of such other duties and obligations as are assigned to the Association hereunder. The use made by the Association of funds obtained from Assessments may include payment of the cost of: advertising for the common benefit of the Owners, taxes and insurance on the Common Areas, insurance on Residential Units, water, sewer, refuse removal, snow removal, maintenance, repair, and improvements of the Common Areas; management and supervision of the Common Areas; the creation and funding of a reasonable contingency reserve, surplus or sinking fund, Capital Improvement reserve (reserves are intended to cover both Common Areas and any other repairs or replacements that are the obligation of the Association hereunder), and any expense necessary

or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under this Declaration or its Articles of Incorporation.

5.3 Initial Monthly Assessment; Increases. The monthly assessments, until the same may be changed by the Board of Directors of the Association, are set at One Hundred Forty DOLLARS (\$140.00) per Lot (which is \$1680.00 per annum) as of the date of recording of this Declaration. Assessments shall be paid to the Association by Owners on a monthly basis; however, the Directors of the Association shall have the authority to collect the assessments on another periodic basis, such as quarterly, if it deems it advisable to do so.

(a) From and after January 1 of the year immediately following the recording of this Declaration, the monthly assessment may be increased each year without a vote of the Members by an amount not more than 5% above the monthly assessment for the previous year.

(b) From and after January 1 of the year immediately following the recording of this Declaration, the monthly assessment may be increased by more than 5% above the maximum monthly assessment for the previous year only if the increase is approved by sixty percent (60%) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least ten (10), but not more than thirty (30), days prior to the meeting date.

(c) The Directors of the Association may from time to time and in their discretion set the amount of the monthly assessment at any sum not in excess of the then applicable maximum amount.

5.4 Special Assessments. In addition to the annual assessments authorized above, the Association may levy special assessments for the purpose of defraying, in whole or in part: (i) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (ii) the cost of any construction, reconstruction, or unexpectedly required repair or replacement of an improvement or of personal property upon the Common Areas. Any such special assessment must be assented to by sixty percent (60 %) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least ten (10), but not more than thirty (30), days prior to the meeting date.

5.5 Reserve Analysis - Reserve Fund. As used in this section, the term "reserve analysis" means an analysis to determine: (a) the need for a reserve fund to accumulate money to cover the cost of repairing, replacing, and restoring Common Areas and all other facilities, including those portions of the Residential Units for which the Association is responsible for maintenance and repair (see Section 6.1 below), that have a useful life of three years or more, but excluding any cost that can reasonably be funded from the general budget or other funds of the Association of unit owners; and (b) the appropriate amount of any reserve fund.

(a) The Board of Directors shall cause a reserve analysis to be conducted no less frequently than every five (5) years; and review and, if necessary, update a previously conducted reserve analysis no less frequently than every two (2) years.

(b) The Board of Directors may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the Board of Directors, to conduct the reserve analysis.

(c) The Board of Directors may not use money in a reserve fund: (i) for daily maintenance expenses, unless a majority of the members of the Association vote to approve the use of reserve fund money for that purpose; or (ii) for any purpose other than the purpose for which the reserve fund was established. This may not, however, be construed to limit the Board of Directors from prudently investing money in a reserve fund provided it is government insured.

(d) The Board of Directors shall maintain a reserve fund separate from other funds of the Association.

(e) The Association shall: (i) annually, at the annual meeting of the Association or at a special meeting of the Association: (y) present the reserve study; and (z) provide an opportunity for Unit Owners to discuss reserves and to vote on whether to fund a reserve fund and, if so, how to fund it and in what amount; (ii) prepare and keep minutes of each meeting so held and indicate in the minutes any decision relating to funding a reserve fund; provided, however, and anything to the contrary notwithstanding, the Association shall fund and maintain a reserve account sufficient to satisfy the requirements for certification, if any, by the U.S. Department of Housing and Urban Development.

