The Ordinance was then signed by the Mayor in open meeting and recorded in the official records of the City of Saratoga Springs, Utah. The Ordinance is as follows:

ORDINANCE NO. 09-18

AN ORDINANCE CONFIRMING THE ASSESSMENT LIST AND LEVYING AN ASSESSMENT AGAINST CERTAIN PROPERTIES IN THE SARATOGA SPRINGS, UTAH SPECIAL IMPROVEMENT DISTRICT 2005-1 (THE "DISTRICT"), FOR THE PURPOSE OF FINANCING THE COST OF CONSTRUCTING A CULINARY WATER TANK AND SECONDARY WATER FACILITIES, INCLUDING A RESERVOIR, A SERIES OF TRANSMISSION AND DISTRIBUTION LINES TO VARIOUS FACILITIES AND PROJECTS, FILTERING STATIONS AND IMPROVEMENTS TO THE EXISTING SECONDARY WATER POND (THE "IMPROVEMENTS"); ESTABLISHING A DEBT SERVICE RESERVE FUND; PROVIDING FOR CERTAIN REMEDIES UPON DEFAULT IN THE PAYMENT OF ASSESSMENTS; ESTABLISHING THE EFFECTIVE DATE OF THIS ORDINANCE; AND RELATED MATTERS.

WHEREAS, the City Council (the "Council") of the City of Saratoga Springs, Utah (the "City"), pursuant to the Municipal Special Improvement District Act, as amended and restated by the Assessment Area Act, Title 11 Chapter 42, Utah Code Annotated 1953, as amended (the "Act"), and pursuant to a resolution adopted on a July 26, 2005 (the "Creation Resolution"), created the District after having adopted a Notice of Intention on June 28, 2005 (the "Notice of Intention"), and mailed and published notice as required by the Act; and

WHEREAS, the officials of the City have determined the acquisition cost of the Improvements and desire to assess properties within the District benefited by said Improvements and have prepared an assessment list of assessments to be levied to finance the cost of the Improvements; and

WHEREAS, the Council now desires to confirm the assessment list and to levy said assessments in accordance with this assessment ordinance:

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SARATOGA SPRINGS, UTAH:

Section 1. Determination of Costs of the Improvements. The acquisition and construction costs of the Improvements described herein within the District have been determined and the Council has determined that the total acquisition and construction costs of Improvements within the District, including overhead costs is \$9,966,051.75, of which the City will pay approximately \$2,013,860, and that the properties benefited within the District will be assessed an assessment in an aggregate principal amount of \$8,441,691.75.

Section 2. Approval of Assessment List; Findings. The City Council of the City hereby accepts and adopts the Findings and Recommendation of the Board of Equalization and Review. The Council confirms and adopts the equalized and adjusted assessment list for the District, a copy of which is attached hereto as Exhibit B and incorporated herein by reference (the "Assessment List"). The Council has determined that the Assessment List, as adjusted and equalized, is just and equitable; that each piece of property to be assessed within the District will be benefited in an amount not less than the assessment to be levied against said property; and that no piece of property listed in the Assessment List will bear more than its proportionate share of the cost of Improvements.

Section 3. Levy of Assessments. The Council does hereby levy an assessment against the real properties identified in the Assessment List. Said assessments levied upon each parcel of property therein described shall be in the amount set forth in the Assessment List. The assessments are levied upon the parcels of land in the District in accordance with the benefit received from the Improvements.

Section 4. Amount of Total Assessments. The assessments to be assessed against property affected or benefited by the Improvements in the District do not exceed in the aggregate the sum of (a) the acquisition price of Improvements, (b) the reasonable cost of utility services, maintenance, operation, labor, materials, or equipment supplied by the City, if any, (c) the property price or estimated property price, (d) the cost of funding a reserve fund, and (e) overhead costs not to exceed fifteen percent (15%) of the sum of (a) and (b).

Section 5. Method and Rate. Benefited properties will be assessed per developable acre. The developable acre cost used to calculate the assessment set forth in the Assessment List is as follows:

<u>Improvements</u>	<u>Assessment</u>	<u>Method of Assessment</u>
culinary water tank and several secondary water facilities, including a reservoir, a series of transmission and distribution lines to various facilities and projects, filtering stations, and improvements to the existing secondary water pond	\$9,127.14	Per Developable Acre**

* If a property owner prepays his/her assessment in full within twenty-five (25) days after this Assessment Ordinance takes effect, the total assessment to be paid will be \$8,297.45 instead of \$9,127.14, since the City would not be required to fund a reserve fund with respect to that assessment.

** The City has estimated the total number of developable acres to be benefited by the Improvements. The actual number of developable acres may vary somewhat from the City Council's initial estimate.

