This easement and right-of-way is granted to Grantee, its successors and assigns and their authorized agents, for the benefit of that certain real property located in Utah County, State of Utah, and more particularly described on Exhibit "A" attached hereto, subject to the following restrictive covenants and conditions:

1. Grantee, its successors and assigns, will not make or allow to be made any use of the easement herein granted that is inconsistent with, or interferes in any manner with Grantor's operation, maintenance or repair of Grantor's existing installations or additional facilities or improvements constructed after the granting of this easement, including electric transmission and distribution circuits that cross over or above the property as herein described.

2. Grantee has examined the Easement area and accepts it in its present condition, AS-IS and with all faults. Grantor makes no representations or warranties as to the present or future condition of the Easement area and shall not be required to perform, pay for, or be responsible for any work to ready the property or remedy any property conditions or perform any work, repair, or improvement whatsoever to the property or Grantor's facilities or structures to accommodate Grantee's use conveyed hereunder.

3. In the event that curb and gutter is constructed on the easement herein granted by Grantee or made as a condition of development by Grantee, said curb and gutter will be high-back type and will contain a 30-foot curb cut on both sides of the roadway located at place designated by the Grantor, which curb cut will permit passage of Grantor's equipment used for repair and maintenance of Grantor's substation and electric transmission lines. Roadway construction will be sufficient to support Grantor's equipment in excess of 50 tons.

4. Grantee, its successors and assigns, will not use or permit to be used on said easement construction cranes or other equipment that violate OSHA and UTAH High Voltage Act Clearance Standards. Grantee will not store materials within the easement area. Grantee will not excavate within 50 feet of Grantor's transmission structures. The storage of flammable and hazardous materials or refueling of vehicle/equipment is prohibited within the easement area. At no time shall Grantee place any equipment or materials of any kind that exceeds fifteen (15) feet in height, or that creates a material risk of endangering Grantor's facilities, or that may pose a risk to human safety. Grantee's use of the easement area shall comply with OSHA and UTAH High Voltage Act Safety Clearance Standards.

5. Grantee shall not place or allow to be placed any trees or other vegetation within the easement exceeding twelve (12) feet in height. Grantee shall be responsible for removing any trees or vegetation that exceeds the 12 foot limitation.

6. In the event Grantee ceases to use, for thirty (30) or more consecutive days, for purposes of a roadway, the property herein described, this easement shall thereupon immediately terminate, with all rights and interest conveyed herein by Grantor to revert back to Grantor by instrument of disclaimer from Grantee, or its successors or assigns.

7. Grantor shall have the right, at any time and from time to time, to cross and recross with equipment, personnel, overhead power lines or underground power lines and access roads, at any location or locations thereon, the lands included with the easement herein conveyed by Grantor to Grantee.

8. Grantee, its successors and assigns, shall defend and indemnify and hold harmless the Grantor from and against liability, damage, loss, costs and expenses, including attorney's fees, on account of injury or damage to persons or property occurring on or occasioned by facilities or equipment owned or controlled by Grantee and arising by reason of the conveyance and dedication of this easement to the public or for Grantee's use and occupation of the property pursuant to this easement.

IN WITNESS WHEREOF, the Grantor has caused its corporate name to be hereunto affixed by its duly authorized officer this 4th day of December, 2007.
