2.3. Registered Agent. The registered agent of the Association shall be as provided for in entity filings of the Association.

2.4. Expansion of the Project. The Declarant reserves the right to expand the Project.

**ARTICLE III
DESCRIPTION OF THE UNITS**

3.1. The Unit.

- (a) The distinct Unit number that identifies the Unit on the Plat may or may not be consistent with the mailing address of the Unit.
- (b) Subject to further specification on the Plat, each Unit generally consists of all structures on or within the boundary of the Unit, including, but not limited to, all interior and exterior walls, wall surfaces, floors, ceilings, roofs, foundations, and fixtures, and, in all walls shared with or abutting another Unit, the Unit shall extend to the center of the wall, which shall form the boundary of the Units sharing that wall. Subject to dividing lines between Units, any above-ground structure that extends beyond the vertical plane of the ground-level boundary of the Unit is part of the Unit if it: (i) is part of and an integral part of the Unit structure (such as bay windows, pop-outs, eaves, etc., but not including fences or other appurtenant structures that merely connect to the Unit structure), or (ii) was constructed as part of the original construction of the Unit.
- (c) All pipes, wires, conduits, chutes, flues, ducts, shafts, water or sewer lines, other private or public utility line, and any other fixtures designated and designed to serve only one Unit, whether located within the designated vertical boundaries of a Unit or not, shall be part of the Unit.
- (d) Variances Between the Plat and As-Built Construction. The original construction shall be the controlling dimension for any Unit. The original construction shall be the first installation of foundations, framing, wallboard, and the like.

3.2. Limited Common Area. The right to the exclusive use of the Limited Common Area shall be appurtenant to the respective Unit or Units where so identified and may not be severed from the ownership of the Unit.

**ARTICLE IV
THE ASSOCIATION**

4.1. Organization of Association. The Association shall serve as the organizational body for all Owners. The Association shall be organized as a non-profit corporation. In the organization, reorganization, or amendment of any documents related to the legal organization of the Association, the terms in all such documents shall, to the extent possible under applicable law, be consistent with the terms in the Declaration and the Bylaws attached hereto or any lawful amendment thereto. If the legal entity should ever expire or be dissolved for any reason as required or permitted by law, in any reorganization or reinstatement of the entity, the Association

shall adopt, to the extent possible and subject to any then-existing legal requirements, documents consistent with the terms of the Declaration and Bylaws.

4.2. Membership. Membership in the Association at all times shall be comprised exclusively of the Owners. Each Owner shall be a member of the Association so long as such Owner has an ownership interest in a Unit and such membership shall automatically terminate when the Owner ceases to have an ownership interest in a Unit. Upon the transfer of an ownership interest in a Unit, the new Owner succeeding to such ownership interest shall likewise succeed to such membership in the Association. If title to a Unit is held by more than one person, the membership appurtenant to that Unit shall be shared by all such persons in the same proportional interest and by the same type of tenancy in which title to the Unit is held.

4.3. Board of Directors. The governing body of the Association shall be the Board of Directors selected pursuant to the Bylaws.

4.4. Board Acts for Association. Except as otherwise provided in this Declaration, Bylaws, or the Articles of Incorporation, the Board, in all instances, shall act on behalf of the Association.

4.5. Registration with the State. In compliance with the Act, the Association shall be registered with the Utah Department of Commerce and shall update its registration to keep any required information current as required under the Act.

4.6. Rights and Responsibilities of the Association. The Association shall have the rights and responsibilities set forth in this Article 4 in addition to any others set forth in the Governing Documents or provided by law. This includes, but is not limited to, setting budgets and collecting assessments, enforcing use restrictions, adopting rules, obtaining insurance, giving notice, holding meetings, and any other right or obligation given to the Association or the Board in this Declaration.

4.7. Association Obligation for Area of Common Responsibility. The Association shall be responsible for the maintenance, repair, and replacement requirements for the Common Areas. This shall include the right to modify, remove fixtures from, add fixtures and structures to, place signs upon, and otherwise modify the Common Areas. The Association shall do all such other and further acts that the Board deems necessary or appropriate to preserve and protect the Common Areas and the Project, in accordance with the general purposes specified in this Declaration. Nothing in the foregoing provisions of this Section, however, shall be construed to prevent Declarant or the Association from entering into shared maintenance or cost agreements with another homeowners association or with the City.

