The insurance proceeds or any part thereof shall be deemed part of the security for the Obligations and shall be applied to restore or repair the portion of the Trust Estate damaged, provided that any insurance proceeds not so applied may be applied by Beneficiary, at Beneficiary's option, to reduce the indebtedness secured by this Deed of Trust (whether or not then due and payable). Except to the extent that insurance proceeds are received by Beneficiary and applied to the indebtedness secured by this Deed of Trust, nothing herein contained shall be deemed to excuse Trustor from repairing or maintaining the Trust Estate as provided in Article IV of this Deed of Trust or restoring all damage or destruction to the Trust Estate, regardless of whether there are insurance proceeds available or whether any such proceeds are sufficient in amount. The application or release by Beneficiary of any insurance proceeds shall not cure or waive any default or notice of default under this Deed of Trust or invalidate any act done pursuant to such notice.

5.4 Disposition of Policies on Foreclosure. In the event Beneficiary exercises the power of sale provisions of this Deed of Trust or takes any other transfer of title or assignment of the Trust Estate in extinguishment in whole or in part of the Obligations, all right, title and interest of Trustor in and to the policies of insurance required by Section 5.1, shall inure to the benefit of and pass to the successor in interest of Trustor or the purchaser or grantee of the Trust Estate.

(a) If Beneficiary is made a party defendant to any litigation (except litigation wherein Trustor asserts a claim against Beneficiary and prevails) concerning this Deed of Trust or the Trust Estate or any part of the Trust Estate or interest therein, or the occupancy thereof by Trustor, then Trustor shall indemnify, defend and hold Beneficiary harmless from any and all liability by reason of such litigation, including reasonable attorney fees and costs incurred by Beneficiary in any such litigation, whether or not the litigation is prosecuted to judgment. If, following the occurrence and continuance of an Event of Default, Beneficiary commences an action against Trustor to enforce any of the material terms, covenants or conditions of this Deed of Trust or because of the breach by Trustor of any of the material terms, covenants or conditions, or for the recovery of any sum secured hereby, Trustor shall pay the reasonable attorney fees and costs actually incurred by Beneficiary in such action. The right to such attorney fees and costs shall be deemed to have accrued on the commencement of such action, and shall be enforceable whether or not such action is prosecuted to judgment. If Trustor breaches any material term, covenant or condition of this Deed of Trust, Beneficiary may employ an attorney or attorneys to protect Beneficiary's rights hereunder and in the event of such employment following any breach by Trustor, Trustor shall pay Beneficiary reasonable attorney fees and costs in an amount equal to the amount of such fees and costs actually incurred by Beneficiary, whether or not an action is actually commenced against Trustor by reason of such breach.

(b) If Beneficiary is held liable or could be held liable for, or is subject to any losses, damages, costs, charges or expenses, directly or indirectly on account of any claims for work, labor or materials furnished in connection with or arising from the construction, repair

or reconstruction of any of the Improvements, then Trustor shall indemnify, defend and hold Beneficiary harmless from all liability or expense arising therefrom including reasonable attorney fees and costs.

(c) Trustor, to the full extent permitted by law, shall indemnify, defend and hold harmless Beneficiary, Beneficiary's directors, officers, employees, agents, participants, successors and assigns from and against any and all loss, cost, expense or liability incurred in connection with any and all claims and proceedings (whether brought by private party or governmental agency) for bodily injury, property damage, abatement or remediation, environmental damage or impairment, or any other injury or damage resulting from or relating to any Hazardous Materials located under or upon or migrating into, under, from or through the Property, which Beneficiary may incur due to the making of the Loan, the exercise of any of Beneficiary's rights under this Deed of Trust or under any other document evidencing or securing the Loan, or otherwise. The foregoing indemnity shall apply: (1) whether or not the release of the Hazardous Materials was caused by Trustor, a tenant or subtenant of Trustor, or a prior owner or tenant of the Property; and (2) whether or not the alleged liability is attributable to the handling, storage, generation, transportation or disposal of Hazardous Materials or the mere presence of Hazardous Materials on the Property. The obligations of Trustor under this Section 6.1(c) shall survive the foreclosure of this Deed of Trust, a conveyance in lieu of foreclosure, the repayment of the Loan proceeds and the discharge and release of the lien and encumbrance of this Deed of Trust.

