WITNESSETH: That Trustor hereby CONVEYS AND WARRANTS TO TRUSTEE IN TRUST, WITH POWER OF SALE, the following described property, situated in Summit County, State of Utah:

See Exhibit A attached hereto.

Together with all of the following (all of which, together with such real property described on Exhibit A, is referred to herein collectively as the "*Property*"):

(b) all water rights, rights of way, easements, rents, issues, profits, income, tenements, hereditaments, privileges and appurtenances thereunto belonging, now or hereafter used or enjoyed with such property or any part thereof; SUBJECT, HOWEVER, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues, and profits;

(c) all present and future right, title, and interest of Trustor in and to all fixtures (as that term is defined in the Utah Uniform Commercial Code (the "*UCC*"), and whether existing now or in the future) now or in the future located at, upon, or about or affixed or attached to or installed in the Property, including, without limitation, machinery, appliances, building materials and supplies, generators, boilers, furnaces, water tanks, heating, ventilating and air conditioning equipment, and all other types of fixtures of any kind or nature and all accessories, additions, attachments, parts, proceeds, products, repairs, replacements, and substitutions of or to any such property (the "*Fixtures*"); and

FOR THE PURPOSE OF SECURING:

(1) payment of indebtedness and all other lawful charges evidenced by that certain Secured Promissory Note in the principal amount of \$4,192,000.00 of even date herewith made by Trustor and payable to the order of Beneficiary at the times, in the manner and with interest as therein set forth (herein sometimes referred to as the "*Note*") and any extensions and/or renewals or modifications thereof; (2) the performance of all other covenants and obligations of Trustor under that certain Loan Agreement of even date herewith entered into by and between Trustor and Beneficiary (the "*Loan Agreement*") and all other documents entered into by and between Trustor and Beneficiary as set forth therein; (3) the performance of each agreement of Trustor herein and therein contained; (4) the payment of such additional loans or advances as hereafter may be made to Trustor or its successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Trust Deed; and (5) the payment of all sums expended or advanced by Beneficiary under or pursuant to the terms hereof, together with interest thereon as herein provided.

AND, Trustor hereby warrants, covenants and agrees that Trustor is the lawful owner of the Property, with good and marketable title, free and clear of all encumbrances, liens or charges, excepting only those matters currently of record.

TO PROTECT THE SECURITY OF THIS TRUST DEED, TRUSTOR AGREES:

1. To keep the Property in good condition and repair; not to remove or demolish any building thereon, to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon; to comply with all laws, covenants and restrictions affecting the Property; not to commit or permit waste thereof; not to commit, suffer or permit any act upon the Property in violation of law; to do all other acts which from the character or use of the Property may be reasonably necessary, the specific enumerations

herein not excluding the general; and, if the loan secured hereby or any part thereof is being obtained for the purpose of financing construction of improvements on the Property, Trustor further agrees:

- a. To commence construction promptly and to pursue the same with reasonable diligence to completion in accordance with plans and specifications satisfactory to Beneficiary; and
- b. To allow Beneficiary to inspect the Property at all times during construction.

Trustee, upon presentation to it of an affidavit signed by Beneficiary, setting forth facts showing a default by Trustor under this numbered paragraph, is authorized to accept as true and conclusive all facts and statements therein, and to act thereon hereunder.

2. To provide and maintain insurance, of such type or types and amounts as Beneficiary may require, on the improvements now existing or hereafter erected or placed on the Property. Such insurance shall be carried in companies approved by Beneficiary with loss payable clauses in favor of and in form acceptable to Beneficiary. In event of loss, Trustor shall give immediate notice to Beneficiary, who may make proof of loss, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Beneficiary instead of to Trustor and Beneficiary jointly, and the insurance proceeds, or any part thereof, may be applied by Beneficiary, at its option, to reduction of the indebtedness hereby secured or to the restoration or repair of the Property damaged.