4.8. Payment of Common Expenses. The Association shall provide for the payment of the Common Expenses.

4.9. Setting and Collecting Assessments. The Association shall establish, collect, and account for Assessments as necessary to operate the Project consistent with the requirements of the Governing Documents.

4.10. Adopting and Enforcing Rules. The Association is empowered to adopt Rules for the regulation and operation of the Project. If Rules are adopted, they shall be consistently and uniformly enforced. The Rules may address any issues including those addressed in any other Governing Documents. The Rules may supplement, clarify, and add detail to issues or items addressed in the other Governing Documents so long as the Rules do not contradict the same. The Board's determination as to whether a particular activity being conducted or to be conducted violates or will violate the Rules shall be conclusive, subject to a judicial determination if any is timely sought. The standard for adoption of Rules is one of reasonableness. A Rule must be reasonable in light of the circumstances pertaining to the situation or issue addressed by the Rule.

4.11. Hiring Managers and Delegating Responsibilities. The Association may, but is not required to, engage a Manager to assist the Board in the management and operation of the Project and may delegate its powers and obligations in the Governing Documents to the Manager, employees, or other agents as it deems appropriate; provided, however, that only the Board shall have the right to approve Association budgets, and regular and special Assessments, and to provide a hearing requested to dispute a fine. Any powers and duties delegated to any Manager or other person may be revoked by the Board at any time, with or without cause. The Board shall be responsible to negotiate the terms of engagement, including compensation, benefits, and scope of services provided.

4.12. Other Necessary Rights. The Association shall have all other rights and authority reasonably necessary to carry out its obligations and to enforce the Governing Documents.

4.13. Enforcement Rights. In addition to any other remedies allowed or provided in the Governing Documents for any violation of the Governing Documents, the Association may: (a) impose fines; (b) collect rents directly from a non-Owner Occupant under a lease agreement if Owners fail to pay Assessments; (c) suspend voting rights; and (d) take any other action or seek any other remedy allowed by the Act or other applicable Utah law.

4.14. Reserve Fund. The Association shall maintain a reserve fund and shall obtain and update a Reserve Analysis as required by Utah law.

4.15. Annual Meeting. The Association shall arrange for and conduct an annual meeting of the Owners as provided for in the Bylaws and shall arrange for and conduct such other meetings of the Association properly request pursuant to the Governing Documents or the law.

ARTICLE V ASSESSMENTS

5.1. Obligation for Assessments. Each Owner, by accepting a deed to a Unit (regardless of whether it is expressly stated in such deed) shall be deemed to have covenanted and agreed to pay to the Association all Assessments that the Association is required or permitted to levy or impose on such Owner pursuant to this Declaration. This obligation is tied to ownership of Unit and exists regardless of whether or not a dwelling or other habitable or non-habitable structure has been constructed on the Unit.

5.2. Personal Obligation. Each Owner shall be personally liable for all Assessments and other charges levied on such Owner or such Owner's Unit during the period of such Owner's ownership of a Unit. If there is more than one Owner of a Unit, each Owner shall be jointly and severally liable with the other Owners of the Unit for all Assessments and other charges levied on the Unit or any Owner of the Unit. In a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor without prejudice to the grantee's rights to recover from the grantor the amount of Assessments paid by the grantee.

5.3. Budget. The Board shall present an annual financial report and proposed budget for the Association at the annual meeting of the members. Owners may disapprove of a proposed budget in the manner provided in the Act.

5.4. Payment. The Association shall levy as an Assessment upon each Unit a proportional share of the Common Expenses of the Association. Owners shall pay all Assessments levied against their Unit at such periodic intervals as may be required by the Association. Notwithstanding the foregoing, the Declarant shall have the right to pay all Common Expenses during the Declarant Control Period; if Declarant elects to do so, the Association shall not be obligation to levy Assessments against the Units.