6.2 Off-Set. All sums payable by Trustor under this Deed of Trust shall (unless otherwise specifically provided in this Deed of Trust) be paid without notice, demand, counterclaim, set-off, deduction or defense and without abatement, suspension, deferment, diminution or reduction. The Obligations and liabilities of Trustor hereunder shall in no way be released, discharged or otherwise affected (except as expressly provided herein) by reason of: (a) any damage to or destruction of, or any condemnation or similar taking of the Trust Estate or any part thereof; (b) any restriction or prevention of or interference with any use of the Trust Estate or any part thereof; (c) any title defect or encumbrance or any eviction from the Trust Estate or any part thereof by title paramount or otherwise; (d) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; (e) any claim which Trustor has or might have against Beneficiary; (f) any default or failure on the part of Beneficiary to perform or comply with any of the terms, covenants or conditions of this Deed of Trust or of any other agreement with Trustor; or (g) any other occurrence whatsoever, whether similar or dissimilar to the foregoing.

ARTICLE VII IMPOSITIONS

7.1 Payment of Impositions. Subject to Section 7.3 of this Deed of Trust, Trustor shall pay, prior to delinquency, all Impositions. However, if, by law, any Imposition is payable, or may at the election of the taxpayer be paid in installments, Trustor may pay the same together with any accrued interest on the unpaid balance of such Imposition in installments as the same become due and before any fine, penalty, interest or cost may be added thereto for the nonpayment of any such installment and interest.

7.2 Evidence of Payment. Trustor shall, upon request by Beneficiary, furnish to Beneficiary, within thirty (30) days after the date upon which such Imposition is due and payable by

Trustor, official receipts of the appropriate taxing authority, or other proof satisfactory to Beneficiary, evidencing the payments thereof.

7.3 Right to Contest. Trustor shall have the right, before any date set for forfeiture, whether at tax sale, foreclosure on a tax lien or otherwise, to contest or object to the amount or validity of any Imposition by appropriate legal proceedings, but such contest shall not be deemed or construed in any way as relieving, modifying or extending Trustor's covenant to pay any such Imposition at the time and in the manner provided in Section 7.1, unless Trustor has given prior written notice to Beneficiary of Trustor's intent so to contest or object to an Imposition, and unless, at Beneficiary's option: (a) Trustor shall demonstrate to Beneficiary's satisfaction that the legal proceedings shall conclusively operate to prevent the sale of the Trust Estate, or any part thereof, to satisfy such Imposition prior to final determination of such proceedings; or (b) Trustor shall furnish good and sufficient undertaking and sureties as may be required or permitted by law to accomplish a stay of such proceedings.

7.4 Tax on Deed of Trust. If at any time after the date hereof there shall be assessed or imposed: (a) a tax or assessment on the Trust Estate in lieu of or in addition to the Impositions payable by Trustor; or (b) a license fee, tax or assessment imposed on Beneficiary and measured by or based in whole or in part upon the amount of the outstanding Obligations or upon payments on the Note (whether principal or interest); then all such taxes, assessments and fees shall be deemed to be included within the term "Impositions" as defined in Article I of this Deed of Trust, and Trustor shall pay and discharge the same as herein provided with respect to the payment of Impositions. Trustor shall have no obligation to pay any franchise, income, excess profits or similar tax levied on Beneficiary or on the Obligations secured hereby.

