In addition to any covenants of Borrower set forth in the Loan Agreement or any other Loan Document, Borrower hereby covenants to Lender and agrees as follows until the Obligations are satisfied in full:

Section 3.01. **Recording.** Borrower shall, upon the execution and delivery hereof and thereafter from time to time, take such actions as Lender may request to cause this Deed of Trust, each supplement and amendment to such instrument and financing statements with respect thereto and each instrument of further assurance (collectively, the "Recordable Documents") to be filed, registered and recorded as may be required by law to publish notice and maintain the first lien or security interest, as applicable, hereof upon the Collateral and to publish notice of and protect the validity of the Recordable Documents. Borrower shall, from time to time, perform or cause to be performed any other act and shall execute or cause to be executed any and all further instruments (including financing statements, continuation statements and similar statements with respect to any of said documents) requested by Trustee, in writing, for carrying out the intention of, or facilitating the performance of, this Deed of Trust. Lender shall be and is hereby irrevocably appointed the agent and attorney-in-fact of Borrower to comply therewith (including the execution, delivery and filing of such financing statements and other instruments), which appointment is coupled with an interest; provided, however, Lender shall not exercise such power of attorney unless Borrower has first failed to comply with this Section, and provided, further, that this sentence shall not prevent any default in the observance of this Section from constituting an Event of Default. To the extent permitted by law, Borrower shall pay or cause to be paid recording taxes and fees incident thereto and all expenses, taxes and other governmental charges incident to or in connection with the preparation, execution, delivery or acknowledgment of the Recordable Documents, any instruments of further assurance and the Note.

Section 3.02. **Use; Maintenance and Repair; Leases.** (a) The Collateral shall be used solely for the operation of a Permitted Concept in accordance with the Franchise Agreement relating to the Premises and for no other purpose. Except as set forth below, and except during periods when the Premises is untenable by reason of

Borrower may cease diligent operation of business at the Collateral for a period not to exceed 90 days and may do so only once within any five-year period while this Deed of Trust is in effect. If Borrower does discontinue operation as permitted by this Section, Borrower shall (i) give written notice to Lender within 10 days after Borrower elects to cease operation, (ii) provide adequate protection and maintenance of the Collateral during any period of vacancy and (iii) pay all costs necessary to restore the Collateral to its condition on the day operation of the business ceased at such time as the Collateral is reopened for Borrower's business operations or other substituted use.

Borrower shall not, and shall not permit any lessee to, by itself or through any lease or other type of transfer, convert the Premises to an alternative use while this Deed of Trust is in effect without Lender's consent, which consent shall not be unreasonably withheld. Lender may consider any or all of the following in determining whether to grant its consent, without being deemed to be unreasonable: (i) whether the converted use will be consistent with the highest and best use of the Collateral, and (ii) whether the converted use will increase Lender's risks or decrease the value of the Collateral.

(b) Borrower shall (i) maintain the Collateral in good condition and repair, subject to reasonable and ordinary wear and tear, free from actual or constructive waste, (ii) operate, remodel, update and modernize the Collateral in accordance with those standards adopted from time to time by Franchisor on a system-wide basis for Permitted Concepts, with such remodeling and modernizing being undertaken in accordance with Franchisor's system-wide timing schedules for such activities, and (iii) pay all operating costs of the Premises in the ordinary course of business.

(c) Borrower shall not (i) enter into any leases without Lender's prior written consent; (ii) modify or amend the terms of any Sublease without Lender's prior written consent; (iii) grant any consents under any Sublease, including, without limitation, any consent to an assignment of any Sublease, a mortgaging of the leasehold estate created by any Sublease or a subletting by the sublessee under any Sublease, without Lender's prior written consent; (iv) terminate, cancel, surrender, or accept the surrender of, any Sublease, or waive or release any person from the observance or performance of any obligation to be performed under the terms of any Sublease or liability on account of any warranty given thereunder, without Lender's prior written consent; or (v) assign, transfer, mortgage, pledge or hypothecate any Sublease or any interest therein to any party other than Lender, without Lender's prior written consent. Any lease, modification, amendment, grant, termination, cancellation, surrender, waiver or release in violation of the foregoing provision shall be null and void and of no force and effect. Unless Lender otherwise consents or elects, Borrower's title to the Collateral and the leasehold interest in the Collateral created by any other lease shall not merge, but shall always be kept separate and distinct, notwithstanding the union of such estates in Borrower, Lender or any other person by purchase, operation of law, foreclosure of this Deed of Trust, sale of the Collateral pursuant to this Deed of Trust or otherwise.

(d) Borrower shall (i) fulfill, perform and observe in all respects each and every condition and covenant of Borrower contained in any Sublease; (ii) give prompt notice to Lender of any claim or event of default under any Sublease given to or by Borrower, together with a complete copy or statement of any information submitted or referenced in support of such claim or event of default; (iii) at the sole cost and expense of Borrower, enforce the performance and observance of each and every covenant and condition of any Sublease to be performed or observed by any other party thereto, unless such enforcement is waived in writing by Lender; (iv) appear in and defend any action challenging the validity, enforceability or priority of the lien created hereby or the validity or enforceability of any Sublease; and (v) hold that portion of the Rents which is sufficient to discharge all current sums due under the Guaranty for use in the payment of such sums.

(e) Borrower shall (i) fulfill, perform and observe in all respects each and every condition and covenant of Borrower contained in the Sublease; (ii) give prompt notice to Lender of any claim or event of default under the Sublease given to Borrower by Sublessor or given by Borrower to Sublessor, together with a complete copy or statement of any information submitted or referenced in support of such claim or event of default; (iii) at the sole cost and expense of Borrower, enforce the performance and observance of each and every covenant and condition of the Sublease to be performed or observed by any other party to the Sublease unless such enforcement is waived in writing by Lender; (iv) appear in and defend any action challenging the validity or enforceability of the

Sublease; and (v) timely exercise any renewal options under the Sublease. The Sublease shall not be modified, amended, terminated, cancelled or surrendered by Borrower without Lender's prior written consent. Without limiting the generality of the foregoing, Borrower shall not, without Lender's prior written consent, elect to treat the Sublease or the leasehold estate created thereunder as terminated under Section 365 of the Code, after rejection or disaffirmance of the Sublease by the Sublessor (whether as debtor in possession or otherwise) or by any trustee of the Sublessor, and any such election made without such consent shall be void and ineffective. Borrower shall not assign, transfer, mortgage, pledge or hypothecate the Sublease or any interest therein to any party other than Lender, without first obtaining Lender's prior written consent. Borrower shall not waive or release any person from the observance or performance of any obligation to be performed under the terms of the Sublease or liability on account of any warranty given thereunder. Any modification, amendment, termination, cancellation, surrender, assignment, transfer, mortgage, pledge, hypothecation, waiver or release in violation of the foregoing shall be null and void and of no force and effect. Borrower agrees that if Borrower, at any time while the Obligations are outstanding, acquires fee title or any greater estate than it holds as of the date of this Deed of Trust in and to the Land or the Collateral, the lien of this Deed of Trust shall automatically attach, extend to, cover and encumber such fee title or other greater estate, and that Borrower shall execute such further documents and take such further actions as Lender may reasonably request to confirm such lien. Without limiting the foregoing sentence, unless Lender otherwise consents or elects, fee title to the Collateral and the leasehold interest in the Land created by the Sublease shall not merge, but shall always be kept separate and distinct, notwithstanding the union of such estates in Borrower, Lender, or any other person by purchase, operation of law, foreclosure of this Deed of Trust, sale of the Collateral pursuant to this Deed of Trust or otherwise.

(f) The provisions contained in this Deed of Trust shall be deemed to be obligations of Borrower in addition to Borrower's obligations as tenant with respect to similar matters under which Borrower is obligated under the Sublease and shall not restrict or limit Borrower's duties and obligations to keep and perform promptly all of its covenants, agreements and obligations as tenant under such Sublease.

(g) If the Sublease is cancelled or terminated, and Lender or its nominee shall acquire an interest in any new Lease of the property demised thereby, Borrower shall have no right, title or interest in or to the new Lease or to the leasehold estate created by such new Lease.

(h) Borrower will use its best efforts to obtain and deliver to Lender within ten (10) days after written request by Lender, an estoppel certificate from Sublessor setting forth (i) the name of the tenant thereunder, (ii) that the Sublease has not been modified or, if it has been modified, the date of each modification (together with copies of each such modification), (iii) the rent payable under the Sublease, (iv) the date to which all rental charges have been paid by tenant under the Sublease, (v) whether there are any alleged defaults by Borrower, as tenant under the Sublease and, if so, setting forth the nature thereof in reasonable detail, and (vi) such other matters as Lender may reasonably request.

(i) Notwithstanding anything to the contrary contained herein, this Deed of Trust shall not constitute an assumption by Lender of the Sublease and Lender shall have no liability or obligation thereunder by reason of its acceptance of this Deed of Trust.

