1.1.15 All books, records, and data pertaining to any and all of the property described above, however recorded, stored, or maintained, including digital, electronic, and computer-readable data and any computer hardware or software necessary to access and process such data ("**Books and Records**"); and

1.1.16 All products, profits, rents, proceeds of, additions and accretions to, substitutions, and replacements for, and changes in any of the property described above.

1.2 Secured Obligations.

1.2.1 Trustor makes the grant, conveyance, assignment, and transfer set forth above, and grants the security interests and liens set forth below for the purpose of securing the following obligations (the "**Secured Obligations**") in any order of priority that Beneficiary, for the benefit of Lender, may choose:

1.2.1.1 Payment of all obligations at any time owing under one or more promissory notes of even date herewith, payable by Trustor, as maker, in the aggregate stated principal amount of Forty Million Seven Hundred Forty Thousand and No/100 Dollars (\$40,740,000.00) to the order of one or more Lenders (collectively, as they may be amended, restated, modified, or extended, the "**Note**"), subject to Trustor's exercise of any extension options available under the terms and conditions of the Loan Agreement (hereinafter defined);

1.2.1.2 Payment and performance of all obligations of Trustor under this Security Instrument;

1.2.1.3 Payment and performance of all obligations of Trustor under a Construction Loan Agreement of even date herewith between Trustor, as "Borrower,"

Lender, and Beneficiary, as agent for Lender and in its individual capacity as a Lender (as it may be amended, restated, or modified, the "*Loan Agreement*");

1.2.1.4 Payment and performance of any obligations of Trustor under any Loan Documents that are executed by Trustor, but specifically excluding any obligations of Trustor under any guaranty of the Secured Obligations or any separate indemnity agreement executed in connection with the Loan (each an "*Indemnity Agreement*"), including any environmental, hazardous materials, or building access indemnity agreement;

1.2.1.5 Payment and performance of all obligations of Trustor to Beneficiary or any Lender arising from any Interest Rate Agreements, if any, including any Cash Settlement Amount or any payments on Early Termination payable by Trustor under any Swap Transaction or Confirmation. Capitalized terms used in this subsection not otherwise defined in this Security Instrument are defined in the *2006 ISDA Definitions* published by the International Swap Dealers Association, Inc.;

1.2.1.6 Payment and performance of all other obligations that Trustor or any successor in ownership of all or part of the Property may agree to pay and/or perform for the benefit of Beneficiary or any Lender, when a writing evidences the parties' agreement that the advance or obligation is secured by this Security Instrument;

1.2.1.7 Payment and performance of all modifications, amendments, restatements, extensions, and renewals, however evidenced, of any of the foregoing Secured Obligations; and

1.2.1.8 Payment and performance of all future advances with respect to any of the foregoing Secured Obligations.

1.2.2 All persons who may have or acquire an interest in all or any part of the Property will be considered to have notice of, and will be bound by, the terms of the Secured Obligations and each other agreement or instrument made or entered into in connection with each of the Secured Obligations. Such terms include any provisions in the Note or the Loan Agreement that permit borrowing, repayment and re-borrowing, or that provide for a change in the interest rate of any Secured Obligation.

1.2.3 This Security Instrument shall not secure any obligations of guarantors or other third parties under any guaranties of the Secured Obligations or any Indemnity Agreement.

2. ABSOLUTE ASSIGNMENT OF LEASES AND RENTS.

2.1 Assignment. Trustor hereby irrevocably and presently transfers, assigns, and conveys to Beneficiary all of the right, title and interest of Trustor in and to (a) the Leases; and (b) all rents, issues, profits, security or other deposits, revenues, royalties, accounts, rights, benefits and income of every nature of and from the Property (collectively, "*Rents*"), including minimum rents, additional rents, advance rents, termination payments, bankruptcy claims, forfeited security deposits, common area maintenance charges, parking revenues, entrance fees, service fees, damages following default, and all proceeds payable under any policy of insurance covering loss of rents resulting from untenability due to destruction or damage to the Property; together with the immediate and continuing right to collect and receive the same, whether now due or hereafter becoming due; together with any award or other payment that Trustor may

hereafter become entitled to receive with respect to any of the Leases as a result of or pursuant to any bankruptcy, insolvency or reorganization or similar proceedings involving any Tenant (hereinafter defined) under the Leases; together with any and all payments made by or on behalf of any Tenant of any part of the Property in lieu of rent; together with all rights and claims of any kind that Trustor may have against any tenant, resident, occupant, lessee, or licensee under the Leases (each a “*Tenant*”, and collectively, “*Tenants*”) or against any other occupant of the Premises or Improvements. This is a present assignment of the Leases and Rents, not an assignment for security only.

2.2 Grant of License. Beneficiary hereby confers upon Trustor a license in accordance with this Security Instrument (the “*License*”) to retain possession of the Leases and to enforce the terms of the Leases and to otherwise deal with and enjoy the rights of the landlord under the Leases and to collect, receive, use and enjoy the Rents and other income and profits from the Property as they become due and payable, unless or until the occurrence of an Event of Default (hereinafter defined). Upon the occurrence of an Event of Default, the License may be terminated by Beneficiary upon notice to Trustor and Beneficiary may thereafter, without taking possession of the Property, take possession of the Leases and collect the Rents. Beneficiary and Trustor agree that the mere recordation of this Security Instrument entitles Beneficiary immediately to collect and receive Rents upon the occurrence of an Event of Default without first taking any enforcement action under applicable Laws, such as, but not limited to, providing notice to Trustor, filing foreclosure proceedings, or seeking and/or obtaining the appointment of a receiver.

2.3 No Encumbrance. Trustor shall not assign, sell, pledge, transfer, mortgage, hypothecate, or otherwise encumber its interests in any of the Leases or Rents.

2.4 Collection and Application of Rents.

2.4.1 Right to Collect; Attorney-in-Fact. Subject to the License granted to Trustor above, upon an occurrence of an Event of Default, Beneficiary has the right, power and authority to collect any and all Rents in accordance with this Security Instrument. Trustor hereby appoints Beneficiary its attorney-in-fact, coupled with an interest, at such times as Beneficiary in its sole discretion may so choose, (a) to demand, receive and enforce payment of any and all Rents, including past due and unpaid Rents; (b) to give receipts, releases and satisfactions for any and all Rents; (c) to sue either in the name of Trustor or in the name of Beneficiary for any and all Rents; (d) to perform any obligation, covenant or agreement of Trustor under any of the Leases, and, in exercising any of such obligations, pay all necessary costs and expenses, employ counsel and incur and pay attorneys’ fees; (e) to delegate any and all rights and powers given to Beneficiary by the assignment of Leases and Rents provided for herein; (f) to appear in any bankruptcy, insolvency or reorganization proceeding involving any Tenant under the Leases and to collect any award or payment due Trustor pursuant to any such proceeding; and/or (g) to use such measures, legal or equitable, in its discretion to carry out and effectuate the terms and intent of the assignment of Leases and Rents provided for herein. All such actions shall be taken at the expense of Trustor, who agrees to reimburse Beneficiary, upon demand, for all actually incurred amounts expended, including reasonable attorneys’ fees, together with interest thereon from the date of expenditure at the Default Rate applicable to the Loan, and the obligation to perform such actions shall be secured by this Security Instrument. Notwithstanding any other provision of this Security Instrument, all awards or payments received by Beneficiary shall be applied to the Secured Obligations in such order as Beneficiary may elect in its sole discretion.

2.4.2 Trustor as Trustee. From and after the occurrence of an Event of Default, Trustor shall be the agent of Beneficiary in collection of the Rents, and any Rents so collected by Trustor shall be held in trust by Trustor for the sole and exclusive benefit of Beneficiary, and Trustor shall, within three (3) Business Day after receipt of any Rents, pay the same to Beneficiary to be applied by Beneficiary as set forth in Section 2.9 herein for the “Application of Rents.”

2.4.3 Possession of Property Not Required. Beneficiary’s right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary’s sole discretion, Beneficiary may choose to collect Rents either with or without taking possession of the Property. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Security Instrument, Beneficiary and any receiver appointed for all or any portion of the Property shall nevertheless be entitled to exercise and invoke every other right and remedy afforded any of them under this Security Instrument and at law and in equity.

2.5 Beneficiary Not Responsible. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Premises and Improvements, unless (i) Beneficiary agrees in writing to the contrary, or (ii) Beneficiary owns the Premises and/or the Improvements as a result of a Foreclosure Sale or a deed in lieu of foreclosure, or (iii) otherwise required by any applicable Laws, Beneficiary is not and shall not be deemed to be:

2.5.1 Responsible for the control, care, management or repair of the Property;

2.5.2 A “mortgagee in possession” for any purpose;

2.5.3 Responsible for performing any of the obligations of the lessor under any Lease;

2.5.4 Responsible for any waste committed by Tenants or other occupants of the Property or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property;

2.5.5 Responsible for any loss sustained by Trustor resulting from Beneficiary’s failure to lease the Premises or Improvements or from any other act or omission of Beneficiary in managing the Property or administering the Leases; or

2.5.6 Liable in any manner for the Property or the use, occupancy, enjoyment, or operation of all or any part of it.

2.6 Consent to Payment of Rents Directly to Beneficiary. At any time, Beneficiary may, at its option, notify any Tenant or other parties of the existence of the assignment of Leases and Rents provided for herein. Subject to any applicable Laws and upon an Event of Default, Trustor hereby specifically authorizes, instructs and directs each and every present and future Tenant of all or any part of the Premises or Improvements to pay all unpaid and future Rents directly to Beneficiary upon receipt of demand from Beneficiary to so pay the same, and Trustor hereby agrees, subject to any applicable Laws, that each such present and future Tenant may rely upon such written demand from Beneficiary to so pay the Rents without any inquiry into whether there exists an Event of Default hereunder or under the other Loan

Documents or whether Beneficiary is otherwise entitled to the Rents. No proof of the occurrence of an Event of Default to such Tenants shall be required. Trustor hereby waives any right, claim or demand that Trustor may now or hereafter have against any present or future Tenant by reason of such payment of Rents to Beneficiary, and any such payment shall discharge such Tenant's obligation to make such payment to Trustor.

2.7 Leasing. Trustor shall not lease the Premises or Improvements except in accordance with the provisions of the Loan Agreement. Except as otherwise disclosed to Beneficiary in the Leases as a right in favor of any Tenant, if Trustor becomes aware that any Tenant proposes to do, or is doing, any act or thing that may give rise to any contractual or lawful right to set-off against rent, Trustor shall (a) take such steps as shall be reasonably calculated to prevent the accrual of any right to a set-off against rent, (b) notify Beneficiary thereof and of the amount of said set-offs, and (c) within twenty (20) days after such accrual (or such longer period as provided for in the Leases), reimburse the Tenant who shall have acquired such right to set-off or take such other steps as shall effectively discharge such set-off and as shall assure that rents thereafter due shall continue to be payable without set-off or deduction.

