### NOTES:

- In conjunction with the recordation of this plat for DAYBREAK VILLAGE 4A PLAT 9 SUBDIVISION, there shall also be recorded, with respect to the "tract" described herein, a document entitled "Supplement to Covenant for Community for Daybreak Submitting Additional Property", and, with respect to the residential lots and certain other lots within this Plat, a document entitled "Supplement to Community Charter for Daybreak Submitting Additional Property" (each, a "Supplement"). The Supplements subject the "tract" described herein to a document entitled "Covenant for Community for Daybreak" (the "Covenant"), and the residential lots and certain other lots within this Plat to a second document entitled "Community Charter for Daybreak" (the "Charter"). In addition, any non-residential lot(s) may also have recorded against them a "Supplement to Amended and Restated Declaration of Covenants, Conditions and Restrictions for Daybreak Village Submitting Additional Property", which subjects such non-residential lots within this Plat to the "Amended and Restated Declaration of Covenants, Conditions and Restrictions for Daybreak Village" (the "Village Declaration"). This Plat is part of a master-planned community commonly known as "Daybreak" and is subject to the Master Development Agreement recorded on March 26, 2003 as Entry No. 8581557, in Book 8762 beginning on Page 7103 of the Official Records of Salt Lake County (which Master Development Agreement may be amended from time to time) (the "Master Development Agreement").
- The "tract" subdivided by this Plat is hereby specifically subjected to a reservation by the Owner of (i) all oil, gas, geothermal and mineral rights and interests under or appurtenant to the "tract" subdivided by this Plat, and (ii) all water flowing or located under, within, over, or through the "tract" subdivided by this Plat, including, without limitation, all storm water and reclaimed water. The "tract" subdivided by this Plat is further subject to all easements, restrictions, reservations, rights-of-way, shortages in area, encroachments, or other encumbrances, whether such matters are of record or otherwise enforceable at law or in equity.
- All areas identified on this Plat as public rights-of-way are intended for public use and are hereby dedicated for the perpetual use of the public pursuant to the Owner's dedication shown hereon. All other areas are not dedicated for public use by this Plat. Lots designated as "O" and "P" are to be dedicated or donated to either: (i) the city or other governmental entity, or (ii) an owners' association for common area use, in a subsequently recorded instrument or an amendment to this Plat. Any easement shown on this Plat that is not specifically referred to as "public" is reserved to Owner or to Owner's designee.
- The Owner reserves, in favor of Daybreak Water Company, a Utah non-profit corporation, easements over, across and under all streets, public rights-of-way, alleys, "P" lots and "O" lots, and other public use areas, and all public utility and drainage easement areas to install, maintain, repair, and otherwise operate and accomplish all things associated with, a secondary water system providing secondary water to portions of Daybreak.
- On any lot in this Plat encumbered by a blanket PU&DE easement, Owner reserves the right to relocate and/or more particularly define the location of such easement by Owner recording a notice of such location concerning such lot in the Official Records of Salt Lake County. Owner's relocation or definition of the easement is subject to existing utility's consent.
- From and after recordation of this plat, any amendment thereto or further subdivision thereof or within thereunto shall not be deemed to be an amendment to the Kennecott Master Subdivision #1 referred to hereon. Further subdivision of the Kennecott Master Subdivision #1 is consented to by any owner at any time hereafter purchasing or having an interest in any lots shown on this plat.
- Certain lots on this Plat may be served by sewer laterals that are less than 11 feet below ground level. In such event the residences on such lots with basements may not have sewer service available to the basements. The owner of any lot in this Plat shall be responsible for verifying the sewer lateral depth serving said lot and shall be responsible for setting the foundation elevation of the residence constructed thereon to a depth sufficient for adequate fall into the respective sewer lateral.

### EASEMENT NOTE:

Owner certifies that the easements, claims of easements, or encumbrances on the platted property which are shown by public records are shown on this plat based on the title report issued by First American Title Co., Order Number 051-5802305, Amendment No. 06 with an effective date of May 24, 2017.

### HIGH GROUND WATER:

Many areas in South Jordan City have ground water problems due to high (fluctuating) water table. Approval of this plat does not constitute representation by the City that building at any specified elevation will solve groundwater problems, if any.

