III. TERMS

Trustor hereby agrees to the following terms and conditions:

1. **Debt.** This Deed of Trust secures Trustor's performance all those obligations of Trustor, as "Borrower," arising under that certain *Construction Cost Sharing Agreement* ("Agreement") dated February 19, 2021, and executed by Trustor in connection with this Deed of Trust, including, without limitation, payment of the Trustor's obligation to pay a pro-rata portion of the Development Cost identified in the Agreement (with Trustor's pro-rata portion of the Development Cost expected to be **\$2,263,455.04**) together with all other amounts payable to Beneficiary under the Agreement. This Deed of Trust also secures payment of the costs, fees, charges, and other amounts provided for in the Agreement on in this Deed of Trust (all amounts due or to become due under the Agreement, including the obligation to pay a pro-rata portion of the Development Price, interest, fees, and other amounts, together with any amounts due or becoming due under this Deed of Trust are, collectively, referred to herein as the "**Debt**").
2. **Term.** This Deed of Trust shall be a lien and encumbrance on the Property until the Debt is paid in full. The Debt shall be due and payable to Beneficiary within the timeframes, and on the terms, provided for in the Agreement (with respect to the portions of the Debt arising under the Agreement) or in this Deed of Trust (with respect to the portions of the Debt arising under this Deed of Trust).
3. **Reconveyance.** The Deed of Trust will be conveyed as follows: upon payment in full of the Debt, or at the request of Beneficiary, Trustee shall reconvey, without warranty, the Property to the person legally entitled thereto.
4. **Taxes and Assessments.** Trustor shall, during the term of this Deed of Trust, pay all real property taxes, other ad valorem assessments, homeowners fees, and other valid charges levied against the Property (collectively "**Assessments**") as the same become due. At Beneficiary's option, and upon written demand, Trustor shall, in addition to the monthly payment amount identified above, pay into escrow with an escrow holder approved by Beneficiary, amounts reasonably estimated by Beneficiary to be equal to the annual amount of the Assessments ("**Assessment Escrow**"). If demanded by Beneficiary, Trustor shall deposit funds into the Assessment Escrow monthly, annually, or as otherwise directed by Beneficiary.
5. **Insurance and Utilities.** Trustor shall, during the term of this Deed of Trust, maintain in force policies of property insurance in the full replacement value of all structures and other improvements on the Property on terms reasonably acceptable to Beneficiary. Beneficiary may, at Beneficiary's sole option, require that Beneficiary be named as the loss payee or an additional insured. All policies will be non-cancelable as to Beneficiary except with a minimum of thirty (30) days prior notice to Beneficiary. In the event of any loss or claim under such policies, Trustor shall immediately provide notice of such loss or claim to Beneficiary. Trustor shall pay when due all charges, costs, and other amounts for utilities used on or otherwise benefitting the Property.

6. **Maintenance and Use of Property.** The Property is to be used for residential purposes and other purposes allowed under applicable ordinances and zoning laws. Trustor shall, during the term of this Deed of Trust, maintain the Property in a good and serviceable condition. Trustor shall promptly repair any damage to the Property. Trustor shall not commit waste with respect to, or permit waste on or with respect to, the Property. Trustor shall not cause or permit any condition to exist on or affecting the Property which would materially diminish the value of the Property. Trustor covenants to comply with each and every law, rule, regulation, covenant, condition, or restriction which is applicable to, or binding on, the Property ("**Regulations**"). Further, Trustor covenants that Trustor will not fail to perform any action, the omission of which would be a violation of the Regulations.
7. **No Further Encumbrances.** After the Effective Date, Trustor shall not, without Beneficiary's express written consent, encumber the Property with any mortgage, deed of trust, lien, easement, or other encumbrance until the Debt is paid in full or this Deed of Trust is otherwise released.
8. **Condemnation.** All awards of condemnation, payments made in lieu of a proposed condemnation, or other payments or awards made for the loss of, or decrease in value to, the Property or any portion thereof, or for the taking in whole, or in part, of any other interest in or to the Property shall be paid directly to Beneficiary. Beneficiary may apply any such award or payments to Trustor's obligations under this Deed of Trust or under the Agreement. The cost of any actions taken by Beneficiary to respond to a condemnation, proposed condemnation, or other taking or government action related to the Property shall be costs recoverable under this Deed of Trust and Trustor's obligation to pay the same shall be secured by this Deed of Trust.
9. **Hazardous Substances.** Trustor shall not cause, or permit, the presence of any substance or material on the Property which consists of, contains, or includes any "hazardous waste" as defined by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6901 et seq.), as amended from time to time, and regulations promulgated thereunder; any "hazardous substance" as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. § 9601 et seq.), as amended from time to time, and regulations promulgated there under; asbestos, including all friable asbestos; polychlorinated biphenyls; underground storage tanks, whether empty, filled, or partially filled with any substance; or any substance the presence of which on the Property is prohibited by any laws, ordinances, rules, and regulations of the United States, the State of Utah, or the county in which the Property is located.
10. **Assignment of Rents.** In order to further secure Trustor's obligations hereunder, Trustor hereby assigns to Beneficiary all rents, royalties, and profits, if any, arising from the Property as provided for under the Utah Uniform Assignment of Rents Act, as the same may be amended from time to time.
11. **Warranties.** Trustor covenants and warrants that Trustor: (a) is the owner in fee simple of the Property; (b) has obtained all authorizations or consents necessary for Trustor to make

the conveyances and warranties hereunder; (c) has no notice or knowledge of any outstanding or unpaid claims, charges, or obligations against the Property; (d) will protect, preserve, and defend the Property and Trustor's title in and to the Property and Trustor's right to possession of the Property.