(j) **IF THE SUBLEASE REQUIRES BORROWER TO DELIVER A NOTICE TO THE SUBLESSOR EXTENDING THE TERM OF THE SUBLEASE, AND BORROWER FAILS TO DELIVER SUCH NOTICE AT LEAST THIRTY DAYS BEFORE THE DATE BY WHICH THE EXTENSION NOTICE MUST BE DELIVERED, OR IF NO SUCH DATE IS SET FORTH IN THE SUBLEASE, IF BORROWER FAILS TO DELIVER SUCH NOTICE AT LEAST THIRTY DAYS BEFORE THE EXPIRATION OF THE THEN CURRENT TERM OF THE SUBLEASE, LENDER SHALL HAVE, AND IS HEREBY GRANTED, A POWER OF ATTORNEY ON BEHALF OF BORROWER TO EXECUTE AND DELIVER SUCH EXTENSION NOTICE, IT BEING STIPULATED THAT SUCH POWER OF ATTORNEY IS COUPLED WITH AN INTEREST AND IRREVOCABLE. UPON THE REQUEST OF LENDER, BORROWER SHALL EXECUTE ANY DOCUMENTS OR INSTRUMENTS REASONABLY REQUIRED BY LENDER OR SUBLESSOR IN ORDER TO CONFIRM THE EXISTENCE OF THE POWER OF ATTORNEY SET FORTH IN THIS SUBSECTION (H), INCLUDING, WITHOUT LIMITATION, A SEPARATE POWER OF ATTORNEY IN RECORDABLE FORM WITH RESPECT TO THE MATTERS COVERED BY THIS SUBSECTION (H). LENDER SHALL FURTHER HAVE A POWER OF ATTORNEY, IT BEING STIPULATED THAT SUCH POWER OF ATTORNEY IS**

COUPLED WITH AN INTEREST AND IS IRREVOCABLE, TO EXECUTE ANY AND ALL OTHER DOCUMENTS REQUIRED BY THIS SECTION 3.02, SECTION 6.10 AND SECTION 6.11 WITH RESPECT TO THE SUBLEASE AND TO PERFORM ANY AND ALL ACTS REQUIRED THEREBY, IF BORROWER SHALL FAIL TO DO SO WITHIN FIVE (5) DAYS AFTER DEMAND BY LENDER.

Section 3.03. *Alterations and Improvements.* Borrower shall not alter the exterior, structural, plumbing or electrical elements of the Collateral in any manner without the consent of Lender, which consent shall not be unreasonably withheld or conditioned; provided, however, Borrower may undertake nonstructural alterations to the Collateral costing less than \$25,000 without Lender's consent. For purposes of this Deed of Trust, alterations to the exterior, structural, plumbing or electrical elements of the Collateral shall mean:

- (i) alterations which affect the foundation or "footprint" of the Improvements;
- (ii) alterations which involve the structural elements of the Improvements, such as a load-bearing wall, structural beams, columns, supports or roof; or
- (iii) alterations which materially affect any of the building systems, including, without limitation, the electrical systems, plumbing, HVAC and fire and safety systems.

If Lender's consent is required hereunder and Lender consents to the making of any such alterations, the same shall be made by Borrower at Borrower's sole expense by a licensed contractor and according to plans and specifications approved by Lender and subject to such other conditions as Lender shall require. Any work at any time commenced on the Collateral shall be prosecuted diligently to completion, shall be of good workmanship and materials and shall comply fully with all the terms of this Deed of Trust. Upon completion of any alterations or any Restoration, Borrower shall promptly provide Lender with (i) evidence of full payment to all laborers and materialmen contributing to the alterations, (ii) an architect's certificate certifying the alterations to have been completed in conformity with the plans and specifications, (iii) a certificate of occupancy (if the alterations are of such a nature as would require the issuance of a certificate of occupancy), and (iv) any other documents or information reasonably requested by Lender.

Section 3.04. *After-Acquired Property.* All right, title and interest of Borrower in and to all improvements, alterations, substitutions, restorations and replacements of, and all additions and appurtenances to, the Collateral, hereafter acquired by or released to Borrower, immediately upon such acquisition or release and without any further granting by Borrower, shall become part of the Collateral and shall be subject to the lien hereof fully, completely and with the same effect as though now owned by Borrower and specifically described in the Granting Clauses hereof. Borrower shall execute and deliver to Trustee and/or any further assurances, mortgages, grants, conveyances or assignments thereof as the Trustee may reasonably require to subject the same to the lien hereof.

Section 3.05. *Taxes, Assessments, Charges and Other Impositions.* (a) Borrower shall do or cause to be done everything necessary to preserve the lien hereof without expense to Lender, including, without limitation, paying and discharging or causing to be paid and discharged, whether or not payable directly by Borrower or subject to withholding at the source, (i) all taxes, assessments, levies, fees, water and sewer rents and charges and all other governmental charges, general, special, ordinary or extraordinary, and all charges for utility or communications services, which may at any time be assessed, levied or imposed upon Borrower, the Collateral, this Deed of Trust, the Obligations or the Rents or which may arise in respect of the occupancy, use, possession or operation thereof, (ii) all income, excess profits, sales, gross receipts and other taxes, duties or imposts, whether similar or not in nature, assessed, levied or imposed by any Governmental Authority on Borrower, the Collateral or the Rents, and (iii) all lawful claims and demands of mechanics, laborers, materialmen and others which, if unpaid, might create a lien on the Collateral, or on the Rents, unless Borrower shall contest the amount or validity thereof in accordance with subsection (b).

(b) Borrower may, at its own expense, contest or cause to be contested, by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity or application, in whole or in part, of any item specified in subsection (a) or lien therefor, provided that (i) Borrower shall provide written notice to Lender of any contest involving more than \$10,000.00, (ii) such proceeding shall suspend the collection thereof from the Collateral or any interest therein, (iii) neither the Collateral nor any interest therein would be in any danger

of being sold, forfeited or lost by reason of such proceedings, (iv) no Event of Default has occurred and is continuing, and (v) Borrower shall have deposited with Lender adequate reserves for the payment of the taxes, together with all interest and penalties thereon, unless paid in full under protest, or Borrower shall have furnished the security as may be required in the proceeding or as may be required by Lender to insure payment of any contested taxes.

Section 3.06. **Insurance.** (a) Borrower shall maintain with respect to the Collateral, at its sole expense, the following types and amounts of insurance (which may be included under a blanket insurance policy if all the other terms hereof are satisfied), in addition to such other insurance as Lender may reasonably require from time to time:

(i) Insurance against loss, damage or destruction by fire and other casualty, including theft, vandalism and malicious mischief, flood (if the Premises is in a location designated by the Federal Emergency Management Administration as a Special Flood Hazard Area), earthquake (if the Premises is in an area subject to destructive earthquakes within recorded history), boiler explosion (if there is any boiler upon the Premises), plate glass breakage, sprinkler damage (if the Premises have a sprinkler system), all matters covered by a standard extended coverage endorsement, special coverage endorsement commonly known as an "all risk" endorsement and such other risks as Lender may reasonably require, insuring the Collateral for not less than 100% of their full insurable replacement cost.

(ii) Commercial general liability and property damage insurance, including a products liability clause, covering Lender and Borrower against bodily injury liability, property damage liability and automobile bodily injury and property damage liability, including without limitation any liability arising out of the ownership, maintenance, repair, condition or operation of the Collateral or adjoining ways, streets or sidewalks and, if applicable, insurance covering Lender, against liability arising from the sale of liquor, beer or wine on the Premises. Such insurance policy or policies shall contain a broad form contractual liability endorsement under which the insurer agrees to insure Borrower's obligations under Section 7.09 hereof to the extent insurable, and a "severability of interest" clause or endorsement which precludes the insurer from denying the claim of either Borrower or Lender because of the negligence or other acts of the other, shall be in amounts of not less than \$2,000,000.00 per injury and occurrence with respect to any insured liability, whether for personal injury or property damage, or such higher limits as Lender may reasonably require from time to time, and shall be of form and substance reasonably satisfactory to Lender.

(iii) Business income insurance equal to 100% of the principal and interest payable under the Note for a period of not less than six months.

(iv) State Worker's compensation insurance in the statutorily mandated limits, employer's liability insurance with limits not less than \$500,000 or such greater amount as Lender may from time to time require and such other insurance as may be necessary to comply with applicable laws.

(b) All insurance policies shall:

(i) Provide for a waiver of subrogation by the insurer as to claims against Lender, its employees and agents and provide that such insurance cannot be unreasonably cancelled, invalidated or suspended on account of the conduct of Borrower, its officers, directors, employees or agents;

(ii) Provide that any "no other insurance" clause in the insurance policy shall exclude any policies of insurance maintained by Lender and that the insurance policy shall not be brought into contribution with insurance maintained by Lender;

(iii) Contain a standard without contribution mortgage clause endorsement in favor of Lender and its successors and assigns as their interests may appear and any other lender designated by Lender;

(iv) Provide that the policy of insurance shall not be terminated, cancelled or substantially modified without at least thirty (30) days' prior written notice to Lender and to any lender covered by any standard mortgage clause endorsement;

(v) Provide that the insurer shall not have the option to restore the Premises if Lender elects to terminate this Deed of Trust in accordance with the terms hereof;

(vi) Be issued by insurance companies licensed to do business in the state in which the Premises is located and which are rated A:VI or better by Best's Insurance Guide or otherwise approved by Lender; and

(vii) Provide that the insurer shall not deny a claim because of the negligence of Borrower, anyone acting for Borrower or any tenant or other occupant of the Collateral.