2.8 Further Actions. Trustor shall punctually observe, perform, and discharge all obligations, terms, covenants, conditions, and warranties to be performed by Trustor pursuant to the Leases. Trustor agrees to execute and deliver, at its sole cost and expense, upon Beneficiary's written request, any commercially reasonable documents necessary to cause the specific assignment of any particular Lease or any other document or instrument, the assignment of which is necessary in Beneficiary's judgment to carry out the purposes of the assignment of Leases and Rents provided for herein, including any consents to such assignment of Leases and Rents. In addition, Trustor shall, at its sole cost and expense, appear in and defend any action or proceeding arising under, growing out of, or in any manner connected with the Leases or the obligations, duties or liabilities of the landlord or any Tenant thereunder, and shall pay on demand all costs and expenses, including attorneys' fees that Beneficiary may incur in connection with Beneficiary's appearance, voluntary or otherwise, in any such action or proceeding, together with interest thereon at the Default Rate from the date incurred by Beneficiary until repaid by Trustor.

2.9 Application of Rents. Except as otherwise required by any applicable Laws, all Rents collected following an Event of Default hereunder shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the Rents, including attorneys' fees, receiver's fees, premiums on receiver's bonds, costs of maintenance and repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Trustor under the Leases, and then to the Secured Obligations. Beneficiary or the receiver shall be liable to account only for those Rents actually received by Beneficiary or the receiver.

3. SECURITY ASSIGNMENT OF CONTRACTS.

3.1 Assignment. To the fullest extent not prohibited by applicable Laws, Trustor hereby grants, assigns, and pledges to Beneficiary all of Trustor's right, title and interest in and to all of the Contracts as security for the Secured Obligations.

3.2 Trustor's Covenants. Trustor hereby covenants and represents to Beneficiary as follows:

3.2.1 Trustor shall punctually observe, perform, and discharge each and every obligation, covenant, condition, and agreement of the Contracts to be performed by Trustor.

3.2.2 Trustor shall enforce performance by the other part(y)(ies) to any Contract, of each and every obligation, covenant, condition and agreement to be performed by such other part(y)(ies).

3.2.3 Trustor shall not assign, sell, pledge, transfer, mortgage, hypothecate or otherwise encumber its interests in any Contract, without the prior written consent of Beneficiary in each instance. In addition, Trustor shall not consent to, suffer or permit any future assignment or transfer of any material Contract by any party without Beneficiary's prior written consent in each instance.

3.2.4 Except as otherwise permitted under the Loan Documents, Trustor shall not materially and adversely alter, amend, modify or terminate any of the Contracts without the prior written consent of Beneficiary, which shall not be unreasonably withheld, conditioned, or delayed.

3.2.5 Upon Beneficiary's request following an Event of Default, Trustor shall deliver to Beneficiary all of the original Contracts and all modifications, extensions, renewals, amendments, and other agreements relating thereto.

3.2.6 Trustor shall execute and deliver, at its sole cost and expense, upon Beneficiary's written request, any commercially reasonable documents necessary to cause the specific assignment of any particular Contract or any other document or instrument, the assignment of which is necessary, proper or desirable in Beneficiary's judgment to carry out the purposes of the assignment of Contracts provided for herein, including any consents to such assignment of Contracts.

3.3 Beneficiary's Remedies upon Default. Upon the occurrence of an Event of Default, Beneficiary, at its sole option, and without assuming any of the obligations of Trustor under the Contracts, shall have the right (but not the obligation) and is hereby authorized to: (a) cure any default of Trustor in such manner and to such extent as Beneficiary may deem necessary to protect the security hereof, (b) appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary; (c) demand, receive, and enforce payment of all amounts that may be or become payable to Trustor under any of the Contracts; (d) exercise and enforce by suit or otherwise any remedies against other parties to the Contracts for breaches of the terms and conditions of the Contracts; (e) enter into other contracts or agreements, in the name of Beneficiary, with such third parties as Beneficiary may in its discretion select, and upon such terms and conditions as Beneficiary in its reasonable discretion may determine; (f) compromise amounts due under the Contracts; (g) maintain or dismiss suits with respect to the Contracts; (h) delegate any and all rights and powers given to Beneficiary by the assignment of Contracts provided for herein; (i) perform any obligation, covenant or agreement of Trustor under any of the Contracts, and, in exercising any such powers, paying all necessary costs and expenses, employing counsel and incurring and paying attorneys' fees; (j) appear in any bankruptcy, insolvency or reorganization proceeding involving any party to the Contracts and collect any award or payment due Trustor pursuant to any such proceeding; and/or (k) use such measures, legal or equitable as in its discretion may carry out and effectuate the terms and intent of the assignment of Contracts provided for herein. All such actions shall be taken at the expense of Trustor.

3.4 No Liability of Beneficiary. Beneficiary shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any of the Contracts, or by reason of the assignment of Contracts provided for herein. Further, nothing in this Security Instrument shall obligate Beneficiary to assume any obligations under any Contract, unless and until Beneficiary becomes the owner of the Property and affirmatively assumes a particular Contract in writing.

3.5 Instructions to Contracting Parties. Upon an Event of Default, the assignment of Contracts provided for herein constitutes an irrevocable direction to and full authority from Trustor to any other party to any Contract to pay directly to Beneficiary, upon Beneficiary's request, all amounts that may be or become due to Trustor. No proof of the occurrence of an Event of Default to third parties shall be required. Any such contracting third-party is hereby authorized by Trustor to rely upon and comply with any notice or demand by Beneficiary for the payment to Beneficiary of any amounts that may be or become due under its Contract, or for the performance of any obligations under such Contract.

3.6 Application of Income. Notwithstanding any other provision of this Security Instrument, the payments, proceeds and income collected by Beneficiary with respect to the Contracts may be applied, in whatever order Beneficiary in its discretion may determine, to the payment of any costs and expenses, to the payment of taxes, special assessments and insurance premiums that become due and delinquent on the Property, to the Secured Obligations, or to any liens or encumbrances on the Property or any personal property of Trustor.

3.7 Interpretation. The terms of any separate assignment of Contracts or assignment of construction documents shall supersede and control over any inconsistent terms of the assignment of Contracts provided for herein.

4. SECURITY AGREEMENT AND FINANCING STATEMENT.

4.1 Security Agreement. The parties intend for this Security Instrument to create a lien on and security interest in the Property, an assignment of the Leases and Rents, and a security assignment of Contracts, all in favor of Beneficiary, for the benefit of the Lender. The parties acknowledge that some of the Property and some or all of the Leases, Rents and Contracts may be determined under applicable Laws to be personal property or fixtures. To the extent that any Property (including the Leases, Rents, or Contracts), is or may be determined to be personal property or fixtures, Trustor, as debtor, hereby grants to Beneficiary, as secured party, a lien on and security interest in all such Property to secure payment and performance of the Secured Obligations. This Security Instrument constitutes a security agreement under Article 9a of the Uniform Commercial Code of the state in which the Premises are located, as amended or recodified from time to time (the "*Project State UCC*"), covering all such Property.

4.2 Financing Statement.

4.2.1 Trustor hereby irrevocably authorizes Beneficiary, at any time and from time to time, to prepare and file, in any filing office in any Uniform Commercial Code jurisdiction necessary to perfect the security interests granted herein, any financing statements and amendments thereto that (a) indicate the "collateral" (i) as all assets of Trustor related to the Project or words of similar effect, regardless of whether any particular asset included in the collateral falls within the scope of Article 9 of the Project State UCC, or (ii) as being of an equal or lesser scope or with greater detail, and (b) provide any other information for the sufficiency of

the filing or acceptance of any financing statement or amendment by the filing office. Trustor agrees to furnish any such information to Beneficiary promptly upon Beneficiary's request.

4.2.2 Trustor shall pay all fees and costs that Beneficiary may actually and reasonably incur in filing one or more financing statements and such other documents as Beneficiary may from time to time require to perfect or continue the perfection of Beneficiary's security interest in any Property and in obtaining such record searches as Beneficiary may reasonably require to confirm the perfection and priority of the security interests granted herein.

4.2.3 Trustor shall reasonably cooperate with Beneficiary in any way necessary to perfect and continue the perfection of Beneficiary's security interest in any part of the Property.

4.2.4 If any financing statement or other document is filed in the records normally pertaining to personal property, that filing shall never be construed as in any way derogating from or impairing this Security Instrument as a lien on the Property or the rights or obligations of the parties under it.

4.2.5 Trustor shall not terminate any financing statement filed to perfect Beneficiary's security interest without Beneficiary's express written consent.

4.3 Fixture Filing. This Security Instrument constitutes a financing statement filed as a fixture filing under Article 9a of the Project State UCC, covering any Property that now is or later may become fixtures attached to the Premises or Improvements.

4.4 Representations, Warranties, and Covenants.

4.4.1 Trustor represents and warrants to Beneficiary that (a) Trustor's exact legal name is as set forth on the signature page of this Security Instrument, which name is stated to be Trustor's name on the public records most recently filed with Trustor's jurisdiction of organization; (b) Trustor is an organization of the type, and is organized in the jurisdiction, set forth on the signature page of this Security Instrument; (c) Trustor's organizational identification number, if any, is set forth on the signature page of this Security Instrument; (d) Trustor's address set forth in the preamble of this Security Instrument is its principal place of business and the location of its chief executive offices and the address at which it will keep its Books and Records.

4.4.2 Trustor shall not, without prior written notice to Beneficiary: (a) change its name, identity or corporate structure in a manner that would affect the perfection or priority of Beneficiary's financing statement(s) against all or any portion of the Property without further action by Beneficiary; or (b) change the jurisdiction of its incorporation or organization. In addition, Trustor shall keep all Property that is personal property, to the extent not delivered to Beneficiary, at the Project or such other locations as have been disclosed in writing to Beneficiary, and Trustor shall not remove the personal property from such locations without providing written notice to Beneficiary of the new location of such personal property.

4.4.3 Trustor will fully and punctually perform any duty required of it under or in connection with any of the Property that is personal property, and will not take any action that would materially and adversely impair, damage or destroy Beneficiary's rights to such Property or the value thereof. Trustor will timely take any and all action reasonably required to maintain the continued performance by every other party to any agreement comprising the Property.

4.5 Uniform Commercial Code Remedies. Following an Event of Default, Beneficiary may exercise any or all of the remedies granted to a secured party under the Project State UCC.

4.6 Construction Mortgage. As this Security Instrument secures advances to be used either for the acquisition of the Premises or the construction or renovation of improvements thereon, or both, this Security Instrument also constitutes a "construction mortgage" or "construction deed of trust" under the Uniform Commercial Code in effect in the state where the Premises are located.