5.5. Special Assessments. The Association is authorized to set and collect special assessments to pay for Common Expenses, payable as may be determined by the Association (i.e., lump sum or installments). In addition, the Association may levy a special assessment against a particular Unit or Owner for (a) costs incurred in bringing an Owner or Unit into compliance with the provisions of the Association's governing documents; (b) fines, late fees, collection charges, and interest; and (c) attorney's fees, costs, and other expenses relating to any of the above.

5.6. Lien. The Association shall have on a lien each Unit for any Assessment levied against that Unit and for any fines, late fees, penalties, interest, and attorney's fees and costs of collection imposed against the Owner of such Unit. The Association shall have all rights of foreclosure granted by the Act, both judicially and non-judicially. The Declarant appoints Melyssa D. Davidson as trustee, who qualifies under Utah Code Ann. § 57-1-21(1)(a)(i). The Declarant hereby conveys and warrants pursuant to Utah Code Ann. §§ 57-1-20 and 57-8a-302 to Melyssa D. Davidson, with power of sale, the Unit and all improvements to the Unit for the purpose of securing payment of assessments under the terms of the Declaration.

5.7. Collection Action. The Association may bring an action to recover a delinquent Assessment personally against the Owner obligated to pay the same. Any attorney's fees and costs incurred in this effort shall be assessed against the delinquent Owner and the Owner's Unit, and such attorney's fees and court costs will be added to the amount in delinquency.

5.8. No Offsets. All Assessments shall be payable at the time and in the amount specified by the Association, and no offsets shall be permitted for any reason.

ARTICLE VI GENERAL RIGHTS AND RESPONSIBILITIES OF OWNERS

6.1. Responsibilities of Owners. Owners shall have the rights and responsibilities set forth in this Article 6 in addition to any others set forth in the Governing Documents or provided by law.

6.2. Maintenance of the Unit. Except to the extent that maintenance, repair, and upkeep of Unit exteriors has been assigned to the Association, each Owner shall be responsible to maintain the Unit in an attractive, neat, clean, usable, safe, and sanitary condition, in accordance with the Governing Documents.

6.3. Responsibility for Limited Common Area. In addition to the Unit, and except to the extent that maintenance and upkeep is assumed by Association, each Owner shall be responsible to maintain the Limited Common Area appurtenant to the Unit in neat and clean condition and free of all debris, grease, spills, leaks, trash, litter, and personal property.

6.4. Common Walls. Each wall built as part of the original construction of a Unit erected on the boundary or dividing line between Units shall constitute a common wall. The cost of maintenance, repair or replacement of a common wall shall be shared by the Owners who make use of the wall in accordance to their proportional use thereof. If a common wall is damaged, any Owner who has used the wall may restore it, and the other Owner or Owners of the common wall shall contribute to the cost in proportion to their interests, without prejudice, however, to the right of the restoring Owner to call for such larger contribution from the other Owners under Utah law regarding liability for negligence, or willful acts or omissions.

6.5. Prior Authorization from Board Required for Maintenance, Repair, and Alterations Affecting Unit Exterior. Notwithstanding anything in this Declaration to the contrary, all maintenance, repairs and replacements affecting the Unit exterior, appearance of the building in which the Unit is located, overall appearance of the Project, the integrity of any building or other structure, any common wall, Common Areas, and/or common element or system, shall require prior written approval of the Board to ensure quality of construction, integrity of the building, common wall, and/or common element or system, and uniformity of appearance. No Owner shall allow his/her Unit, the Unit's Limited Common Area to detract from the uniform appearance and design of the Project, or the health, safety, and use and enjoyment of the Association members.

6.6. Responsibility for Damage to Common Area and Facilities. An Owner shall be responsible for any damage to the Common Areas or to another Unit sustained as a result of or arising out of the Owner's modification of the Owner's Unit.

6.7. Rights and Nonexclusive License to Use Common Area and Facilities. Subject to all other terms and conditions of the Governing Documents, each Owner shall have the right and a nonexclusive license for use and enjoyment of the Common Areas. Such rights and nonexclusive license shall be appurtenant to and shall pass with title to the Unit and in no event shall such appurtenant rights be separated therefrom. Authorized Occupants shall have the same access and use rights to the Common Areas as the Owner whose Unit the Occupant is occupying. All such rights shall be subject to any Rules established by the Board.