3. To keep the buildings and improvements now existing or hereafter erected or placed on the Property insured against loss by fire, and such other casualties and in such types and forms of insurance, and in such amounts as may be required by, and in such companies as may be satisfactory to Beneficiary, with loss payable clause in favor of Beneficiary, and to pay the premiums therefor promptly when due, and the policies of insurance shall be held by Beneficiary, it being understood, however, that Beneficiary shall in no event be responsible for the sufficiency or form or substance of any policy of insurance, or for the solvency or sufficiency of any insurance company with respect to the insurance herein provided. In event of loss, Trustor shall give immediate notice to Beneficiary, who may make proof of loss, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Beneficiary instead of to Trustor and Beneficiary jointly, and the insurance proceeds, or any part thereof, may be applied by Beneficiary, at its option, to the reduction of the indebtedness hereby secured or to the restoration or repair of the Property damaged.

Beneficiary is hereby authorized to settle all insurance claims and collect all insurance funds accruing to the benefit of Trustor and/or Beneficiary, and to facilitate the collection of such insurance, Trustor hereby authorizes Beneficiary to execute, sign and deliver all necessary and proper proofs of loss, claims, waivers, and all other documents necessary for or incidental to the collection of such insurance, and if necessary to institute such proceeding in law or equity as may be necessary for the collection of such insurance, to receive all insurance proceeds, and to make such compromise and/or settlements as may be deemed necessary and advisable, and to

sign, endorse and cash, in its own name or as attorney-in-fact for Trustor, any and all drafts, checks, or other instruments delivered in payment of any insurance claim.

In the event Trustor or any subsequent owner or purchaser of the Property shall desire to substitute for a then existing policy of insurance, a policy of insurance issued by another insurance carrier, Beneficiary will be entitled to charge and collect a substitution fee for each substitution in an amount not to exceed \$250.00, to compensate Beneficiary for additional clerical and record keeping services occasioned by such substitution. Such fee shall become part of the indebtedness due from Trustor and payment thereof will be and is hereby secured by this Trust Deed and will be payable upon demand of Beneficiary. Failure to pay such fee upon demand shall constitute a default under this trust. All substituted policies of insurance shall be in such amounts, in such forms and will be issued by such insurance carriers as may be required by and as may be satisfactory to Beneficiary.

4. To deliver to, pay for, and maintain with Beneficiary until the indebtedness secured hereby is paid in full, such evidence of title as Beneficiary may require, including abstracts of title or policies of title insurance and any extensions or renewals thereof or supplements thereto. Without limiting the foregoing, Trustor agrees to pay the premium applicable to the initial policy of title insurance issued by Trustee applicable to Beneficiary's interest in the Property granted hereunder.

5. To appear in and defend any action or proceeding purporting to affect the security hereof, the title to the Property, or the rights or powers of Beneficiary or Trustee; and should Beneficiary or Trustee elect to also appear in or defend any such action or proceeding, to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum incurred by Beneficiary or Trustee.

6. To pay at least fifteen (15) days before delinquency all taxes and assessments affecting the Property, including without limitation greenbelt rollback taxes, assessments upon water company stock and all rents, assessments and charges for water, appurtenant to or used in connection with the Property; to pay, when due, all encumbrances, charges, and liens with interest, on the Property or any part thereof, which at any time appear to be prior or superior hereto; to pay and at all times be current with respect to all impact fees, park fees, and any other fees and assessments levied against or otherwise related to the Property and any penalties and interest associated with such taxes; to provide proof of such payments to Beneficiary not later than fifteen (15) days prior to the due date for each such payment; and to pay all costs, fees, and expenses of this trust.

7. Not to cause, permit, allow or suffer the presence, use, generation, manufacture, release, discharge, storage or disposal of any hazardous or toxic materials, substances or wastes as designated or regulated by applicable federal, state or local environmental laws (collectively "**Hazardous Materials**") on, under, in or about the Property, or the transportation of any Hazardous Materials to or from the Property. Trustor shall immediately notify Beneficiary in writing of: (a) any enforcement, cleanup, removal or other governmental or regulatory action instituted, completed or threatened in connection with any Hazardous Materials; (b) any claim made or threatened by any third party against Trustee or the Property relating to damage,

contribution, cost recovery, compensation, loss or injury resulting from any Hazardous Materials; and (c) Trustee's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause all or any portion of the Property to be subject to any restrictions on the ownership, occupancy, transferability or use.

8. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: (a) make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon the Property for such purposes; (b) commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights of powers of Beneficiary or Trustee; (c) pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and (d) in exercising any such powers, incur any liability, expend whatever amounts in its absolute discretion it may deem necessary therefor, including cost of evidence of title, employ counsel, and pay its reasonable fees.

9. To pay immediately and without demand all sums expended hereunder by Beneficiary or Trustee, with interest from date of expenditure at the rate of twenty-four percent (24%) per annum until paid, and the repayment thereof shall be secured hereby.

10. To pay Beneficiary a "late charge" of five percent (5%) of each payment due hereunder, or amounts due pursuant to the Note (whether principal, interest, or fees) which is in arrears. This payment shall be made to cover the extra expense involved in handling delinquent payments.

IT IS MUTUALLY AGREED THAT:

11. Should the Property or any part thereof be taken or damaged by reason of any public improvement or condemnation proceeding, or damaged by fire, or earthquake, or in any other manner, Beneficiary shall be entitled to all compensation, awards, and other payments or relief therefor, and shall be entitled at its option to commence, appear in and prosecute in its own name, any action or proceedings, or to make any compromise or settlement, in connection with such taking or damage.

In applying the proceeds of any award on account of the indebtedness secured hereby, Beneficiary shall be entitled to collect out of the proceeds of the award a premium on the amount prepaid at the same rate as though Trustor had elected at the time of such application of proceeds to prepay the indebtedness in accordance with the terms of the Note secured hereby, or if Trustor then has no such election, at the first succeeding date on which Trustor could so elect. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any policies of fire and other insurance affecting the Property, are hereby assigned to Beneficiary, who may, after deducting therefrom all its expenses, including attorneys' fees, apply the same on any indebtedness secured hereby. Trustor agrees to execute such further assignments of any compensation, award, damages, and rights of action and proceeds as Beneficiary or Trustee may require.

12. At any time and from time to time upon written request of Beneficiary, payment of its fees and presentation of this Trust Deed and the Note for endorsement (in case of full reconveyance, for cancellation and retention), without affecting the liability of any person for the payment of the indebtedness secured hereby, Trustee may: (a) consent to the making of any map or plat of the Property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this Trust Deed or the lien or charge thereof; (d) grant an extension or modification of the terms of this Trust Deed upon written request of Beneficiary; and (e) reconvey, without warranty, all or any part of the Property. The grantee in any reconveyance may be described as "the person or persons entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of truthfulness thereof. Trustor agrees to pay reasonable Trustee's fees for any of the services mentioned in this paragraph.

13. Prior to recording any final map, plat, parcel map, lot line adjustment or other subdivision map of any kind covering any portion of the Property ("**Subdivision Map**"), Trustor shall submit such Subdivision Map to Beneficiary for Beneficiary's review and approval, which approval shall not be unreasonably withheld. Within ten (10) business days after Beneficiary's receipt of such Subdivision Map, Beneficiary shall provide to Trustor written notice if Beneficiary disapproves of said Subdivision Map. Within ten (10) business days after Beneficiary's request, Trustor shall execute, acknowledge and deliver to Beneficiary such amendments to the Loan Documents (as defined in the Loan Agreement) as Beneficiary may reasonably require to reflect the change in the legal description of the Property resulting from the recordation of any Subdivision Map. In connection with and promptly after the recordation of any amendment or other modification to the Trust Deed recorded in connection with such amendments, Trustor shall deliver to Beneficiary, at Trustor's sole expense, a title endorsement to the title policy issued to Beneficiary pursuant to the Loan Agreement in form and substance satisfactory to Beneficiary insuring the continued second-priority lien of this Trust Deed. Subject to the execution and delivery by Trustor of any documents required under this section, Beneficiary shall, if required by applicable law, sign any Subdivision Map approved by Beneficiary pursuant to this section.