5. RIGHTS AND DUTIES OF THE PARTIES.

5.1 Representations and Warranties. Trustor represents, warrants, and covenants that:

5.1.1 Trustor lawfully possesses and holds fee simple title to all of the Premises and Improvements, subject only to the Permitted Exceptions;

5.1.2 Trustor has or will have good title to all Property other than the Premises and Improvements, free and clear of any security agreements, reservations of title, or conditional sales contracts, and there is no financing statement affecting such personal property on file in any public office, except for the Permitted Exceptions;

5.1.3 True, correct and complete copies of the Contracts and Leases have been or will be delivered to Beneficiary, including all amendments, modifications, exhibits and addenda thereto;

5.1.4 Trustor has the full and unlimited power, right and authority to encumber the Property and assign the Leases, Rents, and Contracts; there are no outstanding assignments of the Leases, Rents, or Contracts; Trustor is the absolute owner of the landlord's interest in the Leases; and, to Trustor's actual knowledge, Trustor has performed no act or executed any other instrument that might prevent Beneficiary from enjoying and exercising any of its rights and privileges evidenced by this Security Instrument with respect to the Leases, Rents, and Contracts;

5.1.5 No Rents have been discounted, released, waived, compromised or otherwise discharged except for prepayment of Rent of not more than one (1) month prior to the accrual thereof, except as disclosed in the Leases or otherwise in writing by Trustor to Beneficiary;

5.1.6 To Trustor's actual knowledge, no default exists under any of the Leases or Contracts by any party and no fact or circumstance exists under any of the Leases or Contracts that, with the lapse of time or giving of notice or both, would constitute a default by any party under such Leases or Contracts;

5.1.7 The Leases and Contracts were duly executed, are in full force and effect, and are the valid and binding obligations of the parties thereto and are enforceable in accordance with their respective terms;

5.1.8 Upon recording of this Security Instrument in the real estate records of the county where the Premises are located and the filing of a UCC financing statement in the

applicable Uniform Commercial Code jurisdiction, this Security Instrument will create a first lien on the Property and will be subject only to the Permitted Exceptions;

5.1.9 To Trustor's actual knowledge, the Property includes all property and rights that may be reasonably necessary or desirable to promote the present and any reasonable future beneficial use and enjoyment of the Premises and Improvements; and

5.1.10 To Trustor's actual knowledge, the Project Licenses held by Trustor include all licenses and permits necessary for the occupancy and operation of the Project; the Project Licenses are in full force and effect; Trustor has at all times complied with all material terms and requirements of the Project Licenses, and Trustor has received no notices contrary to the foregoing; no suspension, revocation or cancellation of the Project Licenses is threatened, and no event has occurred, nor do any circumstances exist that may (a) constitute or result in a violation of or a failure to comply with any material term or requirement of any Project License, or (b) result in the revocation, withdrawal, suspension, cancellation or termination of any Project License; and all applications required to have been filed for the renewal of any Project License have been duly filed on a timely basis with the appropriate authority, and all other required filings have been made with respect to the Project Licenses on a timely basis with the appropriate authority.

5.2 Performance of Secured Obligations. Trustor shall promptly pay and perform each Secured Obligation in accordance with its terms.

5.3 Use of Property. Unless required by applicable Laws or unless Beneficiary has otherwise agreed in writing (which shall not be unreasonably withheld, conditioned, or delayed) or as otherwise set forth and permitted in the Loan Documents, Trustor shall not allow material and adverse changes in the use for which all or any part of the Property was intended at the time this Security Instrument was executed. Trustor shall not initiate or acquiesce to a change in the zoning classification of the Property without Beneficiary's prior written consent, which shall not be unreasonably withheld, conditioned, or delayed. Trustor shall not consent to the submission of the Property, or any portion thereof, to any condominium regime or improvement district without Beneficiary's prior written consent, which shall not be unreasonably withheld, conditioned, or delayed.

5.4 Taxes, Assessments, Liens, Charges and Encumbrances. Trustor shall pay, prior to delinquency, all applicable taxes, levies, charges, assessments, water and sewer rates, rents insurance premiums, charges and impositions, attributable to the Property. Trustor shall immediately discharge any lien on the Property that is not a Permitted Exception, and promptly notify Beneficiary if a mechanic's lien is filed against the Property. Trustor shall have the right to contest in good faith and with reasonable diligence the validity of any such lien or claim if Trustor posts a statutory lien bond that removes such lien from title to the Project within thirty (30) days after the earlier of (a) Trustor's knowledge that the lien exists or (b) written notice by Beneficiary to Trustor of the existence of the lien. Failure to remove the lien from title to the Project within such thirty-day period shall constitute an immediate Event of Default.

5.5 Damages and Insurance and Condemnation Proceeds. In the event of any casualty or condemnation of the Property, the applicable provisions of the Loan Agreement shall govern.

5.6 Maintenance and Preservation of Property.

5.6.1 Trustor shall insure the Property as required by the Loan Agreement and keep the Property, including improvements, fixtures, equipment, machinery and appliances, in good repair and shall replace improvements, fixtures, equipment, machinery and appliances on the Property owned by Trustor when necessary to keep such items in good condition and repair.

5.6.2 Neither Trustor nor any Tenant shall remove or demolish the Property or any part of it, or alter, restore or add to the Property, or initiate or allow any change or variance in any zoning or other land use classification that affects the Property or any part of it, except as permitted or required by the Loan Agreement or with Beneficiary's express prior written consent in each instance.

5.6.3 If all or part of the Improvements becomes damaged or destroyed, Trustor shall promptly and completely repair and/or restore the Improvements in a good and workmanlike manner in accordance with sound building practices, regardless of whether Net Claims Proceeds are available for disbursement pursuant to the terms of the Loan Agreement.

5.6.4 Trustor shall take all action necessary to keep the Property at all times in compliance with: (a) all applicable Laws and all orders of any Governmental Authority, whether now existing or later to be enacted and whether foreseen or unforeseen, including the Americans with Disabilities Act; and (b) all applicable public and private covenants, conditions, restrictions and equitable servitudes affecting the Property. Trustor shall not bring or keep any article on the Property or cause or allow any condition to exist on the Property if doing so could invalidate or would be prohibited by any insurance coverage required to be maintained by Trustor on the Property or any part of it under the Loan Agreement.

5.6.5 Trustor shall not commit waste or permit impairment or deterioration of the Property.

5.6.6 Trustor shall not abandon the Property.

5.6.7 Trustor shall give notice in writing to Beneficiary, appear in and defend any action or proceeding purporting to affect the Property, the security of this Security Instrument or the rights or powers of Beneficiary or Trustee, except for any such action or proceeding caused by the gross negligence or intentional misconduct of Beneficiary.

5.6.8 Trustor shall perform all other acts that from the character or use of the Property may be reasonably necessary to maintain and preserve its value.

5.7 Preservation of Project Licenses.

5.7.1 Trustor shall, within twenty (20) days after demand by Beneficiary, deliver to Beneficiary a written statement certifying any condition or state of facts in connection with the Project Licenses that is reasonably requested by Beneficiary;

5.7.2 Trustor shall not take any action or make any omission that would (a) constitute or result in a violation of or a failure to comply with any material term or requirement of any Project License, or (b) result in the revocation, withdrawal, suspension, cancellation or termination of any Project License;

5.7.3 Trustor shall cause all filings for the renewal of any Project License to be made on a timely basis with the appropriate authority; and

5.7.4 Trustor shall notify Beneficiary promptly of any notice or claim known to Trustor alleging a material violation of any Project License or threatening to revoke, withdraw, suspend, cancel or terminate any Project License, and Trustor shall take all action necessary to defend such allegation and, as applicable, reinstate such Project License.

5.8 Releases, Extensions, Modifications and Additional Security. From time to time, Beneficiary may perform any of the following acts without incurring any liability, giving notice to any person, or prejudicing its rights under this Security Instrument or any other Loan Document:

5.8.1 Release any person liable for payment of any Secured Obligation;

5.8.2 Extend the time for payment, or otherwise alter the terms of payment, of any Secured Obligation;

5.8.3 Accept additional real or personal property of any kind as security for any Secured Obligation, whether evidenced by deeds of trust, mortgages, security agreements or any other instruments of security;

5.8.4 Alter, substitute or release any property securing the Secured Obligations;

5.8.5 Consent to the making of any plat or map of the Property or any part of it;

5.8.6 Join in granting any easement or creating any restriction affecting the Property;

5.8.7 Join in any subordination or other agreement affecting this Security Instrument or the lien of it;

5.8.8 Apply any other security for the Secured Obligations held by Beneficiary; and

5.8.9 Release the Property or any part of it.

5.9 Protection of Beneficiary's Security.

5.9.1 If there occurs a Default or Event of Default under this Security Instrument or the other Loan Documents, or if any action or proceeding is commenced that affects the Property or title thereto or the interest of Beneficiary therein, including eminent domain, insolvency, enforcement of local Laws, or arrangements or proceedings involving a debtor in bankruptcy or a decedent, then Beneficiary, at Beneficiary's option, may following all applicable notice and cure periods under this Security Instrument or the Loan Documents, cure any breach or default of Trustor, make such appearances, disburse such sums, enter upon the Premises and Improvements, and/or take such action as Beneficiary deems necessary, in its sole discretion to protect Beneficiary's security and the first priority lien of this Security Instrument.

Such actions may include, without limitation: (a) appearing in and/or defending any action or proceeding that purports to affect the security of, or the rights or powers of Beneficiary under, this Security Instrument; (b) paying, purchasing, contesting, or compromising any encumbrance, tax, assessment, charge, lien or claim of lien that is or, in Beneficiary's reasonable judgment may be, senior in priority to this Security Instrument, such judgment of Beneficiary to be conclusive as among the parties to this Security Instrument; (c) purchasing fuel and providing utilities; (d) obtaining insurance and/or paying any premiums or charges for insurance required to be carried under the Loan Agreement; (e) otherwise caring for and incurring expenses to protect any and all of the Property; (f) employing counsel, accountants, contractors, and other appropriate persons to assist Beneficiary; and/or (g) such other actions reasonably necessary to protect Beneficiary's security.

5.9.2 Nothing contained in this Security Instrument shall require Beneficiary to incur any expense or take any action hereunder.

5.9.3 The procurement of insurance or the payment of taxes or other liens or charges by Beneficiary shall not be a waiver of the right of Beneficiary to accelerate the maturity of any of the Secured Obligations. Beneficiary's receipt of any Claims Proceeds shall not operate to cure or waive any Default or Event of Default.

