K. Pursuant to Section 18.3 of the Declaration, for so long as its Class B Membership exists, Declarant reserved the right to unilaterally amend the Declaration for any purpose that does not materially adversely affect the substantive rights of any Owner thereunder. Pursuant to Section 4.1, Declarant generally reserved the right to impose new Land Use Classifications or new restrictions so long as such are generally in conformance with then existing uses and restrictions applicable to SunCrest and with the scheme of development contemplated by the Master Land Use Plan and the Declaration. Moreover, pursuant to Section 19.3, Declarant reserved the right to add additional Land Use Classifications to the Declaration. Accordingly, Declarant hereby exercises its unilateral right to amend the Declaration to impose a new Land Use Classification and for such other purposes set forth and described in this First Amendment.

NOW, THEREFORE, Declarant hereby unilaterally exercises its right to impose a new Land Use Classification at SunCrest and amends the Declaration as follows:

1. Defined Terms and Status of Recitals. Capitalized terms used and not otherwise defined in this First Amendment shall have the meaning or meanings given to them in the Declaration. The Recitals set forth above shall constitute a portion of the terms of this First Amendment.

2. Benefited Owner Definition. The following new Section 1.87 defining the term "Benefited Owner" shall be added at the end of Article I of the Declaration as follows:

1.87 "Benefited Owner" and "Benefited Owners" shall mean an individual Owner or group of Owners specifically described and identified in this Declaration, a Neighborhood Declaration, a Supplemental Declaration or a Plat, who owns or own one or more Lot(s) or Parcel(s) that are benefited by a Limited Use Driveway reserved, pursuant to the terms and conditions of this Declaration, or such Neighborhood Declaration, Supplemental Declaration or Plat, for the exclusive use, occupancy and benefit of such Owner or group of Owners to which such Limited Use Driveway is adjacent and to which the same is required for access to such Lot(s) or Parcel(s).

3. Limited Community Area Definition. The following new Section 1.88 defining the term "Limited Community Area" shall be added at the end of Article I of the Declaration as follows:

1.87 "Limited Community Area" and "Limited Community Areas" shall mean a portion of the Community Areas designated by this Declaration, a

Neighborhood Declaration or a Supplemental Declaration, and as may be shown on a Plat, for the exclusive use of one or more, but fewer than all of the Lots or Parcels. Limited Community Areas shall include, without limitation, all areas identified by this Declaration, a Neighborhood Declaration, a Supplemental Declaration or on a Plat or other recorded instrument as Limited Use Driveways within SunCrest. Unless Declarant or the Board authorizes otherwise in this Declaration or by a Neighborhood Declaration or a Supplemental Declaration, Limited Community Areas shall constitute Master Association Land that the Master Association now or hereafter owns in fee.

4. Limited Use Driveway Definition. The following new Section 1.89 defining the term "Limited Use Driveway" shall be added at the end of Article I of the Declaration as follows:

1.88 "Limited Use Driveway" and "Limited Use Driveways" shall mean all areas identified by this Declaration, a Neighborhood Declaration or a Supplemental Declaration, and as may be shown on a Plat, for the exclusive use, occupancy and benefit of one or more Benefited Owners of the Lots or Parcels to which they are adjacent and to which they are required for access to such Lots or Parcels. Unless Declarant or the Board authorizes otherwise in this Declaration or by a Neighborhood Declaration or a Supplemental Declaration, Limited Use Driveways shall constitute Master Association Land that the Master Association now or hereafter owns in fee. The Association shall maintain, repair, replace and service such Limited Use Driveways in accordance with the provisions of this Declaration, unless Declarant or the Board authorizes the delegation of such responsibility in this Declaration or by a Neighborhood Declaration or by a Supplemental Declaration. Each Benefited Owner, for each Lot that he or she owns, shall be liable for an equal share of the maintenance, repair, replacement and service costs associated with the Limited Use Driveways, and for all Assessments levied by the Master Association associated with the same, as further described in this Declaration.