7.5 Reserves for Taxes and Insurance. In furtherance of Article V and Section 7.1 of this Deed of Trust and anything to the contrary herein notwithstanding, Trustor, upon request by Beneficiary following the occurrence and continuance of an Event of Default, shall pay to Beneficiary, on the date monthly installments of principal and accrued interest are payable under the Note, until the Note is paid in full, an amount equal to one-twelfth of the annual Impositions reasonably estimated by Beneficiary to pay the installment of Impositions next due on the Trust Estate; and one-twelfth of the annual aggregate insurance premium on all policies of insurance required in Article V. Upon such request, Trustor shall thereafter cause all bills, statements or other documents relating to Impositions and insurance premiums to be sent to Beneficiary. Provided Trustor has deposited sufficient funds with Beneficiary pursuant to this Section 7.5, Beneficiary shall pay such amounts as may be due thereunder out of the funds so deposited with Beneficiary. If at any time and for any reason the funds deposited with Beneficiary pursuant to this Section 7.5 are or will be insufficient to pay such amounts as may then or subsequently be due, Beneficiary shall notify Trustor and Trustor shall immediately deposit an amount equal to such deficiency with Beneficiary. Nothing contained herein shall cause Beneficiary to be deemed a trustee of such funds or to be obligated to pay any amounts in excess of the amount of funds deposited with Beneficiary pursuant to this Section 7.5. Beneficiary shall not be obligated to pay any interest on any sums held by Beneficiary pending disbursement or application hereunder, and Beneficiary may impound or reserve for future payment of Impositions and insurance premiums such portion of such payments as Beneficiary, in Beneficiary's absolute discretion, may deem proper. In the event that upon request from Beneficiary pursuant to this Section 7.5 Trustor fails to deposit with Beneficiary sums sufficient to pay fully such Impositions and insurance premiums at least thirty (30) days before delinquency thereof, Beneficiary, at Beneficiary's election, but without any obligation to do so, may advance any amounts required to make up the deficiency, which advances, if any, shall be secured by this Deed of Trust, and shall be repayable to Beneficiary, with interest from the date advanced, at the default rate of interest specified in the Loan Agreement.

ARTICLE VIII

8.1 Payment of Utilities. Trustor shall pay when due all utility charges relating to the Trust Estate which may become a lien or charge against the Trust Estate or any portion thereof, for gas, electricity, water or sewer services furnished to the Trust Estate and all assessments or charges of a similar nature, whether public or private, affecting the Trust Estate or any portion thereof, whether or not such assessments or charges are liens thereon.

8.2 Defense of Title. Trustor shall appear in and defend any action or proceeding purporting to affect the security hereof, the Trust Estate, or the rights or powers of Beneficiary or Trustee. Should Beneficiary elect in good faith to appear in or defend any such action or proceeding, Trustor shall pay all costs and expenses, including costs of evidence of title and reasonable attorney fees and costs, incurred by Beneficiary or Trustee.

8.3 Performance in Trustor's Stead. Should Trustor fail to make any payment or to do any act as provided in this Deed of Trust, then Beneficiary or Trustee, but without any obligation to do so, without notice to or demand upon Trustor and without releasing Trustor from any obligation hereunder, may: (a) make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof (Beneficiary or Trustee being authorized to enter upon the Trust Estate for such purposes); (b) commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; (c) pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either Beneficiary or Trustee appears to be superior to the lien of this Deed of Trust; and (d) in exercising any such powers, incur any liability, expend such reasonable amounts as Beneficiary may deem necessary therefor, including cost of evidence of title, employment of attorneys, and payment of reasonable attorney fees and costs. All such amounts expended by either or both Trustee or Beneficiary shall, at the election of Beneficiary, be added to the principal indebtedness secured by this Deed of Trust and shall accrue interest in accordance with the terms of the Note.