Section 6. Payment of Assessments.

(a) The whole or any part of the assessments for the District may be paid without interest within twenty-five (25) days after this Ordinance becomes effective. This Ordinance shall become effective on its passage, approval, and publication as provided in Section 16 herein. Any part of the assessment not paid within such twenty-five (25) day period shall be payable over a period of twenty (20) years from the effective date of this Ordinance in twenty (20) substantially equal annual principal and interest installments. Interest on the unpaid balance of the assessment shall accrue at the same rate as the net effective interest rate of the special assessment bonds (the "Assessment Bonds") anticipated to be issued by the City. The initial net effective interest rate on the Assessment Bonds is anticipated to be approximately four and one-half percent (4.5%) per annum. The first assessment installment payment date shall be on October 1, 2010, and on each anniversary date of the first assessment installment payment date thereafter until paid in full. Interest shall accrue from the effective date of this Ordinance. Each assessment installment shall include one year's interest on the unpaid assessment amount.

(b) After the above-referenced twenty-five (25) day period, all unpaid installments of an assessment levied against any piece of property may be paid prior to the dates on which they become due, but any such prepayment must include an additional amount equal to the interest which would accrue on the assessment to the next succeeding date on which interest is payable on the Assessment Bonds, plus such additional amount as, in the opinion of the City Treasurer, is necessary to assure the availability of money to pay interest on the Assessment Bonds as interest becomes due and payable plus any premiums which may be charged and become payable on redeemable Assessment Bonds which may be called in order to utilize the assessments paid in advance.

(c) In the event all or any portion of the property assessed hereunder is subdivided into smaller parcels as evidenced by a subdivision plat approved by the Council and recorded in the Utah County Recorder's office, the City may elect, at its discretion, to allocate the assessment balance on the previously undivided property on a proportionate basis based on developable acres allocated to said smaller parcels by adopting an amendment to this Ordinance approving such allocation. The required annual assessment payments for each subdivided parcel shall be based on developable acres allocated by the City to each subdivided parcel, so that the aggregate total of all of the annual assessment installments for each of the subdivided parcels will equal the total annual assessment for the previously undivided property. When an assessment lien is perfected for each of the subdivided parcels, the total assessment levied against the previously undivided property will be released, having been replaced by the aggregate of the assessments allocated to each of the subdivided parcels. A release of the new assessment lien for any subdivided parcel will be delivered by the City at the time the assessment balance for such subdivided parcel is paid in full.

(d) If prepayment of an assessment, or any part thereof, arises out of a need of the property owner to clear the assessment lien from a portion (the "Release Parcel") of an assessed parcel (the "Assessed Parcel"), the assessment lien upon the Release Parcel may be released by the City, as follows:

(i) The property owner shall submit the legal description of the Release Parcel which shall include the total developable acres allocated by the City to the Release Parcel.

(ii) The property owner shall prepay an assessment applicable to the Release Parcel calculated by the Treasurer of the City as follows: (total developable acre's assigned to the Released Parcel) multiplied by (the applicable assessment set forth in Section 6(d)(ii) hereinabove based upon total developable acres allocated to the Released Parcel less any previously paid regularly scheduled payments attributable to this Release Parcel) multiplied by 125%. The additional twenty-five percent (25%) prepayment shall be used by the City to redeem Assessment Bonds on the first date on which said Assessment Bonds may be redeemed prior to maturity.

(iii) The Treasurer of the City must determine that the partial release of lien upon payment of the prepayment amount determined under subparagraph (ii) above does not diminish the security of the City based upon the amount of the remaining assessment of the Assessed Parcel compared with the amount and number of developable acres assigned to the Assessed Parcel remaining to secure such assessment. For purposes of this subparagraph (iii), security of the City will not be considered diminished if the fair market value of the Assessed Parcel subject to the assessment (after release of the Release Parcel) equals or exceeds three times the sum of the remaining unpaid assessment on such Assessed Parcel plus any other unpaid assessment liens on such Assessed Parcel. In determining the value of the Assessed Parcel, the Treasurer of the City is entitled to, but need not rely on, credible evidence or documentation presented by the owner of said parcel. If the Treasurer of the City determines that the proposed prepayment would diminish the security of the City, the owner may be required to prepay a larger assessment as determined by said Treasurer.

(iv) Any premiums and/or interest and administrative costs, if applicable, must also be paid for any prepayment as provided in Section 6(b).

For purposes of determining prepayment amounts provided in Section 6(d) regularly scheduled assessment payments shall not be taken into account. For example, should a property owner desire to clear the assessment lien from a Release Parcel after the lien of the Assessed Parcel has been reduced through regularly scheduled payments, said property owner would be required to prepay a portion of the then outstanding

assessment as determined under Section 6(d)(ii). The regularly scheduled assessment payments previously made would not entitle the property owner to release a Release Parcel without such prepayment.