ARTICLE VII USE RESTRICTIONS

7.1. Rules. The Association shall have authority to promulgate and enforce such reasonable Rules and procedures as may aid the Association in carrying out any of its functions to ensure that the Project is maintained and used in a manner consistent with the interest of the Owners and the Governing Documents. Pursuant to § 57-8a-218(15) of the Act, the requirements of § 57-8a-218, subsections (1) through (12) of the Act, except subsection (1)(b)(ii), are hereby modified and shall not apply to the Association during the Declarant Control Period.

7.2. No Nuisance. No noxious or offensive activity shall be carried on upon the Project, nor shall any activity that might be or become an annoyance or nuisance to the Owners or Occupants be permitted to interfere with their rights of use and quiet enjoyment or increase the rate of any insurance or decrease the value of the Units. Any violation of the Governing Documents may be deemed a nuisance under this Section. Any violation of any applicable law, statute, regulation, or ordinance by any Owner or Occupant may be deemed a nuisance under this Section. It shall be a nuisance under this Declaration for any Owner to permit or create an unreasonable level of sound to emanate from the Owner's Unit. Unless and until the Association changes this standard by adoption of a Rule, it shall be a nuisance to allow noise to emanate from a Unit after 10:00 pm and before 8:00 am.

7.3. Prohibition on Unsightliness. All rubbish, debris, unsightly materials, or similar objects of any kind shall be regularly removed from Units and shall not be allowed to accumulate therein or thereon. Trash and recycling shall be properly and promptly disposed of.

7.4. Residential Use. Each Unit shall be used and occupied as a single-family dwelling. Unless otherwise approved by the Board, in writing, no trade or business may be conducted in or from a Unit unless:

- (a) the existence or the existence or operation of the business activity that is not apparent or detectable by sight, sound, or smell from any other Unit, or the Common Area;
- (b) the business activity conforms to all zoning and legal requirements for the Project and the business activity;
- (c) the business activity does not involve solicitation of other Occupants or Owners of the Project;
- (d) the business activity does not create parking issues or increased vehicle traffic in the Project from clients, customers, vendors, service providers, or other individuals coming into the Project who do not reside in the Project, as determined by the Board, in its sole discretion;
- (e) the business activity is consistent with the residential character of the Project, and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other Owners and Occupants of the Project;

- (f) the business activity is disclosed to the Board before business is commenced, along with a description of the business activity, a statement of the amount of space required in the Unit for such activity, and a description of any impact on the Project;
- (g) the business activity will not result in the increase of the cost of any of the Association's insurance;
- (h) the Owner of the Unit resides in the Unit in which the business activity is proposed for the entire time any business activity is conducted; and
- (i) the Board's ongoing requests for information related to the business, as necessary to determine compliance with this paragraph, are responded to fully and completely.

7.5. Leasing and Non-Owner Occupancy. Any Unit may be leased or occupied by a non-Owner. Any lease or rental agreement must be in writing and shall provide as a term of the agreement that the Occupant shall comply with the Governing Documents, and that any failure to comply shall be a default under the lease or agreement. If a lease or rental agreement does not include these provisions, they shall nonetheless be deemed to be part of the lease or rental agreement and binding on the Owner and the Occupant.

ARTICLE VIII EASEMENTS

8.1. Easements and Access Rights Reserved to the Association. There is reserved to the Association nonexclusive easements with the right of access over, across, and through each Unit and the Common Areas and a right of entry to each Unit to make inspections, to prevent or mitigate damage to the Common Areas, and to maintain, repair, replace or effectuate the restoration of the Common Areas and any other property or improvements for which the Association is responsible for maintaining which are accessible from such Unit. The Association shall have the right to grant permissions, licenses, and easements upon, across, over, under, and through the Common Areas for purposes necessary for the proper operation of the Project.