5. Easements. A new final sentence shall be added at the end of Section 3.5 describing the easements for ingress and egress within SunCrest as follows:

Subject to the limitations contained in this Declaration, and notwithstanding anything contained in this Declaration to the contrary, each Owner shall have the non-exclusive right to use and enjoy the Community Areas as described in this Section 3.5, and each specific Owner or Benefited Owner shall have the exclusive right to occupy and use any Limited Community Area or Limited Use Driveway designated for exclusive use by such Owner or Benefited Owner or group of Owners or Benefited Owners as described and identified by this Declaration, or in a Neighborhood Declaration, a Supplemental Declaration or a Plat.

6. Land Use Classifications. The following new Section 4.1.13 referencing Limited Community Areas as a contemplated Land Use Classification shall be added at the end of Section 4.1 of the Declaration as follows:

4.1.13 Limited Community Areas.

7. Description of Limited Community Areas. The following new Section 4.7 describing the Limited Community Areas shall be added at the end of Article IV of the Declaration as follows:

4.7 Description of Limited Community Areas. Limited Community Areas means a portion of the Community Areas reserved for the exclusive use and occupancy of one or more but fewer than all of the Owners to the exclusion of other Owners. Limited Community Areas shall include, without limitation, any Limited Use Driveways as indicated by this Declaration, a Neighborhood Declaration, a Supplemental Declaration or a Plat to be for the exclusive use of one or more but fewer than all of the Lots or Parcels. The use and occupancy of designated Limited Community Areas shall be reserved to the Lots or Parcels as shown on a Plat or as specified in this Declaration, or a Neighborhood Declaration or a Supplemental Declaration. Owners are hereby granted an easement to use and occupy the Limited Community Areas allocated exclusively to the Lot(s) or Parcel(s) such Owners own as described in Article III of this Declaration, subject to the Assessments levied by the Master Association associated with such Limited Community Areas, as further described in this Declaration. Declarant reserves the right for itself, and its successors and assigns, to fix the Limited Community Areas via a recorded instrument as it shall determine in its sole and exclusive discretion, and Owners shall not designate, modify or reallocate Limited Community Areas between or among Lots or Parcels in which they have an interest.

8. Maintenance of and Assessment for Limited Use Driveways. The following new Section 10.4 describing the maintenance of and assessment for Limited Use Driveways shall be added at the end of Article X of the Declaration as follows:

10.4 Limited Use Driveways. Notwithstanding anything to the contrary contained in this Declaration, a Neighborhood Declaration, a Supplemental Declaration or a Plat, the Master Association, or its duly delegated representative, shall maintain, repair, replace and otherwise manage all Limited Use Driveways pursuant to the maintenance standards described in this Section 10.4 and elsewhere in this Declaration, unless Declarant or the Board authorizes the delegation of such responsibility in this Declaration or by a Neighborhood Declaration or by a Supplemental Declaration. The Limited Use Driveways to be maintained by the Master Association must be identified on Plats recorded or approved by Declarant, or in Neighborhood Declarations or Supplemental Declarations, or in Deeds from Declarant to a transferee of a Lot or Parcel. In the event that the need for maintenance or repair of Limited Use Driveways maintained by the Master Association is caused through the willful or negligent

act of any Owner or Resident of a Lot or Parcel, or any family, guests, invitees or tenants of such Persons, the cost of such maintenance or repairs shall be added to and become a part of the Assessment to which such Owner and the Owner's Lot or Parcel is subject and shall be secured by the Assessment Lien.