5.10 Release and Reconveyance. When all of the Secured Obligations have been paid in full and all fees and other sums owed by Trustor under this Security Instrument and the other Loan Documents have been received, Beneficiary shall request that Trustee reconvey this Security Instrument and release the lien created hereby, and release all notes and instruments evidencing the Secured Obligations. Trustor shall pay any costs of preparation and recordation of such reconveyance and releases. In the reconveyance, the grantee may be described as "the person or persons legally entitled thereto," and the recitals of any matters or facts shall be conclusive proof of their truthfulness. Neither Beneficiary nor Trustee shall have any duty to determine the right of persons claiming to be rightful grantees of any reconveyance.

5.11 Compensation, Exculpation, Indemnification.

5.11.1 Compensation.

5.11.1.1 Trustor agrees to pay or reimburse Beneficiary for all amounts advanced by Beneficiary in connection with Section 5.9 and Section 5.10 hereof.

5.11.1.2 Trustor agrees to pay reasonable fees for any services that Beneficiary or Trustee may render in connection with this Security Instrument, including exercising their rights with respect to the Leases, Rents, and Contracts, providing a statement of the Secured Obligations, or releasing the lien of this Security Instrument. Trustor also agrees to pay or reimburse all of Beneficiary's and Trustee's actually incurred, reasonable costs and expenses that may be incurred in rendering any such services, including all costs of administering the Leases and Contracts.

5.11.1.3 Whether or not any lawsuit is filed, Trustor agrees to pay or reimburse Beneficiary or Trustee, as applicable, for all actually incurred, reasonable costs, expenses, or other advances that may be incurred or made by Beneficiary or Trustee in any litigation or proceeding affecting this Security Instrument, the Loan Documents, or the Property (including probate, discretionary review, bankruptcy, and on appeal), and any efforts

to enforce any terms of this Security Instrument, exercise any rights or remedies afforded to Beneficiary or Trustee hereunder, under the other Loan Documents, or at law or in equity, or defend any action or proceeding arising under or relating to this Security Instrument, including attorneys' fees and other Legal Expenses, receiver's fees, and any cost of evidence of title.

5.11.1.4 Trustor further agrees to pay all actually incurred, reasonable costs, expenses, and other advances that may be incurred or made by Beneficiary and/or Trustee in connection with any Foreclosure Sale (hereinafter defined) of the Property.

5.11.1.5 All such expenditures, advances, costs, and expenses made or incurred by Beneficiary or Trustee shall be immediately due and payable by Trustor, with interest thereon at the Default Rate, and shall be secured by this Security Instrument.

5.11.2 Exculpation. Except as otherwise provided in this Security Instrument or the Loan Documents, neither Beneficiary nor Trustee shall be directly or indirectly liable to Trustor or any other person as a consequence of any of the following, and Trustor expressly waives and releases all liability of the types described below, and agrees not to assert or impose any such liability against or upon Beneficiary or Trustee:

5.11.2.1 Beneficiary's or Trustee's exercise of or failure to exercise any rights, remedies or powers granted to Beneficiary and/or Trustee in this Security Instrument or any of the other Loan Documents;

5.11.2.2 Beneficiary's failure or refusal to perform or discharge any obligation or liability of Trustor under any agreement related to the Property or under this Security Instrument, including any of the Leases or Contracts; or

5.11.2.3 Any loss sustained by Trustor or any third party resulting from Beneficiary's failure to lease the Property, or from any other act or omission of Beneficiary in managing the Property, after an Event of Default, unless the loss is caused solely by the willful misconduct, gross negligence, or bad faith of Beneficiary.

5.11.3 Indemnification. TRUSTOR AGREES TO HOLD HARMLESS, DEFEND, AND INDEMNIFY BENEFICIARY AND TRUSTEE FROM AND AGAINST ALL LOSSES, DAMAGES, LIABILITIES, CLAIMS, CAUSES OF ACTION, JUDGMENTS, COURT COSTS, ATTORNEYS' FEES AND OTHER LEGAL EXPENSES, COST OF EVIDENCE OF TITLE, COST OF EVIDENCE OF VALUE, AND OTHER COSTS AND EXPENSES THAT EITHER OF THEM MAY SUFFER OR INCUR (EXCEPT TO THE EXTENT ARISING FROM BENEFICIARY OR TRUSTEE'S FAILURE TO COMPLY WITH APPLICABLE LAWS OR EITHER OF THEIR GROSS NEGLIGENCE, BAD FAITH, OR WILLFUL MISCONDUCT):

5.11.3.1 In performing any act required or permitted by this Security Instrument or any of the other Loan Documents or by law or in equity;

5.11.3.2 Arising out of or resulting from the assignment of Leases and Rents as set forth above, including claims or demands for security deposits from Tenants deposited with Trustor, and from and against any and all claims and demands whatsoever that may be asserted against Beneficiary to satisfy any obligations of the landlord under the Leases;

5.11.3.3 Arising out of or resulting from the assignment of Contracts as set forth above, including the exercise or enforcement of any of the rights of Trustor thereunder;

5.11.3.4 Because of any failure of Trustor to perform any of its obligations;

5.11.3.5 Because of any alleged obligation of or undertaking by Beneficiary and/or Trustee to perform or discharge any of the representations, warranties, conditions, covenants, or other obligations in any document relating to the Property other than the Loan Documents;

5.11.3.6 By reason of (a) suspension, revocation, cancellation, or termination of any Project License or (b) any alleged obligation or undertaking on the part of Beneficiary or Trustee to perform or discharge any of the terms of, or any agreements or Laws pertaining to, the Project Licenses; or

5.11.3.7 By reason of Beneficiary's security interest in the Project Licenses.

Such indemnity shall include all reasonable costs, expenses and attorneys' fees actually incurred by Beneficiary in connection with such matters, together with interest on the indemnified liabilities at the Default Rate from the date paid or incurred by Beneficiary until repaid by Trustor, and shall be immediately due and payable to Beneficiary by Trustor upon demand and shall be secured by this Security Instrument. This agreement by Trustor to hold harmless, indemnify, and defend Beneficiary and Trustee shall survive the release and cancellation of any or all of the Secured Obligations, the full or partial release or reconveyance of this Security Instrument, and any foreclosure or other enforcement of this Security Instrument, or transfer by deed in lieu thereof.

5.11.4 Payment by Trustor. Trustor shall satisfy all obligations to pay money arising under this Security Instrument and the other Loan Documents immediately upon demand by Beneficiary. Each such obligation shall be added to, and considered to be part of, the principal of the Note, and shall bear interest at the Applicable Rate or Default Rate, as applicable, from the date the obligation arises.

5.12 Defense and Notice of Claims and Actions. At Trustor's sole expense, Trustor shall protect, preserve and defend the Property and title to and right of possession of the Property, and the security of this Security Instrument and the rights and powers of Beneficiary and Trustee created under it, against all adverse claims. Trustor shall give Beneficiary prompt notice in writing if any claim is asserted that does or could affect any such matters, or if any action or proceeding is commenced that alleges or relates to any such claim.

5.13 Subrogation. Beneficiary shall be subrogated to the liens of all encumbrances, whether released of record or not, that are discharged in whole or in part by Beneficiary in accordance with this Security Instrument or with the proceeds of any loan secured by this Security Instrument.

5.14 Site Visits, Observation and Testing. Subject to any notice or other requirements set forth in the Loan Documents, Beneficiary and its agents and representatives

shall have the right at any reasonable time and upon reasonable advance notice to enter and visit the Property for the purpose of performing appraisals, observing the Property, taking and removing soil or groundwater samples, and conducting tests on any part of the Property, including Phase I environmental assessments. Beneficiary has no duty, however, to visit or observe the Property or to conduct tests, and no site visit, observation or testing by Beneficiary, its agents or representatives shall impose any liability on any of Beneficiary, its agents or representatives. In no event shall any site visit, observation or testing by Beneficiary, its agents or representatives be a representation that Hazardous Material is or is not present in, on or under the Property, or that there has been or shall be compliance with any Laws pertaining to Hazardous Material or any other applicable Laws. Neither Trustor nor any other party is entitled to rely on any site visit, observation or testing by any of Beneficiary, its agents or representatives. Neither Beneficiary, nor its agents or representatives owe any duty of care to protect Trustor or any other party against, or to inform Trustor or any other party of, any Hazardous Material or any other adverse condition affecting the Property. Prior to an Event of Default, Beneficiary shall give Trustor reasonable notice before entering the Property, and Beneficiary shall make reasonable efforts to avoid interfering with Trustor's use of the Property in exercising any rights provided in this Section. Trustor shall bear all actually incurred, reasonable expenses of any site visit, observation or testing.

5.15 Books and Records. Trustor agrees to maintain or cause to be maintained and made available to Beneficiary the most up-to-date records and books of account, as such records or books relate to the Property (which records, books, or other statements may actually be prepared by Trustor's parent company if Trustor's records, books, and other statements are consolidated with that of its parent company and shall include financial information relevant to Trustor and the Property); provided, however, Beneficiary's right to receive and review Trustor's records, books, or other statements and any other records and will be subject to the confidentiality protections provided for in the Loan documents and, upon request, Beneficiary's execution of a confidentiality agreement reasonably acceptable to Beneficiary, Trustor, and Trustor's parent company. In addition, Beneficiary agrees and acknowledges that any financial information and statements that would cause Trustor or Trustor's parent company to fail to comply with any applicable federal or state law or regulation shall not be provided and shall not constitute a reasonable request from Beneficiary. Any such records, books, or other statements provided to Beneficiary shall be prepared in accordance with generally accepted accounting principles.

6.6.1.2 pursuant to a detailed written plan for the Remedial Work approved by any applicable public or private agencies or persons with a legal or contractual right to such approval;

6.6.1.3 with such insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities; and

6.6.1.4 only following receipt of any required permits, licenses or approvals.

6.6.2 The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work, and the written plan for the Remedial Work (and any changes thereto) shall each be subject to Beneficiary's prior written approval, which shall not be unreasonably withheld, conditioned, or delayed. In addition, Trustor shall submit to Beneficiary, promptly upon receipt or preparation, duplicate copies of any and all reports, studies, analyses, correspondence, governmental comments or approvals, contracts and similar information prepared or received by Trustor in connection with any Remedial Work or Hazardous Material relating to the Site.

6.7 Remedies on Default. A default by Trustor under any of the covenants, representations, or warranties set forth in this Section 6 shall, upon the expiration of any applicable notice and cure periods, if any, constitute an Event of Default entitling Beneficiary to exercise all of the rights and remedies available to Beneficiary; *provided, however,* that such Event of Default shall not form the basis for any claim for damages or indemnification hereunder by Beneficiary against Trustor except to the extent of sums actually advanced by Beneficiary pursuant to the terms of this Security Instrument as a consequence of such default prior to the date on which this Security Instrument is fully and finally foreclosed (judicially or non-judicially) or a conveyance in lieu thereof has become effective and has been recorded in the county where the Premises are located.