It is expressly understood and agreed that the foregoing minimum limits of insurance coverage shall not limit the liability of Borrower for its acts or omissions as provided in this Deed of Trust. All liability insurance policies (with the exception of worker's compensation insurance to the extent not available under statutory law) shall designate Lender and its successors and assigns as additional insureds as their interests may appear and shall be payable as set forth in Article IV hereof. All such policies shall be written as primary policies, with deductibles not to exceed 10% of the amount of coverage. Any other policies, including any policy now or hereafter carried by Lender, shall serve as excess coverage. Borrower shall procure policies for all insurance for periods of not less than one year and shall provide to Lender certificates of insurance or, upon Lender's request, duplicate originals of insurance policies evidencing that insurance satisfying the requirements of this Deed of Trust is in effect at all times. Borrower shall furnish to Lender, upon request of Lender, reports on each existing insurance policy showing such information as Lender may reasonably request, including without limitation the following: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the properties insured; (5) the then current property values on the basis of which insurance has been obtained, and the manner of determining those values; and (6) the expiration date of the policy. In addition, upon request of Lender (however not more often than annually), Borrower will, at its sole cost and expense, have an independent appraiser satisfactory to Lender determine, as applicable, the actual cash value or replacement cost of any Collateral.

Section 3.07. **Impound Account.** Upon the occurrence of an Event of Default under this Deed of Trust or any other Loan Document, Lender may require Borrower to pay to Lender sums which will provide an impound account (which shall not be deemed a trust fund) for paying up to the next one year of taxes, assessments and/or insurance premiums. Upon such requirement, Lender will estimate the amounts needed for such purposes and will notify Borrower to pay the same to Lender in equal monthly installments, as nearly as practicable, in addition to all other sums due under this Deed of Trust. Should additional funds be required at any time, Borrower shall pay the same to Lender on demand. Borrower shall advise Lender of all taxes and insurance bills which are due and shall cooperate fully with Lender in assuring that the same are paid. Lender may deposit all impounded funds in accounts insured by any federal or state agency and may commingle such funds with other funds and accounts of Lender. Interest or other gains from such funds, if any, shall be the sole property of Lender. If an Event of Default shall occur subsequent to Lender requiring the establishment of an impound account pursuant to this Section, Lender may apply all impounded funds against any sums due from Borrower to Lender. Lender shall give to Borrower an annual accounting showing all credits and debits to and from such impounded funds received from Borrower.

Section 3.08. **Advances by Lender.** Lender may make advances to perform any of the covenants contained in this Deed of Trust on Borrower's behalf and all sums so advanced (and all sums advanced pursuant to any other provision hereof) by Lender shall be secured hereby. Borrower shall repay on demand all sums so advanced with interest thereon at the Default Rate, such interest to be computed from and including the date of the making of such advance to and including the date of such repayment, and at Lender's election, Lender may add the amount of such advance to the amount of the Obligations.

Section 3.09. **Negative Covenants.** Borrower agrees that Borrower shall not, without the prior written consent of Lender (each, a "Prohibited Transaction"), sell, convey, mortgage, grant, bargain, encumber, pledge, assign, or otherwise transfer the Collateral or any part thereof or permit the Collateral or any part thereof to be sold, conveyed, mortgaged, granted, bargained, encumbered, pledged, assigned, or otherwise transferred, other than sales from inventory in the ordinary course of business and the replacement of obsolete Personal Property. A sale, conveyance, mortgage, grant, bargain, encumbrance, pledge, assignment, or transfer within the meaning of this Section shall be deemed to include, but not limited to, (a) an installment sales agreement wherein Borrower agrees to sell the Collateral or any part thereof for a price to be paid in installments; and (b) an agreement by Borrower

leasing all or any part of the Collateral or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Lease or any Rents.

Section 3.10. **Title.** Borrower shall maintain title to the Personal Property, free and clear of all liens, encumbrances, charges and other exceptions to title, except the Permitted Exceptions. Lender shall have a valid lien upon and security interest in the Collateral, pursuant to the Deed of Trust.

Section 3.11. **Licenses and Permits.** All required licenses and permits, both governmental and private, to use and operate the Premises as a Permitted Concept shall be maintained in full force and effect.

Section 3.12. **Compliance With Laws Generally.** The use and occupation of the Premises, and the condition thereof, including, without limitation, any Restoration, shall comply with all Applicable Regulations now or hereafter in effect. In addition, the Borrower Parties shall comply with all Applicable Regulations now or hereafter in effect, including, without limitation, the OFAC Laws and Regulations and Anti-Money Laundering Laws. Without limiting the generality of the other provisions of this Section, Borrower shall comply with the ADA, and all regulations promulgated thereunder, as it affects the Premises.

Section 3.13. **Compliance With Environmental Laws.** (1) The Premises, the Borrower Parties and any other operator or user of the Premises shall not be in violation of or subject to any investigation or inquiry by any Governmental Authority or subject to any Remediation obligations under any Environmental Laws.

(2) All uses and operations on or of the Premises, whether by Borrower or any other person or entity, shall be in compliance with all Environmental Laws and permits issued pursuant thereto.

(3) There shall be no Releases or Hazardous Materials in, on, under or from the Premises, except in Permitted Amounts.

(4) Borrower shall keep the Premises, or cause the Premises to be kept, free and clear of all Environmental Liens.

(5) Borrower shall not do or allow any tenant or other user of the Premises to do any act that (a) materially increases the dangers to human health or the environment, (b) poses an unreasonable risk of harm to any person or entity (whether on or off the Premises), (c) impairs or is reasonably likely to impair the value of the Premises, (d) is contrary to any requirement of any insurer, (e) constitutes a public or private nuisance or constitutes waste, or (f) violates any covenant, condition, agreement or easement applicable to the Premises.

(6) Borrower shall immediately notify Lender in writing upon Borrower obtaining actual knowledge of:

(a) any presence of Releases or Threatened Releases in, on, under, from or migrating towards the Premises, in excess of Permitted Amounts, including, without limitation, the presence on or under the Premises, or the escape, seepage, leakage, spillage, discharge, emission or release of any Hazardous Materials, apparent or real, in excess of Permitted Amounts;

(b) any non-compliance with any Environmental Laws related in any way to the Premises;

(c) any Environmental Lien or any act or omission which could reasonably be expected to result in the imposition of an Environmental Lien;

(d) any required or proposed Remediation of environmental conditions relating to the Premises, including, without limitation, any and all enforcement, clean-up, remedial, removal or other governmental or regulatory actions threatened, instituted or completed pursuant to any of the Environmental Laws affecting the Premises;

(e) any written or oral notice or other communication of which any of the Borrower Parties becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Materials or Remediation thereof, possible liability of any person or entity pursuant to any Environmental Law, other environmental conditions in connection with the Premises, or any actual or potential administrative or judicial proceedings in connection with anything referred to in this Agreement; or

(f) any investigation or inquiry initiated by any Governmental Authority relating to the Environmental Condition of the Premises.

(7) Borrower shall, at its sole cost and expense:

(a) perform any environmental site assessment or other investigation of environmental conditions in connection with the Premises as may be reasonably requested by Lender (including but not limited to sampling, testing and analysis of soil, water, air, building materials and other materials and substances whether solid, liquid or gas), and share with Lender the reports and other results thereof, and Lender and the other Indemnified Parties shall be entitled to rely on such reports and other results thereof; and

(b) have the Premises inspected as may be required by any Environmental Laws for seepage, spillage and other environmental concerns. Borrower shall provide Lender with written certified results of all inspections performed on the Premises. All costs and expenses associated with the inspection, preparation and certification of results, as well as those associated with any corrective action, shall be paid by Borrower. All inspections and tests performed on the Premises shall be conducted in compliance with all Environmental Laws.

(8) Borrower shall, at its sole cost and expense, and without limiting the rights of Lender under any other provision of this Agreement, including, without limitation, subsection (10), comply with all reasonable written requests of Lender to:

(a) reasonably effectuate Remediation of any condition (including but not limited to a Release) in, on, under or from the Premises;

(b) comply with any Environmental Law;

(c) comply with any directive from any Governmental Authority; and

(d) take any other reasonable action necessary or appropriate for protection of human health or the environment.

(9) Lender and any other person or entity designated by Lender, including but not limited to any receiver, any representative of a Governmental Authority, and any environmental consultant, shall have the right, but not the obligation, to enter upon the Premises during normal business hours or at any time in the event of an emergency (including without limitation in connection with any Securitization, Participation or Transfer contemplated by this Agreement or in connection with the exercise of any remedies set forth in the Deed of Trust or the other Loan Documents) to assess any and all aspects of the environmental condition of the Premises and its use, including but not limited to conducting any environmental assessment or audit (the scope of which shall be determined in Lender's sole and absolute discretion) and taking samples of soil, groundwater or other water, air, or building materials, and conducting other invasive testing. Borrower shall cooperate with and provide access to Lender and any such person or entity designated by Lender. Any such assessment and investigation shall be at Borrower's sole cost and expense if, at the time Lender undertakes such assessment or investigation, Lender has a reasonable basis for believing that a Release has occurred at the Premises in excess of Permitted Amounts or if an Event of Default has occurred and is continuing. Otherwise, any such assessment and investigation shall be at Lender's sole cost and expense.

(10) Upon any Release, on, above or under the Premises, Borrower shall immediately remedy such situation in accordance with all Environmental Laws and any request of Lender. Should Borrower fail to remedy or cause the remedy of such situation in accordance with all Environmental Laws, Lender shall be permitted to take such actions in its sole discretion to remedy such situation and any costs and expenses incurred in connection therewith will be paid by Borrower.

Section 3.14. **Inspections.** Borrower shall, during normal business hours (or at any time in the event of an emergency), (1) provide Lender and Lender's officers, employees, agents, advisors, attorneys, accountants, architects, and engineers with access to the Premises, all drawings, plans, and specifications for the Premises in possession of the Borrower Parties, all engineering reports relating to the Premises in the possession of the Borrower Parties, the files, correspondence and documents relating to the Premises, and the financial books and records, including lists of delinquencies, relating to the ownership, operation, and maintenance of the Premises (including, without limitation, any of the foregoing information stored in any computer files) and (2) allow such persons to make such inspections, tests, copies, and verifications as Lender considers necessary.

