i. Duty to Maintain Integrity of Established Drainage Pattern. Within these easements and rights of way, no structure, planting, or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in, on or about the easements and rights of way, or which may obstruct or retard the flow of water through the drainage channels in the easements and rights of way. The easement and right of way area of each Lot and all improvements within said area shall be maintained continuously by the Owner, excepting those improvements for which a public authority or utility company is expressly responsible.

Such easements shall extend for whatever period the encroachment exists. Such encroachments shall not be considered to be encumbrances on the affected Lots or Homes. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original construction of any improvement constructed or to be constructed within the Project, by error in the Plat, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

6. Zoning. All land use and buildings shall be in compliance with all zoning and land use ordinances as well as all regulations of the municipalities and agencies governing the Subdivision land use and buildings.

- 2. Landscaping shall include, by way of illustration but not limitation, the planting of a lawn and/or other appropriate ground cover, planting beds and flower beds, appropriate bushes and shrubs, and the planting of trees in accordance with the Street Tree Planting Plan.

3. The Declarant will provide the City with a bond for landscaping for Lots on which it builds Homes whenever possible. In the event that such a bond is provided, it shall be refunded, upon the buyer's completion of the City's landscaping requirements, inspection, and approval to the Owner.

4. By accepting a deed or other document of conveyance to a Lot, the Owner hereby agrees, acknowledges, and consents that if the Declarant is required by the City to install front yard landscaping prior to receiving a final inspection on the Lot, the Owner further agrees that the landscaping installed by Declarant is in lieu of, abrogates and cancels any 2,000 sq. ft. of sod promised on any promotional materials, including by way of illustration but not limitation, the Purchase Price Addendum and the Ivory Homes Catalogue of Homes.

5. Each Owner is responsible for the initial planting of trees on his Lot.

6. Trees, lawns, shrubs, or other plantings placed on a Lot shall be properly nurtured, maintained, and replaced by the Owner and at his or her sole expense.

7. Any weeds or diseased or dead lawn, trees, ground cover, bushes, or shrubs shall be removed and replaced by the Owner and at his or her sole expense.

8. All replacement trees must also satisfy the requirements of the Street Tree Planting Plan.

9. The landscaping of a Lot may not adversely affect the value or use of any other property or detract from the original design scheme and appearance of the subdivision.

10. No concrete, cement or masonry products, pavers, brick, stone, cobblestone, tile, terrazzo, slabs, slate, rocks, pebbles, gravel, permeable pavements and so forth or other artificial or impermeable surfaces (collectively "controlled surfaces") may be installed or constructed as landscaping in the front, side or rear yards of a Lot without the express prior written consent of the Declarant.

11. Front, side, or rear yards constructed primarily or substantially of controlled surfaces are prohibited.

12. Each Owner is responsible to maintain, repair and replace that portion of the perimeter fence on his Lot adjacent to the roadway. The fencing shall be maintained in a state of good condition and repair.

a. In order to maintain uniformity of appearance and quality of construction the Owners shall use the same construction materials used by the Declarant.

b. No Owner shall do any work or make any alterations or changes to the perimeter fence which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Owners being first had and obtained.

c. If maintenance, repair or replacement affects two or more Owners, then it shall be considered a party fence. If it becomes necessary or desirable to repair or rebuild the whole or any part of such party fence, then the expense for the maintenance, repair or replacement shall be borne equally by the parties who shall at the time of the repair or rebuilding be using the party fence. Any repairing or rebuilding of the party fence shall be on the same location, and of the same size, and with the same quality of construction and materials, as the original fence. If there is a disagreement among the parties as to the necessity or extent of repairs to a party fence, the dispute must be submitted to five (5) immediately adjoining Owners for resolution, and the decision of said group of five (5) shall in all instances be consider binding, final and conclusive.

d. If it is determined that any responsible Owner has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of his share of the perimeter fencing, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then an aggrieved Owner may, but is not obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible Owner's sole cost and expense (the "Default Maintenance Cost"). The Default Maintenance Cost is the debt of such defaulting or responsible Owner at the time the expense is paid and shall be collectible as such. A lien may be filed against his interest in the Property to secure payment and shall not be considered a slander of title or wrongful lien.

13. Should any Owner fail to comply with the provisions of this paragraph, the Declarant shall have the right to seek an order from a court of proper jurisdiction requiring specific performance to comply with the provisions hereof or to recover damages, or both, and shall also have the authority but not the obligation to complete the landscaping or restore the property to its original condition without being guilty of a trespass, and require the Lot Owner to pay the cost of labor and materials.

14. The costs and expenses incurred, including a reasonable attorneys fee, whether or not a lawsuit is filed, shall be considered the personal obligation of the Lot Owner and shall constitute a lien on the interest of the Owner in such property, enforceable at law or equity, until payment is made.