8.4 Repayment of Advances. Trustor shall immediately repay to Beneficiary all sums, other than Loan proceeds, with interest thereon as provided in the Note, which at any time may be paid or advanced by Beneficiary for the payment of insurance premiums, taxes, assessments, other governmental, municipal, or other charges or Impositions, title searches, title reports or abstracts, and any other advances made by Beneficiary which are reasonably necessary to maintain this Deed of Trust as a valid and subsisting lien upon the Trust Estate, to preserve and protect Beneficiary's interest in this Deed of Trust, or to preserve, repair or maintain the Trust Estate. All such advances shall be wholly optional on the part of Beneficiary, and Trustor's obligation to repay the same, with interest, to Beneficiary shall be secured by the lien of this Deed of Trust.

8.5 No Removal of Fixtures. Trustor shall not, during the existence of this Deed of Trust and without the prior written consent of Beneficiary, remove from the Property any of the Improvements or any of the Personalty, except in the ordinary course of Trustor's business and except to the extent replaced by items of comparable quality and value.

8.6 Further Assurance. Trustor shall execute and deliver to Beneficiary such further instruments, including, without limitation, Uniform Commercial Code Financing Statements and Continuation Statements, and do such further acts as may be necessary or as may reasonably be required by Beneficiary to carry out more effectively the purposes of this Deed of Trust and to subject to the lien and encumbrance created or intended to be created hereby any property, rights or interests covered or

intended to be covered by this Deed of Trust. Trustor hereby authorizes (to the extent such authorization is valid under applicable law) Beneficiary to execute and file, without Trustor's signature, such Uniform Commercial Code Financing Statements and Continuation Statements as Beneficiary may deem necessary in order to perfect or continue the perfection of the security interests created by this Deed of Trust.

8.7 No Conveyance of Property. Trustor shall not sell, convey or alienate the Property or any portion thereof, or any interest therein to any person or entity, without the prior written consent of Beneficiary. In the event Trustor shall sell, convey or alienate all or any portion of the Property, or any interest therein, in violation of the foregoing, or be divested of title to the Property in any manner, whether voluntarily or involuntarily, then the entire principal indebtedness of the Loan, as evidenced by the Note and the other Loan Documents, and all other Obligations secured by this Deed of Trust, irrespective of the maturity date expressed therein, at the option of Beneficiary, and without prior demand or notice, shall become immediately due and payable.

8.8 Application of Payments. If at any time during the term of this Deed of Trust Beneficiary receives or obtains a payment, installment or sum which is less than the entire amount then due under the Note secured by this Deed of Trust and any of the other Loan Documents, then Beneficiary shall, notwithstanding any instructions which may be given by Trustor, have the right to apply such payment, installment or sum, or any part thereof, to such of the items or Obligations then due from Trustor or to Beneficiary as Beneficiary, in Beneficiary's sole discretion, may determine.

8.9 Hazardous Materials. Trustor shall comply with all applicable federal, state and local laws, regulations, rules and ordinances governing the handling, storage, generation, transportation and disposal of Hazardous Materials as the same affect or may affect the operation of Trustor's present business on or with respect to the Trust Estate. In addition, Trustor shall not without the prior written consent of Beneficiary undertake any new business venture or operation on or affecting the Trust Estate which now requires or may hereafter require compliance with any federal, state or local law, regulation, rule or ordinance governing Hazardous Materials. If requested by Beneficiary from time to time during the continuance of this Deed of Trust, Trustor shall submit to Beneficiary a report, in form satisfactory to Beneficiary, certifying that the Trust Estate is not being used in any regulated activities directly or indirectly involving the use, handling, storage, generation, transportation and disposal of Hazardous Materials. Beneficiary reserves the right, in Beneficiary's sole and absolute discretion, to retain, at Trustor's expense, an independent professional consultant to review any report prepared by Trustor and to conduct its own investigation of the Trust Estate. Trustor hereby grants to Beneficiary, its agents, employees, consultants and contractors, the right to enter upon the Trust Estate and to perform such tests as are reasonably necessary to conduct such a review or investigation.