5.6 Quorum Requirements. Written notice of any meeting called for the purpose of taking any action on which a vote of the Members is authorized or required under this Declaration shall be sent to all Members at least ten (10), but not more than thirty (30), days prior to the meeting date. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present at the first meeting or any subsequent meeting, another meeting may be called, subject to the notice requirement set forth herein, at which a quorum shall be one-half (1/2) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

5.7 Uniform Rate of Assessment. Except as may be expressly stated otherwise herein, both monthly and special assessments shall be fixed at a uniform rate, and, except as expressly stated herein, all costs shall be allocated among the Owners on a per Lot basis.

5.8 Monthly Assessment Due Dates. Monthly assessments shall be due and payable on the first day of each month, or such other date as the Directors of the Association may establish upon notice to the Owners. At least fifteen (15) days prior to the effective date of any

change in amount of the monthly assessment, the Association shall give each Owner written notice of the amount and first due date of the assessed concerned.

5.9 Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Lot, the Association shall, for a reasonable charge, issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

5.10 Lien; Effect of Non-payment; Remedies. The monthly and special assessments, and all other charges to an Owner provided in this Declaration (including interest and costs of collection), shall be a charge on the Owner's Lot and shall be a continuing lien upon the Lot against which each such assessment or charge is made. The person who is the Owner of the Lot at the time the assessment falls due shall be and remain personally liable for payment. Such personal liability shall not pass to the Owner's successors in title unless expressly assumed by them. Any assessments which are not paid when due shall be delinquent. The Board of Directors may also establish a procedure for the assessment of late fees and collection charges on assessments that are not timely paid, with such late fees and collection charges to be set by the Board of Directors, and the Board may include such provisions in the rules and regulations governing the Association. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum. The Association may bring an action against the Owner who is personally liable and/or to foreclose the lien against the Lot. A suit to recover a money judgment against the Owner may be maintained without foreclosing or waiving the lien provided herein.

5.11 Foreclosure of Lien as Mortgage or Trust Deed. Upon delinquency, the Association may record a notice of lien against the Lot. The Association may avail itself of any nonjudicial remedy then available under Utah law to foreclose or otherwise realize upon the lien, including the exercise of a private power of sale in accordance with the law governing the sale or foreclosure of deeds of trust. The Association shall be entitled to recover from the Owner, and the lien shall secure, the Association's reasonable attorney's fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Board. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Lot during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Board may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey the same.

(a) A Lot may be auctioned publicly and sold through either a non-judicial foreclosure (like a bank foreclosing a deed of trust) or through judicial foreclosure. A court order of sale is required for a judicial foreclosure which includes a 6-month redemption period.

(b) For purposes of a non-judicial foreclosure, the Owners executing this Declaration hereby appoint **North American Title, LLC**, being a trustee who qualifies under Utah Code Ann. §57-1-21(1)(a)(i) or (iv), and hereby convey and warrant, pursuant to Utah Code Ann. §§57-1-20 and 57-8a-402 to **North American Title, LLC**, with power of sale, the Lots and all improvements to the Lots for purposes of securing payment of assessments under the terms of this Declaration.

(c) The Association may appoint a qualified substitute trustee, by signing and recording in the office of the county recorder a written substitution of trustee.

(d) At least thirty (30) days prior to starting its non-judicial foreclosure, the Association must send written notice to the Owner informing him or her of the Association's intent to foreclose non-judicially and the Owner's right to demand judicial foreclosure. The notice must be in the form provided by the statute and sent by certified mail.¹ The Owner may object to the non-judicial foreclosure by sending a written demand for judicial foreclosure. The Owner's objection and written demand must be sent to the Association within fifteen (15) days. The Owner's objection and written demand must also be sent by certified mail.