11. Accessory Buildings. Accessory Buildings are considered conditional uses. There is

no right to construct or install an Accessory Building on a Lot. Written approval by the Declarant is required. Each application to construct or install an Accessory Building will be evaluated separately by the Declarant, subject to the following guidelines: (1) Any detached Accessory Building must conform in design and construction materials with the primary residential Home, and (2) The maximum height of an Accessory Building shall be 12 feet. Tin sheds are not allowed. If there is a dispute of any kind whatsoever, including whether a structure is an Accessory Building, the decision of the Declarant shall in all instances be final, conclusive, and binding

12. Approval. In the event that the Declarant fails to approve any application within thirty (30) days after submission of all information and materials reasonably requested, the application shall be considered “denied.”

13. No Waiver of Future Approvals. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

14. Variance. The Declarant may authorize variances from compliance with any of the architectural guidelines when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with its duly adopted rules and regulations, and prior written consent of the City Board of Adjustment. Such variances may only be granted , however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the Declarant from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of financing shall not be considered a hardship warranting a variance.

15. Limitation of Liability. Neither the Declarant nor any of its employees, agents, representatives, or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications. By accepting a deed or other document of conveyance to a Lot, each Owner agrees to and shall defend, indemnify, save and hold the Declarant and its employees, agents, representatives, or consultants harmless from any and all loss, damage, or liability he or she may suffer, including defense costs and attorney fees, as a result of any claims, demands, actions, costs, expenses, awards or judgments arising out of their review or approval of architectural designs, plans, and specifications.

16. Enforcement of Architectural Guidelines. Any construction, alteration, or other work done in violation of this Declaration shall be considered to be nonconforming. Upon written request from the Declarant an Owner shall, at his or her own cost, and expense remove such non-conforming

construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the non-conforming construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the Declarant shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration, or other work, without being deemed to be a trespasser.

17. Contractors. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration may be excluded by the Declarant from the Project, subject to the notice and the opportunity to be heard. In the event of sanctions after notice and hearing, neither the Declarant nor its employees, agents, representatives, or consultants shall be held liable to any person for exercising the rights granted by this Section.

18. Ivory Homes Catalogue. Any and every home design, plan, or specification contained within the Ivory Homes Catalogue shall be considered approved and qualify for construction, and no other consent shall be required, provided the home elevations meet and the home otherwise satisfies all of the architectural control requirements of the City's ordinance for planned residential developments. Any and all deviations from the Ivory Homes Catalogue, including by way of illustration but not limitation, design, construction materials, and coloration must be expressly approved in writing by the Declarant: The approval of the Ivory Homes Sales staff and/or construction personnel is insufficient.

19. Slope and Drainage Control. No structure, plant, improvement, or other material may be placed or permitted to remain, or other activities undertaken which may damage or interfere with established Lot ratios, create erosion or sliding problems, or which may change the direction or flow of drainage channels, or obstruct or retard the flow of water through the channels. The slope control area of each Lot and all improvements therein shall be maintained continuously by the Owner of the Lot, excepting those improvements for which a public authority or utility company is expressly responsible. It shall be the responsibility of the Owner to see that his or her Lot strictly conforms with the grading and drainage plan established by the Declarant, Salt Lake County, and South Jordan City.

20. Use Restrictions and Nature of the Project. The Property is subject to the following initial use restrictions, which shall govern both the architecture and the activities within the Project:

a. Single Family Residence. No Lot shall be used except for residential purposes. That means no more than one single family may reside in a Home.

b. Business Use. No resident may operate a commercial trade or business in or from his or her Lot with employees of any kind or with customers who are not residents of the Project, or which create or maintain a nuisance. No commercial trade or business may store any inventory over 250 cubic feet, and it must be contained within the Lot. No commercial trade or business may be conducted in or from a Lot unless (1) the business activity conforms to all home occupation and zoning requirements governing the Project; (2) the operator has a city issued business

license; and (3) the business does not create a nuisance.

c. Motor Vehicles. No motor vehicle or trailer, including but not limited to any car, automobile, truck, van, or any other transportation device of any kind may be parked or stationed in such a manner so as to block access to any driveway or Home or to create an obstacle or potentially dangerous condition. Motor vehicles shall be parked in the garage or driveway. No resident shall repair or restore any vehicle of any kind in, on or about any Lot, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility. No garage may be altered in such a manner that the number of motor vehicles which may reasonably be parked therein after the alteration is less than the number of motor vehicles that could have been reasonably parked in the garage as originally designed and constructed. All garages shall be used primarily for the parking and storage of vehicles. Parking on the street overnight is prohibited. Except for purposes of loading or unloading passengers or supplies, for a period of time not to exceed twenty-four (24) hours, all recreational, commercial, and oversized vehicles must be stored in the garage or on a parking pad; provided, however that (a) the motor vehicle is in good running condition, (b) the motor vehicle or trailer is properly licensed and registered, (c) the parking pad is located in the rear yard, which means behind the geometric plane of the front of the house, and (d) a parking pad fence has been installed in accordance with the approved plans. Eighteen wheeled semi-trailers or other similar transportation devices are not allowed. No temporary carport or canopy may be installed in the front, side, or rear of the Lot.