12. **Default.** If Trustor fails to timely perform any duty or obligation arising under this Deed of Trust or any duty or obligation arising under the Agreement including, without limitation, the duty to pay the Debt on the terms provided for in the Agreement or herein, or if Trustor otherwise breaches any term or condition of the Agreement or this Deed of Trust, then Beneficiary may exercise, or cause the Trustee to exercise, any or all of the following rights (with the exercise of any remedy by Beneficiary or Trustee not precluding, or constituting a waiver of, the exercise of any additional remedies):
- a. Collect from Trustor all amounts then outstanding under the Agreement or this Deed of Trust together with interest accruing thereon at a default rate of fifteen percent (15%) per annum until paid;
 - b. After giving all notices required by law, to cause Trustee, or a successor Trustee, to sell the Property at public auction pursuant to Utah Code § 57-1-19, et seq., as the same may be amended from time to time, and to exercise any and all rights and remedies available to Beneficiary or Trustee under such statutes;
 - c. With or without accelerating the Debt, or any portion thereof, to commence legal proceedings to foreclose this Deed of Trust as provided for under applicable law;
 - d. Pay any taxes, assessments, or other amounts which Trustor is obligated to pay under this Deed of Trust, or to perform any act required of Trustor hereunder, and to collect from Trustor the amounts expended in so doing, including reasonable attorney fees, with interest accruing thereon at a rate of fifteen percent (15%) per annum until paid;
 - e. Seek the appointment of a receiver, agent, or other person responsible for the management of the Property (Trustor hereby agreeing and consenting to the appointment of a receiver, or other person, in the event of any default and Trustor hereby waiving any requirement for a bond) with such person having the right to take possession of the Property, collect rents arising from the Property, and otherwise managing the affairs of the Property;
 - f. Exercise any rights or remedies available under the terms of the Agreement; and
 - g. Exercise all other rights and remedies available to Beneficiary or Trustee at law or in equity.
13. **Attorney-in-Fact.** Trustor irrevocably appoints Beneficiary as Trustor's attorney-in-fact, upon the occurrence of any default under this Deed of Trust, to perform any act which Trustor is required to perform under this Deed of Trust or the Agreement; provided,

however, that this appointment shall not require Beneficiary to perform any such acts and shall not relieve Trustor from the obligation to perform the same. Trustor hereby waives any claims related to, or arising from, actions taken by Beneficiary pursuant to the rights granted in this Section. Further, Trustor shall indemnify and hold Beneficiary harmless from and against all costs, claims, damages, expenses, injuries, lawsuits, liabilities, or other losses incurred by, or asserted against, Beneficiary in connection with, or as a result of, Beneficiary’s exercise of rights under this Section.

- 14. **Remedies Cumulative.** The remedies available to Trustee or Beneficiary set forth herein shall be deemed cumulative and in addition to any other remedies available to Trustee or Beneficiary under applicable law. The election of any remedy hereunder, or at law, shall not be deemed an election of one remedy to the exclusion of any other remedies unless expressly so stated by Trustee or Beneficiary.
- 15. **No Waiver.** The failure of Beneficiary or Trustee to timely exercise any right or remedy or to demand full and timely performance hereunder shall not be deemed a waiver of any rights available to Beneficiary or Trustee unless expressed in a writing signed by Beneficiary or Trustee.
- 16. **Successors and Assigns.** This Deed of Trust shall run with the land and shall be binding on successors and assigns. The terms of this Deed of Trust may be enforced by, and the term “Beneficiary” shall include, any person or entity holding the rights of the Lender under the Agreement. Trustor shall not assign or transfer the obligations under this Deed of Trust without Beneficiary’s express written consent.
- 17. **Attorney Fees.** In the event of any action to enforce or interpret this Deed of Trust, or to collect amounts due and owing hereunder, the prevailing party shall be entitled to an award of reasonable costs and attorney fees.
- 18. **Notices and Request for Notice.** All notices required or permitted hereunder, or in connection with any foreclosure proceeding commenced in connection with this Deed of Trust, shall be given to the parties at the addresses set forth in this section unless either party designates in writing a different address for notice. Trustor hereby requests that any notice of default and any notice of sale provided pursuant to Utah Code § 57-1-19, et seq., be delivered to Trustor at the address set forth in this section.