8.2. Utility Easements. Easements and rights-of-way over, under and through the Project for the construction, installation, operation, maintenance, repair and/or replacement of utility lines, including, but not limited to, power, telephone, cable television, internet, water, gas, and sewer, drainage facilities, telecommunication fixtures and equipment, utility fixtures and equipment, and such other lines, fixtures, or equipment needed or determined by the Board to be helpful in serving the Project, the Units, or the Owners are hereby reserved to the Association, together with the right to grant, alter, and transfer the same; provided, however, such easements and rights-of-way shall not unreasonably interfere with the use and enjoyment of the Common Areas and the Units by the Owners or Occupants. Each Owner, by taking title to a Unit, expressly consents to such easements and rights-of-way and authorizes and appoints the Association as attorney-in-fact for such Owner to execute any and all instruments creating or conveying such

easements or rights-of-way. Such Owner and those claiming by, through or under an Owner agree to execute promptly all such documents and instruments and to do such other things as may be necessary or convenient to effect the same at the request of the Association; provided, however, that no easement or right of way can be granted pursuant to this Section if it would permanently and materially interfere with the use, occupancy or enjoyment by any Owner of such Owner's Unit.

8.3. Easements for Encroachments. If any portion of the Common Areas encroaches upon any Unit, or if any Unit encroaches upon any other Unit or the Common Areas as a result of the manner in which it was constructed or due to settling, shifting, alteration, replacement, repair or restoration by the Association, a valid easement for encroachment, and maintenance of such encroachment, shall exist for the life of the improvement or structure.

ARTICLE IX SPECIAL DECLARANT RIGHTS

9.1. Special Declarant Rights. Notwithstanding any other provisions in the Governing Documents to the contrary, the Declarant shall have all the rights and powers provided for in this Article. If any other article in this Declaration contains the words "notwithstanding anything to the contrary," or words of similar import, the article shall nonetheless be subject to the terms in this Article.

9.2. Right to Appoint the Board of Directors During Declarant Control Period. The Declarant shall have the right to appoint and remove all members of the Board of Directors during the Declarant Control Period. In the appointment of Board Members, the Declarant shall not be bound by any qualifications for Board Members in the Governing Documents. The Declarant may assume (and shall be presumed to have assumed unless Declarant notifies the Master Association otherwise) the powers of the Board of Directors pursuant to the rights granted in the Articles of Incorporation to the Declarant.

9.3. Right to Amend Plat. Subject to necessary approvals from any applicable municipality or government agency, during the Declarant Control Period, the Declarant shall have the right to amend, change, or modify any Plat, subject only to the requirement that the Declarant gets approval from any Owner of a Unit that has any boundary modified by the Plat.

9.4. Right to Unilaterally Amend Declaration, Bylaws, Articles of Incorporation, and Rules. Until the expiration of the Declarant Control Period, the Declarant shall have the right to amend, revise, and modify this Declaration, including any supplement to the Declaration, the Bylaws, Articles of Incorporation, and the Rules in any way and at any time, including adding, removing, or changing substantive and material provisions, without any additional approvals from anyone including, but not limited to the Owners. Any amendment to this Declaration, supplement to Declaration or the Bylaws shall be effective upon the recordation by the Declarant of an amendment duly signed by an authorized officer of the Declarant, with such signature acknowledged. When recorded, any such amendment shall be binding upon the Project and all persons having an interest therein, including Owners. Without limiting the generality of the

foregoing, the Declarant alone may amend or terminate this Declaration prior to the closing of a sale or transfer of any Unit.

9.5. Declarant Construction Easement. There is reserved to the Declarant, for itself, its affiliates and assignees, a temporary construction easement over, under, across, and through the Property and the Project, including, without limitation, the Units, Common Areas for the purpose of doing all things that are reasonably necessary as a part of constructing any Project improvements including all physical improvements as well as the Units, Common Area and Limited Common Area. This construction easement further includes the right to hook-up, tie-in, connect to and utilize the water, power, gas, or other utility lines, valves, pipes, equipment, meters and systems servicing a Unit for the purpose of providing water, power, gas, or other utilities to the Common Areas or other parts of the Project in common use or necessary or convenient for the construction, completion, maintenance, operation, or management of common elements; provided, however, that the Declaration or Association shall pay the actual cost of the utility service utilized pursuant to this Section.