14. As additional security, Trustor hereby assigns Beneficiary, during the continuance of these trusts, all rents, issues, royalties, and profits of the Property affected by this Trust Deed and of any personal property located thereon. Until the occurrence of an Event of Default (as defined below), Trustor shall have the right to collect all such rents, issues, royalties, and profits earned prior to such Event of Default as they become due and payable. If any Event of Default shall occur, Trustor's right to collect any of such moneys shall cease and Beneficiary shall have the right, with or without taking possession of the Property affected hereby, to collect all rents, royalties, issues and profits. Failure or discontinuance of Beneficiary at any time or from time to time to collect any such moneys shall not in any manner affect the subsequent enforcement by Beneficiary of the right, power, and authority to collect the same. Nothing contained herein, nor the exercise of the right by Beneficiary to collect, shall be, or be construed to be, an affirmation by Beneficiary of any tenancy, lease or option, nor an assumption of liability under, nor a subordination of the lien or charge of this Trust Deed to any such tenancy, lease or option.

Trustor agrees that it will not collect rent on the Property more than one month in advance or lease the Property other than on commercially reasonable terms.

15. As an express condition of Beneficiary making the loan secured by this Trust Deed, Trustor shall not further encumber, pledge, mortgage, hypothecate, place any lien, charge, or claim upon, or otherwise give as security the Property or any interest therein nor cause or allow by operation of law the encumbrance of the Property or any interest therein without the written consent of Beneficiary even though such encumbrance may be junior to the encumbrance created by this Trust Deed. Encumbrance of the Property contrary to the provisions of this paragraph without the express written consent of Beneficiary shall constitute a default hereunder and at Beneficiary's option, Beneficiary may declare the entire balance of principal and interest secured hereby immediately due and payable, whether such default is created by Trustor or an unaffiliated third party asserting a judgment lien, mechanic's or materialmen's lien or any other type of encumbrance or title defect; *provided that* Beneficiary shall not exercise such option if such exercise is prohibited by applicable law.

16. Should Trustor sell or convey, or agree to sell or convey any portion of the Property, or of any building or improvement now or hereafter located thereon, or any interest whatever therein to any person, firm, or corporation, or should Trustor permit or suffer the occupancy of any portion of the Property by anyone, whether as a tenant or otherwise, then each such occurrence shall be deemed a default by Trustor, and the entire indebtedness secured by this Trust Deed at the option of Beneficiary shall become immediately due and payable, and thereupon, Beneficiary may demand immediate payment in full of such indebtedness and may exercise all legal limits to collect such indebtedness, including but not limited to foreclosure of this Trust Deed. It is expressly acknowledged and agreed that, if Trustor is an entity, any direct or indirect transfer of more than ten percent (10%) of the capital stock, partnership or member interests of Trustor (whether in a single transaction or a series of related transactions), as the case may be, shall constitute a transfer of the entire Property within the meaning of this paragraph. Notwithstanding the foregoing, upon the sale of any individual Unit (as defined in the Loan Agreement), at the request of Trustor made from time to time, Beneficiary shall release individual Units from the encumbrance of this Trust Deed prior to full repayment of the Note provided it receives a payment of \$810,000.00 for each Unit to be released. For the avoidance of doubt, such payment shall be in addition to, and separate from, the A&D Prepayment (as defined in the Loan Agreement).

17. Upon the occurrence of any Event of Default by Trustor hereunder, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court (Trustor hereby consenting to the appointment of Beneficiary as such receiver), and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the Property or any part thereof, in its own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine.