ARTICLE IV

POSSESSION, USE AND RELEASE OF THE COLLATERAL

Section 4.01. **Casualty or Condemnation.** Borrower, immediately upon obtaining knowledge of any casualty to any portion of the Collateral or of any proceeding or negotiation for the taking of all or any portion of the Collateral in condemnation or other eminent domain proceedings, shall notify Lender of such casualty, proceeding or negotiation. Any award, compensation or other payment resulting from such casualty or condemnation or eminent domain proceeding, as applicable, shall be applied as set forth below (the "Proceeds"). Lender may participate in any condemnation or eminent domain proceeding, and Borrower will deliver or cause to be delivered to Lender all instruments reasonably requested by Lender to permit such participation.

(a) **Casualty.** (i) In the event of any material damage to or destruction of the Collateral or any part thereof, Borrower will promptly give written notice to Lender, generally describing the nature and extent of such damage or destruction. No damage to or destruction of the Collateral shall relieve Borrower of its obligation to pay any monetary sum due under the Loan Documents at the time and in the manner provided in the Loan Documents.

(ii) In the event of any damage to or destruction of the Collateral or any part thereof, Borrower, whether or not the Proceeds, if any, on account of such damage or destruction shall be sufficient for the purpose, at its expense, shall promptly cause the Restoration to be commenced and completed.

(iii) Proceeds received by Lender and Borrower on account of any occurrence of damage to or destruction of the Collateral or any part thereof, less the costs, fees and expenses incurred by Lender and Borrower in the collection thereof, including, without limitation, adjuster's fees and expenses and attorneys' fees and expenses (the "Net Insurance Proceeds"), shall be paid to (1) Borrower, if the amount of such Net Insurance Proceeds is less than \$25,000 and applied by Borrower toward the cost of the Restoration, and (2) Lender, if the amount of such Net Insurance Proceeds is \$25,000 or greater. Net Insurance Proceeds paid to Lender shall be held and disbursed by Lender, or as Lender may from time to time direct, as the Restoration progresses, to pay or reimburse Borrower for the cost of the Restoration, upon written request of Borrower accompanied by evidence, reasonably satisfactory to Lender, that (aa) the Restoration is in full compliance with all Applicable Regulations and all private restrictions and requirements, (bb) the amount requested has been paid or is then due and payable and is properly a part of such cost, (cc) there are no mechanics' or similar liens for labor or materials theretofore supplied in connection with the Restoration, (dd) if the estimated cost of the Restoration exceeds the Net Insurance Proceeds (exclusive of Proceeds received from Borrower's business income insurance), Borrower has deposited into an escrow satisfactory to Lender such excess amount, which sum will be disbursed pursuant to escrow instructions satisfactory to Lender, and (ee) the balance of such Net Insurance Proceeds, together with the funds deposited into escrow, if any, pursuant to the preceding subsection (dd), after making the payment requested will be sufficient to pay the balance of the cost of the Restoration. Upon receipt by Lender of evidence reasonably satisfactory to it that the Restoration has been completed and the cost thereof paid in full, and that there are no mechanics' or similar liens for labor or materials supplied in connection therewith, the balance, if any, of such Net Insurance Proceeds shall be paid to Borrower. If at the time of the damage or destruction to the Collateral or at any time thereafter an Event of Default shall have

occurred and be continuing under the Loan Documents, all Net Insurance Proceeds shall be paid to Lender, and Lender may retain and apply the Net Insurance Proceeds toward the Obligations whether or not then due and payable, in such order, priority and proportions as Lender in its discretion shall deem proper, or to cure such Event of Default, or, in Lender's discretion, Lender may pay such Net Insurance Proceeds in whole or in part to Borrower to be applied toward the cost of the Restoration. If Lender shall receive and retain Net Insurance Proceeds, the lien of this Deed of Trust shall be reduced only by the amount received and retained by Lender and applied by Lender in reduction of the Obligations pursuant to the terms of the Loan Documents.

(b) *Condemnation.* (i) In case of a taking of all or any part of the Collateral or the commencement of any proceedings or negotiations which might result in a taking, for any public or quasi-public purpose by any lawful power or authority by exercise of the right of condemnation or eminent domain or by agreement between Lender, Borrower and those authorized to exercise such right ("Taking"), Borrower will promptly give written notice thereof to Lender, generally describing the nature and extent of such Taking. Lender shall file and prosecute on behalf of Lender and Borrower any and all claims for Proceeds, and all Proceeds on account of a Taking shall be paid to Lender.

(ii) In case of a Taking of the whole of the Collateral, other than for temporary use ("Total Taking"), or in case of a Taking of less than all of the Collateral ("Partial Taking"), the Loan Documents shall remain in full force and effect. In the case of a Partial Taking, Borrower, whether or not the Proceeds, if any, resulting from such Partial Taking are enough to complete the Restoration (but provided the Proceeds are made available by Lender for such purpose), at its own cost and expense, will promptly commence and complete the Restoration. In case of a Partial Taking, other than a temporary use, of such a substantial part of the Collateral as shall result in the Collateral remaining after such Partial Taking being unsuitable for use, such Taking shall be deemed a Total Taking.

(iii) In case of a temporary use of the whole or any part of the Collateral by a Taking, the Loan Documents shall remain in full force and effect without any reduction of any monetary sum payable under the Loan Documents. In any proceeding for such Taking, Lender shall have the right to intervene and participate; provided that, if such intervention shall not be permitted, Borrower shall consult with Lender, its attorneys and experts, and make all reasonable efforts to cooperate with Lender in the prosecution or defense of such proceeding. At the termination of any such use or occupation of the Collateral, Borrower will, at its own cost and expense, promptly commence and complete the Restoration.

(iv) Proceeds on account of a Taking, less the costs, fees and expenses incurred by Lender and Borrower in connection with the collection thereof, including, without limitation, attorneys' fees and expenses, shall be applied in the following order:

(x) Proceeds received on account of a Total Taking shall be allocated as follows:

(aa) There shall be paid to the Lender an amount up to the sum of the outstanding principal, including all sums advanced by Lender hereunder, and interest and prepayment premium or fee under the Note, all as of the date on which such payment is made, such amount shall be applied first against all sums advanced by Lender under this Deed of Trust, second against the accrued but unpaid interest on the Note, and third to the remaining unpaid principal amount of the Note. If the Proceeds received on account of a Total Taking are not sufficient to satisfy the outstanding principal balance of the Note, all accrued but unpaid interest on the Note, all other sums due under the Note, all sums advanced by Lender under this Deed of Trust and all other sums due and payable under this Deed of Trust and the other Loan Documents corresponding to the Premises (collectively, the "Outstanding Obligations"), Borrower shall pay to Lender simultaneously with the payment of such Proceeds to Lender the difference between the amount of such Proceeds and the amount of the Outstanding Obligations.

(bb) Any remaining balance shall be paid to Borrower.

(y) Proceeds received on account of a Partial Taking shall be held and allocated as follows:

(i) first, toward the cost of the Restoration, such application of net awards and other payments to be made substantially in the manner provided in Section 4.01(a)(iii) of this Deed of Trust; and

(ii) then, all or any portion of the balance of such proceeds shall, in Lender's sole discretion, either be paid to:

(1) Lender, as the holder of this Deed of Trust, and applied toward the Outstanding Obligations in such order, priority and proportion, and at such time on or prior to the Maturity Date (as defined in the Note), as Lender shall determine; or

(2) Borrower; provided, however, in Lender's sole discretion, such proceeds shall be pledged to Lender to secure the Outstanding Obligations pursuant to a security agreement reasonably satisfactory to Lender, or, with Lender's consent, Borrower shall provide Lender with alternative security satisfactory to Lender in its sole discretion.

Lender may deposit any funds held by it in accounts insured by any federal or state agency and may commingle such funds with other funds and accounts of Lender. Interest or gains from such funds, if any, shall be the sole property of Lender.

(z) Proceeds received on account of a Taking for temporary use shall be held by Lender and applied to the payment of the monthly installments of combined interest and principal becoming due under the Note, until such Taking for temporary use is terminated and the Restoration, if any, has been completed; provided, however, that, if any portion of any such award or payment is made by reason of any damage to or destruction of the Collateral, such portion shall be held and applied as provided in Section 4.01(a)(iii) hereof. The balance, if any, of such awards and payments shall be paid to Borrower.

(v) Notwithstanding the foregoing, if at the time of any Taking or at any time thereafter an Event of Default shall have occurred and be continuing under the Loan Documents, Lender is hereby authorized and empowered, in the name and on behalf of Borrower and otherwise, to file and prosecute Borrower's claim, if any, for an award on account of any Taking and to collect such award and apply the same, after deducting all costs, fees and expenses incident to the collection thereof (the "Net Award"), toward the Obligations whether or not then due and payable, in such order, priority and proportions as Lender in its discretion shall deem proper, or to cure such Event of Default, or, in Lender's discretion, Lender may pay the Net Award in whole or in part to Borrower to be applied toward the cost of the Restoration. If Lender shall receive and retain the Net Award, the lien of this Deed of Trust shall be reduced only by the amount received and retained by Lender and actually applied by Lender in reduction of the Obligations.