¹ The form of such notice, as currently provided in Utah law, is as follows:

Notice of Non-Judicial Foreclosure and Right to Demand Judicial Foreclosure

The (insert the name of the Association of unit owners), the Association for the project in which your unit is located, intends to foreclose upon your unit and allocated interest in the common areas and facilities using a procedure that will not require it to file a lawsuit or involve a court. This procedure is being followed in order to enforce the Association's lien against your unit and to collect the amount of an unpaid assessment against your unit, together with any applicable late fees and the costs, including attorney fees, associated with the foreclosure proceeding. Alternatively, you have the right to demand that a foreclosure of your property be conducted in a lawsuit with the oversight of a judge. If you make this demand and the Association prevails in the lawsuit, the costs and attorney fees associated with the lawsuit will likely be significantly higher than if a lawsuit were not required, and you may be responsible for paying those costs and attorney fees. If you want to make this demand, you must state in writing that "I demand a judicial foreclosure proceeding upon my unit," or words substantially to that effect. You must send this written demand by first class and certified U.S. mail, return receipt requested, within fifteen (15) days after the date of the postmark on the envelope in which this notice was mailed to you. The address to which you must mail your demand is (insert the address of the Association of unit owners for receipt of a demand).

(e) The Association may not use a non-judicial foreclosure to enforce a lien if the Owner mails the Association a written demand for judicial foreclosure: (i) by U.S. mail, certified with a return receipt requested; (ii) to the address stated in the Association's Notice of Non-judicial Foreclosure and Right to Demand Judicial Foreclosure; and (iii) within fifteen (15) days after the date of the postmark on the envelope of the Association's Notice of Non-Judicial Foreclosure and Right to Demand Judicial Foreclosure.

(f) If the Association proceeds to foreclose the lien nonjudicially, the Association must follow the provisions of the law applicable to the non-judicial foreclosure of deeds of trust.

VI. OPERATION AND MAINTENANCE

6.1 Responsibility to Rebuild or Repair. Because the physical condition of each Residential Unit affects the value of every other Residential Unit, the Owner of each Lot shall maintain its Residential Unit in such a manner that it shall have the continued capacity to be used as a Residential Unit, and thus benefit the other Residential Units. The Owner shall not cause or permit to occur any damage, loss or injury to the Owners of the benefitted Residential Units or their tenants by or as a result of any act of negligence or any willful, wanton or reckless act on its part or on the part of its tenant with respect to the Owner's Residential Unit. Should any Residential Unit be damaged or destroyed by fire, flood, wind, snow or any other cause of whatever nature, the Owner shall cause the Residential Unit upon the Lot owned by him to be repaired or rebuilt (subject, however, to the provisions hereof respecting common walls and roof structures). Such repair or rebuilding shall commence not later than ninety (90) days after the occurrence of the damage or destruction and shall be completed not later than one (1) year after such occurrence.

(a) Common Walls and Roofs. The responsibility for effecting repairs and maintenance, and all costs and expenses relating to damages, repair, replacement, restoration, or maintenance that may be necessarily or reasonably incurred to preserve the soundness or structural integrity of (i) a common wall between Residential Units, (ii) the privacy fences between patios, and (iii) the roof structures and roof surfaces of the Residential Units, shall be borne by the Association. However, if any such cost or expense is incurred or necessitated by the act or omission of the Owner(s) of a Lot, that Owner and Lot shall be responsible for payment of all such cost or expense.

(b) Other Repairs. Except as provided herein (with respect to any common wall, the roof and related roofing structures, and/or with respect to the use of insurance proceeds), each Owner shall be responsible for the repair, replacement, restoration and/or maintenance of that Owner's Residential Unit, including, but not limited to, all walls (both exterior and interior), floors, and other parts of the building in which the Residential Unit is located and other structural elements that are within or form the bounds of the Residential Unit. Furthermore, each Owner agrees to reasonably cooperate with the other Owner and shall be

responsible for paying a proportionate cost of repairs and replacements which will benefit both two or more Residential Units.

(c) Insurance. Notwithstanding any provision herein to the contrary, to the extent damage or casualty to a Residential Unit is insured under a policy maintained by the Association, the Association shall be responsible for effecting repairs for such damages or casualties (such to other insurance provisions contained in this Declaration).