6.8 Indemnification. Trustor shall hold harmless, indemnify, and defend Beneficiary (with counsel selected by Beneficiary in its sole discretion) from and against any and all claims, demands, damages (direct or indirect), losses, liens, liabilities, penalties, fines, lawsuits, and other proceedings and costs and expenses (including Legal Expenses) that result in actual cost and expense to Beneficiary to maintain and protect Beneficiary's security hereunder prior to the date on which this Security Instrument is fully and finally foreclosed (judicially or non-judicially) or a conveyance in lieu thereof has become effective and has been recorded in the county where the Premises are located, and arise directly or indirectly from or out of, or in any way are connected with:

6.8.1 the inaccuracy of the representations contained herein;

6.8.2 the discovery and/or clean-up of Hazardous Material existing on or in the Site at the time when Trustor first acquired ownership, or any clean-up, remediation, monitoring or other actions required as a result thereof;

6.8.3 any activities on the Site during Trustor's ownership, possession, or control of the Site that directly or indirectly result in the existence of Hazardous Material on or in the Site or any Nearby Site in violation of any applicable Environmental Laws, or any clean-up, remediation, monitoring or other actions required as a result thereof; and

6.8.4 any alleged or actual failure of any Improvements now or hereafter constructed on the Site to continuously comply with all Building Laws for any reason whatsoever, or any modification or correction of any of the Improvements so as to comply fully with Building Laws.

6.9 Scope. The foregoing indemnification does not apply to any deposit or release of Hazardous Material on the Site caused solely by Beneficiary, its agents, representatives, or employees (if acting in their capacities as agents, representatives or employees of Beneficiary), or by any receiver for the Site or Property appointed at the request of Beneficiary. Trustor acknowledges that, as between Trustor and Beneficiary, Trustor will be solely responsible for all costs and expenses relating to the clean-up of Hazardous Material from the Site or from any Nearby Site or to the modification and correction of any of the Improvements to comply fully with all Building Laws.

6.10 Exceptions to Hazardous Materials and Indemnitors Obligations. Notwithstanding any term or provision contained in this Security Instrument or in the Loan Documents, Trustor's obligations with respect to Hazardous Materials under this Security Instrument shall not include any materials used by Trustor (or any tenant under a lease of the Project) in the ordinary course of business(es) and in compliance with all, or as exempted or permitted under any, Environmental Laws, and under circumstances where no liability under any Environmental Law could reasonably be anticipated by Trustor.

7. ACCELERATING TRANSFERS, DEFAULT AND REMEDIES.

7.1 Accelerating Transfers.

7.1.1 "Accelerating Transfer" means any Transfer not expressly permitted under the Loan Agreement, which shall not include any Permitted Transfers (as defined and set forth in the Loan Agreement).

7.1.2 Trustor acknowledges that Beneficiary is making one or more advances under the Loan Agreement in reliance on the expertise, skill and experience of Trustor. In consideration of Beneficiary's reliance, Trustor agrees that Trustor shall not make any Accelerating Transfer without Beneficiary's prior express written consent to the particular transaction and the transferee. Beneficiary may withhold such consent in its sole discretion. If any Accelerating Transfer occurs without having first received Beneficiary's requisite written consent, Beneficiary, in its sole discretion, may declare all of the Secured Obligations to be immediately due and payable, and Beneficiary may invoke any rights and remedies provided by this Security Instrument and any of the other Loan Documents.

7.2 Events of Default. Trustor will be in default under this Security Instrument upon the occurrence of any one or more of the following events (each an "**Event of Default**" and some or all, collectively, "**Events of Default**").

7.2.1 Failure of Trustor to (a) make any payment required under this Security Instrument within ten (10) days after demand, if due on demand, or when otherwise due, or (b) perform or observe any agreement, covenant, or condition required under this Security Instrument within thirty (30) days after written notice from Beneficiary to Trustor to do so;

7.2.2 An "Event of Default" occurs under the Loan Agreement or any other Loan Document.

7.2.3 Any default by Trustor under any Permitted Exception that is not cured within any applicable notice and cure periods, if any, therefor.

7.2.4 Any breach or default by Trustor under the Leases or under any material Contract that has continued beyond any applicable notice and cure periods, if any, therefor.

7.3 Cure of Non-monetary Default. In the event that Beneficiary gives notice of a non-monetary Event of Default by Trustor referred to in Section 7.2.1 hereof, and such Event of Default is of such a nature that it cannot be cured within the thirty (30) day period as provided for in Section 7.2, then such Event of Default shall not be deemed to continue so long as Trustor, after receiving such notice, proceeds to cure such Event of Default as soon as reasonably possible and continues to take all steps necessary to substantially complete the same within a period of time which, under all prevailing circumstances, shall be reasonable; provided, however, in no event shall such cure period exceed a period of one hundred twenty (120) days from when notice is given without Beneficiary's advance written consent (which one hundred twenty (120) day period shall, for the avoidance of doubt, include the thirty (30) day period provided in Section 7.2 hereof).

7.4 Remedies. At any time after an Event of Default that has continued beyond any and all applicable notice and cure periods, Beneficiary shall be entitled to invoke any and all of the rights and remedies described below, in addition to all other rights and remedies available to Beneficiary under the Loan Documents, at law, or in equity. All of such rights and remedies shall be cumulative, and the exercise of any one or more of them shall not constitute an election of remedies.

7.4.1 Acceleration. Beneficiary may declare any or all of the Secured Obligations to be due and payable immediately.

7.4.2 Additional Advances. Beneficiary may terminate any commitment to make any additional advances under the Loan or any other loan secured by this Security Instrument.

7.4.3 Receiver. Beneficiary shall, as a matter of right, without notice and without giving bond to Trustor or anyone claiming by, under, or through Trustor, and without regard to the solvency or insolvency of Trustor or the then-value of the Property or any other collateral for the Secured Obligations, be entitled to have a general or custodial receiver appointed for all or any part of the Property, and the proceeds, issues and profits thereof. Such receiver shall have all powers and duties prescribed by applicable Laws, all other powers that are necessary or usual in such cases for the protection, possession, control, management and operation of the Property, the right and power to sell the Property, such rights and powers as Beneficiary would have, upon entering and taking possession of the Property, and such other rights and powers as the court making such appointment shall confer. Trustor hereby irrevocably consents and agrees to the appointment of such receiver with such rights and powers and shall not oppose any such appointment.

7.4.4 Entry; Protection of Security.

7.4.4.1 At any time after an Event of Default, Beneficiary, in person, by agent or by court-appointed receiver, with or without bringing any action or proceeding, may do the following: (a) enter, take possession of, manage, and operate all or any part of the Property, including taking possession of the then-owner's Books and Records; (b) terminate Trustor's right and license to collect the Rents and administer the Leases, and thereafter collect the Rents, enter into, enforce, modify, or cancel Leases on such terms and conditions as Beneficiary may consider appropriate, evict Tenants, fix and modify Rents, and employ managers and other personnel to administer the Leases; (c) exercise all of Trustor's rights with respect to the Contracts, and employ managers and other personnel to administer the Contracts; (d) complete construction on and make repairs, replacement and alterations to the Premises and Improvements and to the fixtures, equipment and personal property located in or on the Premises or Improvements; (e) purchase and pay for such additional furniture and equipment as in the reasonable discretion of Beneficiary may be necessary to maintain a proper rental income from the Property; (f) otherwise care for and incur expenses to protect any and all of the Property; (g) take any action permitted under Section 5.9 hereof; (h) take any other action Beneficiary may, in its commercially reasonable discretion, consider necessary and appropriate to protect the security of this Security Instrument; and (i) employ counsel, accountants, contractors and other appropriate persons to assist Beneficiary in any of the foregoing.

7.4.4.2 At any time after an Event of Default, if Beneficiary so requests, Trustor shall assemble all of the Property not then located at the Premises and make all of it available to Beneficiary at the site of the Premises.

7.4.5 Lawsuits; Foreclosure.

7.4.5.1 To the maximum extent permitted by applicable Laws, Beneficiary may commence and maintain an action or actions, at law or in equity, in any court of competent jurisdiction, to enforce the payment and/or performance of the Secured Obligations (including to obtain specific enforcement of the covenants of Trustor hereunder, and Trustor agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy).

7.4.5.2 Beneficiary shall have the right to judicially or non-judicially foreclose the lien hereof upon the Property or any part thereof (any such proceeding, a "**Foreclosure Sale**"), for the Secured Obligations, or any part thereof, by any proceedings appropriate under applicable Laws.

7.4.5.3 In addition to the right to appoint a receiver upon an Event of Default, Trustee or Beneficiary may also, at any time after the filing of a complaint to foreclose this Security Instrument, request appointment of a receiver of the Property by the court in which such complaint is filed.

7.4.5.4 If this Security Instrument is foreclosed by judicial action, and the Property sold at a Foreclosure Sale, the purchaser may, during any redemption period allowed, make such repairs or alterations on the Premises and to the Improvements as may be reasonably necessary for the proper operation, care, preservation, protection, and insuring

thereof. Any sums so paid together with interest thereon at the Default Rate, shall be added to and become a part of the amount required to be paid for redemption from such sale.

7.4.5.5 To the maximum extent permitted by applicable Laws, Beneficiary will be entitled to a judgment providing that, if the Foreclosure Sale proceeds are insufficient to satisfy the judgment, execution may issue for the deficiency.

7.4.6 Power of Sale.

7.4.6.1 At any time after an Event of Default, Beneficiary shall have the right to invoke the power of sale to cause Trustee to sell all or part of the Property in accordance with applicable Laws and this Security Instrument. Under this power of sale, Beneficiary shall have the discretionary right to cause Trustee to sell some or all of the Property, including any Property that constitutes personal property, in any combination and in any manner permitted by applicable Laws. Any such Foreclosure Sale pursuant to the power of sale is referred to herein as a "*Trustee's Sale*."

7.4.6.2 Before any Trustee's Sale, Beneficiary or Trustee shall give and record such notice of default and election to sell as may then be required by applicable Laws. When all legally mandated time periods have elapsed, Trustee shall sell the property being sold at a public auction to be held at the time and place specified in the notice of sale, and Beneficiary may impose such terms and conditions of sale as are permitted or allowed by applicable Laws.

7.4.6.3 From time to time in accordance with then applicable Laws, Trustee may, and in any event at Beneficiary's request shall, continue any Trustee's Sale by public announcement at the time and place scheduled for that sale, or may, in its discretion, give a new notice of sale.

7.4.6.4 Also, Beneficiary may from time to time discontinue or rescind any notice of default or notice of sale before any Trustee's Sale, by executing and delivering to Trustee a written notice of such discontinuance or rescission. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any Event of Default then existing or subsequently occurring, or impair the right of Beneficiary to execute and deliver to Trustee other declarations or notices of default to satisfy the Secured Obligations, nor otherwise affect any provision, covenant, or condition of any Loan Document, or any of the rights, obligations, or remedies of Trustee or Beneficiary hereunder or thereunder.