10.4.1 Assessments. Each Benefited Owner, for each Lot or Parcel that he or she owns, shall be liable for an equal share of the maintenance, repair, replacement, operation, snow removal and service costs associated with the Limited Use Driveways ("Services"), and for all Assessments levied by the Association associated with the same, as further described in this Section 10.4 and elsewhere in this Declaration. Each Benefited Owner shall pay an equal share of the costs associated with the Services, regardless of the total area or size of the Limited Use Driveway that is adjacent and providing access to the Benefited Owner's Lot or Parcel, and regardless of the frequency or incidence of such Benefited Owner's use of such Limited Use Driveway. By a Benefited Owner's acceptance of a Deed to a Lot or Parcel, such Benefited Owner hereby agrees and acknowledges that his or her obligation to pay an equal share of the costs associated with the Services is not calculated pursuant to the total number of square feet or area of the Limited Use Driveway. Rather, such Benefited Owner's equal share of the costs associated with the Services is based upon a formula, the numerator of which is 1, and the denominator of which is the total number of Benefited Owners within SunCrest. The Board shall bill the Benefited Owners for their respective equal shares of the costs that the Board incurs on account of receiving the Services hereunder. Each Benefited Owner's equal share of the Services shall constitute a portion of his or her Annual Assessment. The Board shall keep an accurate record of the costs of the Services and its administrative costs and shall provide copies of these records to the Benefited Owners from time to time as they may reasonably request. The Manager may, as a condition to permitting a Benefited Owner to inspect the records or to its furnishing information from the records, require that the Benefited Owner agree in writing not to use, or allow the use of, information from the records for commercial or other purposes not reasonably related to the maintenance and repair of the Limited Use Driveways and the Benefited Owner's interest in the same.

10.4.2 Services. Unless otherwise provided for in a Supplemental Declaration or a Neighborhood Declaration, the Board may contract for the Services. Except as provided for below, the Board shall only have the authority to contract for those Services which are exclusive to the Limited Use Driveways and which mutually benefit all or some of the Benefited Owners. The

Board may specifically enter into contracts with third-party service providers for the performance of the following Services:

10.4.2.1 Maintaining the surfaces of the Limited Use Driveways in a smooth and evenly covered condition that will allow for proper usage and drainage. Such maintenance shall include replacement or repair of all or any portion of the Limited Use Driveways with the same type of surface and material originally installed or such substitute materials as shall in all respects be equal or better in quality, use and durability. Such maintenance shall also include cleaning and restriping of the Limited Use Driveways in conformity with all applicable governmental regulations and in a safe, sound and functional condition consistent with a standard comparable to other high-end projects having similar facilities.

10.4.2.2 Removing all snow, ice, debris and refuse and sweeping to the extent reasonably necessary to keep the Limited Use Driveways in a safe, clean and attractive condition. Snow and ice shall be removed as frequently as is reasonably necessary to allow the safe and unobstructed passage of vehicles.

10.4.2.3 Maintaining, repairing and replacing the entrance areas (i.e., curb and gutter) that permit access to the Lots or Parcels owned by the Benefited Owners.

10.4.2.4 Operating, keeping in repair and replacing such artificial lighting facilities, if any, as shall be required by applicable governmental authorities or as installed by Declarant or the Board.

10.4.2.5 Performing such other services with respect to the Limited Use Driveways as the Board shall reasonably determine necessary.

10.4.2.6 Contracting, in its sole and exclusive discretion, for such other services with respect to the Limited Use Driveways and which individually benefit a particular Benefited Owner or group of Benefited Owners, and directly billing and collecting from such Benefited Owner(s) the costs

and expenses associated with such individualized services.

10.4.3 Capital Reserves. The Benefited Owners shall pay as a portion of their Annual Assessments certain amounts representing sums to be used for the repair and replacement of the major components of the Limited Use Driveways ("Capital Reserves"). The Capital Reserves shall be dedicated for the uses provided in this Section and the Board shall set up such Capital Reserves as capital reserve accounts ("Capital Reserve Account"). The Board shall establish and maintain the Capital Reserve Account on behalf of the Benefited Owners. Each Benefited Owner, by acceptance of a Deed to his or her Lot or Parcel, agrees to pay its equal share of the Capital Reserves necessary to maintain the Limited Use Driveways. The Board shall only use the Capital Reserves to repair, restore, or maintain the major components of the Limited Use Driveways for which the Benefited Owners are responsible and for which the Capital Reserve Account was established.

