DRAINAGE EASEMENT AGREEMENT

THIS DRAINAGE EASEMENT AGREEMENT (this "*Agreement*") is entered into this 22 day of April, 2021 (the "*Effective Date*"), by and between OVERPASS POINT MHC, LLC, a Delaware limited liability company, whose address is 31200 Northwestern Highway, Farmington Hills, Michigan 48334 ("*Grantor*"), and GRNOBL WESTERN ACRES, LLC, a Utah limited liability company, whose address is 181 South 750 West, North Salt Lake, UT 84054 ("*Grantee*"). Grantor and Grantee shall also be referred to hereinafter individually as a "*Party*," and collectively as the "*Parties*."

RECITALS

A. Grantor is the owner of that certain real property located in Tooele County, Utah, being more particularly described in attached Exhibit A (the "*Grantor Property*").

B. Grantee owns that certain real property located in Tooele County, Utah, being more particularly described in attached Exhibit B (the "*Grantee Property*").

C. To facilitate the development of the Grantee Property and to remove the Grantor Property from the flood plain to which the Grantor Property is subject as of the Effective Date, Grantee requires, and Grantor has agreed to grant, a perpetual, non-exclusive easement across the portion of the Grantor Property more particularly described in attached Exhibit C (the "*Easement Area*") to provide for the relocation of a portion of the Middle Canyon Creek onto the Easement Area and the construction of certain improvements thereon, subject to the terms and conditions set forth below.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and subject to the terms, conditions, covenants, agreements and restrictions in this Agreement, the Parties hereby agree as follows:

1. Drainage Easement. Grantor hereby grants to Grantee, for the benefit of the Grantee Property, a perpetual, non-exclusive easement over, across, and under the Easement Area for (i) community drainage (including, without limitation, the drainage of storm water

flows, diffused surface water, and directed storm water), including drainage from the Grantee Property, in both its natural state and as now or hereafter developed in accordance with applicable law and all development entitlements and approvals issued by applicable governmental authorities, (ii) within the Easement Area, the construction, installation, use and enjoyment, repair, replacement, and maintenance of flood control channels, storm drainage improvements, drainage channels, drainage facilities, slopes, basins, retention/detention improvements, and all other facilities or improvements related to any of the foregoing, and roadway improvements as may be necessary to provide access to such improvements and facilities (collectively, the "**Improvements**"); and (iii) such access, ingress and egress rights as may be necessary to enjoy the foregoing rights.

2. **Construction; Maintenance.** Grantee shall be solely responsible for all costs and expenses associated with the construction, installation and maintenance of the Improvements, including, without limitation, the cost for any and all permits, approvals, or consents, necessary or appropriate for the Improvements. Grantee shall maintain the Improvements and the Easement Area in good condition and repair. Grantee's construction, installation, maintenance and/or repair of the Improvements shall not unreasonably interfere with the operation of Grantor's business on the Grantor Property or unreasonably disturb the peaceful and quiet enjoyment of the tenants and occupants of the Grantor Property. Grantee shall comply with any and all applicable laws, rules, regulations, ordinances and orders of governmental entities in exercising its rights and performing its obligations under this Agreement.

3. **Flood Plain.** Upon the completion of the Improvements, Grantee shall use commercially reasonable efforts to obtain a Letter of Map Revision ("**LOMR**") from the United States Army Corps of Engineers that removes the Grantor Property from the flood plain to which the Grantor Property is subject as of the Effective Date due to the existing location of Middle Canyon Creek. Grantor shall reasonably cooperate with Grantee in obtaining the LOMR.

4. **Liens.** Grantee has no right to cause, and shall not permit, any mechanics' or materialmen's liens to be filed against the Grantor Property as a result of Grantee's activities upon the Easement Area. In the event a lien is filed, then Grantee, within thirty (30) days after it receives notice of the lien, shall provide a bond or other security or otherwise remove such lien from the Grantor Property pursuant to applicable law.

5. **Indemnity.** Except to the extent due to the negligence or willful misconduct of the other Party (the "**Indemnified Party**") or its employees, agents, lessees, visitors, invitees, contractors, or licensees, each Party (the "**Indemnifying Party**") shall defend, indemnify and hold the Indemnified Party harmless from and against any and all claims, actions, proceedings, demands, damages, liabilities, costs, and expenses, including, without limitation, reasonable attorneys' fees, to the extent resulting from the use of the Easement Area by the Indemnifying Party or its employees, agents, lessees, visitors, invitees, contractors, or licensees. The provisions of this Section shall survive the termination of this Agreement.