### SEWER LATERAL NOTE:

All lots contained within this Plat are served by private sewer laterals. The owner(s) of a lot in this Plat or any portion of an Alpha Parcel which is served by a sewer lateral which traverses a lot labeled "P" or "O", a public right-of-way, or a PU&DE easement is hereby granted an easement over and through such "P" and/or "O" lots, public rights-of-way and/or PU&DE easements for the purpose of allowing such owner(s) the right to operate, maintain and repair such sewer lateral. Promptly following any construction, repairs or maintenance requiring disturbance of the surface or subsurface of a burdened property, the benefited party shall cause the surface and subsurface of the burdened property to be restored to a condition substantially similar to the condition prior to such disturbance.

### SEWER NOTE:

\*The signature of South Valley Sewer District on this plat does not constitute any guarantee of availability of sanitary sewer service to the property or any approval of sewer lines or facilities. The owner(s) of the property must provide satisfactory plans to the Sewer District for review and approval before connecting to the District's sewer system and will be required to comply with the District's rules and regulations.\*

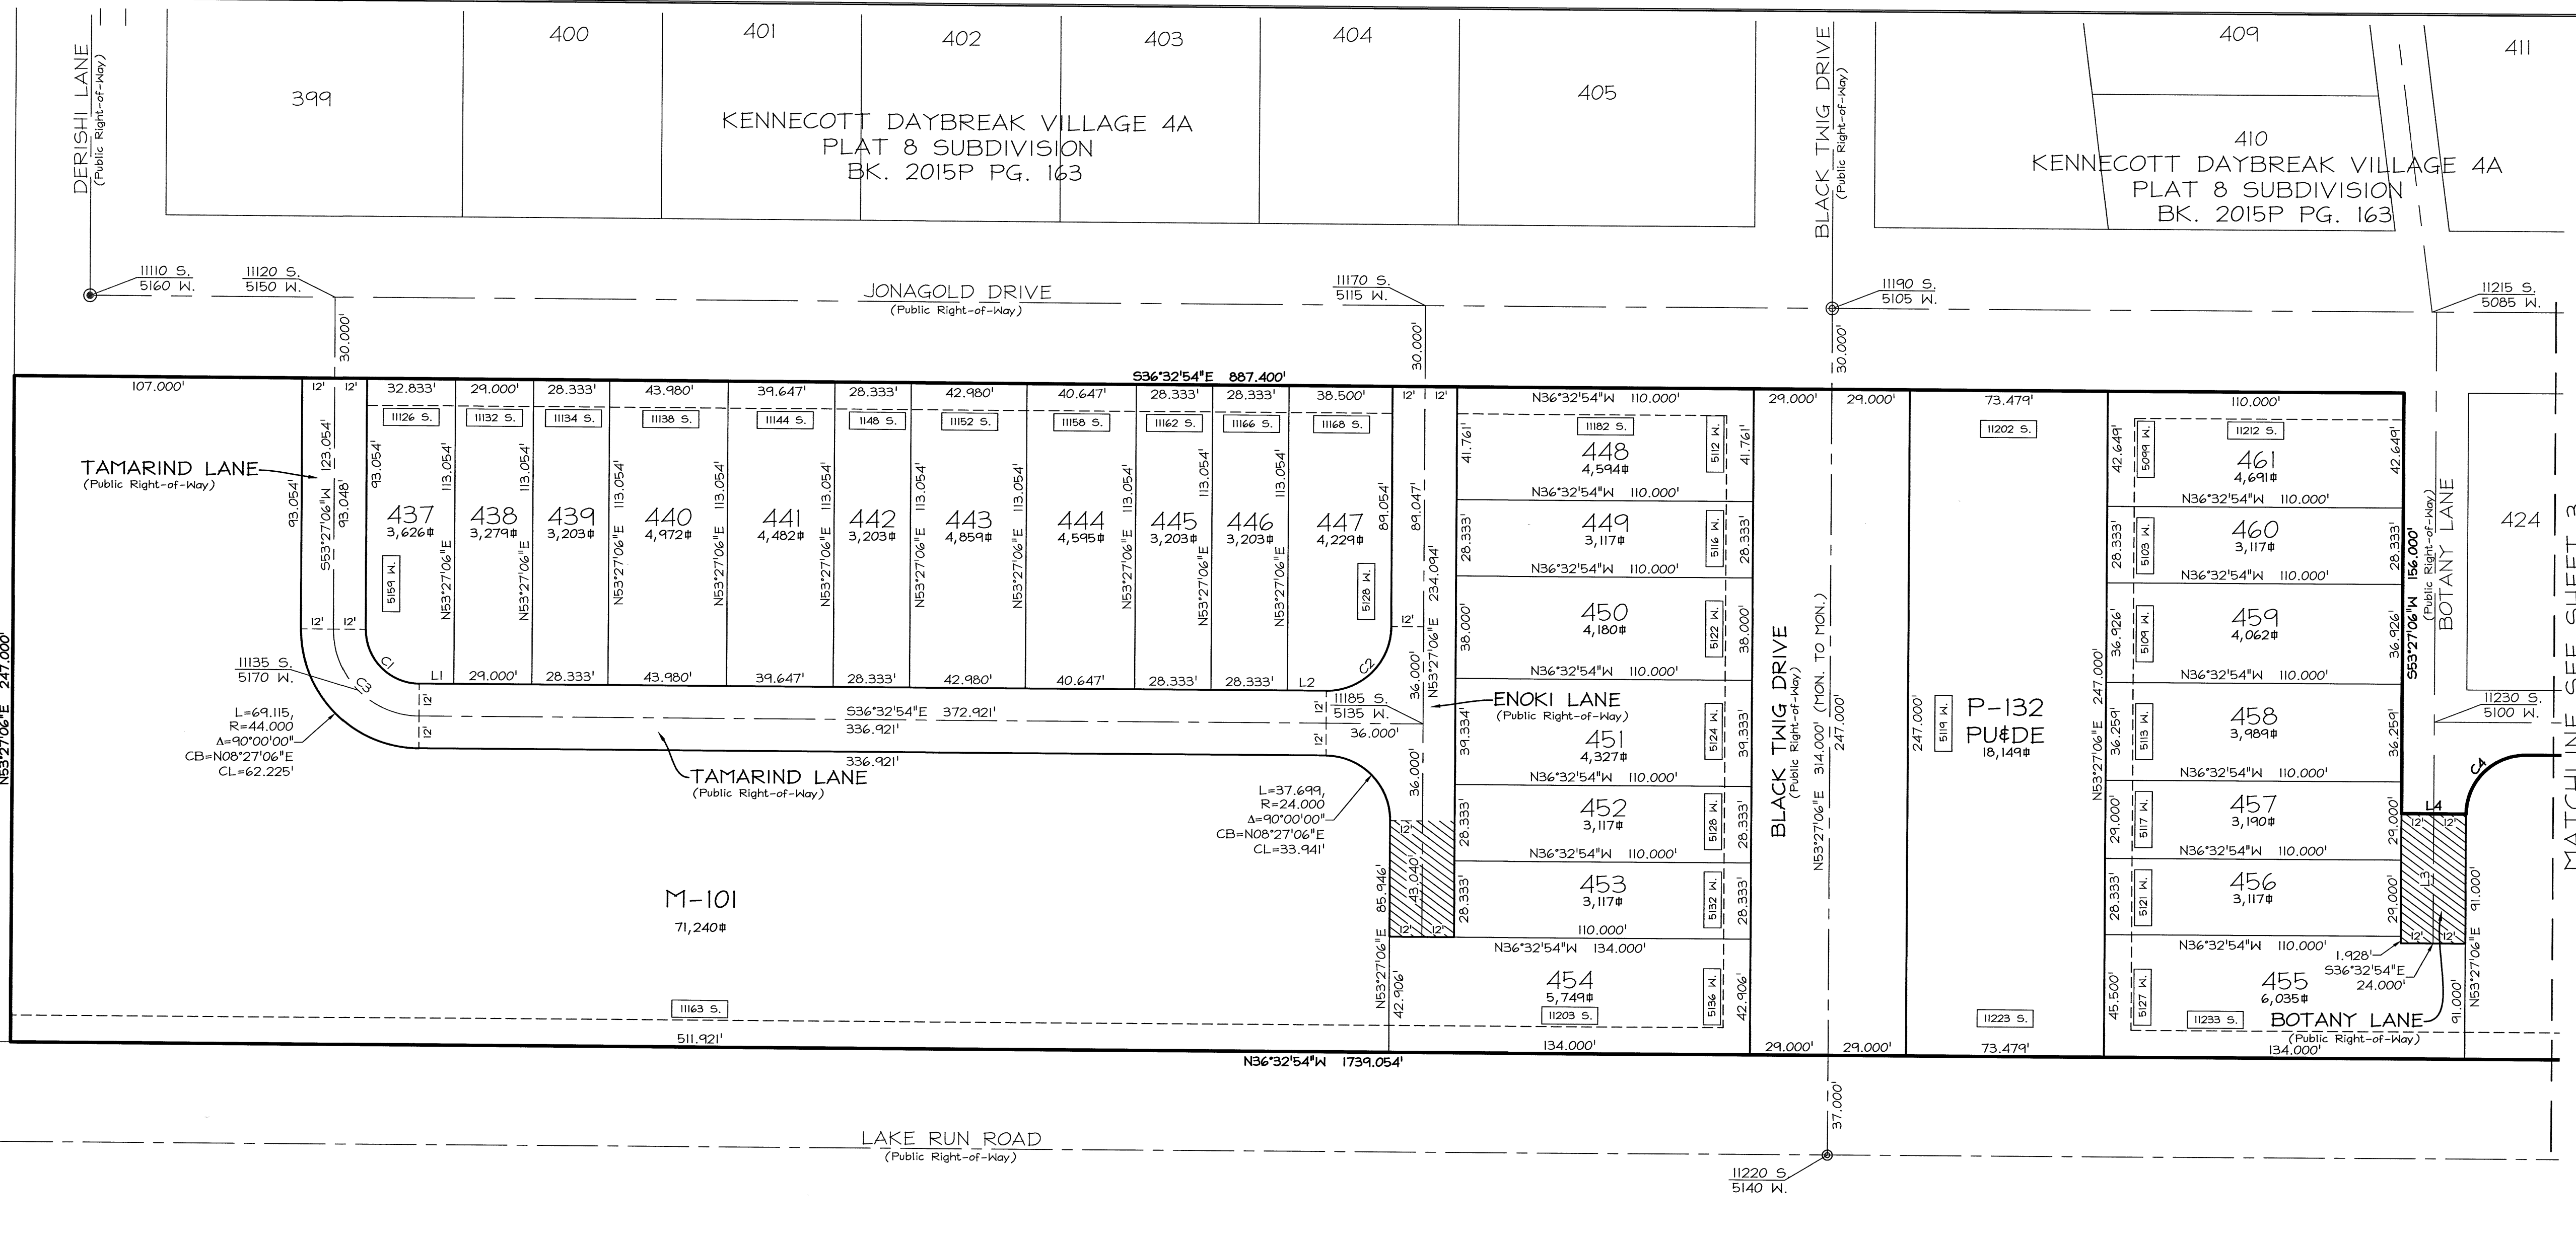

### NOTICE:

Potential purchasers of property described on this plat are advised by South Jordan City to familiarize themselves with all notes, lot information, easements and other pertinent information contained on this plat and also with any Covenants, Conditions and Restrictions ("CC&Rs") recorded against such property, including those described in note 1 of this plat. Such property may also be subject to the restrictions of the Kennecott Development Standards Matrix ("Matrix") attached to the Kennecott Master Subdivision #1 Plat recorded in Book 2002P commencing at Page 273, in the Salt Lake County Recorder's Office, as it may be amended from time to time. These documents may limit the use of the property and failure to comply with such documents may result in financial losses to the property owner. Purchasers and property owners are responsible to review and to be in compliance with this plat, the CC&Rs, the Matrix and other recorded documents related to this plat, as currently existing or as may from time to time be changed and/or amended.