6.2 Liability for Physical Damage. Notwithstanding anything to the contrary contained in this Article VI, the Owner, in the course of building, rebuilding, repairing, maintaining or otherwise working or causing work to be done upon his Lot, shall be liable to the Owners of any adjacent Lots and to the Association with respect to the Common Areas for any physical damage to any other Lot or Residential Unit and for any physical damage to any Common Area. The Owner shall cause any such damage to be repaired and the Lot, Residential Unit or Common Area affected to be placed in the same state or condition that it was in prior to said damage. All such repairs shall be subject to the approval of the Directors of the Association.

6.3 Maintenance of Residential Units. Each Residential Unit shall be maintained by the Owner thereof at his own cost and expense so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Residential Units. Except as expressly provided otherwise herein, the Association shall have no obligation regarding maintenance or care of Residential Units.

6.4 Operation and Maintenance by Association. The Association shall provide for such maintenance and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Lots and to keep them clean, functional, attractive, and generally in good condition and repair. A right of access to each Lot is reserved and/or granted to the Association for the purpose of providing such maintenance and upkeep.

6.5 Liability of Owner During Construction. The Owner, in the course of building, shall not be liable to the Owners of adjacent Lots affected by such work for any inconvenience, annoyance, or disturbance to such Owners by the performance of such work, unless occasioned by the negligence of the Owner of the improvement with respect to which the work in question was being performed, or the negligence of the Owner's agents, contractors or employees; however, the Owner of the Lot or Residential Unit with respect to which such work is being performed shall make all reasonable efforts to keep any such inconvenience, annoyance, disturbance, or loss of business to the minimum reasonably required by the work in question.

6.6 Planter Areas. Planting on each Lot is limited to the front planter areas adjacent to the driveway. The types of plantings in the front planter areas shall be submitted to the Board for advance approval, and shall be maintained by the respective Owners. Owners may not plant vegetation or landscape any portion of the Common Areas or elsewhere on a Lot.

VII. INSURANCE

7.1 Casualty Insurance on Insurable Common Areas and Residential Units. Unless insurance is not reasonably available, the Association shall keep all insurable improvements and fixtures of the Common Areas and Residential Units, insured against loss or damage by fire for the full insurable replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property, whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable. The insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association; provided, however, pursuant to Utah Code Ann. §57-8a-405(6), each Owner shall be an insured under the property insurance policies. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are common expenses and shall be paid from the assessments made by the Association.

Pursuant to Utah Code Ann. §57-8a-405(8), each Owner who owns a Lot that has suffered "lot damage" as part of a covered loss is responsible for an amount calculated by applying the "lot damage percentage" for that Lot to the amount of the deductible under the Association's property insurance policy. If an Owner fails to pay the Owner's share of the deductible within 30 days after substantial completion of repairs, the Association may levy an assessment against that Owner for the amount so owed. The Association shall give written notice to each Owner of the amount of the Association's policy deductible, and of any change in the amount of the deductible. Such notice may be included as part of rules and regulations adopted by the Association and distributed to the Owners, and/or may be set forth in minutes of any annual or special meeting that are distributed to the Owners. The Association shall set aside an amount equal to the amount of the Association's property insurance deductible or \$10,000, whichever is less.

7.2 Liability Insurance. The Association shall also maintain an insurance policy or policies insuring the Owners, the Association, and its directors, officers, agents, and employees against any liability incident to the ownership, use, or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property or of the Owners, with such limits as may be determined by the Association. Such policies shall be issued on a comprehensive liability basis and shall provide a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced.

7.3 Other Insurance. The Association shall maintain a policy of fidelity insurance covering those employees hired by the Association to handle Association funds, in amounts as determined by the Directors of the Association. The Association shall have the authority to obtain and maintain other insurance, and shall maintain such insurance, such as worker's compensation insurance, if required by applicable law.