7.4.7 Other Remedies. In addition to, but not in lieu of, any other rights and remedies hereunder, Beneficiary shall have the right to institute suit and obtain a protective or mandatory injunction against Trustor to prevent an Event of Default, as well as the right to damages occasioned by any Event of Default. Beneficiary may exercise all rights and remedies contained in this Security Instrument (including all rights and remedies with respect to the assignments of Leases and Contracts provided for herein) or any other instrument, document, agreement or other writing heretofore, concurrently or in the future executed by Trustor or any other person or entity in favor of Beneficiary in connection with the Secured Obligations or any part thereof, without prejudice to the right of Beneficiary thereafter to enforce any appropriate remedy against Trustor. Beneficiary shall have the right to pursue all remedies afforded to a Beneficiary under applicable Laws, and shall have the benefit of all of the provisions of such

applicable Laws, including all amendments thereto that may become effective from time to time after the date hereof.

7.4.8 Sale of Personal Property. Beneficiary and/or (as required by applicable Laws) Trustee, shall have the discretionary right to cause some or all of the Property that constitutes personal property to be sold or otherwise disposed of in any combination and in any other manner permitted by applicable Laws.

7.4.8.1 For purposes of this power of sale, Beneficiary and/or (as required by applicable Laws) Trustee may elect to treat as personal property any Property that is intangible or that can be severed from the Premises or Improvements without causing structural damage. If it chooses to do so, Beneficiary and/or (as required by applicable Laws) Trustee, may dispose of any personal property in any manner permitted by Article 9 of the Project State UCC, including any public or private sale, or in any manner permitted by any other applicable Laws.

7.4.8.2 In connection with any sale or other disposition of any Property that constitutes personal property, Trustor agrees that the following procedures constitute a commercially reasonable sale: Beneficiary shall mail written notice of the sale to Trustor not later than thirty (30) days prior to such sale. Beneficiary will publish notice of the sale in a local daily newspaper of general circulation. Upon receipt of any written request, Beneficiary will make the Property available to any bona fide prospective purchaser for inspection during reasonable business hours. Notwithstanding the foregoing, Beneficiary shall be under no obligation to consummate a sale if, in its judgment, none of the offers received by it equals the fair value of the Property offered for sale. The foregoing procedures do not constitute the only procedures that may be commercially reasonable.

7.4.9 Foreclosure Sale.

7.4.9.1 No Foreclosure Sale shall terminate or affect the liens of this Security Instrument on any part of the Property that has not been sold, until all of the Secured Obligations have been paid in full.

7.5 Purchase at Foreclosure Sale.

7.5.1 At any Foreclosure Sale, any person, including Trustor or Beneficiary, may bid for and acquire the Property or any part of it to the extent permitted by then applicable Laws.

7.5.2 To the fullest extent not prohibited by applicable Laws, the sales price of any Property sold at a Foreclosure Sale shall include all costs and expenses that may be paid or incurred by or on behalf of Trustee and Beneficiary in connection with such Foreclosure Sale and enforcement of this Security Instrument and the other Loan Documents, including attorneys' fees and other Legal Expenses, survey charges, appraiser's fees, inspecting engineer's or architect's fees, fees for environmental studies and assessments, and all additional expenses incurred by Trustee and Beneficiary with respect to environmental matters, outlays for documentary and expert evidence, stenographers' charges, publication and recording costs, and costs of procuring all abstracts of title, title searches and examinations, title insurance policies, and similar data and assurances with respect to title. To the fullest extent not prohibited by applicable Laws, the

foregoing costs and expenses may be estimated as to items to be expended after entry of any sale decree or judgment or recording or publication of any notice of sale.

7.5.3 Instead of paying cash for such Property, Beneficiary may credit the sales price of the Property against the Secured Obligations in such order as Beneficiary in its sole discretion may choose.

7.5.4 At any Trustee's Sale, Trustee shall sell to the highest bidder at public auction for cash in lawful money of the United States, unless other terms and conditions of sale are prescribed by Beneficiary in accordance with and as permitted by applicable Laws. Trustee shall execute and deliver to the purchaser(s) at such sale a deed or deeds conveying the property being sold without any covenant or warranty whatsoever, express or implied. The recitals in any such deed of any matters or facts, including any facts bearing upon the regularity or validity of any Trustee's Sale, shall be conclusive proof of their truthfulness.

7.5.5 Trustor hereby covenants to warrant and defend the title of any purchaser at a Foreclosure Sale.

7.6 Fair Value. To the extent the applicable Laws require that the "fair market value" or "fair value" of the Property be determined as of the foreclosure date in order to enforce a deficiency against Trustor or any other party liable for repayment of the Secured Obligations, the term "fair market value" or "fair value" shall include those matters required by applicable Laws and the additional factors set forth below, and Trustor shall pay the costs of any appraisals and other expenses incurred in connection with any such determination of fair market value or fair value.

7.6.1 The Property shall be valued "as is" and "with all faults" and there shall be no assumption of restoration or refurbishment of Improvements, if any, after the date of the Foreclosure Sale.

7.7 Tenants. Beneficiary shall have the right, at its option, to foreclose this Security Instrument subject to the rights of any Tenant of the Property.

7.8 Application of Foreclosure Sale Proceeds. Beneficiary may apply the proceeds of any Foreclosure Sale in any manner and in any order permitted by applicable Laws.

8. THE TRUSTEE.

8.1 Certain Rights. With the approval of Beneficiary, Trustee shall have the right to take any and all of the following actions: (a) to select, employ and consult with counsel (who may be, but need not be, counsel for Beneficiary) upon any matters arising hereunder, including the preparation, execution and interpretation of the Loan Documents, and shall be fully protected in relying as to legal matters on the advice of counsel; (b) to execute any of the trusts and powers hereof and to perform any duty hereunder either directly or through Trustee's agents or attorneys; (c) to select and employ, in and about the execution of Trustee's duties hereunder, suitable accountants, engineers and other experts, agents and attorneys-in-fact, either corporate or individual, not regularly in the employ of Trustee (and Trustee shall not be answerable for any act, default, negligence, or misconduct of any such accountant, engineer or other expert, agent or attorney-in-fact, if selected with reasonable care, or for any error of judgment or act done by Trustee in good faith, and Trustee shall not be otherwise responsible or accountable under any

circumstances whatsoever, except for Trustee's gross negligence, wrongful acts, willful misconduct, or bad faith); and (d) any and all other lawful action that Beneficiary may instruct Trustee to take to protect or enforce Beneficiary's rights in and to the Property hereunder. Trustee shall not be personally liable in case of entry by Trustee, or anyone entering by virtue of the powers herein granted to Trustee, upon the Property for debts contracted for or liability or damages incurred in the management or operation of the Property. Trustee shall have the right to rely on any instrument, document, or signature authorizing or supporting any action taken or proposed to be taken by Trustee hereunder believed by Trustee in good faith to be genuine. Trustee shall be entitled to reimbursement for reasonable expenses actually incurred by Trustee in the performance of Trustee's duties hereunder and to reasonable compensation for rendering Trustee's services hereunder. Trustor will, from time to time, pay the compensation due to Trustee hereunder and reimburse Trustee for, and save and hold Trustee harmless against, any and all actually incurred liabilities and reasonable expenses that may be incurred by Trustee in the performance of Trustee's duties.

8.2 Retention of Money. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, and shall be segregated from any other moneys of Trustee.

8.3 Successor Trustees. Trustee may resign by giving notice of resignation in writing to Beneficiary. If Trustee dies, resigns or becomes disqualified from acting in the execution of this trust, or if, for any reason, Beneficiary, in Beneficiary's sole discretion and with or without cause, prefers to appoint a substitute trustee or multiple substitute trustees, or successive substitute trustees or successive multiple substitute trustees, to act instead of the original Trustee, Beneficiary shall have full power to appoint a substitute trustee (or, if preferred, multiple substitute trustees in succession) who shall succeed (and if multiple substitute trustees are appointed, each of such multiple substitute trustees shall succeed) to all the estates, rights, powers and duties of the aforementioned Trustee. Such appointment may be executed by any authorized agent of Beneficiary. Trustor hereby ratifies and confirms any and all acts that Trustee, or Trustee's successor or successors in this trust, shall do lawfully by virtue hereof.

8.4 Perfection of Appointment. Should any deed, conveyance, or instrument of any nature be required from Trustor by any Trustee or substitute Trustee to more fully and certainly vest in and confirm to Trustee or any substitute trustee such estates, rights, powers, and duties, then, upon request by Trustee or substitute trustee, any and all such deeds, conveyances and instruments shall be made, executed, acknowledged, and delivered and shall be caused to be recorded and/or filed by Trustor.

8.5 Succession Instruments. Any substitute trustee appointed in accordance with applicable Laws, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers, and trusts of the substitute trustee's predecessor in the rights hereunder with like effect as if originally named as Trustee herein; but nevertheless, upon the written request of Beneficiary or of the substitute trustee, the Trustee ceasing to act shall execute and deliver any instrument transferring to such substitute trustee, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of the Trustee so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such Trustee to the substitute trustee so appointed in such Trustee's place.

9. MISCELLANEOUS PROVISIONS.

9.1 Additional Provisions. The Loan Documents fully state all of the terms and conditions of the parties' agreement regarding the matters mentioned in or incidental to this Security Instrument. The Loan Documents also grant further rights to Beneficiary and contain further agreements and affirmative and negative covenants by Trustor that apply to this Security Instrument and to the Property.

9.2 No Waiver or Cure.

9.2.1 Each waiver by Beneficiary must be in writing, and no waiver shall be construed as a continuing waiver. No waiver shall be implied from any delay or failure by Beneficiary to take action on account of any default of Trustor. Consent by Beneficiary to any act or omission by Trustor shall not be construed as a consent to any other or subsequent act or omission or to waive the requirement for Beneficiary's consent to be obtained in any future or other instance.

9.2.2 If any of the events described below occurs, that event alone shall not: cure or waive any breach, Event of Default or notice of default under this Security Instrument or invalidate any act performed pursuant to any such default or notice; or nullify the effect of any notice of default or sale (unless all Secured Obligations then due have been paid and performed and all other defaults under the Loan Documents have been cured); or impair the security of this Security Instrument; or prejudice Beneficiary or any receiver in the exercise of any right or remedy afforded any of them under this Security Instrument; or be construed as an affirmation by Beneficiary of any tenancy, lease or option, or a subordination of the lien of this Security Instrument.

9.2.2.1 Trustee or Beneficiary, its agent or a receiver takes possession of all or any part of the Property in the manner provided herein.