Section 7. Default in Payment. If a default occurs in the payment of any assessment when due, the City Treasurer, on behalf of the Council, may declare the unpaid amount to be immediately due and payable and subject to collection as provided herein. In addition, the City Treasurer, on behalf of the Council, may accelerate payment of the total unpaid balance of the assessment and declare the whole of the unpaid principal and interest then due to be immediately due and payable. Interest shall accrue and be paid on all amounts declared to be delinquent or accelerated and immediately due and payable at the same rate or rates of interest as are applied to delinquent real property taxes for the year in which the assessment payment becomes delinquent (the "Delinquent Rate"). In addition to interest charges at the Delinquent Rate, costs of collection, as approved by the City Treasurer on behalf of the Council, including, without limitation, attorneys' fees, trustee's fees and court costs, incurred by the City or required by law shall be charged and paid on all amounts declared to be delinquent or accelerated and immediately due and payable.

Upon any default, the City Treasurer shall give notice in writing of the default to the owner of the property in default, as shown by the last available equalized assessment list of the City. Notice shall be effective upon deposit of the notice in the U.S. Mail, postage prepaid, and addressed to the owner as shown on the last equalized assessment rolls of Utah County. The notice shall provide for a period of fifteen (15) days in which the owner shall pay the installments then due and owing, after which the City Treasurer, on behalf of the City, shall immediately initiate a sale of the property as provided in Title 59, Chapter 2, Part 13, Utah Code Annotated 1953, as amended or sale the property pursuant to Section 11-42-502(1)(c) and related pertinent provisions of the Act, in the manner provided for actions to foreclose trust deeds. The City hereby designates a trustee to carry out such foreclosure, and said trustee shall be deemed to have a power of sale and all other rights, power, and authority necessary to legally and lawfully foreclose the lien for delinquent assessments. If for any reason the trustee cannot perform the powers and responsibilities herein provided, it may appoint, with the consent of the City, a qualified trustee to serve as trustee. If at the sale no person or entity shall bid and pay the City the amount due on the assessment plus interest and costs, the property shall be deemed sold to the City for these amounts. The City shall be permitted to bid at the sale. So long as the City retains ownership of the property, it shall pay all delinquent assessment installments and all assessment installments that become due, including the interest on them. The City may at its discretion, elect to transfer ownership of the assessed property to the owner of the Assessment Bonds in full satisfaction of all outstanding assessment obligations hereunder, and any payment obligations of the City to the owner of the Assessment Bonds.

The remedies provided herein for the collection of assessments and the enforcement of liens shall be deemed and construed to be cumulative and the use of any one method or means or remedy of collection or enforcement available at law or in equity shall not deprive the City or the trustee on behalf of the City, of the use of any other

method or means. The amounts of accrued interest and all costs of collection, trustee's fees, attorneys' fees, and costs, shall be added to the amount of the assessment up to, and including, the date of foreclosure sale.

Section 8. Remedy of Default. If prior to the final date payment may be legally made under a final sale or foreclosure of property to collect delinquent assessments, or prior to the end of the three (3)-month reinstatement period provided by Section 57-1-31 in the event the collection is enforced through the method of foreclosing trust deeds, the property owner pays the full amount of all unpaid installments of principal and interest which are past due and delinquent with interest on such installments at the rate or rates set forth in Section 7 herein to the payment date, plus all trustee's fees, attorneys' fees, and other costs of collection, the assessment of said owner shall be restored and the default removed, and thereafter the owner shall have the right to make the payments in installments as if the default had not occurred. Any payment made to cure a default shall be applied first, to the payment of attorneys' fees and other costs incurred as a result of such default; second, to interest charged on past due installments, as set forth above; third, to the interest portion of all past due assessments; and last, to the payment of outstanding principal.

Section 9. Lien of Assessment. An assessment or any part or installment of it, any interest accruing and the penalties, trustee's fees, attorneys' fees, and other costs of collection shall constitute a lien against the property upon which the assessment is levied on the effective date of this Ordinance. Said lien shall be superior to the lien of any trust deed, mortgage, mechanic's, or materialman's lien, or other encumbrance and shall be equal to and on a parity with the lien for general property taxes. The lien shall continue until the assessment and any interest, penalties, and costs on it are paid, notwithstanding any sale of the property for or on account of a delinquent general property tax, special tax, or other assessment or the issuance of tax deed, an assignment of interest by the governing entity or a sheriff's certificate of sale or deed.