7.4 Miscellaneous Insurance Provisions. The Association shall have the authority to adjust losses under policies obtained by the Association. Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their mortgagees. Each policy of insurance obtained by the Association shall, if reasonably possible, provide: (i) a waiver of the insurer's subrogation rights with respect to the Association, the Owners, and their respective directors, officers, agents, employee invitees, and tenants; (ii) that it cannot be canceled, suspended, or invalidated due to the conduct of any particular Owner or Owners; (iii) that it cannot be canceled, suspended, or invalidated due to the conduct of the Association or of any director, officer, agent, or employee of the Association without a prior written demand that the defect be cured; and (iv) that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Owners.

7.5 Owners' Insurance. In addition to coverage obtained by the Association, Owners of individual Lots shall obtain and maintain policies of fire and casualty insurance with respect to all personal property located within their respective Residential Units, and a policy or policies covering against liability incident to the ownership of their separate Lots and improvements thereon. Evidence of such insurance policies shall be provided to the Association upon request.

VIII. USE RESTRICTIONS

8.1 Use of Common Areas. The Common Areas shall be used only in a manner consistent with the planned unit residential concepts expressed herein and the use restrictions applicable to Lots and Residential Units.

8.2 Use of Units and Residential Units. All Lots are improved with Residential Units and are restricted to such use. No part of the Property shall be used, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending, or other non-residential purpose, other than a home office permitted under applicable zoning ordinances. No Lot or Residential Unit shall be used, occupied, or altered in violation of law, so as to jeopardize the support of any other Residential Unit, so as to create a nuisance or interfere with the rights of any Owner, or in a way which would result in an increase in the cost of any insurance covering the Common Areas.

8.3 Non-harmonious Use. No use or operation will be made, conducted or permitted on any Lot, or any portion of a Lot, which is obnoxious to or out of harmony with the residential use of all property in the Aliwood Commons Planned Unit Development. Prohibited activities include, but are not limited to, the following: any public or private nuisance; any noise or sound that is objectionable due to its intermittent character, beat, frequency, shrillness or loudness; any obnoxious odor; any noxious, toxic, caustic or corrosive fuel or gas; any dust, dirt or fly ash in excessive quantities; any unusual fire, explosion, or other damaging or dangerous hazards; any assembly, manufacture or distillation operation; and the raising of animals except as generally permitted in residential developments in Bountiful City and Davis County, Utah. The Association shall have the authority to determine whether any particular activity is obnoxious or

constitutes a nuisance. The following are also prohibited: Exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes; satellite dishes, radio or television antennas; noisy or smokey vehicles, large power equipment or large power tools; evaporative coolers; permanent flag poles; and items that may unreasonably interfere with television or radio reception of any Owner. The Board of Directors of the Association may, in the exercise of its discretion, approve temporary or permanent variances from restrictions set forth in the foregoing sentence, if it determines that good cause exists and the interests of other Owners will not be materially affected.

8.4 Signs. No sign, poster, display, billboard or other advertising device of any kind shall be displayed to the public view on any portion of the Property or any Lot, without the prior written consent of the Association or in accordance with rules and regulations, which shall not be unreasonably delayed or denied. All signs or billboards, and the regulations promulgated for the regulation thereof, shall conform to the requirements of Bountiful City ordinances.

8.5 Recreational Vehicles. No snowmobile, recreational equipment, trailer, camper, boat or truck larger than one (1) ton or any other similar equipment shall be permitted to remain upon any Lot, or the Common Areas, for more than a 24-hour period unless placed within a garage, unless the Association's prior written approval is obtained. The Association may levy a fine for any violation of this paragraph of up to Fifty Dollars (\$50.00) for each day the violation continues.

8.6 On Street Parking. On street parking located on the Property is intended for temporary visitors only. No motor vehicle, boat, recreational equipment, or any similar item may be parked, stored or left on or next to the streets in and around the Property for more than a forty-eight (48) hour period unless written approval is granted by the Association. The Association may levy a fine for any violation of this paragraph of up to Fifty Dollars (\$50.00) for each day the violation continues.