9.2.2.2 Automatic termination of the License to collect Rents and administer the Leases.

9.2.2.3 Beneficiary exercises any of its rights under the assignment of Leases and Rents or collects and applies Rents as permitted hereunder, either with or without taking possession of all or any part of the Property or assuming any of the Leases.

9.2.2.4 Beneficiary exercises any of its rights under the assignment of Contracts provided for herein or collects and applies any amounts due under the Contracts, either with or without taking possession of all or any part of the Property or assuming any of the Contracts.

9.2.2.5 Beneficiary takes any action to preserve its security hereunder or cure any default of Trustor under the Leases or Contracts.

9.2.2.6 Beneficiary or Trustee receives and applies to any Secured Obligation any proceeds of any Property, including any proceeds of insurance policies, condemnation awards, or other claims, property or rights assigned to Beneficiary under this Security Instrument.

9.2.2.7 Beneficiary makes a site visit, observes the Property and/or conducts tests as permitted under the Loan Documents.

9.2.2.8 Beneficiary or Trustee receives any sums under this Security Instrument or any proceeds of any collateral held for any of the Secured Obligations, and applies them to one or more Secured Obligations.

9.2.2.9 Beneficiary, Trustee or any receiver invokes any right or remedy provided under this Security Instrument.

9.3 Powers of Beneficiary.

9.3.1 If Beneficiary performs any act that it is empowered or authorized to perform under this Security Instrument, that act alone shall not release or change the personal liability of any person for the payment and performance of the Secured Obligations then outstanding, or the lien of this Security Instrument on all or the remainder of the Property for full payment and performance of all outstanding Secured Obligations. The liability of the original Trustor shall not be released or changed if Beneficiary grants any successor in interest to Trustor any extension of time for payment, or modification of the terms of payment, of any Secured Obligation. Beneficiary shall not be required to comply with any demand by the original Trustor that Beneficiary refuse to grant such an extension or modification to, or commence proceedings against, any such successor in interest.

9.3.2 Beneficiary may take any of the actions permitted under this Security Instrument regardless of the adequacy of the security for the Secured Obligations, or whether any or all of the Secured Obligations have been declared to be immediately due and payable, or whether notice of default and election to sell has been given under this Security Instrument.

9.3.3 From time to time, Beneficiary may apply to any court of competent jurisdiction for aid and direction in executing and enforcing the rights and remedies created under this Security Instrument. Beneficiary may from time to time obtain orders or decrees directing, confirming or approving acts in executing and enforcing these rights and remedies.

9.4 Assignment. All rights of Beneficiary hereunder shall inure to the benefit of its successors and assigns, and all obligations of Trustor shall bind its successors and assigns and any subsequent owner of the Property. All rights of Beneficiary in, to and under this Security Instrument shall pass to and may be exercised by any assignee of such rights of Beneficiary. Trustor hereby agrees that if Beneficiary gives notice to Trustor of an assignment of said rights, upon such notice, the liability of Trustor to the assignee of Beneficiary shall be immediate and absolute.

9.5 No Offset. Trustor's obligation to timely pay and perform all obligations under the Note, this Security Instrument, and the other Loan Documents shall not be affected by any event or circumstance that qualifies or arises as a setoff, abatement, recoupment, deduction, or any other offset right that Trustor or any guarantor may have or claim against Beneficiary or any other person or entity. However, the foregoing shall not constitute a waiver of any claim, counterclaim, defense, demand, or any other right which Trustor or any guarantor may have in damages or otherwise against Beneficiary or any other person or entity if Trustor maintains a separate action thereon.

9.6 Merger. No merger shall occur as a result of Beneficiary's acquiring any other estate in or any other lien on the Property unless Beneficiary consents to a merger in writing.

9.7 Joint and Several Liability. If Trustor consists of more than one person, each shall be jointly and severally liable for the faithful performance of all of Trustor's obligations under this Security Instrument.

9.8 Successors in Interest. The terms, covenants and conditions of this Security Instrument shall be binding upon and inure to the benefit of the heirs, successors and assigns of the parties. However, this Section does not waive any prohibitions on assignment or transfer of the Property provided herein or in any of the other Loan Documents.

9.9 Interpretation.

9.9.1 Whenever the context requires, all words used in the singular will be construed to have been used in the plural, and vice versa, and each gender will include any other gender. The captions of the sections of this Security Instrument are for convenience only and do not define or limit any terms or provisions.

9.9.2 The word "include(s)" means "include(s), without limitation," and the word "including" means "including, but not limited to."

9.9.3 The word "or" has the inclusive meaning represented by the phrase "and/or."

9.9.4 No listing of specific instances, items or matters in any way limits the scope or generality of any language of this Security Instrument. The Exhibits to this Security Instrument are hereby incorporated in this Security Instrument.

9.10 In-House Counsel Fees. Whenever Trustor is obligated to pay or reimburse Beneficiary for any attorneys' fees, those fees shall include the allocated costs for services of in-house counsel.

9.11 Waiver of Statutory Rights. To the fullest extent not prohibited by Law:

9.11.1 Trustor hereby agrees that it will not apply for or avail itself of any appraisal, valuation, stay, extension or exemption Laws, or any so-called "Moratorium Laws," now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Security Instrument, but hereby waives the benefit of such Laws.

9.11.2 Trustor for itself and all who may claim through or under it waives any and all right to have the property and estates comprising the Property marshaled upon any foreclosure of the lien hereof and agrees that any court having jurisdiction to foreclose such lien may order the Property sold as an entirety.

9.12 Severability. If any provision of this Security Instrument is held unenforceable or void, that provision shall be deemed severable from the remaining provisions and shall in no way affect the validity of this Security Instrument except that if such provision relates to the payment of any monetary sum or has a material adverse effect on Beneficiary's security for the

Secured Obligations, then Beneficiary may, at its option, declare all Secured Obligations immediately due and payable.

9.13 Notices. Any notice, demand, request or other communication that any party hereto may be required or may desire to give hereunder shall be in writing and shall be deemed to have been properly given when made as provided in the Loan Agreement.

9.14 WAIVER OF TRIAL BY JURY. TRUSTOR AND BENEFICIARY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT THAT THEY MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION ARISING IN ANY WAY IN CONNECTION WITH THIS SECURITY INSTRUMENT, THE NOTE, OR ANY OF THE OTHER LOAN DOCUMENTS, THE LOAN OR ANY OTHER STATEMENTS OR ACTIONS OF TRUSTOR OR BENEFICIARY. TRUSTOR AND BENEFICIARY ACKNOWLEDGE THAT THEY HAVE BEEN REPRESENTED IN THE SIGNING AND ACCEPTANCE OF THIS SECURITY INSTRUMENT AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL SELECTED OF THEIR OWN FREE WILL, AND THAT THEY HAVE EACH DISCUSSED THIS WAIVER WITH SUCH INDEPENDENT LEGAL COUNSEL. TRUSTOR AND BENEFICIARY FURTHER ACKNOWLEDGE THAT (i) THEY HAVE READ AND UNDERSTAND THE MEANING AND RAMIFICATIONS OF THIS WAIVER, (ii) THIS WAIVER IS A MATERIAL INDUCEMENT FOR BENEFICIARY TO MAKE THE LOAN, ENTER INTO THIS SECURITY INSTRUMENT AND EACH OF THE OTHER LOAN DOCUMENTS, AND (iii) THIS WAIVER SHALL BE EFFECTIVE AS TO EACH OF SUCH OTHER LOAN DOCUMENTS AS IF FULLY INCORPORATED THEREIN.

9.15 Inconsistencies. In the event of any inconsistency between this Security Instrument and the Loan Agreement, the terms hereof shall be controlling to the extent necessary to create, preserve, and/or maintain a valid security interest upon the Property; otherwise the provisions of the Loan Agreement shall be controlling.

9.16 Applicable Law. The creation, perfection, and enforcement of the lien of this Security Instrument shall be governed by the Laws of the state in which the Premises are located. In all other respects, this Security Instrument shall be governed by the substantive Laws of the jurisdiction governing the Loan Agreement.

9.17 State-Specific Provisions. The following state-specific terms and conditions shall control over any inconsistent provisions of this Security Instrument:

9.17.1 Default Interest, Late Charges, Etc. For purposes of Utah Code Annotated § 57-1-28, Trustor agrees that all default interest, late charges, any prepayment premiums, swap breakage fees and similar amounts, if any, owing from time to time under the Note, Loan Agreement or other Loan Documents shall constitute a part of and be entitled to the benefits of Beneficiary's Security Instrument lien upon the Property, and (ii) Trustor may add all default interest, late charges, prepayment premiums, swap breakage fees and similar amounts owing from time to time to the principal balance of the Note in its sole discretion, and in either case Beneficiary may include all such amounts in any credit which lender may make against its bid at a foreclosure sale of the Property pursuant to this Security Instrument.

9.17.2 Assignment of Rents. Article 2 hereof is subject to the Utah Uniform Assignment of Rents Act, Utah Code Annotated, Section 57-26-101 et seq. (the "*Act*"), and in the event of any conflict or inconsistency between the provisions of Article 2 and the provisions of

the Act, the provisions of the Act shall control and Beneficiary shall have all rights and remedies available under the Act which rights and remedies shall be cumulative with all rights and remedies hereunder.

9.17.3 Utah Construction Registry

9.17.3.1 Trustor shall timely comply with all requirements of Title 38 Chapter 1a of *Utah Code Annotated* with regard to filings and notices. Trustor shall cause Beneficiary to be named as a person interested in receiving electronic notices of all filings with respect to the Property in the State Construction Registry in accordance with *Utah Code Annotated* § 38-1a-201. Trustor shall also provide to Beneficiary, upon request, copies of all preliminary notices or other notices filed by any contractor, subcontractor or supplier with respect to the Property that are included in the State Construction Registry and/or received by Trustor.

9.17.3.2 Trustor represents and warrants to Beneficiary that it has inspected the records of the State Construction Registry and that based solely on such inspection and information prepared and disclosed by Trustee to Trustor and Beneficiary, Trustor is not aware of any current filings of a preliminary notice or notice of retention filed by any lien claimant (whether a pre-construction lien or a construction lien) except as disclosed to Beneficiary by Trustor or Trustee in writing. Trustor further represents and warrants that no mechanic's lien claim, notice of lien, *lis pendens* or similar filing has been filed in the State Construction Registry in any form prior to the date hereof with respect to the Property or recorded against the Property.

9.17.3.3 If Beneficiary or its title insurer determines that a preliminary notice has been filed in the State Construction Registry prior to the time of the recording of this Security Instrument, Trustor shall provide to Beneficiary written evidence acceptable to Beneficiary and its title insurer that the lien claimant has accepted payment in full for construction services that the claimant furnished pursuant to *Utah Code Annotated* § 38-1a-503(2)(b) such that the priority for any pre-construction services lien or a construction services lien dates immediately after the recording of this Security Instrument.