8.10 Fixture Filing. This Deed of Trust shall be effective as a fixture filing from the date of recordation hereof in accordance with Section 9a-502 of the Utah enactment of the Uniform Commercial Code. In connection therewith, the addresses of Trustor, as debtor ("Debtor"), and of Beneficiary, as secured party ("Secured Party"), are set forth below. ARTICLE IX
CONDEMNATION AWARDS

Trustor shall promptly give notice to Beneficiary of any condemnation proceeding or any taking for public improvements. If the Trust Estate or any portion thereof should be taken or damaged by reason of any public improvement or condemnation proceeding, Beneficiary shall be entitled: (1) to receive all compensation, awards and other payments or relief for such taking or condemnation; (2) at Beneficiary's option and in Beneficiary's own name, to commence, appear in and prosecute in Beneficiary's own name any action or proceeding relating to such taking or condemnation; and (3) to make any compromise or settlement in connection with any such taking or condemnation. All such compensation, awards, damages, causes of action, proceeds or other payments shall be deemed part of the security for the Obligations and are hereby assigned to Beneficiary. Beneficiary, after deducting therefrom all costs and expenses (regardless of the particular nature thereof and whether incurred with or without suit or before or after judgment), including reasonable attorney fees incurred by Beneficiary in connection with such compensation, shall apply any and all moneys so received by Beneficiary to restore or repair damage to the remaining Trust Estate, provided that any proceeds not so applied may be applied by Beneficiary, at Beneficiary's option, to reduce the indebtedness secured by this Deed of Trust (whether or not then due). The application or release by Beneficiary of any condemnation awards or other compensation shall not cure or waive any default or notice of default under this Deed of Trust or invalidate any act done pursuant to such notice. Subject to the foregoing, Trustor shall execute and deliver to Beneficiary such further assignments of such compensation, awards, damages, causes of action, proceeds or other payments as Beneficiary may from time to time require.

ARTICLE X
ASSIGNMENT OF RENTS AND LEASES

10.1 Assignment. As additional security for the Obligations secured by this Deed of Trust, Trustor hereby assigns, sells, transfers and conveys to Beneficiary during the continuance of this Deed of Trust, all contracts, leases, subleases and agreements relating to the sale, lease, sublease or use of any portion of the Trust Estate or the Property, together with all sales proceeds, rents, subrents, issues, royalties, income and profits of and from the Trust Estate. Until the occurrence of an Event of Default, Trustor may collect and use all such sales proceeds, rents, subrents, issues, royalties, income and profits, as they become due and payable, and may retain, use and enjoy the Trust Estate. Upon the occurrence and continuance of an Event of Default hereunder, Trustor's right to collect and use any of such proceeds shall cease, and Beneficiary, shall have the right, with or without taking possession of the Trust Estate, and either in person, by agent or through a court appointed receiver (Trustor hereby consents to the appointment of Beneficiary or Beneficiary's designee as such receiver), to sue for or otherwise collect all such sales proceeds, rents, subrents, issues, royalties, income and profits, including those past due and unpaid. Any sums so collected, after the deduction of all costs and expenses of operation and collection (regardless of the particular nature thereof and whether incurred with or without suit or before or after judgment), including reasonable attorney fees, shall be applied toward the payment of the Obligations. Such right of collection and use of such proceeds by Beneficiary shall obtain both before and after the exercise of the power of sale provisions of this Deed of Trust, the foreclosure of this Deed of Trust and throughout any period of redemption. The rights granted under this Section 10.1 shall in no way be dependent upon and shall apply without regard to whether all or a portion of the Trust Estate is in danger of being lost, removed or materially injured, or whether the Trust Estate or any other security is adequate to discharge the Obligations secured by this Deed of Trust. Beneficiary's failure or discontinuance at any time to collect any of such proceeds shall not in any manner affect the right, power and authority of Beneficiary thereafter to collect the same. Nothing contained herein, nor Beneficiary's exercise of Beneficiary's right to collect such proceeds, shall be, or be construed to be, an affirmation by Beneficiary of any contractual interest, tenancy, lease, sublease, option or other interest in the Trust Estate, or an assumption of liability under, or a subordination of the lien or charge of this Deed of Trust to any contractual interest, tenancy, lease, sublease, option or other interest in the Trust Estate. All purchasers, tenants, lessees, sublessees and other persons who have any obligation to make any payment to Trustor in connection with the Trust Estate or any portion thereof are hereby authorized and directed to pay the rents, subrents, issues, royalties, income, profits and other payments payable by them with respect to the Trust Estate, or any portion thereof, directly to Beneficiary on the demand of Beneficiary. Beneficiary's receipt of such sales proceeds, rents, subrents, issues, royalties, income and profits shall be a good and sufficient discharge of the obligation of the purchaser, tenant, lessee, sublessee or other person concerned to make the payment connected with the amount so received by Beneficiary.