8.7 Use of Garages. Garage are intended for the parking of motor vehicles. Although incidental storage in a garage otherwise used for the parking of motor vehicles is permitted, no garage may be used for storage to such an extent or in such manner that the storage prohibits or otherwise interferes with its primary use in the parking of motor vehicles. The Association may from time to time prescribe detailed rules regarding the use of garage space for storage. The Association may levy a fine for any violation of this paragraph 8.7 or the rules issued by the Association of up to Fifty Dollars (\$50.00) for each day the violation continues.

8.8 [Intentionally omitted.]

8.9 Temporary Structures and Equipment. No structure of a temporary character, trailer, tent, shack, garage, barn, or other out building shall be used on any Lot at any time as a Residential Unit, either temporarily or permanently.

8.10 Rubbish. No rubbish shall be stored or allowed to accumulate anywhere on the Property, except in sanitary containers and at such locations as the Board shall determine from time to time.

8.11 Pets. No animals shall be kept on the Property except for household pets. Such pets may not be kept or bred for any commercial purpose and shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor or unsanitary conditions to any of the Owners. No savage or dangerous animals shall be kept on the Property. Not more than one household pet may be kept on any Lot or in any Residential Unit without the written permission of the Association. No pets shall be permitted to run loose upon the Common Areas. Any Owner who causes any animal to be brought upon the Property shall indemnify and hold harmless the Association and/or the Owners from and against any loss, damage, or liability which they may sustain as a result of the presence of such animal on the Property, whether or not the Association has given its permission therefore, and shall be responsible for the restoration of the Property or any portion thereof that may be damaged, soiled, or spoiled by such pet.

8.12 Procedures for Imposing Fines. Before assessing a fine against an Owner or Lot pursuant to the terms of this Declaration, the Association shall give notice to the Owner of the violation and inform the Owner that a fine will be imposed if the violation is not cured within the time provided in this Declaration, and/or in the Articles, Bylaws, or Association rules, which shall be at least forty-eight (48) hours. A fine may be assessed only for a violation of a rule or regulation that is specifically listed in the Declaration, Articles, Bylaws or Association rules as an offense for which a fine may be levied, and said fine shall be in the amount specifically provided for in said provisions, not to exceed \$500 per single violation. Cumulative fines for a continuing violation may not exceed \$500 per month. An Owner who is assessed a fine may request an informal hearing to protest or dispute the fine within thirty (30) days from the date the fine is assessed, said hearing to be held before and ruled upon by the Directors of the Association. No interest or late fees shall accrue on the fine until after the hearing has been conducted and a final decision has been rendered. Any unpaid fines, together with interest and late charges assessed thereon, shall become a lien against the Owner's interests in the Lot, and collection thereof may be effected by any method allowed for the collection of assessments.

IX. ARCHITECTURAL CONTROL

9.1 Architectural Control. The Board of Directors of the Association shall have the authority to regulate improvements and landscaping within the Property to insure that they harmonize with the existing surroundings and structures, and comply with the provisions hereof.

9.2 Submission to Board. No Residential Unit, accessory or addition to a Residential Unit, landscaping, sign or other improvement of a Lot shall be constructed or altered, and no alteration, repainting, or refurbishing of the exterior of any Residential Unit shall be performed, unless complete plans and specifications therefor have first been submitted to and approved by the Board, whose judgment shall be final in all cases.

9.3 Standard. In deciding whether to approve or disapprove plans and specifications submitted to it, the Board shall use its best judgment to insure that all improvements, construction, landscaping, and alterations on Lots within the Property conform to and harmonize with existing surroundings and structures, and comply with the provisions hereof.

9.4 Approval Procedure. Any plans and specifications submitted to the Board shall be approved or disapproved by it in writing within thirty (30) days after submission. In the event the Board fails to take any action within such period, it shall be deemed to have approved the material submitted.