d. Trash Storage and Pick-Up. No Lot shall be used as a dumping ground. All trash, garbage, debris, rubbish, or other waste shall be kept in a sealed, sanitary bag or container, and stored out of sight except for a twenty-four (24) hour period on pick-up days.

e. Aerials, Antennas, and Satellite Systems. All exterior aerials, antenna and satellite dishes (collectively "antenna") must be installed and positioned in accordance with FCC guidelines, rules and regulations, as they may be amended or supplemented from time to time.

f. Animals and Pets. Large animals as that term is defined by City ordinance are not allowed. No pets, animals, livestock, or poultry of any kind may be commercially bred in the Subdivision. Animal limitations are in accordance with the South Jordan City Animal Ordinance. Regarding the type and number of pets the City ordinance shall govern and control. In the event there is no city ordinance, then up to two (2) domestic pets per Lot are allowed; provided, however, pets must be properly licensed and registered. Pets may not create a nuisance or violate City ordinance.

g. Laws. Nothing shall be done or kept in, on or about any Lot or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

h. Damage or Waste. Each Owner shall repair any damage he or she or any

other residents, guests, or invitees of his or her Lot may cause to another Owner, Lot, or Home, and promptly restore the property to its original condition.

i. Signs. No signs, billboards, or advertising structures or devices of any kind may be built, installed or displayed on the Property or any Lot except for a single sign with a maximum size of 2' x 2' for specific purpose of advertising the sale of a Home; provided, however, this restriction does not apply to and is not binding upon the Declarant, who may use whatever signs it deems appropriate to market its Lots. "For Rent" or "For Lease" signs on a Lot or showing from a Home are strictly prohibited.

j. Zoning. All land use and buildings shall be in compliance with all zoning and land use ordinances as well as all regulations of the municipalities and agencies governing the Project land use and buildings.

k. Nuisances. No noxious or offensive activity shall be carried on, in or about the Property, nor shall anything be done or permitted thereon which may be or may become an annoyance, disturbance, bother, or nuisance to the neighborhood, or which might interfere with the right of other residents to the quiet and peaceful enjoyment of their property. A violation of any use restriction set forth herein shall be considered a nuisance.

l. Temporary Structures. No structure of a temporary nature or character, including but not limited to any trailer, shack, shed, tent, garage, barn, or other out-building shall be constructed, installed, or used on any Lot at any time as a residence.

21. Leases. No Owner shall be permitted to lease his or her Home for an initial term of less than six (6) months. Daily or weekly rentals are expressly prohibited. No Owner may lease individual rooms to separate Persons or less than the entire Home. "For Rent" or "For Lease" signs are prohibited. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to his or her Home.

22. View Impairment. The Declarant does not guarantee or represent that any view over and across any property, including any Lot or Building will be preserved without impairment. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

23. Common Utilities. The Declarant may provide water and power utility services to the Entry and other common elements at its expense (the "Common Utility Service"); provided, however, it may elect to provide such Common Utility Services through a meter or meters on an individual Lot or Lots and, if so, each such Owner agrees, by accepting a deed or other document of conveyance to such Lot, to provide, and not terminate, delay, or interrupt, and pay for those Common Utility Services.

24. Declarant's Sales Program. Anything to the contrary notwithstanding, for so long as Declarant continues to own a Lot in the Subdivision the following provisions shall be deemed to be in full force and effect. No Owner or occupant shall interfere or attempt to interfere with the completion of improvements, promotion and/or sale of Lots owned by Declarant or Homes constructed thereon. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Homes at any one time. Such office and/or models may be one or more of the Homes owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, signs, banners, or similar devices. Declarant shall have the right to remove from the Project any signs, banners, or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer, or assignment. Any Mortgage covering all Lots or Buildings in the Project, title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections, and controls which are accorded to Declarant (in its capacity as Declarant) herein.

25. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The term *shall* is mandatory and the term *may* is permissive. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

26. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant, all other signatories hereto, all parties who hereafter acquire any interest in a Lot, the Subdivision or the Property, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Lot shall comply with, and all interests in all Lots shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.