6. **Insurance.** Grantee shall maintain commercial general liability insurance as to the Easement Area in an amount of no less than \$1,000,000.00 per occurrence and \$2,000,000.00 general aggregate, naming Grantor as additional insured. Grantee shall provide Grantor with a certificate of insurance evidencing such coverage within five (5) days of request from Grantor.

7. **No Interference.** Grantor reserves the right to utilize the Easement Area, provided, that Grantor's activities and any grant of rights Grantor makes to any person or entity, whether located on the Grantor Property or elsewhere, shall not, currently or in the future, unreasonably impede or interfere with the exercise of Grantee's rights granted under this Agreement. No other easement or rights shall be granted on, under, or over the Easement Area by Grantor to any person or entity without the prior written consent of Grantee, which consent shall not be unreasonably withheld, conditioned or delayed so long as such other easements do not materially affect Grantee's use of the Easement Area.

8. **Court Costs and Attorneys' Fees.** In the event of any legal action or proceeding between the Parties, reasonable attorneys' fees and expenses of the substantially prevailing party in any such action or proceeding will be added to the judgment therein.

9. **No Third-Party Beneficiaries.** There is no intent by either Party to create or establish third party beneficiary status or rights in any third party. This Agreement shall not be deemed to confer any rights upon any individual or entity which is not a party hereto, and Grantee and Grantor expressly disclaim any such third-party benefit.

10. **Subordination.** Grantor shall take all action that is necessary to cause this Agreement to be and remain at all times superior in priority to (a) the lien of any mortgage or mortgages which may now or hereafter affect the Grantor Property, and to all advances made or hereafter to be made upon the security thereof and to the interest thereon, and to any agreements at any time made modifying, supplementing, extending or replacing any such mortgages, (b) any ground or underlying lease which may now or hereafter affect the Grantor Property, and (c) any easements or other matters of record which may now or hereafter affect the Grantor Property, including all amendments, renewals, modifications, consolidations, replacements and extensions of any of the foregoing documents. The obligations of Grantor under this Section 10 shall include the obligation of Grantor to cause to be executed and recorded a subordination, non-disturbance and attornment agreement, in a form acceptable to Grantee, by the mortgagees under any existing mortgage, the trustees and beneficiaries under any existing deeds of trust, the lessees or tenants under any existing leases, and any other parties to any existing recorded documents that affect the Grantor Property and that may be deemed to be superior in priority to this Agreement without the execution and recording of such subordination, non-disturbance and attornment agreements.

11. **Counterparts; Incorporation.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which when taken together shall constitute one and the same instrument. Signatures hereon may be delivered by electronic mail or facsimile, and the delivery of such signatures shall be deemed originals for all purposes. The recitals set forth above and exhibits attached hereto are incorporated herein by this reference.

12. **Governing Law; Venue.** This Agreement shall be governed by, construed, and interpreted in accordance with the laws of the State of Utah. Venue for any action, suit, or proceeding relating to this Agreement shall lie in the state and federal courts located in Salt Lake County, Utah.

13. No Waiver; Severability. The failure of any Party to insist upon strict performance of any of the terms, covenants, conditions or agreements contained herein shall not be deemed a waiver of any rights or remedies that such Party may have, and shall not be deemed a waiver of any subsequent breach or default in any of the terms, covenants, conditions or agreements contained herein. Invalidation of any one of the covenants or restrictions set forth in this Agreement by judgment or court order shall in no way affect all other provisions, which shall remain in full force and effect.

14. Covenant Running with the Land. This Agreement shall be a covenant running with the land and shall be binding upon the Grantor Property for the benefit of the Grantee Property and each of their respective successors and assigns.

15. Entire Agreement. This Agreement contains the entire agreement between Grantor and Grantee with respect to the subject matter of this Agreement.

16. Amendment; Termination. This Agreement may not be amended, changed, or modified in any way except in a writing executed by Grantor and Grantee. Grantee may elect to terminate its use of the Easement Area and this Agreement at any time upon providing written notice to Grantor of the same.