X. MORTGAGEE PROTECTION PROVISIONS

10.1 Notices. From and after the time that a Mortgagee makes written request to the Association therefor, the Association shall give written notice to such Mortgagee in the event an Owner neglects for a period of sixty (60) or more days to cure any failure on his part to perform any of his obligations under this Declaration.

10.2 Mortgagee Lien Priority. The lien for unpaid assessments provided for under Article V shall be subordinate to a Mortgage affecting a Lot that is recorded prior to any notice of lien relating thereto, but only to the extent of assessments which become due prior to foreclosure of the Mortgage, exercise of a power of sale available thereunder, or deed or assignment in lieu of foreclosure.

10.3 Mortgagee Consent to Amendment. Unless all holders of Mortgages on the individual Lots have given their prior written approval, neither the Association nor any other party shall be entitled to:

(a) Alter the provisions of Section 5.7 (pertaining to uniform rate of assessment);

(b) Partition or subdivide any Lot or the Common Area or dedicate or transfer (pursuant to Section 4.3 (c)) all or any part of the Common Areas (provided that the granting of

(c) By act or omission seek to abandon or materially alter the arrangement that is established by this Declaration.

10.4 Amendment of this Article. This Article 10 shall not be amended without the approval of all Mortgagees.

Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The invalidity or unenforceability of any portion of this

Declaration shall not affect the validity or enforceability of the remainder hereof. This Declaration shall be liberally construed to effect all of its purposes.

11.9 Effective Date. This Declaration and any amendment hereof shall take effect upon its being filed for record in the office of the County Recorder of Davis County, Utah.

2. I represent the Aliwood Commons Condominium Association with respect to its conversion from a Utah Condominium Association to a Utah Planned Unit Development.
3. The Association is authorized to presume a security holder's consent to amend its governing documents so long as the Association follows the requirements outlined in Utah Code Section §57-8-41.

Pursuant to Utah Code Section §57-8-41, I provided (a) written notice by letter on or about January 20, 2014, to all security holders of the proposed amendments to the Aliwood Governing documents; (b) the allotted time by which they must respond; (c) the resultant presumption of consent in the event they fail to respond and (d) a consent form and draft of the amended documents to each security holder.

12.01 These Bylaws may be amended, at a regular or special meeting of the Members, by a vote of a majority of a quorum of Members present in person or by proxy.

12.02 In the case of any conflict between the Articles of Incorporation and these Bylaws, the Articles shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control, except as to procedural matters, in which case these Bylaws shall control.

ARTICLE XIII

RULES; PROCEDURES FOR ENFORCEMENT

13.01 Promulgation of Rules and Regulations. The Board of Directors shall have the authority to adopt and publish rules and regulations governing:

- A. The use of the Common Areas and facilities, and the personal conduct of the Members and their guests thereon;
- B. The maintenance of Lots and Limited Common Areas; and
- C. The implementation and enforcement of other requirements, covenants, conditions and restrictions set forth in the Declaration or Bylaws.

Each Member shall be responsible for the conduct of the Member's guests, and their compliance with the rules and regulations, and shall be subject to fines or penalties for the guest's violations or infractions.

13.02 Fines and Penalties. To the fullest extent permitted by applicable Utah law, the Board of Directors shall also have the authority to establish penalties for the violation or infraction of such rules and regulations, which may include fines and/or suspension of a Member's voting rights, use of Common Areas, or other privileges granted in the Declaration. A fine may be assessed only for a violation of a rule or regulation that is specifically listed in the Declaration, the Articles of Incorporation of the Association, these Bylaws, or in the Association's rules and regulations as an offense for which a fine may be levied, and then only in any amount not in excess of the fine

specifically provided for in said provisions, which shall not exceed \$500 per single violation. Cumulative fines for a continuing violation may not exceed \$500 per month.