9.17.3.4 Trustor shall cooperate with Beneficiary and any title insurer to facilitate the filing of a Notice of Construction Loan, as contemplated by *Utah Code Annotated* § 38-1a-601 in the State Construction Registry with respect to the financing secured hereby. The notice of construction loan will include the following information: Beneficiary's name, address and telephone number, Trustor's full legal name, the tax parcel identification number for each parcel included in the Property secured hereby, the address of the Property, and the county in which the Property is located.

9.17.3.5 Trustor shall cause, as a condition precedent to the closing of the loan secured hereby, Beneficiary's title insurer to insure in a manner acceptable to Beneficiary in its sole discretion, that this Security Instrument shall be a valid and existing first priority lien on the Property free and clear of any and all exceptions for mechanic's and materialman's liens and all other liens and exceptions except as set forth in the mortgagee's policy of title insurance accepted by Beneficiary, and such title insurance policy may not contain an exception for broken lien priority and may not include any pending disbursement endorsement, or any similar limitation or coverage or requiring future endorsements to increase mechanic lien coverage under Covered Risk 11(a) of the 2006 Form of ALTA

Mortgagee's Title Insurance Policy, except as set forth in the mortgagee's policy of title insurance accepted by Beneficiary.

9.17.3.6 Trustor shall pay and promptly discharge, at Trustor's cost and expense, all liens, encumbrances and charges upon the Property (other than the Permitted Exceptions), or any part thereof or interest therein whether inferior or superior to this Security Instrument and keep and maintain the same free from the claim of all persons supplying labor, services or materials that will be used in connection with or enter into the construction of any and all buildings now being erected or that hereafter may be erected on the Property regardless of by whom such services, labor or materials may have been contracted, provided, however, that Trustor shall have the right to contest any such claim or lien so long as Trustor previously records a notice of release of lien and substitution of alternate security as contemplated by *Utah Code Annotated* § 38-1a-804 and otherwise complies with the requirements of *Utah Code Annotated* § 38-1a-804 to release the Property from such lien or claim. Notwithstanding the foregoing, Trustor may (A) with the prior written consent of Beneficiary, contest the amount of any such lien or claim related to services, labor or materials in accordance with *Utah Code Annotated* § 38-1a-804(7) without previously recording a notice of release of lien and substitution of alternate security or (B) appropriately bond or reserve (in cash deposited with Beneficiary) for any such lien or claim, as determined in Beneficiary's reasonable discretion.

9.17.3.7 If Trustor shall fail to remove and discharge any such lien, encumbrance or charge, or if Trustor shall dispute the amount thereof in contravention of the requirements hereof, then, in addition to any other right or remedy of Beneficiary, Beneficiary may, but shall not be obligated to, discharge the same either by paying the amount claimed to be due or by procuring the release of the Property from the effect of such lien, encumbrance or charge by obtaining a bond in the name of and for the account Trustor of and recording a notice of release of lien and substitution of alternate security in the name of Trustor, each as contemplated by *Utah Code Annotated* § 38-1a-804 or other applicable law, or otherwise by giving security for such claim. Trustor shall, immediately upon demand therefor by Beneficiary, pay to Beneficiary an amount equal to all costs and expenses incurred by Beneficiary in connection with the exercise by Beneficiary of the foregoing right to discharge any such lien, encumbrance or charge, including costs of any bond or additional security, together with interest thereon from the date of such expenditure at the default rate set forth in the Note.

9.17.4 Personal Property. It is the express understanding and intent of the parties that as to any personal property interests subject to Article 9a of the Utah Uniform Commercial Code, Beneficiary, upon an Event of Default, may proceed under the Utah Uniform Commercial Code or may proceed as to both real and personal property interests in accordance with the provisions of this Security Instrument and its rights and remedies in respect of real property, and treat both real and personal property interests as one parcel or package of security as permitted by *Utah Code Annotated* § 70A-9a-601 or other applicable law, and further may sell any shares of corporate stock evidencing water rights in accordance with *Utah Code Annotated* § 57-1-30 or other applicable law.

9.17.5 Deficiency. Trustor agrees to pay any deficiency, arising from any cause, to which Beneficiary may be entitled after applications of the proceeds of any sale, and Beneficiary may commence suit to collect such deficiency in accordance with *Utah Code Annotated* § 57-1-32 or other applicable law. To the extent the Utah Deed of Trust Act, as now

existing or hereafter amended, or other statute requires that the “fair market value” or “fair value” of the Property be determined as of the foreclosure date in order to enforce a deficiency against Trustor or any other party liable for repayment of the Secured Obligations, the term “fair market value” or “fair value” shall include those matters required by law and the additional factors set forth below:

9.17.5.1 The Property shall be valued “as is” and “with all faults” and there shall be no assumption of restoration or refurbishment of Improvements, if any, after the date of the foreclosure.

9.17.5.2 An offset to the fair market value or fair value of the Property, as determined hereunder, shall be made by deducting from such value the reasonable estimated closing costs related to the sale of the Property, including, but not limited to, brokerage commissions, title policy expenses, tax pro-rations, escrow fees, and other common charges that are incurred by the seller of real property.

Trustor shall pay the costs of any appraisals and other expenses incurred in connection with any such determination of fair market value or fair value.

9.17.6 Reinstatement. If Trustor, Trustor’s successor in interest or any other person having a subordinate lien or encumbrance of record on the Property, reinstates this Security Instrument and the Loan within three (3) months of the recordation of a notice of default in accordance with *Utah Code Annotated* § 57-1-31(1), such party shall pay to Beneficiary the reasonable cancellation fee contemplated by *Utah Code Annotated* § 57-1-31(2), as delivered by Beneficiary, in accordance with its then current policies and procedures, whereupon Trustee shall record a notice of cancellation of the pending sale. Furthermore, in addition to any Trustor payment obligations under this Security Instruments, Trustor shall pay all costs, fees and expenses incurred by Trustee and Trustee’s agents and counsel for accountings and reinstatement quotes as may be required by *Utah Code Annotated* § 57-1-31.5 and all such costs, fees and expenses shall be secured by this Security Instrument.

9.17.7 Notice. Beneficiary hereby requests, pursuant to *Utah Code Annotated* § 57-1-26(3), a copy of any notice of default and that any notice of sale under any deed of trust or mortgage affecting the Property be mailed to it at the address set forth in preamble hereto.

9.17.8 Property Status. For purposes of Utah Code Annotated Section 57-1-25 and 78B-6-901.5, Trustor agrees that the stated purpose for which this Security Instrument was given is not to finance residential rental property.

9.17.9 Foreclosure; Lawsuits. Beneficiary shall have the right, in one or several concurrent or consecutive proceedings, to foreclose the lien hereof upon the Property or any part thereof, for the Secured Obligations, or any part thereof, by any proceedings appropriate under applicable law. Beneficiary or its nominee may bid and become the purchaser of all or any part of the Property at any foreclosure or other sale hereunder, and the amount of Beneficiary’s successful bid shall be credited against the Secured Obligations. Without limiting the foregoing, Beneficiary may proceed by a suit or suits in law or equity, whether for specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, or for any foreclosure under the judgment or decree of any court of competent jurisdiction. In addition to the right to appoint a receiver upon an Event of Default, Trustee or Beneficiary may also, at any time after the filing of a complaint to foreclose this Security

Instrument, request appointment of a receiver of the Property by the court in which such complaint is filed. Without limiting the foregoing:

9.17.9.1 Beneficiary and Trustee, if and as directed by Beneficiary, may commence an action to foreclose the lien of this Security Instrument as a mortgage in accordance with Beneficiary's rights under *Utah Code Annotated* § 57-1-23, or other applicable law, appoint a receiver as more particularly described in Subsection 7.4.3, or specifically enforce any of the covenants hereof.

9.17.9.2 Beneficiary and Trustee, if and as directed by Beneficiary, may commence an action to foreclose the lien of this Security Instrument as a mortgage in accordance with Beneficiary's rights under *Utah Code Annotated* § 57-1-23, or other applicable law, appoint a receiver as more particularly described in Subsection 6.3(b), or specifically enforce any of the covenants hereof. Beneficiary may exercise the power of sale herein contained and deliver to Trustee a written statement of default or breach and cause Trustee to execute and record a notice of default and election to cause Trustor's interest in the Property to be sold in accordance with *Utah Code Annotated* § 57-1-24 or other applicable law. After the lapse of such time as may then be required by *Utah Code Annotated* § 57-1-24 or other applicable law following the recordation of the notice of default, and notice of default and notice of sale having been given as then required by *Utah Code Annotated* §§ 57-1-25 and 57-1-26 or other applicable law, Trustee, without demand on Trustor, shall sell the Property on the date and at the time and place designated in the notice of sale, either as a whole or in separate parcels, and in such order as Beneficiary may determine (but subject to Trustor's statutory right under *Utah Code Annotated* § 57-1-27 to direct the order in which the property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause deemed expedient, postpone the sale from time to time until it shall be completed and, in every such case, notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale; *provided, however*, if the sale is postponed for longer than forty-five (45) days beyond the date designated in the notice of sale, notice of the time, date, and place of sale shall be given in the same manner as the original notice of sale as required by *Utah Code Annotated* § 57-1-27. Trustee shall execute and deliver to the purchaser a Trustee's Deed, in accordance with *Utah Code Annotated* § 57-1-28, conveying the Property so sold, but without any covenant of warranty, express or implied. The recitals in the Trustee's Deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale.

9.17.10 Amendments to Utah Code Annotated. In the event of any amendment to the provisions of *Utah Code Annotated* Title 57 or other provisions of *Utah Code Annotated* referenced in this Security Instrument, this Security Instrument shall be deemed amended to be consistent with such amendments.

9.17.11 Obligations of Environmental Indemnity. Notwithstanding anything to the contrary set forth herein or any of the Loan Documents, this Security Instrument shall not secure the obligations evidenced by or arising under any environmental indemnity made by Trustor with respect to the Premises.

9.17.12 ORAL AGREEMENTS. PURSUANT TO UTAH CODE ANNOTATED SECTION 25-5-4, TRUSTOR IS HEREBY NOTIFIED THAT THE WRITTEN

LOAN DOCUMENTS AND OTHER RELATED DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF ANY ALLEGED PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENT OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

9.18 Counterparts. This Security Instrument may be executed in any number of counterparts and by different signatories hereto in separate counterparts, each of which when so executed shall be deemed to be an original but all of which taken together shall constitute one and the same instrument with the same effect as if all signatories hereto had signed the same signature page. Any signature page of this Security Instrument may be detached from any counterpart of this Security Instrument without impairing the legal effect of any signatures thereon and may be attached to another counterpart of this Security Instrument identical in form hereto but having attached to it one or more additional signature pages.