18. The entering upon and taking possession of the Property, the collection of such rents, issues, and profits, or the proceeds of fire and other insurance policies, or compensation or

awards for any taking or damage of the Property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

19. In addition to all other remedies available to Beneficiary hereunder or at law, upon any (a) Event of Default (in this case only as such term is defined in the Note), (b) breach of any representation, warranty, or covenant of Trustor hereunder, or (c) any breach of any representation, warranty, or covenant of Trustor or any other loan party under any Loan Document, (each of which shall constitute a “default” hereunder for purposes of the UCC) (each an “*Event of Default*”), Beneficiary may dispose of any fixture or other personal property comprising the Property in any manner now or hereafter permitted by the UCC or in accordance with any other remedy provided by law. Both Trustor and Beneficiary shall be eligible to purchase any part or all of such personal property at any such disposition. Any such disposition may be either public or private as Beneficiary may so elect, subject to the provisions of the UCC. Beneficiary shall give Trustor at least ten (10) days prior written notice of the time and place of any public sale or other disposition of such personal property or of the time at or after which any private sale or any other intended disposition is to be made, and if such notice is sent to Trustor, it shall constitute reasonable notice to Trustor.

20. This Trust Deed shall be self-operative and shall constitute a Security Agreement as defined in the UCC with respect to all of those portions of the Property which constitute personal property or Fixtures governed by the UCC, provided, however, Trustor hereby agrees to execute and deliver on demand and hereby irrevocably constitutes and appoints Beneficiary the attorney-in-fact of Trustor (such power coupled with an interest) to execute, deliver and, if appropriate, to file any agreement, financing statement, continuation statement, or other instruments as Beneficiary may request or require in order to impose or perfect the lien or security interest hereof. Notwithstanding the foregoing, this Trust Deed is intended to serve as a fixture filing pursuant to the terms of the UCC. This filing is to be recorded in the real estate records in the county in which the Property is located.

21. The failure on the part of Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Beneficiary of any default shall not constitute a waiver of any other or subsequent default.

22. Time is of the essence hereof. Upon the occurrence of any Event of Default, all sums secured hereby shall immediately become due and payable at the option of Beneficiary. In the event of such default, Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause such property to be sold to satisfy the obligations hereof, and Trustee shall file such notice for record in each county wherein the Property or some part or parcel thereof is situated. Beneficiary also shall deposit with Trustee, the Note and all documents evidencing expenditures secured hereby.

23. After the lapse of such time as may then be required by law following the recordation of such notice of default, and notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell the Property on the date and at the time and place designated in the notice of sale, either as a whole or in separate parcels,

and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which such Property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause he deems expedient, postpone the sale from time to time until it shall be completed and, in every case, notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale; provided, if the sale is postponed for longer than one day beyond the day designated in the notice of sale, notice thereof shall be given in the same manner as the original notice of sale. Trustor agrees to surrender possession immediately after any such sale of the Property, if possession has not previously been surrendered. Trustee shall execute and deliver to the purchaser its Deed conveying such property so sold, but without any covenant or warranty, express or implied. The recitals in the Deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale to payment of (a) the costs and expenses of exercising the power of sale and of the sale, including the payment of Trustee's and attorneys' fees; (b) cost of any evidence of title procured in connection with such sale and revenue stamps on Trustee's Deed; (c) all sums expended under the terms hereof, not then repaid, with accrued interest at twenty-four percent (24%) per annum from date of expenditure; (d) all other sums then secured hereby; and (e) the remainder, if any, to the person or persons legally entitled thereto, or the Trustee, in its discretion, may deposit the balance of such proceeds with the County Clerk of the county in which the sale took place.

24. Upon the occurrence of any Event of Default, Beneficiary shall have the option to declare all sums secured hereby immediately due and payable and foreclose this Trust Deed in the manner provided by law for the foreclosure of mortgages in real property and Beneficiary shall be entitled to recover in such proceeding all costs and expenses incident thereto, including reasonable attorneys' fees in such amount as shall be fixed by the court.

25. Beneficiary may appoint a successor trustee at any time by filing for record in the office of the County Recorder of each county in which the Property or some part thereof is situated, a substitution of trustee. From the time the substitution is filed for record, the new trustee shall succeed to all the powers, duties, authority and title of the trustee named herein or of any successor trustee. Each such substitution shall be executed and acknowledged, and notice thereof shall be given and proof thereof made, in the manner provided by law.