13.03 Notices of Violations or Infractions. The Board of Directors shall have authority to enforce the rules and regulations, to give notices and/or warnings of infractions or violations thereof, and to levy fines or other penalties. Subject to override and/or review by the Board of Directors as provided in these Bylaws and/or in the Declaration, the President of the Association shall also have authority to give notices and/or warnings of infractions or violations of the rules and regulations and to levy fines or other penalties. Furthermore, the authority to give notices and/or warnings may be delegated to a manager; provided, however, that the authority to levy fines and penalties shall remain vested in the President of the Association, subject to override and/or review by the Board of Directors.

13.04 Procedure for Assessing Fines or Other Penalties. Before assessing a fine or other penalty against a Member or Lot, the Association shall give written notice to the Member of the violation and inform the Member that a fine or other penalty will be imposed if the violation is not cured within the time provided in the Declaration, Articles of Incorporation, Bylaws, or rules and regulations, which shall be, in any event, at least forty-eight (48) hours. If the violation is not cured within the time provided, then a fine or other penalty may be assessed, subject to the Member's right to dispute or contest the same, or to request a hearing thereon, as provided in Section 13.05 below.

13.05 Procedure for Notice and Hearing. This Section shall govern the procedure to protest or dispute a fine, and for imposing a penalty of suspension of a Member's membership rights or rights to use Common Areas or facilities. To the extent that applicable Utah law provides or requires greater rights or protections to a Member with respect to these matters, the Association shall provide such greater rights or protections to the Member.

A. In the event that the Association intends to levy a penalty of suspension of membership rights or rights to use Common Areas or facilities, or any similar penalty, it shall give written notice to the Member not less than fifteen (15) days prior to the proposed effective date of the suspension or similar penalty. The written notice shall state the proposed penalty, the reasons therefore, and the date the penalty will be imposed. The notice shall also state that the Member has the right to request a hearing in accordance with these provisions, and that, in the absence of such a request, the penalty shall become effective on the date specified in the notice. If the Member desires a hearing, the Member shall make such request by written notice to the Association no later than the date specified in the notice, or if no date is specified, then no later than fifteen (15) days after the Association's notice.

B. A Member who is assessed a fine may request a hearing before the Board of Directors to protest or dispute the fine. The Member shall make such request by

written notice to the Association no later than thirty (30) days from the date written notice of the fine is given to the Member. The Association shall take no steps to collect, and no interest or late fees shall be assessed with respect to, the fine until the thirty (30) day period has expired, or, if a hearing is requested, until after the hearing has been conducted and a final decision has been rendered.

C. A Member that has requested a hearing to dispute a fine or other penalty shall be given written notice of the time, date and method of hearing. The hearing shall be held not less than five (5) days prior to the effective date of the penalty. If a Member requests a hearing, the proposed penalty shall not become effective until at least five days after a hearing has been held and the Board of Directors has issued its decision thereon. At the option of the Board of Directors, such hearing may be in person, by telephone or other electronic means, or by written submission by the Member, as may be fair and reasonable taking into consideration all of the relevant facts and circumstances, and notice of the method of hearing shall be given to the Member.

D. After consideration of the Member's statements, the Board of Directors shall have authority to confirm the proposed penalty, to rescind the penalty, or to modify the proposed penalty (but such modification shall not be larger, or more severe or lengthy than was proposed in the initial notice to the Member).

13.06 Written Notice. Written notice required by this Article shall be personally delivered to the Member, or mailed by first-class mail or certified mail to the last address of the Member as shown on the records of the Association. The notice shall be deemed given on the date personally delivered, or, if mailed, three (3) days after the date of mailing.

13.07 Collection of Unpaid Fines. Any unpaid fines, together with interest and late charges assessed thereon, shall become a lien against the Member's interests in the Lot in accordance with the provisions of Utah Code Ann. §57-8a-208, and may otherwise be collected by the Association in the same fashion as an assessment.

13.08 Suspension Does Not Affect Obligations. Suspension of a Member's membership does not waive or reduce the Member's obligations under the Declaration or these Bylaws, including the obligations to pay assessments and other amounts due thereunder.

ARTICLE XIV