Section 4.02. **Conveyance in Anticipation of Condemnation, Granting of Easements, Etc.** If no Event of Default shall have occurred and be continuing, Borrower may, from time to time with respect to its interest in the Collateral, and with Lender's prior written consent, (i) sell, assign, convey or otherwise transfer any interest therein to any person legally empowered to take such interest under the power of eminent domain, (ii) grant easements and other rights in the nature of easements, (iii) release existing easements or other rights in the nature of easements which are for the benefit of the Collateral, (iv) dedicate or transfer unimproved portions of the Collateral for road, highway or other public purposes, (v) execute petitions to have the Collateral annexed to any municipal corporation or utility district, and (vi) execute and deliver to any person any instrument appropriate to confirm or effect such grants, releases, dedications and transfers.

Section 4.03. **Lender's Power.** At any time, or from time to time, without liability therefor, Lender, without affecting the personal liability of any person for payment of the Obligations or the effect of this Deed of Trust upon the remainder of said Collateral, may from time to time without notice (i) release any part of said Collateral, (ii) consent in writing to the making of any map or plat thereof, (iii) join in granting any easement thereon, (iv) join in any extension agreement or any agreement subordinating the lien or charge hereof, (v) release any person so liable, (vi) extend the maturity or alter any of the terms of any Obligations, (vii) grant other indulgences, (viii) take or release any other or additional security for any Obligations, (ix) make compositions or other arrangements with debtors in relation thereto, or (x) advance additional funds to protect the security hereof or

to pay or discharge the Obligations in the event Borrower fails to do so, and all amounts so advanced shall be secured hereby and shall be due and payable upon demand by Lender.

ARTICLE V

SECURITY INTEREST

Section 5.01. *Security Agreement.* With respect to the Personal Property or any portion of the Collateral which constitutes fixtures or other property governed by the UCC, this Deed of Trust shall constitute a security agreement between Borrower, as the debtor, and Lender, as the secured party, and Borrower hereby grants to Lender a security interest in such portion of the Collateral. Cumulative of all other rights of Lender hereunder, Lender shall have all of the rights conferred upon secured parties by the UCC. Borrower authorizes Lender to file financing statements with respect to the security interest of Lender, continuation statements with respect thereto, and any amendments to such financing statements which may be necessitated by reason of any of the changes described in Section 6.C of the Loan Agreement. Furthermore, at any time, and from time to time, Borrower will execute and deliver to Lender all financing statements that may from time to time be required by Lender to establish and maintain the validity and priority of the security interest of Lender, or any modification thereof. Lender may exercise any or all of the remedies of a secured party available to it under the UCC with respect to such property. If, upon the occurrence and during the continuance of an Event of Default, Lender proceeds to dispose of such property in accordance with the provisions of the UCC, 10 days' notice by Lender to Borrower shall be deemed to be reasonable notice under any provision of the UCC requiring such notice; provided, however, that Lender may at its option dispose of such property in accordance with Lender's rights and remedies with respect to the real property pursuant to the provisions of this Deed of Trust, in lieu of proceeding under the UCC. Borrower represents that its exact legal name and state of formation or organization are as set forth in the first paragraph of this Deed of Trust. Borrower agrees that, notwithstanding any provision in the UCC to the contrary, Borrower shall not file a termination statement of any financing statement filed by Lender in connection with any security interest granted under this Deed of Trust if Lender reasonably objects to the filing of such termination statement.

Section 5.02. *Effective as a Financing Statement and Fixture Filing.* This Deed of Trust shall be effective as a financing statement filed as a fixture filing with respect to all fixtures included within the Collateral and is to be filed for record in the real estate records of each county where any part of the Collateral (including said fixtures) is situated. This Deed of Trust shall also be effective as a financing statement covering any other portion of the Collateral and may be filed in any other appropriate filing or recording office. The mailing address of Borrower is the address of Borrower set forth in the introductory paragraph of this Deed of Trust, and the address of the Lender from which information concerning the security interests hereunder may be obtained is the address of Lender as set forth in the introductory paragraph of this Deed of Trust. A carbon, photographic or other reproduction of this Deed of Trust or of any financing statement relating to this Deed of Trust shall be sufficient as a financing statement for any of the purposes referred to in this Section.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.01. *Events of Default.* Each of the following shall be an event of default under this Deed of Trust (each an "Event of Default"):

(i) If any principal, interest or other monetary sum due under the Note, this Deed of Trust or any other Loan Document is not paid within five days after the date when due.

(ii) Subject to the provisions of Section 3.05(b) of this Deed of Trust, if Borrower fails to pay, prior to delinquency, any taxes, assessments or other charges the failure of which to pay will result in the imposition of a lien against the Collateral pursuant to Applicable Regulations.

(iii) If Borrower shall fail to maintain insurance in accordance with the requirements of Section 3.06 of this Deed of Trust.

(iv) If Borrower fails to observe or perform any of the covenants, conditions, or obligations of this Deed of Trust, provided, however, if any such failure does not involve the payment of any principal, interest or other monetary sum due under the Note, is not willful or intentional, does not place any rights or interest in collateral of Lender in immediate jeopardy, and is within the reasonable power of Borrower to promptly cure after receipt of notice thereof, all as determined by Lender in its reasonable discretion, then such failure shall not constitute an Event of Default hereunder, unless otherwise expressly provided herein, unless and until Lender shall have given Borrower notice thereof and a period of 30 days shall have elapsed, during which period Borrower may correct or cure such failure, upon failure of which an Event of Default shall be deemed to have occurred hereunder without further notice or demand of any kind being required. If such failure cannot reasonably be cured within such 30-day period, as determined by Lender in its reasonable discretion, and Borrower is diligently pursuing a cure of such failure, then Borrower shall have a reasonable period to cure such failure beyond such 30-day period, which shall in no event exceed 90 days after receiving notice of the failure from Lender. If Borrower shall fail to correct or cure such failure within such 90-day period, an Event of Default shall be deemed to have occurred hereunder without further notice or demand of any kind being required.

(v) If there is any other "Event of Default" under the Loan Agreement.

(vi) If there is a breach or default (beyond any applicable notice and cure period) of the Sublease.

Section 6.02. **Remedies.** Upon the occurrence and during the continuance of an Event of Default subject to the limitations set forth in Section 6.01, Lender may declare all or any part of the Obligations to be due and payable, and the same shall thereupon become due and payable without any presentment, demand, protest or notice (including notice of intent to accelerate and notice of acceleration) of any kind except as otherwise expressly provided herein. Furthermore, upon the occurrence and during the continuance of an Event of Default, Lender may:

(i) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon and take possession of the Collateral or any part thereof and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Collateral, or part thereof or interest therein, the income therefrom or protect the security hereof and, with or without taking possession of the Collateral, take any action described herein, sue for or otherwise collect the Rents, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection including reasonable attorneys' fees, upon any Obligations, all in such order as Lender may determine and pursuant to applicable law. The entering upon and taking possession of the Collateral, the taking of any action described herein, the collection of such Rents, and the application thereof as aforesaid, shall not cure or waive any Event of Default or notice of default or invalidate any act done in response to such Event of Default or pursuant to such notice of default and, notwithstanding the continuance in possession of the Collateral or the collection, receipt and application of Rents, Lender shall be entitled to exercise every right provided for in any of the Loan Documents or by law upon any Event of Default, including the right to exercise the power of sale herein conferred;

(ii) Commence an action to foreclose this Deed of Trust in a single parcel or in several parcels, appoint a receiver or specifically enforce any of the covenants hereof;

(iii) Exercise any or all of the remedies available to a secured party under the Uniform Commercial Code as adopted in the State ("UCC"), including, without limitation:

(1) Either personally or by means of a court appointed receiver, commissioner or other officer, take possession of all or any of the Personal Property and exclude therefrom Borrower and all others claiming under Borrower, and thereafter hold, store, use, operate, manage, maintain and control, make repairs, replacements, alterations, additions and improvements to and exercise all rights and powers of Borrower in respect of the Personal Property or any part thereof. In the event Lender demands or attempts to take possession of the Personal Property in the exercise of any rights under any of the Loan Documents, Borrower promises and agrees to promptly turn over and deliver complete possession thereof to Lender;

(2) Without notice to or demand upon Borrower, make such payments and do such acts as Lender may deem necessary to protect its security interest in the Personal Property, including, without limitation, paying, purchasing, contesting or compromising any encumbrance, charge or lien which is prior to or superior to the security interest granted hereunder and, in exercising any such powers or authority, to pay all expenses incurred in connection therewith;

(3) Require Borrower to assemble the Personal Property or any portion thereof, at the Premises, and promptly to deliver such Personal Property to Lender, or an agent or representative designated by it. Lender, and its agents and representatives, shall have the right to enter upon any or all of Borrower's premises and property to exercise Lender's rights hereunder;

(4) Sell, lease or otherwise dispose of the Personal Property at public sale, with or without having the Personal Property at the place of sale, and upon such terms and in such manner as Lender may determine. Lender may be a purchaser at any such sale;

(5) Unless the Personal Property is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender shall give Borrower at least 10 days' prior written notice of the time and place of any public sale of the Personal Property or other intended disposition thereof. Such notice may be delivered to Borrower at the address set forth at the beginning of this Deed of Trust and shall be deemed to be given as provided herein; and

(6) Any sale made pursuant to the provisions of this subsection shall be deemed to have been a public sale conducted in a commercially reasonable manner if held contemporaneously with the sale of all or a portion of the other Collateral under power of sale as provided herein upon giving the same notice with respect to the sale of the Personal Property hereunder as is required for such sale of the other Collateral under power of sale, and such sale shall be deemed to be pursuant to a security agreement covering both real and personal property under the UCC.