26. From time to time, Beneficiary may require Trustee to reconvey, release and discharge from the operation of this Trust Deed any part or parts of the property described in this Trust Deed, given to secure payment of the indebtedness evidenced by the Note. Trustee shall execute and deliver unto Beneficiary a written reconveyance and release upon receiving from Beneficiary a written request therefor. Such written request shall include a description of the Property to be reconveyed or released, a statement of the consideration, if any, received by Beneficiary for such reconveyance or release, and a declaration that Beneficiary is the owner and holder of the debt mentioned in this Trust Deed and that the same has never been assigned or transferred. The partial reconveyance or release executed by Trustee shall identify this Trust Deed and describe the property to be reconveyed or released. A partial reconveyance or release executed and delivered by Trustee under authority of this paragraph shall not affect or impair the

security remaining under this Trust Deed. This Trust Deed need not accompany any request for a partial reconveyance or release, but upon demand of Trustee, Beneficiary will exhibit to Trustee the Note. Successive partial reconveyances or releases may be requested by Beneficiary.

27. Each abstract of title, title insurance policy, or all other evidences of title, and all insurance policies placed or deposited with Beneficiary shall be deemed an incident to the title of the Property herein described and upon sale or foreclosure or otherwise shall pass to the purchaser, and same are hereby pledged as additional security for payment of the indebtedness secured hereby.

28. In the event Beneficiary and Trustee or either of them shall (a) determine to foreclose this Trust Deed by court action, or (b) find it necessary to resort to the courts to secure protection of the security given hereunder or to enforce or protect the rights hereunder of Beneficiary, or (c) be involved in court action involving or affecting this Trust Deed, the security given thereunder or the indebtedness secured thereby, Trustor agrees to pay all costs and expenses incurred therein and reasonable compensation for the attorneys representing Beneficiary and Trustee, or either of them.

29. This Trust Deed shall apply to, inure to the benefit of, and bind all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. All obligations of Trustor hereunder are joint and several. The term "Beneficiary" shall mean the owner and holder, including any pledgee, of the Note secured hereby. In the Trust Deed, whenever the context requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

30. Any option, election, notice or right granted to Beneficiary may be exercised only by written approval of Beneficiary,

31. If the loan secured by this Trust Deed is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Trustor which exceed permitted limits will be refunded to Trustor. Beneficiary may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Trustor.

32. Trustor hereby agrees to indemnify and defend Beneficiary and its members, owners, investors, lenders, officers, legal counsel, employees and agents from and against, and Trustor will hold Beneficiary and all such persons harmless from and against, any liability, loss, expense, damage, fees (including reasonable attorneys' fees), suits, action or proceedings, whether pending or threatened, suffered or incurred as a result of Trustor's failure to observe, perform or discharge any of its obligations pursuant to this Trust Deed or any misrepresentation made by or on behalf of Trustor pursuant to this Trust Deed.

33. If one or more riders are executed by Trustor and recorded together with this Trust Deed, the covenants and agreements of each such rider shall be incorporated into and shall

amend and supplement the covenants and agreements of this Trust Deed as if the rider(s) were part of this Trust Deed.

34. If any provision of this Trust Deed is declared by a court of competent jurisdiction to be invalid for any reason such invalidity shall not affect the remaining provisions of this Trust Deed. The remaining provisions shall be fully severable, and this Trust Deed shall be construed and enforced as if the invalid provision had never been included herein.

35. Trustee accepts this trust when this Trust Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Trust Deed or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party, unless brought by Trustee.

36. This Trust Deed shall be construed according to the laws of the State of Utah.

37. The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to it at the address hereinbefore set forth.

38. In addition to the foregoing, this Trust Deed secures all obligations, debts and liabilities, plus interest thereon, of Trustor or any affiliate of Trustor owed to Beneficiary or any affiliate of Beneficiary, as well as all claims by Beneficiary against Trustor or any affiliate of Trustor, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, determined or undetermined, absolute or contingent, liquidated or unliquidated, whether Trustor or its affiliate may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise, and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable.