Each Owner, by acceptance of a deed or other instrument of conveyance, acknowledges and agrees that there will be construction activities, traffic, noises, odors and vibrations which may temporarily disrupt the Owner's quiet enjoyment of the Unit until all improvements are complete, and waives any right to object to such construction activity; provided, however, the Declarant shall endeavor to use reasonable efforts to minimize the adverse impact of such construction activities on the Owners. The Declarant's construction activities pursuant to the easement granted hereunder shall not be considered a violation of any use restriction or Rules.

9.6. No Modification of Declarant Rights. Any Declarant Rights in the Governing Documents and, specifically, in this Article, shall not be substantively or procedurally altered without the written consent of the Declarant during the Declarant Control Period. Any document or amendment attempted during the Declarant Control Period without obtaining proper consent shall be void ab initio to the extent it attempts to alter the rights of the Declarant or any provision of Article 8, without the consent of the Declarant. Any consent to waive, change, or alter any provisions of Article 8 by any future Declarant (as a result of any voluntary or involuntary assignment of Declarant rights) shall effect a change to those provisions only as to that Declarant and shall not be applicable to any prior Declarant without that prior Declarant's specific consent.

9.7. Use of Units and Common Areas and Facilities for Sales Activities. During the Declarant Control Period, the Declarant shall have the right to use any Unit owned by it, and any part of the Common Areas in furtherance of any activities designed to accomplish or facilitate construction, improvement, and sale of all Units owned by the Declarant or to be added to the Project, and the construction and improvement of all Common Areas as the Declarant, from time to time, may desire. The Declarant shall also have the right to maintain any number and size of promotional, advertising, or directional signs, banners, or similar structures or devices at any place or places in the Project.

9.8. Declarant Rights Do Not Impose Obligations. The Declarant Rights provided for in this Article shall not be construed to impose any obligation, legal or equitable, related to the issues to which they might apply. Both the Association and each Owner, by purchasing a Unit, waive and

disclaim any such duty and affirmatively acknowledge that no such duty exists or should be imposed as a result of the Special Declarant Rights.

9.9. Declarant Exempt from Statutory Obligations. Pursuant to § 57-8a-217(6) of the Act, Declarant is hereby exempt from the provisions of § 57-8a-217 of the Act. Pursuant to § 57-8a-211(10) of the Act and Article 14 herein, § 57-8a-211(2)-(9) of the Act shall not apply or have any effect during the Declarant Control Period and, as allowed specifically by law, the Declarant shall have no duty whatsoever to obtain a Reserve Analysis or to fund any Reserve Fund during the Declarant Control Period.

ARTICLE X GENERAL PROVISIONS

10.1. Insurance. The Association shall obtain insurance as required in this Declaration and as required by the Act and shall include the cost of such insurance as part of the Common Expense. The Association may obtain insurance that provides more or additional coverage than the insurance required in this Declaration. Different policies may be obtained from different insurance carriers, and stand-alone policies may be purchased instead of or in addition to embedded, included coverage, or endorsements to other policies.

10.2. Amendment. Except as otherwise required by law, this Declaration may be amended by a recorded instrument approved by Owners holding at least fifty-one percent (51%) of the total votes of the Association.

10.3. Conflicting Provisions. Except as otherwise provided herein, in the case of any conflict between Utah law and any of the Governing Documents, the order of priority from the highest to the lowest shall be Utah law, this Declaration, the Plat, the Articles, the Bylaws, and then the Rules.

10.4. Cumulative Remedies. All rights, options, and remedies of the Association and the Owners in the Governing Documents are cumulative, and none shall be exclusive of any other, and the Association and the Owners shall have the right to pursue any one or all of such rights, options and remedies or any other remedy or relief that may be provided by law; simultaneously, consecutively, or alternatively.

10.5. Severability. Invalidation of any one or a portion of any provision of the Declaration by judgment or court order shall in no way affect any other provision of the Declaration, all of which shall remain in full force and effect.

10.6. Enforcement. The Association and any Owner shall have the right to enforce, by proceedings at law or in equity, the Declaration, including the right to prevent the violation of Declaration and the right to recover damages and other sums for such violation, including, but not limited to attorneys' fees and costs incurred in conjunction with such enforcement.

10.7. Notice. Any notices required to be given under this Declaration or Utah law may be sent via first-class mail, email, or text message to the mailing address, email address, or phone