(iv) [Intentionally Left Blank]

(v) Apply any sums then deposited in the impound account described in Section 3.07 toward payment of the taxes, assessment and insurance premiums for the Collateral and/or as a credit on the Obligations in such priority and proportion as Lender may determine in its sole discretion;

(vi) If held by Lender, surrender the insurance policies maintained pursuant to Section 3.06, collect the unearned insurance premiums and apply such sums as a credit on the Obligations in such priority and proportion as Lender in its sole discretion shall deem proper, and in connection therewith, Borrower hereby appoints Lender as agent and attorney-in-fact (which is coupled with an interest and is therefore irrevocable) for Lender to collect such insurance premiums; and

If Lender elects to sell Borrower's interest in the Collateral by exercise of the power of sale herein contained, Lender shall cause such sale to be performed in the manner then required by law.

(a) Upon receipt of such notice from Lender and at the direction of Lender, Trustee shall cause to be recorded, published and delivered such notices of default and notices of sale as may then be required by law and by this Deed of Trust. Trustee shall, only at the direction of Lender and without demand on Borrower, after such time as may then be required by law and after recordation of such notice of default and after notice of sale having been given as required by law, sell Borrower's interest in the Collateral at the time and place of sale fixed by it, either as a whole, or in separate lots or parcels or items as Lender shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale, or as otherwise may then be required by law. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustee, Borrower or Lender may purchase at such sale. Trustee or

Lender may sell not only the real property but also the Personal Property and other interests which are a part of the Collateral, or any part thereof, as a unit and as a part of a single sale, or may sell any part of the Collateral separately from the remainder of the Collateral. Lender shall not be required to take possession of any part of the Collateral or to have any of the Personal Property present at any sale of the Collateral. Lender may appoint or delegate any one or more persons as agent to perform any act or acts necessary or incident to any sale held by Trustee or Lender, including the posting of notices and the conduct of sale, but in the name and on behalf of Lender. In the event any sale hereunder is not completed or is defective in the opinion of Trustee or Lender, such sale shall not exhaust the power of sale hereunder, and Trustee or Lender shall have the right to cause a subsequent sale or sales to be made hereunder.

(b) As may be permitted by law, Lender shall apply the proceeds of sale (i) first, to payment of all costs, fees and expenses, including attorneys' fees and expenses incurred by Lender in exercising the power of sale or foreclosing this Deed of Trust, (ii) second, to the payment of the Obligations (including, without limitation, the principal, accrued interest and other sums due and owing under the Note and the amounts due and owing to Lender under this Deed of Trust) in such manner and order as Lender may elect, and (iii) third, the remainder, if any, shall be paid to Borrower, or to Borrower's heirs, devisees, representatives, successors or assigns, or such other persons as may be entitled thereto.

(c) Trustee may in the manner provided by law postpone sale of all or any portion of the Collateral.

Section 6.03. *Appointment of Receiver.* If an Event of Default shall have occurred and be continuing, Lender, as a matter of right and without notice to Borrower or anyone claiming under Borrower, and without regard to the then value of the Collateral or the interest of Borrower therein, or the insolvency of Borrower or the then-owner of the Collateral, may seek the appointment of a receiver for the Collateral upon *ex parte* application to any court of the competent jurisdiction. Borrower waives any right to any hearing or notice of hearing prior to the appointment of a receiver. Such receiver shall be empowered (a) to take possession of the Collateral and any businesses conducted by Borrower thereon and any business assets used in connection therewith, (b) to exclude Borrower and Borrower's agents, servants and employees from the Collateral, or, at the option of the receiver, in lieu of such exclusion, to collect a fair market rental from any such persons occupying any part of the Collateral, (c) to collect the Rents, (d) to complete any construction that may be in progress, (e) to continue the development, marketing and sale of the Collateral, (f) to do such maintenance and make such repairs and alterations as the receiver deems necessary, (g) to use all stores of materials, supplies and maintenance equipment on the Collateral and replace such items at the expense of the receivership estate, (h) to pay all taxes and assessments against the Collateral, all premiums for insurance thereon, all utility and other operating expenses, and all sums due under any prior or subsequent encumbrance, (i) to request that Lender advance such funds as may reasonably be necessary to the effective exercise of the receiver's powers, on such terms as may be agreed upon by the receiver and Lender, but not in excess of the Default Rate, and (j) generally to do anything that Borrower could legally do if Borrower were in possession of the Collateral. All expenses incurred by the receiver or his agents, including obligations to repay funds borrowed by the receiver, shall constitute a part of the Obligations. Any revenues collected by the receiver shall be applied first to the expenses of the receivership, including reasonable attorneys' fees incurred by the receiver and by Lender, together with interest thereon at the highest rate of interest applicable in the Note from the date incurred until repaid, and the balance shall be applied toward the Obligations or in such other manner as the court may direct.

Section 6.04. *Remedies Not Exclusive.* Lender shall be entitled to enforce payment and performance of any Obligations and to exercise all rights and powers under this Deed of Trust or under any Loan Documents or Other Agreement or any laws now or hereafter in force, notwithstanding some or all of the Obligations may now or hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien, assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement, whether by court action or pursuant to the power of sale or other powers herein contained, shall prejudice or in any manner affect Lender's right to realize upon or enforce any other security now or hereafter held by Lender, it being agreed that Lender shall be entitled to enforce this Deed of Trust and any other security now or hereafter held by Lender in such order and manner as it may in its absolute discretion determine. No remedy herein conferred upon or reserved to Lender is intended to be exclusive of any other remedy given hereunder or now or hereafter existing at law or in equity or by statute. Every power or remedy given by any of the Loan Documents to Lender, or to which Lender may be otherwise entitled, may be exercised,

concurrently or independently, from time to time and as often as may be deemed expedient by Lender. Lender may pursue inconsistent remedies.

The acceptance by Lender of any sum after the same is due shall not constitute a waiver of the right either to require prompt payment, when due, of all other sums hereby secured or to declare a subsequent Event of Default as herein provided. The acceptance by Lender of any sum in an amount less than the sum then due shall be deemed an acceptance on account only and upon condition that it shall not constitute a waiver of the obligation of Borrower to pay the entire sum then due, and failure of Borrower to pay such entire sum then due shall be an Event of Default, notwithstanding such acceptance of such amount on account, as aforesaid. Lender shall be, at all times thereafter and until the entire sum then due as contemplated by the Loan Documents shall have been paid, and notwithstanding the acceptance by Lender thereafter of further sums on account, or otherwise, entitled to exercise all rights in this instrument conferred upon them or either of them, and the right to proceed with a sale under any notice of default, or an election to sell, or the right to exercise any other rights or remedies hereunder, shall in no way be impaired, whether any of such amounts are received prior or subsequent to such proceeding, election or exercise. Consent by Lender to any action or inaction of Borrower which is subject to consent or approval of Lender hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions or inactions.

Section 6.05. **Possession of Collateral.** In the event of a trustee's sale or foreclosure sale hereunder and after the time of such sale, Borrower occupies the portion of the Collateral so sold, or any part thereof, Borrower shall immediately become the tenant of the purchaser at such sale, which tenancy shall be a tenancy from day to day, terminable at the will of either tenant or landlord, at a reasonable rental per day based upon the value of the portion of the Collateral so occupied, such rental to be due and payable daily to the purchaser. An action of unlawful detainer shall lie if the tenant holds over after a demand in writing for possession of such Collateral; and this Deed of Trust and a trustee's or sheriff's deed shall constitute a lease and agreement under which the tenant's possession arose and continued. Nothing contained in this Deed of Trust shall be construed to constitute Lender as a "mortgagee in possession" in the absence of its taking actual possession of the Collateral pursuant to the powers granted herein.

Section 6.06. **Waiver of Rights.** Borrower waives the benefit of all laws now existing or that hereafter may be enacted (i) providing for any appraisal before sale of any portion of the Collateral, or (ii) in any way extending the time for the enforcement of the collection of the Obligations or creating or extending a period of redemption from any sale made in collecting the Obligations. Borrower agrees that Borrower will not at any time insist upon, plea, claim or take the benefit or advantage of any law now or hereafter in force providing for any appraisal, valuation, stay, extension, redemption or homestead exemption, and Borrower, for Borrower, Borrower's representatives, successors and assigns, and for any and all persons ever claiming any interest in the Collateral, hereby waives and releases all rights of redemption, valuation, appraisal, stay of execution, homestead exemption, notice of election to mature or declare due the whole of the Obligations and marshaling in the event of foreclosure of the liens hereby created. If any law referred to in this Section and now in force, of which Borrower, Borrower's heirs, devisees, representatives, successors and assigns or other person might take advantage despite this Section, shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to preclude the application of this Section. Borrower expressly waives and relinquishes any and all rights, remedies and defenses that Borrower may have or be able to assert by reason of the laws of the State pertaining to the rights, remedies and defenses of sureties.

Section 6.07. **Relief From Stay.** In the event that Borrower commences a case under the Code or is the subject of an involuntary case that results in an order for relief under the Code, subject to court approval, Lender shall thereupon be entitled and Borrower irrevocably consents to relief from any stay imposed by Section 362 of the Code on or against the exercise of the rights and remedies otherwise available to Lender as provided in the Loan Documents and Borrower hereby irrevocably waives its rights to object to such relief. In the event Borrower shall commence a case under the Code or is the subject of an involuntary case that results in an order for relief under the Code, Borrower hereby agrees that no injunctive relief against Lender shall be sought under Section 105 or other provisions of the Code by Borrower or other person or entity claiming through Borrower, nor shall any extension be sought of the stay provided by Section 362 of the Code.