10.2 No Waiver of Rights by Collection of Proceeds. The entering upon and taking possession of the Trust Estate or any portion of the Trust Estate or the collection of sale proceeds, rents, subrents, issues, royalties, income, profits, proceeds of fire and other insurance policies, or compensation or awards for any taking or damaging of the Trust Estate, or the application or release thereof as aforesaid, shall not cure or waive any Event of Default or notice of default hereunder, shall not invalidate any act done pursuant to such notice of default, and shall not operate to postpone or suspend the obligation to make, or have the effect of altering the size of, any scheduled installments provided for in any of the Obligations secured by this Deed of Trust.

10.3 Indemnification. Trustor shall indemnify and hold Beneficiary harmless from and against all claims, demands, judgments, liabilities, actions, costs and fees (including reasonable attorney fees and costs) arising from or related to receipt by Beneficiary of the sale proceeds, rents,

subrents, issues, royalties, income and profits from the Trust Estate or any portion of the Trust Estate, except negligent or willful acts of Beneficiary.

ARTICLE XI
EVENTS OF DEFAULT AND REMEDIES

11.1 Events of Default. The occurrence and continuance of any one of the following shall constitute an Event of Default under this Deed of Trust:

(a) Failure by Trustor to observe and perform any term, covenant or condition to be observed or performed by Trustor contained in this Deed of Trust, the Loan Agreement, the Note or any of the other Loan Documents.

(b) Any representation or warranty of Trustor contained in this Deed of Trust, the Loan Agreement, the Note or any of the other Loan Documents was untrue when made.

(c) A default by Trustor under the terms of any other promissory note, deed of trust, security agreement, undertaking or arrangement between Trustor and Beneficiary now in existence or hereafter arising.

11.2 Notice. Unless otherwise expressly provided by the terms of this Deed of Trust or the other Loan Documents, if an Event of Default shall occur, Beneficiary shall give written notice of such occurrence to Trustor as provided in the Loan Agreement.

11.3 Division of Trust Estate. Upon the occurrence and continuance of an Event of Default and if there are Hazardous Materials then present on the Property, Beneficiary, at Beneficiary's election and without any obligation to do so, may divide the Trust Estate into any number of parcels to facilitate the sale of the Trust Estate at a foreclosure sale. In connection therewith, Beneficiary may: (a) enter upon the Trust Estate and conduct or cause to be conducted inspections and surveys of the Trust Estate; (b) divide the Trust Estate in such manner as to segregate any Hazardous Materials into one or more distinct parcels; and (c) elect to sell at foreclosure sale only those portions of the Trust Estate that are not contaminated by or do not contain Hazardous Materials. Trustor hereby consents to such division and sale of the Trust Estate.

11.4 Acceleration; Notice. Upon the occurrence and continuance of an Event of Default, Beneficiary shall have the option, in addition to any other remedy Beneficiary may have under the Note, to declare by notice to Trustor all sums secured by this Deed of Trust immediately due and payable and elect to have the Trust Estate sold in the manner provided herein. In the event Beneficiary elects to sell the Trust Estate, Beneficiary shall execute or cause Trustee to execute a written notice of default and election to cause the Trust Estate to be sold to satisfy the Obligations. Such notice shall be filed for record in Salt Lake County, Utah.