Section 10. Debt Service Reserve Fund. The City does hereby establish a reserve fund (the "Debt Service Reserve Fund") in lieu of funding a special improvement guaranty fund, as additional security for the Assessment Bonds to be issued by the City with respect to the District. The Debt Service Reserve Fund shall be initially funded from proceeds of the Assessment Bonds in an amount not to exceed ten percent (10%) of the total principal amount of the Assessment Bonds issued by the City (the "Debt Service Reserve Requirement"). The cost of initially funding the Debt Service Reserve Fund is included in the assessments of the property owners. The Debt Service Reserve Requirement shall be adjusted as property owners prepay their assessments in full, all as provided in the bond resolution to be executed by the Council to authorize the issuance and sale of the Assessment Bonds (the "Bond Resolution"). The moneys on deposit in the Debt Service Reserve Fund shall, upon the final payment of the Assessment Bonds, be applied to the final assessment payment obligation of the assessed properties. If the amounts on deposit in the Debt Service Reserve Fund exceed the final assessment obligation, any excess amounts shall be paid by the City to the owners whose properties were subject to the final assessment payment obligation, as an excess assessment payment.

In the event insufficient assessments are collected by the City to make the debt service payments on the Assessment Bonds, the City shall draw on the Debt Service Reserve Fund to make up such deficiency. In the event the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement, adjusted from time to time, the City will replenish the Debt Service Reserve Fund as provided in the Bond Resolution authorizing the issuance of the Assessment Bonds. If the amount on deposit in the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement adjusted from time to time, excess moneys shall be transferred to the Bond Fund established under the Bond Resolution to be applied pro rata toward the next assessment payment obligations coming due.

Section 11. Investment Earnings. Except as otherwise provided in Section 10, all investment earnings on the Debt Service Reserve Fund shall be maintained in said Fund and applied in the same manner as the other moneys on deposit therein as provided in the Bond Resolution authorizing the issuance of the Assessment Bonds.

Section 12. Contestability. No assessment shall be declared invalid or set aside in whole or in part in consequence of any error or irregularity which does not go to the equity or justice of the assessment or proceeding. Any party who has not waived his objections to the same as provided by statute may commence a civil action in the district court with jurisdiction in the City of Saratoga Springs against the City to enjoin the levy or collection of the assessment or to set aside and declare unlawful this Ordinance.

Such action must be commenced and summons must be served on the City not later than thirty (30) days after the effective date of this Ordinance. This action shall be the exclusive remedy of any aggrieved party. No court shall entertain any complaint which the party was authorized to make by statute but did not timely make or any complaint that does not go to the equity or justice of the assessment or proceeding.

After the expiration of the thirty (30) -day period provided in this section:

(a) The Assessment Bonds issued or to be issued against the District and the assessments levied in the District shall become incontestable as to all persons who have not commenced the action and served a summons as provided for in this section; and

(b) No suit to enjoin the issuance or payment of the Assessment Bonds, the levy, collection, or enforcement of the assessments, or in any other manner attacking or questioning the legality of the Assessment Bonds or assessments may be instituted in this state, and no court shall have authority to inquire into these matters.

Section 13. Notice to Property Owners. The City Treasurer is hereby authorized and directed to give notice of assessment by mail to the property owners in the District. Said notice shall, among other things, state the amount of the assessment and the terms of payment. A copy of the form of notice of assessment is available for examination upon request at the office of the City Recorder.

Section 14. All Necessary Action Approved. The officials of the City are hereby authorized and directed to take all action necessary and appropriate to effectuate the provisions of this Ordinance.

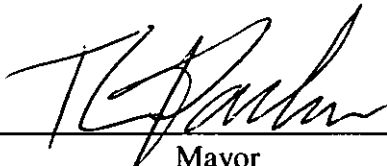

Section 15. Repeal of Conflicting Provisions. All ordinances or parts thereof in conflict with this Ordinance are hereby repealed.

Section 16. Publication of Ordinances. Immediately after its adoption, this Ordinance shall be signed by the Mayor and City Recorder and shall be recorded in the ordinance book kept for that purpose. This Ordinance shall be published once in The Daily Herald, a newspaper published and having general circulation in the City, and shall take effect immediately upon its passage and approval and publication as required by law.

Section 17. Notice of Assessment Interest. The City Treasurer is hereby authorized and directed to file a Notice of Assessment Interest with the Utah County Recorder within five (5) days after the Date provided in Section 16. Such Notice shall (a) state that the City has an assessment interest in the assessment property, (b) describe the property assessed by legal description and tax identification number, and (c) state the maximum number of years over which the assessment for operation and maintenance activities will be payable (which number may be included in an attached copy of the Assessment Ordinance).

PASSED AND APPROVED by the City Council, this September 22, 2009.