10.4.4 Capital Reserve Account Study. At least once every five (5) years the Board shall cause a study to be conducted of the Capital Reserve Account of the Benefited Owners and its adequacy to satisfy anticipated future expenditure requirements. The Board shall, thereafter, annually review the Capital Reserve Account study and shall consider and implement necessary adjustments to Capital Reserve Account requirements and funding as a result of that review. For the purposes of this Section, "reserve account requirements" means the estimated funds which the Board has determined are required to be available at a specified point in time to repair, replace or restore those major components of the Limited Use Driveways which the Benefited Owners are obligated to maintain.

10.4.5 Future Public Dedication. Declarant reserves the right for itself prior to its conveyance of the Limited Use Driveways to the Master Association, and for the Board subsequent to such conveyance, as fee owner(s) of the Limited Use Driveways, to publicly dedicate all or part of a Limited Use Driveway to a Municipal Authority as a public road, as Declarant or the Board shall determine in their sole and exclusive discretion. If at any time in the future, a Municipal Authority shall agree to accept a dedication of all or part of a Limited Use Driveway as a public road, then the Master Association and the Benefited Owners, or their successors and assigns, shall make such dedication in a form acceptable to such Municipal Authority. Such dedication shall be binding upon all Owners and it shall thereupon become the duty of every Benefited Owner to execute and deliver such instruments and to perform all acts, if any, in manner and form as may be necessary to effect the dedication. If such a dedication is made and a Municipal Authority assumes the repair, replacement and maintenance responsibilities for the Limited Use Driveway, then the maintenance

obligations under this Declaration shall terminate at the time of such dedication as to those portions of the Limited Use Driveways so dedicated.

9. Insurance. The following new Section 14.8 describing the decision not to rebuild Limited Community Areas shall be added at the end of Article XIV of the Declaration as follows:

14.8 Limited Community Areas. If Members representing at least sixty-seven percent (67%) of the votes of the Members in the Master Association that are entitled to exclusive use and occupancy of Limited Community Areas, and fifty-one percent (51%) of the Eligible Mortgagees (based upon one vote for each Mortgage owned) of the Lots and Parcels to which such Limited Community Areas are allocated, vote not to repair and reconstruct such Limited Community Areas and no alternative Improvements are authorized, then and in that event the affected portion of the Limited Community Areas shall be restored to its natural state and maintained as an undeveloped portion of the Limited Community Areas by the Master Association in a neat and attractive condition, subject to the Assessments levied by the Master Association associated with such Limited Community Areas, as further described in this Declaration. Any remaining insurance proceeds shall be distributed in equal shares first to the Mortgagees and then to the Owners of the Lots or Parcels to which that Limited Community Area was allocated at the time of acquisition, as their interests appear.

10. Condemnation. The following new Section 15.4 describing the condemnation of a Limited Community Area shall be added at the end of Article XV of the Declaration as follows:

15.4 Limited Community Areas. All or any portion of an award attributable to the taking, condemnation, sale, acquisition or other disposition of in lieu of or in avoidance of condemnation of Limited Community Areas shall be equally divided among the Owners of the Lots or Parcels to which that Limited Community Area was allocated at the time of acquisition.

11. Declaration Remains in Effect. This First Amendment, the Oak Vista No. 1 Plat, the Oak Vista No. 2 Plat, the Oak Vista No. 3 Plat, the Oak Vista No. 4 Plat and the Oak Vista No. 4 Declaration, the Oak Vista No. 5 Plat and the Oak Vista No. 5 Declaration, the Oak Vista No. 6 Plat, the Oak Vista No. 9 Plat and the Oak Vista No. 9 Declaration, the Deer Ridge No. 1 Plat and the Deer Ridge No. 1 Declaration, and the Deer Ridge No. 2 Plat and the Deer Ridge No. 2 Declaration shall be considered supplemental to the Declaration. Except as expressly amended by the foregoing, the Declaration shall remain in full force and effect and shall not be cancelled, suspended or otherwise abrogated by the recording of this First Amendment.

12. Authority. Declarant hereby certifies that Declarant may execute this First Amendment without the consent or signature of any other party or Owner as provided in Sections 4.1, 18.3 and 19.3 of the Declaration.