11.5 Exercise of Power of Sale. After the lapse of such time as may then be required by law following the recordation of the notice of default, and notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, except as provided by law, shall sell the Trust Estate on the date and at the time and place designated in the notice of sale, either as a whole or in separate parcels, and in such order as Beneficiary may determine (but subject to any statutory right of Trustor to direct the order in which the Property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause deemed expedient,

postpone the sale from time to time until it shall be completed. In every such case, notice or postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale or as otherwise provided by law. Trustee shall execute and deliver to the purchaser a Trustee's Deed conveying the property so sold, but without any covenant or warranty, expressed or implied. The recitals in the Trustee's Deed of any matters or facts relating to the exercise of the power of sale and the sale of the Trust Estate shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale to payment of: (a) the costs and expenses of exercising the power of sale and of the sale, including the payment of the Trustee's fees and attorney fees and costs; (b) all sums expended or advanced by Beneficiary in conjunction with any provisions of this Deed of Trust, not then repaid, with accrued interest thereon from the date of expenditure, at the default rate of interest provided in the Loan Agreement; (c) all sums then secured by this Deed of Trust, including interest and principal on the Note; and (d) the remainder, if any, to the person or persons legally entitled thereto, or Trustee, in Trustee's discretion, may deposit the balance of such proceeds with the Clerk of the District Court of Salt Lake County, Utah.

11.6 UCC Remedies. Beneficiary, with regard to the security interest in all Personalty granted to Beneficiary under the Granting Clauses of this Deed of Trust, shall have the right to exercise, from time to time, any and all rights and remedies available to Beneficiary, as a secured party under the Utah enactment of the Uniform Commercial Code, and any and all rights and remedies available to Beneficiary under any other applicable law. Beneficiary shall also have the right to dispose of the Personalty in connection with a foreclosure sale of the Property, whether the foreclosure sale is conducted by the Trustee in connection with the exercise of the private power of sale, or by a sheriff in connection with a judicial foreclosure of this Deed of Trust. Upon written demand from Beneficiary, Trustor shall, at Trustor's expense, assemble the Personalty and make the Personalty available to Beneficiary at the Property.

11.7 Foreclosure as a Mortgage. If an Event of Default occurs and continues hereunder, Beneficiary shall have the option to foreclose this Deed of Trust in the manner provided by law for the foreclosure of mortgages on real property and Beneficiary shall be entitled to recover in such proceedings all costs and expenses incident thereto, including reasonable attorney fees and costs, in such amounts as shall be fixed by the court.

11.8 Receiver. If an Event of Default occurs and continues, Beneficiary, as a matter of right and without regard to the then value of the Trust Estate or the interest of Trustor therein, shall have the right upon notice to Trustor to apply to any court having jurisdiction over the subject matter to appoint a receiver or receivers of the Trust Estate. Any such receiver or receivers shall have all the usual powers and duties of a receiver and shall continue as such and may exercise all such powers until completion of the sale of the Trust Estate or the foreclosure proceeding, unless the receivership is sooner terminated.

11.9 No Remedy Exclusive. No remedy conferred upon or reserved to Beneficiary under this Deed of Trust shall be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Deed of Trust, the Loan Agreement, the Note or the other Loan Documents, or now or hereafter existing at law or in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

11.10 Cross Default. The occurrence and continuance of an Event of Default under this Deed of Trust, the Note, the Loan Agreement, any other Loan Document, or any other agreement or

arrangement between Trustor and Beneficiary now existing or entered into hereafter, shall constitute a default under all such documents, including, without limitation, this Deed of Trust, the Note, the Loan Agreement, the other Loan Documents, as well as any other such agreement or arrangement.

ARTICLE XII