Section 6.08. **Cash Collateral.** Borrower hereby acknowledges and agrees that in the event that Borrower commences a case under the Code or is the subject of an involuntary case that results in an order for relief under the Code: (i) that all of the Rents are, and shall for purposes be deemed to be, "proceeds, product, offspring, rents, or

profits" of the Premises covered by the lien of this Deed of Trust, as such quoted terms are used in Section 552(b) of the Code; (ii) that in no event shall Borrower assert, claim or contend that any portion of the Rents are, or should be deemed to be, "accounts" or "accounts receivable" within the meaning of the Code and/or applicable state law; (iii) that the Rents are and shall be deemed to be in any such bankruptcy proceeding "cash collateral" of Lender as that term is defined in Section 363 of the Code; and (iv) that Lender has valid, effective, perfected, enforceable and "choate" rights in and to the Rents without any further action required on the part of Lender to enforce or perfect its rights in and to such cash collateral, including, without limitation, providing notice to Borrower under Section 546(b) of the Code.

Section 6.09. *Assignment of Rents and Leases.* (a) Borrower hereby assigns, transfers, conveys and sets over to Lender all of Borrower's estate, right, title and interest in, to and under the Leases, whether existing on the date hereof or hereafter entered into, together with any changes, extensions, revisions or modifications thereof and all rights, powers, privileges, options and other benefits of Borrower as the lessor under the Leases regarding the current tenants and any future tenants, and all the Rents from the Leases, including those now due, past due or to become due. Borrower irrevocably appoints Lender its true and lawful attorney-in-fact, at the option of Lender, at any time and from time to time upon the occurrence and during the continuance of an Event of Default, to take possession and control of the Premises, pursuant to Borrower's rights under the Leases, to exercise any of Borrower's rights under the Leases, and to demand, receive and enforce payment, to give receipts, releases and satisfaction and to sue, in the name of Borrower or Lender, for all of the Rents. The power of attorney granted hereby shall be irrevocable and coupled with an interest and shall terminate only upon the payment of all sums due Lender for all losses, costs, damages, fees and expenses whatsoever associated with the exercise of this power of attorney, and Borrower hereby releases Lender from all liability (other than as a result of the gross negligence or willful misconduct of Lender) whatsoever for the exercise of the foregoing power of attorney and all actions taken pursuant thereto. The consideration received by Borrower to execute and deliver this assignment and the liens and security interests created herein is legally sufficient and will provide a direct economic benefit to Borrower. It is intended by Borrower and Lender that the assignment set forth herein constitutes a collateral assignment and not merely an assignment for additional security. Notwithstanding the foregoing, this assignment shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions of Borrower contained in the Leases or otherwise to impose any obligation upon Lender, and, so long as no Event of Default shall have occurred and be continuing, Borrower shall have a license, revocable upon an Event of Default, to possess and control the Premises and collect and receive all Rents. Upon an Event of Default, such license shall be automatically revoked.

(b) Upon the occurrence and during the continuance of an Event of Default, Lender may, at any time without notice (except if required by applicable law), either in person, by agent or by a court-appointed receiver, regardless of the adequacy of Lender's security, and at its sole election (without any obligation to do so), enter upon and take possession and control of the Premises, or any part thereof, to perform all acts necessary and appropriate to operate and maintain the Premises, including, but not limited to, execute, cancel or modify the Leases, make repairs to the Premises, execute or terminate contracts providing for the management or maintenance of the Premises, all on such terms as are deemed best to protect the security of this assignment, and in Lender's or Borrower's name, sue for or otherwise collect such Rents as specified in this Deed of Trust as the same become due and payable, including, but not limited to, Rents then due and unpaid. Lender may so sue for or otherwise collect such Rents with or without taking possession of the Premises. Borrower agrees that upon the occurrence and during the continuance of an Event of Default, each tenant of the Premises shall make its rent payable to and pay such rent to Lender (or Lender's agents) on Lender's written demand therefor, delivered to such tenant personally, by mail, or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of an Event of Default by Borrower.

(c) Rents collected subsequent to any Event of Default shall be applied at the direction of, and in such order as determined by, Lender to the costs, if any, of taking possession and control of and managing the Premises and collecting such amounts, including, but not limited to, reasonable attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Premises, premiums on insurance policies, taxes, assessments and other charges on the Premises, and the costs of discharging any obligation or liability of Borrower with respect to the Leases and to the sums secured by this Deed of Trust. Lender or the receiver shall have access to the books and records used in the operation and maintenance of the Premises and shall be liable to account only for those Rents actually received.

(d) Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Premises by reason of anything done or left undone by Lender hereunder, except to the extent of Lender's gross negligence or willful misconduct.

(e) Any entering upon and taking possession and control of the Premises by Lender or the receiver and any application of Rents as provided herein shall not cure or waive any Event of Default hereunder or invalidate any other right or remedy of Lender under applicable law or provided therein.

In the event of a breach or default by Borrower under the Ground Lease, Lender shall have the right to cure such breach or default on behalf of Borrower and all costs and expenses incurred by Lender in connection therewith shall constitute a part of the Obligations and shall be secured by this Deed of Trust.

Section 6.10. **Sublessor Bankruptcy.** (a) In the event that any action, proceeding, application, motion or notice shall be commenced or filed in respect of the Sublessor, or in respect of all or any part of the Collateral (including, without limitation, suits relating to the rejection or disaffirmance of the Sublease), in connection with any case under the Code or any other applicable federal or state law relating to relief for debtors, Lender shall have, and is hereby granted, the right, but not the obligation, to the exclusion of Borrower exercisable upon notice from Lender to Borrower, to conduct and control any such litigation (including, without limitation, the right to file and prosecute any proofs of claim, complaints, motions, applications, notices and other documents) with counsel of Lender's choice. Lender may proceed, in its own name or in the name of Borrower, in connection with any such litigation, and Borrower agrees to execute any and all powers, authorizations, consents and other documents required by Lender in connection therewith. Upon request by Lender, Borrower shall pay to Lender, or to any other person or persons that Lender may designate, all costs, expenses and liabilities (including, without limitation, attorneys' fees and court costs) paid or incurred by Lender in connection with the prosecution or conduct of any such proceedings, together with interest thereon at the Default Rate from the date paid or incurred by Lender until the date so paid to, or as directed by, Lender. Borrower shall not, without the prior written consent of Lender, commence any action, suit, proceeding or case, or file any application or motion, in respect of the Sublease in any such case under the Code or any other applicable federal or state law relating to relief for debtors.

(b) Borrower shall promptly after obtaining knowledge thereof, notify Lender of any filing by or against the Sublessor of a petition under the Code. Borrower shall thereafter forthwith give written notice of such filing to Lender, setting forth any information available to Borrower as to the date of such filing, the court in which such petition was filed, and the relief sought therein. Borrower shall promptly deliver to Lender, following receipt, any and all notices, summonses, pleadings, applications and other documents received by Borrower in connection with any such petition and proceeding related thereto.

Section 6.11. **Sublease Rejection.** (a) Borrower hereby unconditionally assigns, transfers and sets over unto Lender all of Borrower's claims and rights to the payment of damages that may hereafter arise as a result of any rejection or disaffirmance of the Sublease by the Sublessor (whether as debtor in possession or otherwise), or by any trustee of the Sublessor, pursuant to the Code. Lender shall have and is hereby granted the right to proceed, in its own name or in the name of Borrower, in respect of any claim, suit, action or proceeding relating to the rejection or disaffirmance of the Sublease (including, without limitation, the right to file and prosecute, to the exclusion of Borrower, any proofs of claim, complaints, motions, applications, notices and other documents) in any case in respect of the Sublessor under the Code. This assignment constitutes a present, irrevocable and unconditional assignment of the foregoing claims, rights and remedies, and shall continue in effect until the Obligations shall have been satisfied and discharged in full. Any amounts received by Lender as damages arising out of any such rejection or disaffirmance of the Sublease shall be applied first to all costs and expenses of Lender (including, without limitation, attorneys' fees) in connection with the exercise of its rights under this paragraph and then, in such manner as Lender shall determine, to the reduction of the Obligations, whether or not then due, and the balance, if any, shall then be paid to Borrower.

(b) If Sublessor rejects the Sublease pursuant to the Code, Borrower agrees that it will not elect to treat the Sublease as terminated but will elect to remain in possession of the leasehold interest as provided in 11 U.S.C. § 365(h)(1)(A)(ii), make lease payments subject to allowable setoffs under 11 U.S.C. § 365(h) and retain its rights under the Sublease.

(c) No release or forbearance of any of Borrower's obligations under the Sublease, pursuant to the Sublease or otherwise, including, without limitation, Borrower's obligations with respect to the payment of rent as provided for in the Sublease and the performance of all the terms, provisions, covenants, conditions and agreements contained in the Sublease to be kept, performed or complied with by tenant therein, shall release Borrower from any of Borrower's obligations under this Deed of Trust. The lien of this Deed of Trust attaches to all of Borrower's rights and remedies at any time arising under or pursuant to Subsection 365(h) of the Bankruptcy Code, including, without limitation, all of Borrower's rights to remain in possession of the Collateral.

