DAVIS COUNTY RECORDER

This right-of-way and easement shall carry with it the right of ingress and egress to and from, and access on and along said right-of-way with the right to use existing roads, for the purpose of constructing, inspecting, repairing, protecting and maintaining the facilities and the removal or replacement of same at will, either in whole or in part, and the replacement of said pipeline with either like or different size pipe. During temporary periods Grantee may use such portions of the property along and adjacent to said right-of-way as may be reasonably necessary in connection with construction, maintenance, repair, removal or replacement of the facilities.

TO HAVE AND TO HOLD the above described rights and easements together with all rights necessary to operate, protect and maintain the facilities over the right-of-way hereby granted unto the said Grantee, its successors and assigns, and the Grantee may assign the rights and easements herein granted, either in whole or in part, subject to the terms of this grant, and such rights and easements shall be covenants running with the land and be binding upon Grantor, his heirs, legal representatives and successors in title.

Grantee may at any time permanently abandon said right-of-way and at its discretion may remove or abandon in place improvements constructed thereon and upon such abandonment action, Grantee may at its discretion execute and record a reconveyance and release hereof, whereupon this right-of-way and easement and all rights and privileges herein mutually granted shall be fully cancelled and terminated.

Grantee shall compensate the Grantor for all damages to Grantor's growing crops, pasture, fences, livestock and other real or personal property improvements caused by the construction, maintenance, repair, replacement or removal of the facilities. Grantee shall compensate the Grantor for all damages to Grantor's timber caused by the initial construction of the facilities; thereafter, Grantee shall have the right to cut and keep clear without payment of damages all trees, brush and other obstructions that may in the Grantee's opinion endanger, hinder or conflict with the construction, operation, inspection, protection, maintenance and use of said facilities.

Grantee further agrees that within a reasonable time following the completion of construction, Grantee shall restore said right-of-way. Restoration shall include, where necessary, final grading, reseeding and installation of erosion control structures.

Grantor reserves the right to use and enjoy said property except for the purposes herein granted, but such use shall not hinder, conflict or interfere with Grantee's surface or subsurface rights hereunder or disturb its facilities and no road, reservoir, excavation, change in surface grade, obstruction or structure shall be constructed, created or maintained on, over, along or within said right-of-way without Grantee's prior written consent. Grantee shall, during initial construction in cultivated lands, bury said pipeline and/or communications cable to a minimum depth of 30 inches.

Grantor represents and warrants that he is the owner in fee simple of the said described land. Grantee shall have the right to discharge or redeem for Grantor, in whole or in part, any mortgage, tax or other lien on said land and thereupon be subrogated to such lien and rights incident thereto.

It is hereby understood that the parties securing this grant in behalf of the Grantee are without authority to make any covenant or agreement not herein expressed.