(d) In the event that a petition under the Code shall be filed by or against Borrower and Borrower (whether as debtor in possession or otherwise) or any trustee of Borrower shall decide to reject or disaffirm the Sublease pursuant to the Code, Borrower shall give Lender at least 10 days' prior written notice of the date on which application or motion shall be filed with the court for authority to reject or disaffirm the Sublease. In that event, or in the event that no affirmative action to assume, reject or disaffirm the Sublease pursuant to the Code shall have been taken within 30 days after the date of filing of such petition, then Lender shall have the right, but not the obligation, to serve upon Borrower or such trustee a notice stating that (i) Lender demands that Borrower (whether as debtor in possession or otherwise) or such trustee assume and assign the Sublease to Lender pursuant to Section 365 of the Code, and (ii) Lender covenants to cure, or provide adequate assurance of prompt cure of, all defaults and provide adequate assurance of future performance under the Sublease. In the event that Lender serves such notice upon Borrower or such trustee, neither Borrower (whether as debtor in possession or otherwise) nor such trustee shall seek to reject or disaffirm the Sublease and Borrower (whether as debtor in possession or otherwise) and such trustee shall comply with such demand within 20 days after such notice shall have been given, subject to Lender's performance of such covenant.

(e) Borrower hereby assigns, transfers and sets over to Lender a nonexclusive right to apply to the Bankruptcy Court under Section 365 of the Code for an order extending the period during which the Sublease may be rejected, disaffirmed or assumed after the entry of any order for relief in respect of Borrower under Chapter 7 of the Code.

ARTICLE VII

MISCELLANEOUS

Section 7.01. **Satisfaction.** If and when the Obligations shall have become due and payable (whether by lapse of time or by acceleration or by the exercise of the privilege of prepayment), and Borrower shall pay or cause to be paid (provided such payment is permitted or required by the Note) the full amount thereof and shall also pay or cause to be paid all other sums payable by the Borrower Parties to the Lender Entities with respect to the Obligations, then this Deed of Trust shall be void (otherwise it shall remain in full force and effect in law and equity forever) and Lender agrees to execute an instrument evidencing the satisfaction of all obligations under this Deed of Trust and releasing this Deed of Trust which shall be prepared and recorded at Borrower's sole expense.

Section 7.02. **Limitation of Rights of Others.** Nothing in this Deed of Trust is intended or shall be construed to give to any person, other than Borrower and the holder of the Note, any legal or equitable right, remedy or claim under or in respect of this Deed of Trust or any covenant, condition or provision herein contained.

Section 7.03. **Severability.** In case any one or more of the provisions contained herein or in the Guaranty shall be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Deed of Trust shall be construed as if such provision had never been contained herein or therein.

Section 7.08. *Forum Selection; Jurisdiction; Venue; Choice of Law.* Borrower acknowledges that this Deed of Trust was substantially negotiated in the State of New York, this Deed of Trust was executed and delivered in the State of New York and there are substantial contacts between the parties and the transactions contemplated herein and the State of New York. For purposes of any action or proceeding arising out of this Deed of Trust, the parties hereto expressly submit to the jurisdiction of all federal and state courts located in the State of New York. Borrower consents that it may be served with any process or paper by registered mail or by personal service within or without the State of New York in accordance with applicable law. The creation of this Deed of Trust and the rights and remedies of Lender with respect to the Collateral, as provided herein and by the laws of the State, shall be governed by and construed in accordance with the internal laws of the State without regard to its principles of conflicts of law. With respect to other provisions of this Deed of Trust, this Deed of Trust shall be governed by the internal laws of the State of New York, without regard to its principles of conflicts of law. Nothing in this Section shall limit or restrict the right of Lender to commence any proceeding in the federal or state courts located in the State to the extent Lender deems such proceeding necessary or advisable to exercise remedies available under the Deed of Trust or the other Loan Documents.

Such resignation shall take effect on the earlier of the date so specified or the appointment and acceptance of a successor trustee pursuant to Section 8.03.

Section 8.03. *Successor Trustee.* (a) Trustee may be removed at any time by notice from the holder of the Note, and Lender may appoint a successor trustee by recording a substitution trustee in the office of the register of deeds of the county in which the Premises are located. If Trustee shall have given notice of its intention to resign, shall resign, be removed or otherwise be incapable of acting, or if Trustee shall be taken under the control of any public officer or a receiver appointed by a court, or be adjudged a bankrupt or insolvent, then a successor may be appointed by the holder of the Note, provided that Borrower may appoint a successor trustee to act until such successor shall be so appointed. ARTICLE IX

STATE-SPECIFIC PROVISIONS

Section 9.01 *Principles of Construction.* In the event of any inconsistencies between the terms and conditions of this Article VIII and the terms and conditions of this Deed of Trust or any other Loan Document, the terms and conditions of this Article VIII shall control and be binding.

For purposes of Utah Code Annotated Section 57-1-28, Borrower agrees that all default interest, late charges, any prepayment premiums, swap breakage fees, and similar amounts, if any, owing from time to time under the Note, this Deed of Trust and the other Loan Documents shall constitute a part of and be entitled to the benefits of

Lender's lien upon the Collateral and Lender may add all such amounts to the principal balance to the principal balance of the Note, in its sole discretion, and Lender may include such amounts in any credit which Lender may make against its bid at a foreclosure sale of the Collateral pursuant to this Deed of Trust.

If Lender or its title insurer determines that a preliminary notice has been filed in the State Construction Registry prior to the time of the recording of this Deed of Trust, Borrower covenants and agrees to cause the lien claimant that filed such preliminary notice to withdraw the preliminary notice pursuant to Utah Code Annotated Section 38-1-5(3)(b)(ii) and Borrower shall provide to Lender written evidence acceptable to Lender and its title insurer that the lien claimant has accepted payment in full for construction services that the claimant furnished before the recording of this Deed of Trust pursuant to Utah Code Annotated Section 38-1-5(3)(b)(i) and that such lien claimant has agreed to re-file its withdrawn preliminary notice within 20 days of the date of withdrawal such that the priority for any pre-construction services lien or a construction services lien dates immediately after the recording of this Deed of Trust.

Borrower shall pay and promptly discharge, at Borrower's cost and expense, all liens, encumbrances and charges upon the Collateral, or any part thereof or interest therein whether inferior or superior to this Deed of Trust and keep and maintain the same free from the claim of all persons supplying labor, services or materials that will be used in connection with or enter into the construction of any and all buildings now being erected or that hereafter may be erected on the Collateral regardless of by whom such services, labor or materials may have been contracted, provided, however, that Borrower shall have the right to contest any such claim or lien so long as Borrower previously records a notice of release of lien and substitution of alternate security as contemplated by Utah Code Annotated Section 38-1-28 and otherwise complies with the requirements of Utah Code Annotated Section 38-1-28 to release the Collateral from such lien or claim. Notwithstanding the foregoing, Borrower may (A) with the prior written consent of Lender, contest the amount of any such lien or claim related to services, labor or materials in accordance with Utah Code Annotated Section 38-1-28(7) without previously recording a notice of release of lien and substitution of alternate security or (B) appropriately bond or reserve (in cash deposited with Lender) for any such lien or claim, as determined in Lender's reasonable discretion. If Borrower shall fail to remove and discharge any such lien, encumbrance or charge, or if Borrower shall dispute the amount thereof in contravention of the requirements hereof, then, in addition to any other right or remedy of Lender, Lender may, but shall not be obligated to, discharge the same either by paying the amount claimed to be due or by procuring the release of the Collateral from the effect of such lien, encumbrance or charge by obtaining a bond in the name of and for the account Borrower of and recording a notice of release of lien and substitution of alternate security in the name of Borrower, each as contemplated by Utah Code Annotated Section 38-1-28 or other applicable law, or otherwise by giving security for such claim. Borrower shall, immediately upon demand therefor by Lender, pay to Lender an amount equal to all costs and expenses incurred by Lender in connection with the exercise by Lender of the foregoing right to discharge any such lien, encumbrance or charge, including costs of any bond or additional security, together with interest thereon from the date of such expenditure at the default rate set forth in the Note.

As a condition precedent to any such sale following an Event of Default, Lender shall provide Trustee with all information and documents to enable the Trustee to give and record such notice as the law then requires, including Utah Code Annotated Section 57-1-24 and 26.

Upon sale of the Collateral at any judicial or non-judicial foreclosure, the Lender may credit bid, in accordance with applicable law, all or any portion of the Secured Obligations to the extent permitted by Utah Code Annotated Section 57-1-28.

Except as may be otherwise required by applicable law, after deducting all costs, fees and expenses of the Trustee, and of this trust, including, without limitation, cost of evidence of title and reasonable attorneys' fees in connection with sale and costs and expenses of sale and of any judicial proceeding wherein such sale may be made, the Trustee shall apply all proceeds of any foreclosure sale as provided in Utah Code Annotated, Section 57-1-29.

For purposes of Utah Code Annotated Section 57-1-25 and 78B-6-901.5, Borrower agrees that the stated purpose for which this Deed of Trust was given is not to finance residential rental property.

PURSUANT TO UTAH CODE ANNOTATED § 25-5-4, TRUSTOR IS NOTIFIED THAT THIS DEED OF TRUST, THE NOTE AND OTHER LOAN DOCUMENTS GOVERNING, EVIDENCING AND SECURING THE INDEBTEDNESS SECURED HEREBY REPRESENT THE FINAL AGREEMENT BETWEEN THE

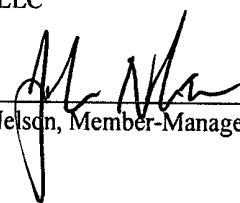

PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.

Borrower knowingly waives, to the fullest extent permitted by applicable law, the rights, protections and benefits afforded to Borrower under Utah Code Annotated §§78B-6-901 and 57-1-32 and any successor or replacement statute or any similar laws or benefits.

IN WITNESS WHEREOF, Borrower has executed and delivered this Deed of Trust as of the day and year first above written.
